The following is the finalized Vision and mission of the department by the committee members:

“Vision”

To become a knowledge hub of civil engineering education, research, entrepreneurship and industry outreach services for sustainable development with enhanced quality of life in the society.

“Mission”

1. To produce technically sound engineers capable to handle the challenges in Civil Engineering field, by imparting outcome based education, industry oriented training and by inculcating professional ethics.
2. To serve as a trustworthy and indigenous professional centre for the society through consultancy services and continuing education programs in Civil Engineering field.
3. To maintain the global standards in teaching, learning & research and to promote the collaborative research with Institutions and Industry of repute at National and international level.
