About the University
Guru Ghasidas Vishwavidyalaya (GGV) is a Central University, situated in Bilaspur in Chhattisgarh State, established under the Central Universities Act 2009. Formerly it was known as Guru Ghasidas University (GGU), established by an act of the State Legislative Assembly, on June 16, 1983. GGV is an active member of the Association of Indian Universities and Association of Commonwealth Universities. It is situated in a socially and economically challenged area of Chhattisgarh State. The university is appropriately named after the great Satnami Saint Guru Ghasidas, who championed the cause of downtrodden and waged a relentless struggle against all forms of social evils prevailing in the then society. Vishwavidyalaya is now draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society. The campus is lush green, calm and quiet and free from urban noise and pollution, an ideal temple for education and research.

About the Department
The Chemical Engineering Department is one of the premier and oldest department of School of Studies of Engineering and Technology (Formerly Institute of Technology) of the University. The department was established in 1997 with a vision to establish itself as one of the best study centre of Chemical Engineering with a focus on cutting edge technology research and to produce career ready chemical engineers. The department offers B.Tech., M.Tech. and Ph.D. programs. The department is endowed with well qualified faculty members strongly committed to impart high quality teaching in Chemical Engineering. It has well equipped laboratories in core and specialized areas of Chemical Engineering.

About the Bilaspur City
Bilaspur is situated on the bank of river Arpa which has its own history in the holy books. The state capital Raipur is 111 kilometers from Bilaspur. It is the second largest city in Chhattisgarh and is known as NYAYADHANI because of the High Court of the state (largest High Court of Asia) being situated here. The South East Central Railway (SECR) Zone and South-Eastern Coal Fields Limited (SECL) have their Headquarters in this city. The city is surrounded by many historical places and temples; Siddha Peeth Maa Mahamaya at Ratanpur and Amarkantak which is the origin of river Narmada, life line river of Madhya Pradesh. Bilasa Devi Kevat Airport Bilaspur is the nearest airport to connect Bilaspur.

About the Conference
The CCEEMSGPI is an international conference that aims to understand the challenges being faced in terms of energy and environmental management by the process industries during COVID pandemic and how they are evolving to overcome these challenges and to prepare for future growth. The conference sessions will have keynote address by eminent personalities from industry and academia and oral presentation based on session theme. This conference will provide an excellent opportunity to academicians, industrialist and scientific community to exchange their ideas for cumulative growth and mutual benefit. The topics to be covered in this conference are given below:

- Environmental Pollution
- Pollution Control Technologies
- New Perspective of Renewable Energy
- Clean & Sustainable Energy
- Renewable Fuels
- Waste Water Treatment
- Conventional Separation Processes
- Novel Separation Processes
- Waste Management Technologies
- Energy Intensification
- Energy Audit & Management
- Energy Conservation
- Process Intensification
- Waste to wealth
- Miscellaneous topics

Targeted Participants
- Scientists from R&D / Industry
- Faculty Members
- Research Scholars
- UG / PG Students

Abstract Selection
Since there are limited seats, the selection will be made on first cum first basis and intimation will be sent to the participants by mail as per the deadlines. After the acceptance of abstract, submit the manuscript to cceem2021@gmail.com as per deadline.
