

## Best Practices

- i) Wi-Fi: The UGC-HRDC Guru Ghasidas Vishwavidyalaya is providing free Wi-Fi facility to the participants for preparing their assignments, projects, presentation, Micro- teaching etc. in connection with the programme.
- ii) Field Tour: One day Field Tour (Optional) programme has been organized in the HRDC and the same being organized as part of each (OP & RC) programme conducted by the HRDC for better understanding the ecological and cultural diversity of C.G.
- iii) All The participants are provided with the course contents (PPT) of Resource persons in each of the programme along with their contact details for better sharing of knowledge and to update their area of interest.
- iv) Enhancement of teaching and learning skills through:
  - Practice Teaching with video recording; Seminars; Computer training etc.
- v) Encouragement and Motivation for research contribution through:
  - Writing Research Papers and Proposal; Hands on statistical analysis using Excel; SPSS etc.; Conducting Research Methodology courses for faculties and scholars.
- vi) Awareness on Examination Reforms such as semester systems, CBCS etc.
- vii) Feedback from participants on courses and resource persons
- viii) Spreading on Issues pertaining to higher education such as tribal & rural health; Gender, Biodiversity and Environment, Plagiarism, Nationalism, etc.
- ix) Swachh Bharat/Yoga Day/Social Work/Tree Plantation etc.
