

### Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.)

Details of desirable specializations for the teaching posts advertised. Posts where desirable specializations are not mentioned may be considered open for all specializations. Even where desirable specializations are given, persons of other specializations may apply.

S.No.	Subject	Name of the Post advertised	Desirable specializations
01.	Anthropology	Professor	Rural & Tribal Development
	-do-	Associate Professor	Human & Population Genetics/ Biological Anthropology
02.	Biotechnology	Associate Professors	1. Microbial/ Fermentation/ Environmental Technology 2. Molecular Biology & Bioinformatics 3. Plant Biotechnology 4. Animal/ Medical Biotechnology
03.	Botany	Associate Professors	Microbiology & Plant Pathology (IPM), Cytogenetics & Plant Breeding, Stress Biology/ Plant Physiology, Terrestrial Ecology & Biosystematics
04	Chemistry	Professor	Organic/ Analytical/ Physical/ Inorganic Chemistry
	-do-	Associate Professor	Organic/ Analytical/ Physical/ Inorganic Chemistry
05.	Education	Assistant Professor	1. Hindi 2. Biological Sciences 3. Mathematics 4. Social Sciences 5. ICT 6. Special Education
06.	Economics	Professor	Managerial Economics & Public Finance
	-do-	Associate Professors	Econometrics & Development Finance, Financial Management & Applied Finance
07.	Industrial & Production Engg.	Professor	Robotics/ Operation Research
	-do-	Associate Professors	Production/ Decision/ CAD & CAM/ Industrial Engineering Management
08.	Library Science	Associate Professors	Library Automation & Networking
09.	Management Studies	Assistant Professor	Accounting & Finance
10.	Mechanical Engineering	Professor	M/c Design, Thermal Engineering
	-do-	Associate Professors	Applied Mechanics, Design, Thermal/ Production Engineering
11.	Pharmacy	Professor	Pharmaceutics, Pharma. Chemistry, Pharmacology, Pharmacognosy
	-do-	Associate Professors	Pharmaceutics, Pharma. Chemistry,

			Pharmacology
12.	Pure & Applied Physics	Professor	Experimental Nuclear Physics
	-do-	Associate Professors	Condensed Matter Physics, Laser Physics & Spectroscopy, Instrumentation, Nanoscience & Nanotechnology, Theoretical Physics, Material Science, Nuclear Physics
13.	Political Science	Associate Professors	Public Administration
14.	Social Work	Associate Professors	Human Resource Management/ Community Development/ Medical Psychiatric Correctional Services/ NGOs and Disaster Management
15.	Rural Technology	Associate Professors	Rural Technology/ Agriculture/ Remote Sensing
16.	Zoology	Associate Professors	Molecular Cell Biology & Cytogenetics, Bio Chemistry, Fish Biology, Entomology, Mammalian Reproductive Biology & Endocrinology
