

Outcome parameters laid down

Resource persons have been selected based on:

- Academic profile - Contributions in their subject area
- Experienced Professional knowledge and skills on subject
- Good teaching techniques
- Having proficiency in bilingual (Hindi & English) language with good command.
- Past experience of being Resource Person as well as their feedback from participants were considered.
- Participants performance was assessed following the guidelines prescribed by the UGC:
 - Multiple choice objective tests
 - Seminar Presentation
 - Project works / Assignments
 - Micro Teaching performance
 - Holistic response
- Participant's performance/behavior has also been assessed through feedback of the resource persons beside their class room.
- Similarly, Resource persons teaching performance has also been assessed based on the feedback of the participants
- 100% attendance is mandatory for all participants.
- Post-feedback – follow-up programme are planned
- On weekends one day field tour has been organized (optional) for better understanding the area and the people of the nearby places.
