PREFACE

It is a matter of great pleasure for me to present the Annual Report of Guru Ghasidas Vishwavidyalaya for the session 2021-2022, a period of achievements, reflection, and forward thinking. The achievements of students and faculty members of the university have been recorded in this report and they are testimony to the significant contribution of the university in nation building. This has been possible due to the optimum use of our knowledge and resources.

We have achieved several milestones in our journey during the session. The university has adapted well to the post-Covid times, gradually turning from online mode of teaching and learning to offline mode. Our efforts to streamline the academics as per the academic calendar and to have timely declaration of examination results are yielding positive results. We have started the process of admissions through CUET and have seen overwhelming response in terms of number of applications received. New buildings are in the process of getting handed over so that the departments can deliver their best. ICT integrated teaching-learning is supplemented by a fully wi-fi enabled campus where internet and library resources can be accessed. Our HRDC has been conducting several courses for the benefits of teachers.

The faculty members have published research papers in high-impact journals and their knowledge and research has been lauded at national and international academic platforms. This can be seen in the grants received for research and projects. The university has also signed several MoUs with prestigious institutions. We have also organized several conferences, seminars, and workshops where learned scholars have visited the campus and interacted with students and faculty members.

The students have earned laurels with their hard work, achieving commendable success in various prestigious examinations like those organized by State Public Service Commissions, UGC-NET, GATE, GPAT etc. The number of students bagging good jobs in private sector companies and of those opting for higher studies has been increasing.

We are very conscious of the vibrant and challenging atmosphere that the country is witnessing. Accordingly, we have responded to it by adopting the groundbreaking New Education Policy, becoming the first institution in the country to take steps for its implementation. Similarly, we have taken a very pro-active approach to get NAAC accreditation for the university. We have even developed a software and have organized several workshops in this regard.

Our initiatives and efforts aim to have a gender-sensitive, ragging-free, and disabled-friendly environment with a good ambiance for all. Facilities to encourage students in extracurricular activities have been ensured. Through schemes like Unnat Bharat Abhiyaan, NSS, Ek Bharat Shrestha Bharat, and NCC, students are oriented towards social and national values. Equal Opportunity Cell of the university assists the students in preparing for various competitive examinations and the Psychological Counseling Cell helps the students cope up with stress. Another novel initiative Swavalambi Chhattisgarh, aims to help students harness their potential with skill development and employment.

I thank the Annual Report team for their concerted and dedicated efforts to present this report in a comprehensive, structured, and aesthetically pleasing manner within the stipulated time.

Prof. Alok Kumar Chakrawal
Vice-Chancellor

VISION AND OBJECTIVES

VISION

Motivated by the thoughts and teachings of Guru Ghasidas, a great Satnami Saint of 18th Century, Guru Ghasidas Vishwavidyalaya, Bilaspur (CG) is committed to social empowerment, particularly of the weaker sections of the society with the help of quality higher education and training. The focus of the University is on offering and strengthening innovative academic programs in emerging interdisciplinary areas of Science, Social Science and Humanities with quality assurance so as to contribute to the growth of the knowledge base of the University in particular and academia in general. The University aims to provide value-based holistic education which will lead to the growth and development of a community better equipped to serve the mankind.

OBJECTIVES

The objectives of the University are 'to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for integrated courses in Humanities, Social Sciences, Science & Technology in its educational programs; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train manpower for the development of the country; to establish linkages with industries for the promotion of science and technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

INSPIRATION

GURU GHASIDAS

Guru Ghashidas Vishwavidyalaya is named after Saint Guru Ghasidas (1756-1836), a visionary social reformer. Guru Ghasidas founded Satnam Panth, a socio-religious sect, which challenged contemporary discriminatory social order and advocated for social equality by refuting the exploitative and hierarchical caste system. With his holistic vision and systematic reforms, Guru Ghasidas contributed significantly in removing the prevailing social injustice and inequality.

Satnam Panth believes that truth is God and there is only one God, which is formless (nirgun) and infinite (anant). Individual reformation was brought by prohibiting consumption of liquor and non-vegetarian food. Guru Ghasidas also formulated principles, which show his love for fauna and his desire to put an end to cruelty towards animals. The partisans of Satnam Panth have been following these dictates from last hundreds of years now.

After its upgradation into a central university, many steps have been taken by the University authorities to translate Guruji's philosophy into reality. Now, our campus is an alcohol and tabacco free campus. Our vibrant university campus, where students from diverse castes, creeds and classes come together from all over India, provides an egalitarian environment based on Guruji's teaching.

1. INTRODUCTION

1. 1 UNIVERSITY AT A GLANCE

Guru Ghasidas Vishwavidyalaya, established as a state University in 1983, is a residential University, named after Guru Ghasidasji, an Eighteenth Century Satnami Saint. The University was upgraded into a Central University on 15th January, 2009, under the Central Universities Act, 2009, during the XI Five Year Plan. The University is an active member of the Association of Indian Universities and Association of Commonwealth Universities. National Assessment and Accreditation Council (NAAC) has accredited the University with a B status.

Guru Ghasidas Vishwavidyalaya is located on the outskirts of the city of Bilaspur, popularly known as Nyayadhani (the city of Justice) and Sanaskardhani (the city of culture). Bilaspur is a cosmopolitan city which houses High Court of Chhattisgarh, the headquarters of South East Central Railways and South Eastern Coalfields Limited. The journey of the University began in a humble way with a few departments in temporary buildings in Bilaspur city. Subsequently, it was shifted to the old army barracks of Second World War in the Koni area, located on the left bank of the river Arpa. The University campus is spread over 656 acres of land. Nature has bestowed the campus with unmatchable beauty, immaculate blend of green areas and water bodies.

The University offers opportunities to young minds and facilitates the accomplishment of their creative talent with emphasis on character building through various streams of knowledge. The University comprises of 32 University Teaching Departments under 11 Schools of Studies. It offers a number of undergraduate, postgraduate and Ph.D. programs, besides diploma and postgraduate diploma courses. Admissions to all the programs are made through a competitive All India Vishwavidyalaya Entrance Test conducted by the University. In the School of Engineering & Technology, the admissions are made through CSAB JEEE exams.and admissions to the MBA program are made through Management Aptitude Test (MAT). During the 2021-22 academic session, 8779 students were enrolled in the teaching departments of the University.

Chhattisgarh, formerly an undeveloped region, is one of the fastest growing states in the country. As an industrial hub, the state requires a sizeable pool of skilled manpower. The denizens of this area can tap these opportunities in a better manner by having access to quality education and training. The University has taken extensive steps to transform both teaching and learning process in order to meet contemporary global standards. To boost the quality of teaching, the University has appointed nationally and globally trained faculty members. The University is also committed to meeting an ideal student-teacher ratio. The classrooms are being modernised by installing facilities like LCD projectors, quality furniture and air conditioners. Students are continuously evaluated through internal assessment, assignments and end-semester examinations. A transparent evaluation process, where answer-sheets of the internal assessments as well as semester examinations answers sheets are shown in the classrooms after evaluation, helps the students to improve their performance. To maximize student's potential, the University has arranged excellent support facilities including hostels, cafeteria, gymnasium, student

amenities centre and Wi-Fi connectivity. Through various classes-remedial, spoken English, personality development and free coaching for competitive examinations-the University is committed to providing equal opportunities to students belonging to traditionally marginalised Scheduled Caste, Scheduled Tribes and Other Backward Classes.

Special measures have been taken to provide an environment conducive for over-all personality development of students. Excellent sports facilities are available on the campus and in hostels. The University has planned to extend sport facilities by constructing a new gymnasium. Throughout the year, many activities are organised including Republic Day, Independence Day, Foundation Day, Education Day, Swami VivekanandJayanti, Sardar Vallabh Bhai Patel Jayanti, Teachers' Day, Mahatma Gandhi Jayanti, Guru Ghasidas Jayanti, University Establishment Day, International Yoga Day, National Constitution Day, etc.. Along with sports and cultural activities, students are also encouraged to participate in social outreach initiative of the University. Through these activities, students are encultured in participatory ways of life. International and national level events are organised to expose students to new ideas of eminent persons from all walks of life. The University teaching departments organise fieldwork, industrial visits and educational tours to impart practical knowledge.

To face challenges posed by the process of development, the University community is all set to contribute to the larger society through quality research and development in various areas including energy security, food security, biodiversity management, pollution management, forest management and developmental policy. The UGC Human Resource Development Centre regularly organises orientation and refresher courses, short-term courses and workshops for the capacity building of teachers and staff. During these courses, expertise of senior faculty members of the University and practitioners from diverse fields is utilised.

GGV has signed a Tri-partite Memorandum of Understanding (MoU) with Ministry of Education (MoE) and University Grants Commission (UGC) wherein data of all academic, administrative, financial, etc. activities are sent from time to time in the prescribed format.

In the coming years, the University aims to act as a role model for the Central Universities and simultaneously provide an educational opportunity to the growing number of the students of the region. The University is on the path of realising twin goals envisioned by the National Knowledge Commission, i.e. "of making higher education more relevant to the needs and opportunities of a knowledge society" and "to make higher education more accessible to all sections of the society."

The faculty members have published research papers in high-impact journals, presented their researches at national and international academic platforms, received grants for research projects and signed MOUs with prestigious institutions. National and international conferences have been organized and several learned scholars have visited the campus and have interacted with students and faculty members.

The students have achieved commendable success in various prestigious exams like the examinations conducted by the State Public Service Commissions, UGC- NET , GATE, GPAT, etc and have bagged good jobs in public and private sector companies and many have opted for higher studies in globally reputed institutions.

All efforts are taken to provide a gender-sensitive, ragging-free and conducive environment to the students. Facilities to encourage students in extracurricular activities have also been ensured. Through schemes like Unnat Bharat Abhiyaan, NSS, Ek Bharat Shrestha Bharat, students are oriented towards social and national values too. Equal opportunity Cell assists students in preparing for various competitive exams and the Psychological Council Cell provides timely help to students to cope up with stress.

Vishwavidyalaya also declares its results in time and awards degrees at its convocation. However, if the convocation is not held in the same year then degrees are provided to the students as per the UGC guidelines in this regard --to the needy as per urgency. Degrees and certificates of the passed-out students for session 2014-15 to 2019-20 have been uploaded by the University under National Academic Depository (NAD).

The basic strategy of any higher educational institute is to impart quality education, recruit skilled and experience faculty members, develop infrastructure and state-of-the-art labs with equipments, and to promote interdisciplinary research activities.

The basic facilities provided to the students:

To execute maximum MoUs/collaborations with national and international institutions to strengthen the research activities in the campus that can benefit the students in turn.

To motivate and encourage all faculty members for more publications and for research, patent filing, submission of research project proposals, for organising and participating in international and national conferences and seminars, in online mode (webinars), publication of books as author, etc. The University provides travel grant to faculty members as per the UGC and the university guidelines for participation in conferences, seminars, workshops etc.

There are 08 Smart Classrooms and 37 Semi-Smart Classrooms on the campus, covering most of the academic buildings to facilitate modern teaching methods. The present library and laboratories have been further strengthened to match the national/international standards. There is seating capacity of 500 at a time in the Central Library.172319 books, 4616 back volumes of journals, and 1264 Ph.D. theses are available in the Central Library along with wi-fi services, provided to the users to access online journals and reading materials free of cost.

The continuation certificate, HRA and Contingency certificates are to the UGC-DBT canara Bank Fellowship beneficiaries are uploaded in the UGC portal within stipulated date and time. Likewise, the Non-NET Research Scholars Fellowship payment is also paid to the beneficiaries.

During 2021-22, more than 122 faculty members were given NoC to submit research project proposals to the Government of India and the State Govt. funding agencies. Presently more than 24 research projects are going on.

During the multiple phases of lock down due to covid-19 pandemics, the University has effectively managed teaching, learning and evaluation mechanism with the dedicated efforts of the teachers, students and non-teaching employees. The university took all measures to safeguard the well-being and health safety of all the employees against the pandemics.

2. ACADEMIC ORGANS

2.1 SCHOOLS OF STUDIES

The University offers various courses/ programmes through 32 teaching departments under 11 different Schools of Studies. The present set-up of Schools of Studies and Departments is as follows:

2.1.1 SCHOOL OF STUDIES IN ARTS

The four departments under the School of Arts are English and Foreign Language, Hindi, Journalism & Mass Communication, and Library & Information Science. The departments under the School cover a wide range of courses and research interests.

DEPARTMENT OF ENGLISH AND FOREIGN LANGUAGE

Activities of the Department

Established in 1990, the Department of English and Foreign Language has been endeavouring to provide the students a firm grounding in English Studies of teaching and learning in a very congenial atmosphere.

The interest in literary studies can be seen in the growing number of undergraduate students who opt for English as their honours or elective subject. Students aspiring to obtain a post graduate degree in Literature in English get introduced to all the important aspects of literatures written in English. We are also aware of the importance of research. Accordingly, our syllabi incorporate the latest aspects of literary studies and research so as to prepare the students well for research and teaching. The Department is also a recognised research centre with all facilities.

A stimulating ambience in the Department, regular seminars, assignments and special invited lectures on specific portions of syllabus enhance the purpose of imparting quality education. In addition, text reading sessions, group discussion and literary and extracurricular activities are regularly organised. All this is supported with a well-stacked departmental library, access to reputed journals, and free access to high-speed internet available in the Department. With the availability of all these, the Department has become a hub of activities. The students participate actively in extracurricular activities, and even organise a drama festival 'Abhinaya' every year.

The academic excellence of the faculty members reflects in the continuous publications and participation in national and international conferences and workshops. The students have also been presenting papers at seminars and conferences and have been appreciated. The number of our students clearing UGC NET has been increasing every year. Teachers have been to and from USA under Fulbright Scheme for teaching purposes. The Department seeks to have further involvement in collaborations for exchange and visit

of scholars to and from different national and international institutions. Our recent activities include a workshop in English and communication skills and a course in reading and appreciating literature under an MHRD scheme. The Department also arranges for teaching of English and Communication skills to students of various other departments as well as for Remedial English classes, teaching of English in classes for NET, UPSC and other competitive examinations, and also for English teaching in special classes for SC/ST Students.

Our placement record is excellent, with most of our former students teaching in prestigious schools and colleges in various parts of the country. In addition, many of our students are in good positions in administration, media, animation and other diverse fields.

The vision of the Department is to establish it as a centre for continued growth, expertise, and contextual research in English Studies and to develop a deepened understanding of language and literature and the value of critical understanding and effective writing.

The objectives of the Department are to develop sensibility in the students for the English language and literature, to incorporate in the teaching-learning process a wide perspective by including works of World Literature in the syllabi, promoting research in new areas and on inter-disciplinary topics, to make the Department and the classroom a hub for academic activity and for opening up the latent potential of the students so as to develop their personality too, to explore and reach out to academicians, institutions and bodies for research and academic activities, to develop interactions between literary and other forms of cultural production, to enhance students' proficiency in English language skills and to promote interest in and learning of foreign languages.

Achievements of Faculty

Dr. Anurag Chauhan :

- One-day workshop on multiple entry-exit for professional courses as a step towards NEP implementation at GGV, December 18, 2021.
- One-day NAAC sponsored workshop on 'Revised Framework for NAAC Accreditation: An Awareness Programme', 26 November 2021.
- Chaired session at International Conference at C.V. Raman University on Ancient Indian knowledge system for holistic development, 28-29 January 2022 .

Dr. Prasenjit Panda :

- Delivered a talk on Posthumanism and Superheroes as a resource person in the International Conference on "Social Perspectives in Contemporary Literature ", Jointly organised by National College, Tamil Nadu & Sri Vasavi College on 5th and 6th February 2021.
- Delivered Plenary lecture on "Transgression, Transcendence and Ecological Posthumanism in Han Kang's The Vegetarian" in the International Conference on English Language, Literature and Linguistics organised by Department of English and Other Languages, SRM Institute of Science and Technology in association with Bodhi International Journal of Research in Humanities, Arts and Science on 27th August 2021.

- Delivered a lecture on "Review of Literature" in the International Virtual Faculty Development Program on " Tools and Techniques in Research" organised by Amar Singh College in collaboration with Cape Comorin Trust, India on 7th March 2022.
- Delivered two lectures on Structuralism and Post- Structuralism on 18th and 19th June, 2021 as a resource person in the Department of English, Bareilly College, Bareilly.
- Delivered a lecture on "Henrik Ibsen's Ghosts" in the Department of English, Kashipur Michael Madhusudan Mahavidyalaya on 2nd July 2021
- Delivered a lecture on "Understanding Deconstruction" in the Webinar organised by Department of English, IKSV, Khairagarh on 12th September, 2021.
- Delivered a lecture on "Understanding Deconstruction" in the Postgraduate Lecture series organized by ISPELL Chhattisgarh Forum on 15th May 2021.
- Participated in a Seven-day Faculty Development Programme on "English and Interdisciplinary Paradigms in Research" from 25th May to 31st May 2021.
- Participated in a Five-Day Faculty Development Programme on Rejuvenation of Literature and Language: From Pandemic to Pan-Academic, held from 17th to 21st May, 2021, jointly organised by Reva University and iSPELL.

- Participated in the International Virtual Faculty Development Programme on Ethics in Research and Teaching jointly organised by Govt. College for Women, Parade Ground, Jammu, India, Govt. College Dhami, 16 Mile Shimla, Himachal Pradesh, India and Cape Comorin Trust, India from 21-27 April, 2021.
- Participated in Eight-Day Faculty Development Programme on "Pedagogy and Research Skills Development" from 21 to 29 June, 2021 organised by the Amity School of Languages, Amity University, Maharashtra.
- Participated and successfully completed the Eight-Day National Level Online Faculty Development Programme on "Reading: Back to Basics" conducted by the ELTAI in association with Sri Ramkrishna Engineering College, Coimbatore, on 23rd -28th & 30th -31st August, 2021.
- Participated in the Refresher Course on "Post 1950s Literature in English: Text and Context (Specific)" from 06/12/2021 to 18/12/2021 organised by HRDC, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) and obtained Grade 'A+'
- Completed One-Week (online) Faculty Development Programme (Short Term Programme) on the theme "Remapping Teaching and Research in English Language and Literature - Approaches, Methods and Techniques" organised by the Department of English, Palamuru University in collaboration with UGC-HRDC University of Hyderabad from 21st to 26th February, 2022.

Achievements of Students

- Lakhnee Sahu B.A. III got Gold Medal at Taekwondo Kyorugi at Goa.

DEPARTMENT OF HINDI

The Department of Hindi was established in the year 1987. During the study session 2021-22, various programmes such as poetry seminars, literary discussions and literary talks are organised in the department for the development and propagation of Hindi language and literature. Along with this, the departmental students are made aware of the importance of literature during the study session by conducting active programmes. The department is constantly striving to fulfill the importance and purpose of Hindi language as an important alternative to nationality, human values and employment.

Activities of the Department

- 'Sahitya Varta'- The Department of Hindi has been organising 'Sahitya Varta' as a weekly programme on every Friday of a month since 2013. In this event, lectures on various subjects are taken by the teachers of the department, and by distinguished scholars. This event is done entirely for the students in which the departmental teachers are the co-operative. Its goal is to develop the ability of quality reading and conduct lectures for the students. Keeping accord to its resolve, this year also the event continued, in which the lectures of scholars coming from outside the university have been making these events special, attractive and important, the details of which are as follows-

- Organised an invited lecture on 22/11/2021 on the topic "Translation of Meghdoot" by Prof. Awadhesh Pradhan.
- Organised 'poetry-recitation' programme on 25/02/2022 in the presence of Prof. Alok Chakrawal Vice Chancellor, Guru Ghasidas Vishwavidyalaya and renowned story writer Dinesh Kushwaha.
- Organised various programmes in the department on 5th September, 2021, on the occasion of Teachers Day Celebration.
- Lectures of teachers were held in the department on Hindi Diwas 14 September 2021.
- Research work: In this study session, three researchers were selected for research work under Dr. Gauri Tripathi- (1-Pramila), Dr. Ramesh Kumar Gohe- (1 -Viveksheel, 2 - Nisha Yadav)

Achievements of Faculty

Dr. Gauri Tripathi

- Research Associateship at Indian Institute of Advance Study (IIAS), Shimla.

Lecture

- On 04/09/2021, Women's Sensitization and Empowerment, One-day webinar, Government Engineering College, Azamgarh.
- On 26/10/2021, Literature and Contemporary Women, national webinar, Government College, Bhaisdehi, District Betul, MP.
- On 01/10/2021, Modern Wome Education of Society in India. UGC - HRDC, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh.
- On 04/02/2021, Literature and Contemporary Womens : UGC - HRDC, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh.
- On 11/02/2022, Updated Hindi Literature: Current Context, Dr. Bhimrao Ambedkar Government College, Amla, MP.

Dr. Ramesh Gohe :

- Lecture on the topic "Rajbhasha Hindi" in one day Workshop on 25/09/2021 at Power Grid Corporation of India, Korba.

Shri Murli Manohar Singh :

- On the occasion of 26th convocation of Dr. Ram Manohar Lohia Avadh University on 10-12-2021, delivered the convocation address organized by Department of Hindi, Avadh University.
- Lecture on the topic "Indian Freedom Struggle and Hindi Literature" in the lecture series organised by Shri Sai Baba Mahavidyalaya, Ambikapur under the Amrit Mahotsav of Azadi.

Dr. Rajesh Mishra

- Awarded best professor certificate by Aksharvarta International Research Journal Ujjain, Madhya Pradesh.

Dr. Akhilesh Gupta

- Awarded best professor certificate by Aksharvarta International Research Journal Ujjain, Madhya Pradesh.

Dr. Lokesh Kumar

- Lecture on the topic "Vikas Yatra of Rajbhasha" in One-day workshop held on 25-09-2021 at Power Grid Corporation of India, Korba.
- Lecture on the topic "Official Language Policy" in One-day workshop held on 30-12-2021 at Power Grid Corporation of India, Korba.

Dr. Anish Kumar

- Editor of 'The Prospective', an international research journal.
- Editor of the departmental research journal.
- Invited lecture as resource speaker in the seminar organised by Dalit Writers Association on 20-03-22.
-

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

The Department of Journalism & Mass Communication was established in the year 1988. The students of B.A and M.A. in Journalism & Mass Communication Courses get trained in Print, Electronic Media organisations in the academics session (2021-22) and many of them are giving services in various media institutes.

The department has started programmes at Graduate level as A.E.C. in Photography, Radio Production and S.E.C. courses in Media, Gender, and Human Rights as well as Media Industry & Management. At Post Graduate level, the Open Elective course of Multimedia Journalism has been started by the department that gives better opportunity to the students to understand and get jobs in the Media field.

Activities of the Department

- A Webinar has been organised by the department of Journalism and Mass Communication on the topic "The Role of Media in the Empowerment of Women", dated 16th March, 2022. The Vice Chancellor of Guru Ghasidas Vishwavidalaya was the President of the webinar. The Convener and Co-Convener of the webinar was Dr. Gopa Bagchi and Dr. Anupama Kumari. The distinguished speakers were Prof. Govind Singh, Dean, Academic, Indian Institute of Mass Communication, New Delhi and social worker Shatabdi Subodh Pandey from Raipur.
- A Five-day Photography/Videography Workshop was organised from 29th March to 3rd April, 2022 by the department.

Achievements of Faculty

- Dr. Gopa Bagchi, Associate Professor, Head of the Department
- Dr. Gopa Bagchi, as convener of One-day webinar organised on the topic "The Role of Media in the Empowerment of Women" dated 16th March, 2022.
- Edited Book
- "Bagchi, Gopa. 2021. Political Communication, Bihar: A.M.S. Publications, ISBN No. 9788193547847...

DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

The Department of Library and Information Science, Guru Ghasidas Vishwavidyalaya was established on 27th September 1985. It is one of the oldest departments of its kind in the region providing knowledge to a board audience of the people who need it with a motto to empower with modern skills and competence. The department aims to provide an education to the students in a friendly manner so that they become motivated for the betterment of their peers and society as a whole and remain up to date. The syllabus, functional library, equipped laboratory are among our major strength through which we deliver and disseminate knowledge. We have developed an environment where students are becoming eager to participate in various symposia and congresses and share their views and experiences with fellow members through highly motivated faculty and their dedication, we air to survey as a model for our students inculcating in them an attitude towards spreading the knowledge and giving back to community.

Objective :

- Providing quality education to meet student needs regardless of their background.
- Educating through highly competent and ethical librarians and information professionals.

- Exploring and integrating innovative technology to enrich teaching along with scholarship and advance professional practice.
- Advancing the frontiers of knowledge and practice in LIS.
- Serving the field, the community, the region and the nation.
- Generating skilled manpower for organising, disseminating, managing and preserving information.
- Use of Information technologies and articulate the role of Information technology in facilitating information management.

Activities of the Department

- Lectures through online/offline mode (according to the instructions proposed time to time by the higher authority) with hands on training for the practical implication of services related to library & information science.
- Doubt clearing session /extra classes to the needy students.
- Conducting & practicing debate/group discussion among students for inter-personal development.
- Guidance for competitive exams related to core subject field.
- Guidance for NTA-UGC NET/SET examination.
- Conducting field visit to acquire the real time data and situations.

Achievements of Faculty

- Dipanjan Mishra Completed Swayam ARPIT Course CAS, Promotion, from IIT, Delhi, 27/10/2021 and PGDCA Degree completed from CVRU Bilaspur, 08/04/2021.
- Ajay Chandra Completed Swayam ARPIT Course CAS, Promotion, from IIT, Delhi, 27/10/2021 and PGDCA Degree completed from CVRU Bilaspur, 08/04/2021.

2.1.2 SCHOOL OF STUDIES IN ENGINEERING & TECHNOLOGY

The Institute of Technology was established in the year 1997. Its main motto was to promote technical education in order to produce professionally qualified, technical personnel capable of facing the more competitive and entrepreneurial challenges. With the help of well qualified and experienced faculty members, modern teaching aids and amenities, rich library, well equipped laboratories, computer facilities with other necessary infrastructure, the school intends to provide career-ready graduates.

The SoS, E&T is equipped with many central facilities viz. Central Library, Training and Placement Cell, Electronics Classroom (E-class room) and high speed Internet connection. The school is a life member of the Institution of Engineers (IE) Kolkata, as well as of the Indian Society for Technical Education, (ISTE) New Delhi.

Presently, the school offers following B.Tech.. degree programme in seven demand-driven disciplines.

- B.Tech. in Chemical Engineering
- B.Tech. in Civil Engineering
- B.Tech. in Computer Science & Engineering
- B.Tech. in Electronics & Communication Engineering
- B.Tech. in Industrial & Production Engineering
- B.Tech. in Information Technology
- B.Tech. in Mechanical Engineering

Admissions to B. Tech. Courses are made through Central Seat Allocation Board (CSAB) on the merit basis of Joint Entrance Examination (JEE) Main. The syllabi of all the academic programmes are regularly updated in pace with the latest developments and changes in the international technological scenario.

The school is running M.Tech. programme in Chemical Engineering and Mechanical Engineering. Ph.D.Programme is also being offered in six branches of engineering namely Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Industrial & Production Engineering and Mechanical Engineering. A Testing and Consultancy Cell is functional in the Institute which is conducive in lively Institute -Industry interaction in particular and services to the society in general.

DEPARTMENT OF CHEMICAL ENGINEERING

Chemical Engineering is one of the oldest and most prestigious departments of the School of Studies of Engineering and Technology (Formerly known as the Institute of Technology). The department was established in 1997 to become one of the greatest chemical engineering study centers in the country, with a focus on cutting-edge technology research and the production of career-ready chemical engineers. The department offers a chemical engineering programme at the undergraduate (B.Tech.) and postgraduate (M.Tech.) levels with intake capacities of 75 and 23 students, respectively. The course curriculum was designed at par the renowned technical institutes like IITs/NITs, keeping current trends in the chemical industry in mind. The department is well-equipped with highly qualified faculty members who are dedicated to providing high-quality chemical engineering research. The faculty members have published over 100 papers in reputed and indexed journals, international and national conferences /seminars and authored four textbooks as well. The faculty members Dr. Sandeep Dharmadhikari published two design patents (IPR) and Dr. Ghoshna Jyoti recently recommended a UGC start-up grant. The Department has well-equipped laboratories in chemical engineering's core and specialised fields. Funding agencies such as the AICTE and the UGC have awarded the department a total research grant of Rs. 51 lakhs. In the year 2011, the department founded a student society, the Chemical Engineering Students Society (ChESS).

The society's goal is to provide students a place where they may improve their talents and personality. "ChESS" recently launched its book club and will soon publish its e-magazine, RaSAYAN (an in-house publication of ChESS). The department encourages

undergraduate students to get involved in research and represent their findings on scientific platforms. The department's students have actively participated in a variety of extracurricular and co-curricular activities at the institution, as well as at the national and international levels, and have achieved notable results. Mr. Thammina Kiran, a final-year student, and Mr. Utkarsh Patel, a recent graduate, recently secured the 59th and 30th, All India Rank (AIR) in Gate 2022, respectively. Many of the graduates are working with DuPont, Reliance, ESSAR Oil, GACL, SAHARA (UAE), Jindal, BALCO, Ma'aden (KSA), HDFC, Nu-Vista Limited (NUVOCO Cement), and many more well-known firms. Suggestions for further enhancement are warmly welcomed by the department.

Vision

The vision of the department is to establish itself as one of the best study centers for Chemical Engineering education to produce proficient and responsible Chemical Engineers to serve the needs of the industry and society.

Mission

- To produce career-ready Chemical Engineers with high standards of ethical and social values and entrepreneurial skills.
- To develop the research culture in fundamental and application-oriented problems to cater the societal and industrial needs.
- To build a strong relationship between academia, industry and other institutions of repute.

Activities of the Department

- Meeting of the Board of Studies of Chemical Engineering held online on July 30, 2021 to finalise the syllabus of B.Tech. Final year.
- Meeting of the Board of Studies of Chemical Engineering held online on October 01, 2021 to finalise the syllabus of B.Tech. Second year.
- Meeting of the Board of Studies of Chemical Engineering held online on October 29, 2021 to finalise the syllabus of M.Tech. programme.
- Department of Chemical Engineering organised a special session for the students on the topic "Career Opportunities after B. Tech."
- Department of Chemical Engineering organised an International conference (Online) on COVID Challenges of Energy and Environmental Management for Sustainable Growth of Process Industries (CCEEMSGPI-2021) funded by AICTE on September 10-11, 2021.
- Departmental laboratories have been enriched by the addition of many new equipment/instruments in this academic session.

Achievements of Faculty

- Prof. S. N. Saha, Professor of the department has been nominated as Margdarshak by AICTE.

- Prof. S. N. Saha has been awarded Maulana Abul Kalam Azad Excellence Award of Education by Shikshak Kalyaan Foundation.
- Prof. S. N. Saha delivered an expert lecture on "Fluidized bed Technology and its industrial uses" in a webinar organised by the Institution of Engineers (India), Chhattisgarh State Centre.
- Prof. S. N. Saha has been sanctioned by AICTE for grant of organizing International Conference (Online) titled "COVID Challenges of Energy and Environmental Management for Sustainable Growth of Process Industries".
- Mr. Amit Jain, Assistant Professor of the department completed his Ph.D. on June 29, 2021 from Indian Institute of Technology (IIT) Kharagpur.
- Dr. Ghoshna Jyoti was recommended a UGC start-up grant for two years worth Rs. Eight Lakhs on "Comparative study on homogeneous and heterogeneous catalytic esterification of mono-carboxylic acids with butyl alcohol".
- Dr. Raghwendra Singh Thakur, chaired a session at the International Conference on "100 Glorious Years of Chemical Engineering and Technology" organised by the Department of Chemical Engineering, NIT Jalandhar on September 16-19, 2021.
- Dr. Raghwendra Singh Thakur, Dr. Amit Jain, Dr. Ghoshna Jyoti, and Dr. Sandeep Dharmadhikari, co-chaired a session at the International conference (Online) on COVID Challenges of Energy and Environmental Management for Sustainable Growth of Process Industries (CCEEMSGPI-2021) funded by AICTE on September 10-11, 2021.
- Dr. Amit Jain secured the second position in the "Saksham Chhattisgarh General Knowledge Competition" organised on the occasion of World Divyang Week held on September 29, 2021.
- Dr. Raghwendra Singh Thakur as a coordinator and Dr. Sandeep Dharmadhikari as a co-coordinator organised a webinar on "Institution of Engineers (India): Its role in the development of students & faculties" on December 21, 2021.
- Prof. S. N. Saha has been awarded a recognition certificate for his distinguished service to technical education by the Institution of Engineers, India.
- Mr. Saurabh Meshram, Assistant Professor of the department, completed his Ph.D. from National Institute of Technology (NIT) Raipur on December 22, 2021.
- Mr. Saurabh Meshram presented the paper entitled "Taguchi optimization of adsorptive removal of lead from wastewater of lead-acid battery recycling unit using sulphuric acid impregnated GAC" in ACEE-2021 held at NIT Raipur. Dr. Raghwendra Singh Thakur and Dr. Ghoshna Jyoti were also the co-authors of this paper.
- Mr. Vishnu Prasad Yadav, Assistant Professor, joined the Ph.D. program in the department.
- Dr. Saurabh Meshram, Assistant Professor, became a member of the Institution of Engineers (India).
- The best paper presentation was awarded to Ms. Rakhi Soni research scholar of Dr.

Ghoshna Jyoti for the paper titled "Kinetics study of esterification reaction of acrylic acid with n-butyl alcohol" at IISER Bhopal on March 25-26, 2022.

- Prof. S. N. Saha being AICTE Expert Member has participated in the Standing Appellate Committee and Standing Hearing Committee meeting of AICTE.

Achievements of Students

- Organises industrial visits for students to gain an understanding of company operations.
- B. Tech. student Sharanya Paliwal received gold medal in the year 2021-22.
- Priti Kumari, B.Tech. IV Sem., secured first position in science slogan competition, conducted during National Science Day celebration organized by Guru Ghasidas Vishwavidyalaya Bilaspur.
- Nandini Dixit, B.Tech. I Sem., Represented India at COP 26 and won UN climate change earth beat challenge 2021.
- Ketan Singh Rathore, B.Tech. VII Sem., won first prize in Nrutyasanskruti All India 5th National Dance Competition and Festival.

DEPARTMENT OF CIVIL ENGINEERING

Establishment

The Institute of Technology began offering a four-year B.Tech. degree programme in Civil Engineering in 2008, with an annual intake of 40 students. The intake has been increased to 50 students from the academic year 2019-20. Two year M.Tech. in Structural Engineering Programme (post-graduate) started from the session 2021-22, with an intake of 23 students. In the 2012-13 academic year, the department started a Ph.D. programme. The department is also offering the consultancy & testing services for the external agencies, in addition to the internal consultancy services for the University. Our graduates are the optimal blend of diversified knowledge, technical expertise and leadership potential, thanks to a strong emphasis on learning and all-round growth. In order to produce well-rounded individuals with the highest level of technical and professional competence, efforts are being made to provide excellent education and an intellectually engaging atmosphere.

Aside from teaching and research, the principal goal of the department is to make significant contributions to the nation building and to achieve significant technological advances on the international stage. The department is rapidly growing and aspires to become a centre of excellence that fosters educated, hardworking, and technologically interested minds. To provide excellent teaching, the department has created cutting-edge infrastructure, including fully equipped laboratories. Extracurricular events are a regular phenomenon to ignite the minds of graduating students. The department now has 13 well-qualified faculty members with diverse specialisations of Civil engineering and seven more are to be added in due course of time, against the UGC sanctioned posts.

Vision

To become a knowledge hub of Civil Engineering education, research, entrepreneurship and industry outreach services, which will serve the society with most sustainable infrastructure and enhanced quality of life.

Mission

- To produce professional Civil engineers by imparting quality education, training and ethical values
- To serve as a trustworthy and ingenious professional centre for the society through consultancy services and continuing education programmes
- To attain the global standards by establishing the Institute - Industry linkages and having National/International collaboration.

Activities of the Department

- Dr Kundan Meshram & Mr Prakhar Modi : Conducted online webinar on "Strategies of Cracking gate for Civil Engineering" Organised by the Department of Civil Engineering GGV, Bilaspur (C.G.) India, 27th Jan, 2022.
- Dr Kundan Meshram & Mr Prakhar Modi : Conducted Online National Workshop on "Intellectual Property Rights (IPR)- Patent & Design Process" Organised by Department of Civil Engineering GGU, Bilaspur (C.G.) India, 9th February, 2022
- Dr Kundan Meshram conducted one-week Online National Workshop on 'Scheme for Facilitation Intellectual Property Protection' Organised by Department of Civil Engineering GGU, Bilaspur (C.G.) India, 13th to 18th Oct, 2021.
- Dr Kundan Meshram conducted one-week online National Workshop on 'Skill Development in Technology Transfer' organised by Department of Civil Engineering GGV, Bilaspur (C.G.) India 13th to 18th September 2021.
- Mr Rochak Pandey co-ordinated one-day online workshop on Demonstration & Accessibility of BENTLEY's software on 30/09/2021.
- Dr Chakradhara Rao & Mr Rochak Pandey co-ordinated one-week online Faculty Development Programme on "Sustainable Construction Materials & Technologies" on 21st to 25th Feb, 2022.

Achievements of Faculty

- Mr. Rochak Pandey was appointed as Nodal Officer / Coordinator, Mr. Nikhil Kumar Verma, Mr. Prakhar Modi and Dr. Kundan Meshram were appointed as Co-coordinator at university level for the inspection work of construction of buildings in 07 New Model Degree College Under RUSA, in Chhattisgarh.
- Dr. Kundan Meshram was appointed reviewer of 1st International Online Conference on Sustainable Development in Civil and Electrical Engineering (SDCEE-2021) (Dec. 17-19, 2021) organised by the Departments of Civil Engineering and Electrical

Engineering, National Institute of Technology Kurukshetra, India.

- Dr. Kundan Meshram was appointed reviewer Civil Engineering Trends and Challenges for Sustainability (CTCS-2021) during 19th and 20th November, 2021 organised by the Department of Civil Engineering and N.M.A.M. Institute of Technology, Nitte, Karnataka, India.
- Dr. Kundan Meshram was appointed member of Scientific Committee for International Conference on Civil Engineering, Architecture, and Sustainable Infrastructure (ICCEASI-2021) organized by Babu Banarsi Das University Lacknow held on 23-24 September, 2021.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science & Engineering was established in 1997. The department offers B.Tech. in Computer Science & Engineering and Ph.D. in Computer Science & Engineering. The faculty of the Department is highly qualified and experienced. The Department has specialised laboratories such as Digital Image Processing Lab, DLD Lab, Networking Lab, Network Security Lab, Project Lab, Basic Programming Lab, Advance Programming Lab, Database Lab, Graphics Lab and Operating System Lab. All the labs are equipped with latest configuration machine. GPU machine is also available to train Machine Learning model and Deep Learning model. The Department provides opportunities to the students to carry out projects under joint supervision of the faculty and the experts from industries.

The Department also arranges training to students in reputed government and public sectors. Students have been placed in reputed private, public and government organizations like Infosys, Wipro, TCS, Accenture, American Express, Capgemini etc.

Thrust Area

The Department's current research thrust areas include

- Network Security
- Wireless Sensor Network
- Mobile Ad-Hoc Network
- Image Processing
- Machine Learning
- Computer Vision

Objectives of the Department

- To prepare professionally competent manpower in the field of Computer Science & Engineering.

- To educate students in Computer Science & Technology and other areas of scholarship that will best serve the nation and the world in 21st century.
- To establish facilities for the education / training in the area of Computer Science & Engineering.
- To conduct multidisciplinary programmes in Computer Science & Engineering.

Activities of the Department

- One week AICTE Sponsored ATAL Faculty Development Programme (FDP) on the topic "Interdisciplinary Smart Applications of Internet of Things, Cloud Computing and Data Analytics Technologies" was organized by department from 04th to 08th October, 2021.
- Internal Smart India Hackathon (SIH) 2022 was conducted by the department on 30th March, 2022.

Achievements of Faculty

- Dr. Alok Kumar Singh Kushwaha received the honour of being named as guest editor for two renowned SCI journals: Multimedia Tools and Application (SCI Impact Factor: 2.77) and Computer Material and Continua (SCI Impact Factor: 3.96).
- Dr. Manish Shrivastava has served as Session Chairperson in 1st International Conference on Computational Intelligence and Network Security (ICCINS-2022) held during March 3-4, 2022 at National Institute of Technology, Raipur.
- Dr. Manish Shrivastava delivered a lecture on 22nd September, 2021' on DBMS Security and Authorization during HRD training entitled organised by Institute of Forest Productivity, Ranchi.
- Dr. Princy Matlani has served as Session Chairperson in International Conference on Application of Intelligent Computing in Engineering and Science (AICES 2022) held during February 12-13, 2022 at National Institute of Technology, Raipur.

Achievements of Students

- Mr. Bratin Chakravarty, B.Tech third year student was felicitated for 75 Youth Creative minds of India in 52nd International Film Festival held Goa in 2021.
- Mr. Amogh Pete, Mr. Himanshu Gupta and Mr. Shubham Varshney, students of B.Tech 3rd year secured second runners up position in CODESTREET 21 organised by American Express out of 7903 teams which fetched them campus intern opportunity at American Express in Summer 2022.
- Ms. Ruhi Awasthi and Mr. Deepesh Garg students of B.Tech third year got second prize in QWER Hacks 21 (A MLH Hackathon) organised by University of California, Los Angeles.
- Mr. Abhishek Kumar Gupta, student of B.Tech 4th year, got selected as the only student from Chhattisgarh state and completed a 2 months internship by MEITY (Ministry of Electronics and Information Technology) under Digital India Project Specific to Language Technology.

- Ms. A. Amrutha Sri, a student of B.Tech 2nd year, secured the runners up position with her team "TEAM ADHRIT" in the internal SIH (Smart India Hackathon) 2022 conducted by SoS(E&T), GGV, Bilaspur.
- Mr. Muttha Yeswanth Kumar, Mr. Y Dhanush Sai Reddy, Mr. Makireddi Kiran Babu, Mr. Thummanapalli Shiva Kumar, Mr, Tankala Gopi, Ms. Geetha Madhuri, students of B.Tech 2nd year, secured the runners up position with her team "WEE CODERS" in the internal SIH (Smart India Hackathon) 2022 conducted by SoS(E&T), GGV, Bilaspur.
- Mr. Ayush Agarwal, Mr. Ravi Gupta, Mr. Hardik Verma, Ms. Akshansh Verma, Ms. Mummadisetti Devi Prasanna, Ms. Sankineni Aashritha Rao, students of B.Tech 2nd year, secured the second runners up position with her team "SMASHERS" in the internal SIH (Smart India Hackathon) 2022 conducted by SoS(E&T), GGV, Bilaspur.
- Mr. Atharva Bhawsar, Mr. Vedant Singh, Mr. Ayush Sharma,students of B.Tech 2nd year, secured the second runners up position with her team "STINGRAY" in the internal SIH (Smart India Hackathon) 2022 conducted by SoS (E&T), GGV, Bilaspur.
- Mr. Abhijit Tripathy, student of B.Tech 3rd year, got his project named "CONSTACK" selected and featured in India International Science Festival 2021 (IISF 2021) organised by the Ministry of Science and Technology and Ministry of Earth Science of Government of India in association with Vijnana Bharati, under top 200 projects out of 1200 shortlisted and 10000 participating projects.
- Mr. Abhijit Tripathy, a student of B.Tech 3rd year, registered his start-up named "Presear Softwares PVT LTD" with the Ministry of Corporate Affairs. His startup is also registered with Startup India and MSME initiatives and got selected for "Most Promising Startup Award 2022" by IAF (Indian Achievers' Forum).

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Department of Electronics & Communication Engineering was started in 1998 to impart quality education with an intake of 40 students. Later, the intake increased to 60 students and now it is 75. Ph.D. Program also started in the department from the session 2012-13. At present there are four PhD supervisors available in the department. Two research scholars including one from the department itself had completed their Ph.D. At present seven research scholars including one faculty member of the department are pursuing their Ph.D.

At present, there are fifteen regular faculties (one Associate Professor and fourteen Assistant Professors) and one adhoc faculty member in the department. The department has well qualified faculty members with diverse specialisations of Electronics & Communication Engineering. Active research is going on in the field of microwave and RF field, image processing and wireless communication.

The department is also running B.Tech Programme with major subjects like Basic Electronics, Analog Electronics, Signal & Systems, Switching and pulse theory, Linear integrated circuits and applications, Electronics Instrumentation, Communication systems, Microcontrollers, Digital signal processing, VLSI, VHDL Design, Data Communication, Microwave communication, Circuit Simulation, and Optical fiber communication. The Department has also started M.Tech. Programme in the stream of Electronics and

Communication Engineering from this session. The Department has also very well furnished laboratories to provide practical knowledge of subjects. The curriculum is being revised almost every year by Board of Studies of the department to remain updated with the latest technology.

Vision

The Department endeavours for an academic excellence in Electronics & Communication Engineering by imparting in-depth knowledge to the students, facilitating research activities and catering to the ever-changing industrial demands meeting global and societal needs.

Mission

- To be the epitome of academic rigour and be flexible to accommodate every student and faculty members in basic, current and future technologies in Electronics and Communication Engineering.
- To provide technical expertise along with professional ethics as per societal needs.

Activities of Department

- One national level FDP (ATAL) was conducted on the topic "Devices with Modern Wireless Communication System" from (20/09/2021 to 24/09/2021).
- A Webinar was conducted on the topic "Applications of MATLAB & Simulink" dated 16/11/2021 at school level.
- A national level Webinar was conducted on the topic "Quality assurance with NBA accreditation" dated 13/11/2021 at national level.
- A national level Workshop was conducted on the topic "Recent development in Renewable Energy"..
- First module of ECE Lecture Series was conducted in the month of February 2022.
- Board of Studies meeting for B Tech final year was conducted on 19/07/2021 in online mode to update the curriculum.
- Board of Studies meeting for Pre PhD course work for the session 2021-22 was conducted on 17/12/2021 in online mode to update the curriculum.
- Board of Studies meeting for B Tech second year for the session 2021-22 was conducted on 30/09/2021 in online mode to update the curriculum.
- Board of Studies meeting for M Tech first semester for the session 2021-22 was conducted on 02/11/2021 in online mode to update the curriculum.
- The Department celebrated Teachers' Day on 5 September, 2021 with students and faculties in online mode.
- The Department celebrated on the occasion of Basant Panchami (Saraswati Puja) on 05/02/2022 at the department office with all faculties.
- All the faculties of the department did plantation (on the occasion of Swachhta

Pakhwada) at the garden of the university on 08/09/2021.

- All the faculties of the department took an oath on world Tobacco day dated 31/05/2021 in online mode.
- All the faculties of the department took an oath on Swachhata (on the occasion of Swachhta Pakhwada) dated 04/09/2021.

Achievements of Faculty

- There are total number of 10 Expert talk/ Guest lecture/ Keynote address/ Conference chair delivered by the faculty members of the department at various national level events.
- Mr Shrawan Kumar Patel received an appreciation certificate for participating in AICTE Vishwakarma Award.
- Certificate of appreciation for best innovative paper award was received by Mr Sumit Gupta, Manish Deshmukh (student) and Akansha Chandravanshi (student) for presenting a paper titled "Isolation Enhancement using PRSR Technique for Wireless Application Review on a Full-duplex Cognitive Radio Network based on Energy Harvesting under "Track 5: Communication", at International Conference on Trends in Electronics and Health Informatics, TEHI-21 organised by PSIT Kanpur on Dec 16-17, 2021.
- In addition, the faculties of the department also attended 66 workshops, faculty development programs (FDP) and short term course (STC) to update their technical knowledge.

Achievements of Students

- Students of the department attended 14 seminars, conferences, workshops, NPTEL and online training courses.
- Several students of the department have attended online training/ internship/ Industrial visit/ In plant training.
- Mr Anurag Kumar Dubey of the department has participated in an online quiz on " RF and Microwave antenna" organised by IEEE MTT-S Vardhman student chapter.

DEPARTMENT OF INDUSTRIAL & PRODUCTION ENGINEERING

Department of Industrial & production Engineering was established in the year 1997.Department has well qualified faculty & trained staff. The Department is having 13 regular faculties, and 02 non-teaching staffs. The Department has well equipped laboratories for students. The industrial training for the students of final year & pre-final year students are arranged to impart practical exposure in the organisation like SECL, BHEL, BALCO, JINDAL, CSEB power plants and in other public and private company.

The Department is also engaged in organising other activities like seminars, guest lectures, aptitude test, quiz to provide and develop inter personal skills. Every year approximately ten students qualify the national level GATE exam. The passed-out students are working in

companies like Reliance Energy Ltd., BALCO, JINDAL, CSEB, DRDO, ISRO, HAL, and Indian Railways.

The Department of Industrial and Production Engineering visualises to ease human life by the way of designing integrated systems and high-end techniques in the areas of Industrial, Production and Manufacturing Technology through effective teaching learning processes at the post graduate and undergraduate level and inculcate the research acumen among the students. To make the students productive, flexible and customer oriented so that they can apply engineering skills to design effective systems and procedures in order to make our country competitive. Faculty, students, and staffs work together to build and maintain a learning/mentoring environment where:

- Innovative practices are developed, tested, and validated.
- Knowledge and practices are shared.
- Each individual develops to his/her full potential.
- Professional ethics are practiced at all times.
- An ability to conceptualise and solve engineering problems, evaluate a wide range of potential solutions for those problems and arrive at feasible, optimal solution considering public health and safety, cultural, societal and environmental factors in the core areas of expertise.

VISION

To evolve into a globally recognised department in the frontier areas of Industrial & Production Engineering.

MISSION

- To provide quality education at undergraduate level.
- To provide facilities and opportunities for research and innovation in Industrial and Production Engineering.
- To produce industry-ready graduates to meet the demands of manufacturing industries, knowledge-based software firms, supply chain and logistic firms, and R&D organisations
- To integrate skills on state-of-the-art manufacturing technology with industrial engineering and operations management
- To impart latest knowledge in the domain area to students by continuous up-gradation of curricula and faculty.

Activities of the Department

- University celebrates Teachers Day every year on 5th September and competition for students on this auspicious occasion for Speech and Debate were organised at the Departmental level followed by School level and University level. Two students from this department participated in Debate: 1. Ashu Patel (3rd sem.).....favour 2.. Rahul Pandey (5th sem) .... against.

- An online Quiz Competition was organised by EBSB (Ek Bharat Shreshtha Bharat) of GGV to celebrate Ekta Diwas, 2021 on 28/10/2021 and students from the department participated via Google link.
- Guru Ghasidas Jayanti and Kul-Utsav, 2021 was celebrated and different competitions were organised on 9-10 December, 2021. One student named Santwana Singh (7th Sem.) was departmental winner and he participated at the School level.
- An online webinar on "Literature Search and Reference Management using Scopus and Mendeley" was organised by the Department of Industrial & Production Engineering on January 17, 2022 at 3:00 PM to 5:00 PM.
- One-week an online Faculty Development Programme on "Writing Effective and Quality Research Papers, How to Publish in Scopus, SCI Listed and reputed Journals?" was organised by the Department of Industrial & Production Engineering from January 25th-29th, 2022.
- An industrial visit to Narmada Drinks Private Ltd. at Sirgitti Bilaspur (CG) was organised by the Department of Industrial & Production Engineering for B Tech IV semester students on April 4, 2022. Three faculty members, Mrs. Arpita Roychoudhury, Mr. K L Kurrey & Mr. K K Borkar, accompanied with the 43 students (34 boys & 09 girls) on their visit at the plant.

Achievements of Faculty

- Ganesh P. Shukla, Assistant Professor, Department of Industrial & Production Engineering was awarded a Ph.D. degree at IIT Bombay on February 26 ,2022.

Achievements of Students

- Every year many students qualify the national level GATE exam. The passed students are working in industries like Reliance Energy Ltd., BALCO, Jindal Steel, CSEB, DRDO, ISRO, HAL and Indian Railway.

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information Technology was established in the year 2000. The objective of the Department of Information Technology is to build the nation by producing high class Engineers through education and research. Throughout the past one decade, the Department has influenced society at levels that remain without parallel among academic institutions. Its spin-offs are among the most successful corporate ventures in the nation, and many of the leaders in the academic and corporate research world are graduates from here. The Department focuses on development and strengthening system thinking, problem solving, analysis, design, research, team work, communication skills, and readiness for lifelong learning. The courses run by the Department use mixed techniques of interactive lectures, guided case studies, literature surveys and project work that require team work and critical and creative thinking. It emphasises on undergraduate as well as graduate research activities. The quality policy is to pursue global standards of excellence

in our endeavors and to remain accountable through processes of self-evaluation and continuous improvement. Through a team of experienced and qualified faculty members, the Department puts a great emphasis on laboratory and project work. While laboratories are also used for developing skills to use and apply various concepts, tools and techniques, their main purpose is to develop the core technical as well as general professional competencies through experiential and collaborative learning. The main purpose of the laboratories is to develop the abilities to design and conduct experiments; collect, analyse and interpret data; work independently and also in teams; and also to improve reporting and communication skills. The Information Technology curriculum provides students with a sufficient background in Operating system, Database Management system, Networking as well as advance subjects like System analysis & design, Artificial Intelligence, ERP and Computer Graphics to analyse and design complex Information Technology systems. Information Technology includes the design, implementation, and programming of Digital computers, Information theory and Communication systems. The objective of the department is to prepare professionally competent manpower in the field of Information Technology. Major research facilities available in the department are LAN Trainer Kit, Microprocessor Kit, DLD Kit and having 140 computers. The department is having latest software like DOT.NET, MATLAB and Latest Operating System.

Activities of the Department

- On Sep 2021, the department has conducted Board of Studies meeting for approval of 2nd year B.Tech. Scheme and Syllabus.
- On Oct. 2021, the department was conducted Board of Studies meeting for approval of M.Tech. Scheme and Syllabus.
- The pledge had taken on "World No Tobacco Day" by the teaching, non-teaching staffs and the students of the Department of Information Technology, School of Studies (E&T), GGV Bilaspur on 31st May, 2021.

Achievements of the Faculty

- 8 faculty members were attended the Refresher Course, Orientation Programme, Faculty Development Programme and Short Term Courses.

DEPARTMENT OF MECHANICAL ENGINNERING

Department of Mechanical Engineering was established under School of Studies of Engineering and Technology, in the year 2006. The department offers B.Tech. (Mechanical Engineering) and M.Tech. (Machine Design) programmes with an intake of 75 and 23 respectively. The department puts lot of emphasis on such training of students as it can bring out their inner capabilities and lead to their full growth and development. Enough emphasis has put on their hands-in training for which department has well-equipped laboratories, theory of machines, strength of materials, heat & mass transfer, refrigeration

and air conditioning and central workshop. In M.Tech.Programme, the students are admitted based on their GATE scores. The department offers Ph.D. programme also in different streams of Mechanical Engineering like Thermal and Fluids Engineering, Design Engineering, and Manufacturing Engineering, etc. Our alumni are working at high positions in central government, state governments, public and private sectors all over the nation and abroad. Our graduated students from B.Tech. and M.Tech. programmes are taking admissions for their higher studies in IITs, NITs and reputed foreign institutions. The vision and mission of the department of Mechanical Engineering are stated below:-

VISION

- To minimise the gap between technological developments and teaching methodologies being adopted as per the future needs of the industry and society.
- To be a Centre of Excellence in the field of Mechanical Engineering so as to generate quality human resource who can contribute constructively to the technological and socio-economic development of the nation.

MISSION

- To supply globally competent Mechanical Engineers with the efforts of experienced and committed faculty.
- To nurture graduates with scientific temperament, rational thinking and humanistic approach for excelling in their career.

OBJECTIVES

- To produce Mechanical Engineering graduates who are updated with the latest theoretical and experimental knowledge and are ready to take up challenging jobs in government departments, public sector and industrial organizations.
- To strengthen and expand collaboration and partnerships with industry and other organisations.

Activities of the Department

- A One-day National Webinar on "Samvaad - A Career Guidance Session with An Alumni" (Co-ordinated by Mrs. Shweta Singh) was organised on 28th August, 2021.
- A One-day National Webinar on "Financial Planning, Risk Profiling and Investment Instruments" (Co-ordinated by Mr. Pradeep Patanwar & Mr. Manish Bhaskar) was organised on 09th September, 2021.
- A One-day National Webinar On "Funding Opportunities for Research Innovation and Technology Transfer" (Co-ordinated by Mrs. Jasinta Poonam Ekka) was organised on 11th March, 2022.
- A One-day National Webinar on "Introduction to SAE Collegiate Clubs" (Co-ordinated by Mr. Bhushan Singh Gautam) was organised on 16th February, 2022.

Achievements of Faculty

- Dr. Pankaj Kumar Gupta has received Rs.93000 from AICTE-Teaching And Learning (ATAL) Academy for conducting a One-week FDP on "Slurry Flow in Mineral Processing: Principle & Practices" from 06th December, to 10th December, 2021.
- Mr. Biplab Das has received Rs.93000 from AICTE-Teaching And Learning (ATAL) Academy for conducting a One-week FDP on "Advance Manufacturing Technology" from 17th January to 21st January, 2022.

Achievements of Students

- Mr. Madhav Mishra, Student of B.Tech - Mechanical Engineering (6th Semester), secured AIR 6th rank in All India Inter-University Boxing MW Championship held on 17th December to 01st January, 22.

2.1.3 SCHOOL OF STUDIES IN LAW

The Department of Law is an exclusive department under the School of Law.

DEPARTMENT OF LAW

The Department of Law was established in the year 2012. The Department aspires to stimulate progress in learning, research and dissemination of knowledge in the field of law. It aims at honing the professional skills of students who aspire to reach the pinnacle of success in their respective careers, whether it be advocacy, academics, judicial services, legislative drafting, or administration, management or corporate advice. The Department intends to prepare individuals who can contribute to the development of the society, and excel in their respective fields of endeavour.

The Department has young and extremely motivated faculty members from reputed Universities/Institutes across India. We are proud that our collective enthusiasm is continuously generating a good number of bright students.

The Department offers two five-year integrated programmes viz. B.A.LL.B.& B.Com.LL.B, and also offers Ph.D. Programme. The courses of B.A.LL.B. and B.Com.LL.B are spread over ten semesters. The Department has a well-equipped and updated Library with all necessary facilities, and a diverse range of books, Law Reports, Journals, Manuals, etc. Also it has equipped with modern and updated Moot Court Room with necessary infrastructure.

VISION OF THE DEPARTMENT

We aspire to develop as an institution that provides quality legal education to its students, providing them with opportunities to learn new things while unlearning the redundant, to sharpen their skills to identify their talent and utilise it to the utmost, thus, creating a mix of individuals who are professionally capable, academically sound, and socially relevant. We intend to create a platform for exchange of information and ideas, innovation in teaching, progress in learning and research, and development of skills through co-curricular and extra-curricular activities.

MISSION OF THE DEPARTMENT

The Department will strive:

- To advance constantly the bounds of learning, building upon its proud traditions and strengths.
- To provide a comprehensive education, developing fully the intellectual and personal strengths of its students while developing and extending lifelong learning opportunities for the community.
- To produce graduates of distinction committed to lifelong learning, integrity and professionalism, capable of being responsive leaders and orators in their fields.
- To develop a collegial, flexible, pluralistic and supportive intellectual environment that inspires and attracts, retains and nurtures scholars, students and staff of the highest calibre in a culture that fosters creativity, learning and freedom of thought, inquiry and expression.
- To provide a safe, healthy and sustainable workplace to support and advance teaching, learning and research at the University.
- To engage in innovative, high-impact and leading-edge research within and across discipline.
- To be fully accountable for the effective management of public and private resources bestowed upon the institution and act in partnership with the community over the generation, dissemination and application of knowledge.
- To serve as a focal point of intellectual and academic endeavor in the country.
- Advance and disseminate learning and knowledge of law and legal processes and their role in national development.
- Promote legal knowledge and to make law and the legal process efficient instruments of social development.

ACTIVITIES OF THE DEPARTMENT

The department has organised 6 webinars, among other activities, the details of which are as follows:

- One-day webinar on "Pleading and Drafting in Civil Law" (Guest Lecture Dr. Nirmal Shukla, Senior Advocate High Court of Chhattisgarh) was held on June 2,2021
- One-day webinar on Protection of Environment under Indian Constitution (Guest Lecture by Mr. Amrito Das, Additional Advocate General, High Court of Chhattisgarh) was held on June 5th, 2021
- One-day webinar on Nuances of Mooting (Guest Lecture by Dr. Suneel Kumar, ICFAI University, Dehradun) was held on June 18, 2021.

- One-day webinar on Contribution of Dr. B. R. Ambedkar in making of the Indian Constitution (Guest Lecture by Dr. Chandra Sen Pratap Singh, Assistant Professor, Lucknow University, U.P.) was held on 26th November, 2021.
- One-day webinar on Contribution and Human Rights (Guest Lecture by Dr. V. K. Singh, Advocate, High Court Allahabad, Bench- Lucknow).
- Guest lecture by Mr. Naval Kishor Mishra, Advocate, High Court Allahabad on the occasion ofNational Youth Day on 12/01/2022.

Achievements of Faculty

Dr. Ajaiy Singh

- Coordinated One day webinar on 2nd June, 2021 on topic Skill development on Pleading and Drafting in Civil Law by Dr. Nirmal Shukla, Senior Advocate Chhattisgarh.
- Co-ordinated One day webinar on 5th June, 2021 on the topic Protection of Environment under Indian Constitution by Mr. Amrito Das, Additional Advocate General, Chattisgarh High Court.

Dr. Sagar Kumar Jaiswal

- Coordinated a webinar on "Nuances fo Mooting" organised by Skill Development Program in collaboration with Skill Development Cell of Guru Ghasidas Vishwavidylaaya, Bilaspur (C.G.) on June 18th, 2021.

Mr. Vinay Kumar Singh

- Participated in 7 Days National Faculty Development Programme on 19-26 April, 2021 on the topic Post-Covid and Higher Education organised by late Sow. Kamaltai Jamkar Mahila Mahavidyalaya, Parbhani (Affiliated to Swami Ramanand Teerth Marathwada University, Nanded)

Mr. Manish Kumar

- Participated in 7 Days National Faculty Development Programme on 19-26 April, 2021 on the topic Post-Covid and Higher Education organised by late Sow. Kamaltai Jamkar Mahila Mahavidyalaya, Parbhani(Affiliated to Swami Ramanand Teerth Marathwada University, Nanded).
- Participated One week an online Faculty Development Program (FDP) "Cyber Security and Cyber Forensics" on 14-18 June, 2021, organised by the Department of Computer Science and Engineering, MVSREC, Hyderabad.

Achievements of Students

- Arushi Singh, BALLB 1st year, secured first position in university debate competition.
- Pranjal Singh, B.Com.LL.B. 10th Semester, Winner - Youth Parliament (Zonals), 3rd Prize - State Photography Competition, 3rd Prize - Extempore- State Level,1st Prize.
- Kamlesh Patel, B.COM.LL.B. VI Semester, Best Speaker - 5th Indian institute of Legal Studies (IILS) National Moot Court Competition 2021. held on 27/06/2021.

- Team comprising with Kamlesh Patel, B.COM.LL.B. VI Semester, Aniruddha Shrivastava, B.COM.LL.B. VI Semester and Priyanshu Ojha, B.A..LL.B. 2nd Semester got the place of Runner Up in 5th Indian institute of Legal Studies (IILS) National Moot Court Competition 2021 held on 27/06/2021.
- Nidhi Tiwari, B.A.LL.B. III Semester secured second position in Science Slogan Competition conducted during National Science Day celebration 2022. This programme is organised by Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh, Council of Science and Technology and National Council for Science and Technology Communication, Department of Science and Technology, Government of India.
- Astha Patel, B.A.LL.B. III Semester, secured first position in Poster Making Competition conducted during National Science Day celebration 2022 jointly organised by Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh, Council of Science and Technology and National Council for Science and Technology Communication, Department of Science and Technology, Government of India.

2.1.4 SCHOOL OF STUDIES IN LIFE SCIENCES

The School of Life Sciences consists of there prominent departments. These departments work in unison to achieve the common goals of the university in the area of their respective fields. These departments are Anthropology and Tribal Development, Botany and Zoology. The departments under the School cover a wide range of practical courses and research interests.

DEPARTMENT OF ANTHROPOLOGY AND TRIBAL DEVELOPMENT

The Department of Anthropology was established in the year 1989. It is one of the oldest departments of the University. The department plays a vital role as Chhattisgarh harbours a substantial tribal population with diverse cultures. Anthropology, as a science of people, has a strong potential to work for the welfare and all-round development of the weaker sections of the society of the State as well as of the country.

The department has a cultural and archaeological museum. The course contents also deal with issues and concerns covering different dimensions of human rights and development. The department conducts severalfield work and dissertation works. The department hA also completed a nu mber of research projects on topics like Rehabilitation and Displacement, Nutritional Status of the Hill Korwas, Tribal Indebtedness, Monograph and Village Studies. The department works in close collaboration with the local NGOs for productive research and development. The department has maintained a library consisting of more than 1500 books. With up-gradation of laboratory infrastructure, the department has revised the syllabus taking into account the national requirements of the students.

The main objectives of the department are to generate qualified, skilful and committed anthropologists; to play a catalytic role as social advisers to policy makers in matters relating to tribal development, empowerment and tribal health; to study and suggests

remedial measures with respect to eradication of hunger and malnutrition; and to reduce mortality and morbidity incidences among tribal and non-tribal population of Chhattisgarh. The department also aims at creating awareness among tribal population of Chhattisgarh with respect to their rights enshrined in the Constitution of India.

Primary and secondary data HAVE BEEN collected by UG and PG students based on their field work and dissertation work with all sorts of precautions on the different topics related to COVID-19 among tribal's/rural and urban people.

Activities of the Department

Day Celebration by Department

- Celebrated "Swacchta Pakhwada Diwas"by Department of Anthropology and Tribal Development, GGVon 01/09/2021 to 07/09/2021.
- Celebrated "Sardar Patel Jayanti& National Unity Day" Pledge taking ceremony using online platform was organized by Department of Anthropology and Tribal Development, GGVon 30/10/2021.
- Constitution Day, organized by the Department of Anthropology and Tribal Development, GGV entitled "Reading of the Preamble of the Constitution, on 26/11/21.
- Awareness creation on the harmful and deadly effects of Tobacco Consumption Celebrated, "World No Tobacco Day"by Department of Anthropology and Tribal Development, GGV on 31 May 2021.

Webinar/Seminar organised by the Department

- One-day National Virtual Webinar entitled "Facets of Indigenous People a Indignity in India" Organised by department of Anthropology and Tribal Development on 21 September, 2021.
- One-day National Virtual Webinar entitled "Prospects of Census Data Use for the Research" Organised by the Department of Anthropology and Tribal Development on 24 September, 2021.
- Memorial Lecture on the honour of Late Prof P.K. Das (Online), Former Professor Department of Anthropology and Tribal development, GGV, entitled "Anthropometric Based Nutritional Status of Adult Tribal Populations in India: Past, Present and Future" organised by department of Anthropology and Tribal Development, GGV on 25 October, 2021.
- One-day Virtual National Seminar to Celebrate Janjatiya Gaurav Divas entitled "Birth Anniversary of BhagwanBirsaMunda" organised by the Department of Anthropology and Tribal Development, GGV on 15 November, 2021.
- One-day Virtual National Seminar entitled "Swantrata Sangram Ke Ansune Janjatiya Nayak" organised by the Department of Anthropology and Tribal Development, GGV on 22 November, 2021.

Achievements of Faculty

- **Invited Talk :**
- Dr. Nilakantha Panigrahi, Associate Professor, delivered Invited Talk entitled "NTFPs and Tribal People in Odisha in the context of the COVID-19" in Online Webinar organised by VD College, Jeypore, Odisha , on 10/05/2021.
- Dr. Nilakantha Panigrahi, Associate Professor, delivered Invited Talk in the National Webinar on" Impact of Medicinal Plants and socio-cultural aspects and the effects of Pandemic COVID-19', in Online webinar was organised on 16/10/2021, by Khejuri College, Purba Medinipur, WB
- Dr. Nilakantha Panigrahi, Associate Professor, delivered Invited Talk in the National webinar on" Livelihood Issues of the indigenous people of India: A case of Odisha: in the Pendamic COVID-19', in Online webinar organised on 25/10/2021, by Action Aid India, New Delhi.
- Dr.Nilakantha Panigrahi, Associate Professor, co-chaired the Technical session 3-D: Care Givers and Cre Receivers in virtual mode inNational Seminar on the theme "Tribal Tourism and Bio-cultural Diversity at Indian Anthropology Congress-2022 organised by the Department of Anthropology, University of Hyderabad from 21-23 February, 2022.
- Dr.N.Panigrahi, Associate Professor delivered a talk 'Gender, Culture and Society: A Look from Tribal Community Perspective', in the national webinar organised by the Department of Sociology, Pattamundai College, Odisha on dated.16/04/2022.
- Dr.N.Panigrahi, Associate Professor gave a talk on, 'An Overview of Tribal Development in Central India", on 5/02/2022, on the 5th Guru Dakshta Faculty Induction Programme (FIP) at HRDC, GGV.
- Dr.N.Panigrahi, Associate Professor gave a talk in the Refresher Course in Indigenous Knowledge System on the topic, ' Role of Indigenous Institutions in Tribal Livelihood: An Empirical Study in the Bhuiyan and Juanga Pirha of Odisha' in Online platform, at HRDC, Utkal University, Bhubaneswar, organised on 1/2/2022.

The vision of the Department is to impart quality education to undergraduate, post-graduate students and to promote research in the area of Botany. The Department is also going to start certificate courses in broad areas like skill enhancement which will lead to capacity building in the young brains. The Department has grown into a well-recognized Centre for higher learning and research in Plant Sciences. It has the expertise to attend all the aspects of teaching and research on plants. The Department has five broad specialisation, viz., Functional Plant Biology, Ecology & Environmental Biology, Natural Resource Utilization, Ethnobotany & Pharmacognosy, Microbiology and Microbial Technology and Plant Systematics. The Department has a well-stocked library with more than 3000 books and over 150 online scientific journals, which caters to the research needs of the faculty and the students. The aim of the department is to provide quality education to the educationally under privileged tribal children of the Chhattisgarh state, which has been successfully fulfilled by the Department. The Department has over 300 quality research publications since the inception. The faculty members have specializations in different disciplines such as Microbiology and Microbial Technology, Stress physiology; Plant Biotechnology; Ecology and Environmental Biology, Plant diversity and Conservation, Ethnobotany; Plant systematics etc. The research activities of the department are spread over different laboratories; each faculty supervising variable number of research students for Ph. D. degree.

DEPARTMENT OF ZOOLOGY

The Department of Zoology is a constituent unit of the School of Studies in Life Sciences, Guru Ghasidas Vishwavidyalaya. It is one of the first departments established by Guru Ghasidas Vishwavidyalaya after its up gradation to the status of the central university in the year, 2009. Though being one of the newly established departments, the department has presented itself in the forefront of major areas of Life Sciences and developed into a full-fledged center of teaching and research excellence in modern biology. The vision of the department is to conduct quality teaching and research in both basic and applied fields of Zoology and produce students who are well versed with the subject and able to contribute to society and international community. The Department of Zoology offers 3 years UG, 2 years PG and Ph.D. programmes. Many innovative teaching practices are the highlights of these programmes. Selection of students for UG and PG programs are made through merit on the basis of Vishwavidyalaya Entrance Test (VET). The admission to the Ph.D. program is made through Vishwavidyalaya Research Entrance Test (VRET). The course structure and content delivery methods provide substantial opportunities for interactive learning and exposure to research.

Student's performance is assessed throughout the semester by a continuous system of two internal assessments, seminars, assignments, dissertation (in final semester) and end-semester examinations. UG and PG course curricula of department is based on the UGC

based CBCS System. The Department focuses on developing experimental skills through live experimental designs in both UG & PG students. The Department has developed teaching programs focusing on the uniformity principals of basics to molecular and cellular mechanistic approaches in all living systems which are very close to the human being. A complete and thorough study of these mechanisms could help the basic Zoologists to understand the clinical aspects of the subject.

At present the department has highly qualified, experienced and dedicated faculty members who are actively engaged in their respective field of research specializations. The thrust area of research includes Reproductive physiology and Endocrinology, Neuroscience, Toxicology, Fish and Fisheries, Biochemistry and Molecular Biology, Entomology and Environmental Science.

The Department laboratory contains majority of the essential instruments that required for imparting practical knowledge to the students. Departmental Instrumentation room is equipped with all the necessary sophisticated instruments for conducting basic and applied research work. In addition the Department has a state of the art Computer Laboratory for the utilization of e-resources.

The Departmental library contains collections of a total 1,795 books covering all major disciplines of Zoology. Books and journals especially in the thrust areas have been purchased and catalogued separately for use by the faculty and students. Apart from this, students and faculty members are using the resources available at the central library on the university campus. In addition, the museum of the department is harbouring very rich collection of specimens belonging to all the major phyla and is used for teaching and demonstration purposes.

- Dr. Teju Kujur successfully completed his Ph.D. Degree from Pt. Ravi Shankar Shukla University, Raipur, Chhattisgarh under the supervision of Dr. Sankriti Joseph on the topic titled " Behavioural Aspects of Investors in Selected Investment Avenues: A Study in Chhattisgarh".

2.1.6 SCHOOL OF STUDIES IN MATHEMATICAL AND COMPUTATIONAL SCIENCES

School of Mathematical and Computational Sciences includes two departments: Department of Computer Science and Information Technology, and Department of Mathematics.

DEPARTMENT OF COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

The Department of Computer Science & Information Technology (CSIT) was established with one year P.G. Diploma course (PGDCA) in the year 1990. The post graduate programs Master's degree course in Computer Science and Information Technology : M.Sc. (CS) and M.Sc. (IT), were started in the year 1996. Another post graduate course Master of Computer

Application (MCA) approved by the All India Council of Technical Education (AICTE) was started in the year 1998. The department has been recognized as a research centre by Guru Ghasidas Vishwavidyalaya.

The Vision of the department is to provide fundamental technical knowledge along with skill, research, innovations in computer Science and Information Technology for significant contribution to the globalized technical society, industry and nation.

The objective of the department is to prepare students by imparting comprehensive knowledge in latest technologies with equal emphasis on theory and practice for careers in software development, higher education and research.

The department has well equipped branded PCs with latest configurations and modern teaching aids that cater to the needs of the students and researchers to learn and innovate. The department provides Internet facility in the Computer Center, which is used as lab of CSIT in the same building. The department ensures that all students have the opportunity of hands on practice with latest equipments. Practical experience and projects are an integral part of all programs offered by the department. The students are encouraged to develop real time projects and assigned software development live projects in many reputed organizations during their internship with an aim of giving them insight into the workings of the IT world to improve their placement prospects. The passing-out students have an excellent placement record and are able to secure jobs across the globe in reputed companies.

The department has well experienced faculty members and staff members of proven ability and administrative skills. Regular faculty members are actively involved in research and publications activities, including authoring of textbooks. A large number of research articles in national and international journals and proceedings have been published by the faculty members. The faculty members have been also invited to deliver invited talks in India and abroad. The department conducts seminars, workshops, conferences and expert lectures from time to time. The department actively promotes curriculum development by updating existing courses and developing new courses, looking at the needs of the industries and endeavoring to place our students therein and has a close interaction with software organizations. The Department of CSIT is going to be shifted to new building near IT building. The department invites alumni students for interaction with students currently studying to prepare them for training and placement activities.

Activities of the Department

- Organised a number of inter-department competitions like painting, singing and speech competitions in online for co-curricular development of the students.
- Organized in online webinar series from 21/10/2021 to 28/10/2021 on the memory of Lotfi Aliasker *Zadeh.*

- Organised 5 days faculty development programme on "Emerging Trends on Machine Learning and its Applications" from 07/03/2022 to 11/03/2022.
- Developed curriculum and ordinance for BCA Self financing 3 Year degree course. Revised curriculum for B.Sc (CS).

Achievements of Faculty

Prof. A.K.Saxena

- Convener of lecture series organized from 20/10/21 to 28/10/21
- Convener of FDP organized from 07/03/22 to 11/03/22

Dr. Pushpalata Pujari

- Faculty Development Programme attended=01
- Invited talk delivered=01
- Member of lecture series organized from 20/10/21 to 28/10/21
- Coordinator of FDP organized from 07/03/22 to 11/03/22

Dr. Rajwant Singh Rao

- Research paper published in proceeding=05
- Faculty Development Programme attended=15
- Member of lecture series organized from 20/10/21 to 28/10/21
- Coordinator of FDP organized from 07/03/22 to 11/03/22

Dr. Sushma Jaiswal

- Papers reviewed: 02(International)
- Faculty development program attended: 02
- Member of FDP organized from 07/03/22 to 11/03/22

Dr. Babita Majhi

- Ph.D. guidance (awarded) - 01
- Research paper in conference proceedings: 01 (International)
- Invited talk delivered: 01(University)
- Papers reviewed in Journals and Conferences: 10(International)
- Coordinator of FDP organized from 07/03/22 to 11/03/22
- Member of lecture series organized from 20/10/21 to 28/10/21
- Member of Technical programme committee (MISP 2022, NIT Raipur) : International
- Technical Session Chaired (MISP 2022, NIT Raipur): International
- Workshops/ FDP attended: 04

Dr. Akhilesh Kumar Shrivas

- Faculty Development Programme attended=03
- Refresher Course attended=01

- Member of lecture series organised from 20/10/21 to 28/10/21
- Coordinator of FDP organised from 07/03/22 to 11/03/22

Dr. Vikas Pandey

- Faculty development program attended: 02
- Invited talk delivered: 01
- Refresher Course attended: 01
- Members of FDP organized from 07/03/22 to 11/03/22

Dr. Amit Kumar Chandanan

- Faculty Development Programme attended: 03
- Invited talk delivered: 01
- Refresher Course attended: 01
- Lecture series organised from 20/10/21 to 28/10/21
- Coordinator of FDP organised from 07/03/22 to 11/03/22

Vivek Kumar Sarathe

- Faculty development programme attended: 02
- Invited talk delivered: 01
- Lecture series organised from 20/10/21 to 28/10/21
- FDP organised from 07/03/22 to 11/03/22

Abhishek Patel

- Faculty Development Programme attended: 06
- Member of lecture series organised from 20/10/21 to 28/10/21
- Member of FDP organised from 07/03/22 to 11/03/22

Prashant Vaishnav

- Faculty Development Programme attended: 06
- Lecture series organised from 20/10/21 to 28/10/21
- Coordinator of FDP organised from 07/03/22 to 11/03/22

Achievements of Students

- 02 students selected in campus organised by Interbiz Company, Bilaspur, C.G.
- 01 research scholar awarded Ph.D in 9th Convocation.
- More than 60 numbers of passed out students registered for Alumni.
- 09 numbers of passed out students selected for CGPSC and joined as Assistant Professors.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics started functioning in the year 1989 with M.Phil. course in Mathematics and has established itself as an excellent centre for research and teaching in

the field of Mathematical Modeling, Algebra, General Topology, Analysis, Approximation Theory, Fuzzy Logic and its applications etc. under the active guidance of dedicated faculty members. The department has started offering M.Sc. in Mathematics as well as introduced under graduate course in Mathematics in 2009. The department has its own library and has received National Board for Higher Mathematics (NBHM) grant for its enrichment. Presently in the department, research is going on various fields like Fuzzy Logic and Applications, Fixed point theory, Topology, Numerical Analysis, Differential Geometry of Manifolds, Cosmology, Finsler Geometry, Fractional Calculus and Seismology etc. The department has continuous practice to update and introduce new courses in the field of Mathematics and applicable mathematics to stand in the front line curriculum of the other reputed universities and institutions of the country. The faculty members of the department has good academic record and have collaborative/interactive research works with many eminent mathematicians of India as well as abroad. The faculty members of the department are also reviewers and referees of many National as well as international reputed Mathematical journals. Recently a number of departmental students of UG and PG have qualified reputed national level competitive examinations such as NET, GATE, JAM etc. All the faculty members always try to make a good environment for teaching and research. Department always try to give best for the overall improvement of the students.

Activities of the Department

- An online Alumni meet of Department of Mathematics, GGV, was organised on the occasion of Teachers Day on September 05, 2021.
- An online Refresher Course on "Non-linear Analysis for the Design and Development of Artificial Neural Systems" was organized by Department of Mathematics in coordination with UGC-Human Resource Development Centre, Guru GhasidasVishwavidyalaya, Bilaspur during 13 - 25 September, 2021.
- 3-Days Curriculum Revision Workshop was organised with reference to New Education Policy 2020 on October 25, 2021.
- On the occasion of " National Mathematics Day" a seminar has been organised in which Dr. B Majhi (Assistant Professor, IIT Indore), Dr. U K Anandavardhanan (Professor, IIT Bombay) and Dr. M Murugesan (Visiting Professor, IISER Bhopal) gave lectures on the work of Ramanujanon December 22, 2021.
- A National Seminar on Mathematics was organised to celebrate the 70th Birthday of Prof. S.P. Singh on January 20, 2022.
- On the occasion of " National Mathematics Day" a seminar has been organised in which Prof. (Retd.) A.P. Singh (Central University of Rajasthan) gave lectures on the Complex Analysis. Painting & Rangoli Competitions have been also organised on the work of Ramanujan on March 28, 2022.

Achievements of Students

- 2 students selected as an associate – Field officer in Azim Premji Foundation.
- 1 students selected for CGPSC and joined as Assistant Professors.

2.1.7 SCHOOL OF STUDIES IN NATURAL RESOURCES

The School of Studies in Natural Resources has two departments namely; Department of Forestry, Wildlife & Environmental Sciences and SLT Institute of Pharmaceutical Sciences.

DEPARTMENT OF FORESTRY, WILDLIFE & ENVIRONMENTAL SCIENCES

The Department of Forestry, Wildlife & Environmental Sciences is accredited with 'A' grade by ICFRE, Dehradun, imparting forestry education since 1988-89. It has also taken the lead role in forestry education and research in Central India. The department follows the modern syllabus framed by ICFRE/ICAR for B.Sc. and M.Sc. Forestry degree programs. The choice-based credit system with integrated knowledge and skills relevant to forestry and allied subjects has been adapted for the UG program. The department is moving forward with a vision “to promote excellence in education, research and extension in forestry and catering the need of trained workforce practicing sustainable forestry. The Ph. D. program in Forestry and Environmental Sciences is also a part of the department's academic program.

The department runs in a well-spaced building with laboratories located behind the luxurious plantation of Peltaphorum. The department has state-of-the-art Classrooms, faculty rooms, workshops, a museum, and advanced research laboratories, including CHNOS, TOC, Windias, Compound and stereo zoom microscope, Photosynthesis analyzer, Microtome, Meteorological station, Total Station, Spectrophotometer, remote sensing-based software, etc. Glasshouse and forest nursery are maintained for research and practical purposes for Students and Scholars.

Forestry students were attached to the State Forest Department, biosphere reserves, national parks, wildlife sanctuaries, rural villages, forest industries for field training, and visits to research institutes as a part of the curriculum. The students have a broad scope of job opportunities like nursery and plantation managers, technical assistants, and managers in forest-based industries like pulp and paper industries, small scale and cottage industries, etc.

Objective

- To provide a platform for a broader spectrum of students to choose forestry as a professional subject.
- To promote excellence in education and research in Forestry, Wildlife, and Environmental Science disciplines.
- To enrich the students with innovative knowledge and skills to cater to the trained workforce of forestry in the country.

Activities of the Department

- In coordination with the department, the University first participated in the UI Green

Metric World University Ranking and scored 673 positions in the World, 28th in the country, and Ist in Chhattisgarh State.

- The department organised a Regional level event of the National Environment Youth Parliament, 2022 for zone I (all Central Universities of India) and held its final event at Parliament, New Delhi.
- Department organised National Web Conference on International Tiger Day "Tiger conservation in India: Status and Future Strategies" with WWF, India, and the Corbett Foundation. Also organized a live talk show on the occasion of "World Elephant Day" on 12th August, 2021.
- Celebrated World Environment Day and International day of Forestry, save soil, Wildlife conservations in the department to promote nature conservation activities among students on 5th June and 21 March and organised competitions.
- National Symposium cum workshop on “Biodiversity and its Utilization and Conservation in Central India” was organized on 21-22 February, 2022 by the Department.

Achievements of Faculty

- Prof. S. S. Singh of the department was invited as a resource person to deliver a talk on “Forest Fire Disaster: on Overview” at Human Resource Development Centre (HRDC), GGV, during 13-21 September,. 2021.
- A documentary on the "Green Environment" of the university was prepared by Dr. Rashmi Agarwal, Associate Professor of the department.
- Dr. K. K. Chandra, Associate Professor & HoD department of Forestry was awarded “Outstanding Work in Social and Community” Higher Education Institution Awards 2021, from the Progress Global Awards 2021. He was appointed as a regional environment coordinator, conducted NEYP 2022 events, and participated in final events held at the Parliament Bhawan, New Delhi.
- Honourable Governor of Chhattisgarh has nominated Dr. K. K. Chandra and Dr. Bhavana Dixit of the Department as a Member of “Kendriya Adhyayan Mandal” for Forestry Studies in Chhattisgarh. Dr. Chandra was invited to talk in a Refresher course, “Recent Advances in Life Science for Sustainable development,” during 2-14 August 2021 at HRDC, GGV, Bilaspur, Chhattisgarh.
- Dr. Tiwari, Dr. Gunjan Patil, and Dr. Bhavana Dixit, Assistant Professors of the department, participated in a Faculty Enrichment Programme on “Research Data Analysis & Visualization” organized by Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P, during 14- 27 December ,2021.
- Dr. Gunjan Patil, Assistant Professor, has completed an online SWAYAM portal Refresher Course on Pedagogical Innovation and Research Methodology from 1st December to 31 March organized by Guru Jambheshwar University of Science & Technology Hisar, Haryana, India. Also, attended a national and international conferences organized by Government College, Manwar (M.P.) on 16 December, 2021, Tropical Forest Research Institute, Jabalpur (M.P.) on 16 December, 2021, and the biodiversity symposium of GGV, Bilaspur on 21-22 February, 2022.

- Dr. Bhavana Dixit has completed an Annual Refresher Course on "Teacher in Teaching in Higher Education" on ARPIT online portal from 1 December 2020 to 31 March 2021, organized by “Savitribai Phule Pune University, Pune, Maharashtra. She also, participated in an “Online Training on "Linkage between Field Forest Management and R & D Personnel" on 29-30, 2021 at Central Academy of State Forest Services, ICFRE, Dehradun, Uttarakhand, and a workshop on "Ethnographic Research for Tribal Development Professional" on 30-31 March, 2022, organized by “National Institute of Rural Development and Panchayati Raj, Ministry of Rural Development Government of India.
- Dr. Ajay Kumar Singh, Dr. Brijendra Pratap Singh, and Dr. Atul Kumar Bhardwaj, Assistant Professor have participated in a two-week Faculty Development Program for “21st Century environmental issues challenges and solution” organised by Teaching Learning Centre, Ramanujan College, Delhi University during 15-29 July, 2021. They presented their papers in a national symposium cum workshop on “Biodiversity, GGV, Bilaspur, and a national webinar on “climate change impact on agriculture, environment, and sustainable development” organized by IASR and SERI Kolkata on 11-12 February 2022.

Achievements of Students

- Mr. Prasen Jeet, Research Scholar has been awarded Ph. D. degree in Forestry and Environmental Sciences from GGV, Bilaspur; Mr. Anish Kumar Singh, Ph. D. Scholar has been awarded Doctoral Fellowship, ICSSR, New Delhi. Ms. Poonam Xess Ph.D. Scholar has been selected for the “National Fellowship for Higher Education of ST students” which is funded by the Government of India, Ministry of Tribal Affairs, Scholarship Division, New Delhi for 5-years. Three Ph. D. Scholars namely Anish Singh, Arun Kumar Shukla, and Abhishek Maitry were qualified National Eligibility Test (NET).
- The Research Scholars of the department namely Aman Kumar, Anish Kumar Singh, Alok Kumar Chandrakar, Arun Kumar Singh, Astha Singh, Gunja Baretha, Fergus Mark Anthony, Neha Soan, Damini Sharma, Preety Shah, Ankit Pandy, Kamesh, Poonam Xess, Priti Singh, Gayatri Devi, Abhishekh Maitry, Asutosh Anand, Akriti Tamrakar has presented their research papers at the National symposium cum workshop on “Biodiversity and its utilization and conservation in central India” organised by Guru Ghasidas Vishwavidyalaya during 21-22 February, 2022.
- Research Scholars Astha Singh, Harshita Singh, Damini Sharma, Gunja Baretha, Neha Soan, Poonam Xess, Preety Shah, Kamesh and Gayatri Devi attended a one-week online FDP- Workshop on Writing Effective and Quality Research Paper, How to Publish in Scopus, SCI listed and Reputed Journals? Organized at Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur, Chhattisgarh during 25-29 January 2022.

- Mr. Anish Kumar Singh, Ph. D. Scholar has presented a research paper at the 3rd International Conference GIAFAS-2021during October 17-18, 2021, and also at the 7th International Conference on Environment and Ecology (ICEE-2021) on 26-28 November 2021. Mr. Aman Kumar, a Research Scholar has participated in the National Conference on "Human-wildlife Conflicts: Issues Concern & Way forward, Co-Exit 21" organized by Indian Institute of Forest Management on 22-23 October, 2021 and has published a research paper on "Avi-fauna of Guru Ghasidas university campus, Bilaspur, Chhattisgarh, India", IJRAR, 8 (3) 2021.
- Ms. Astha Singh, Ph.D. Scholar has published a book chapter in Nova Science Publisher, USA. She attended a workshop on "Basics in Biostatistics with SPSS" organized by Mergen BioLogics from 30th July to 1st August 2021 and completed training on "Fundamentals of Remote Sensing and GIS Technology" organized by IIRS, Dehradun from 14 - 28 September 2021. Also, presented a paper at 7th International Conference on Environment and Ecology (ICEE 2021)" held from 26th to 28th November 2021, and presented a poster in the International Seminar on "Ecosystem functioning in Anthropocene" held at BHU, Varanasi from 23-25 February, 2022. Miss Damini Sharma Research Scholar has published a review article in Plant Archives and a book chapter in "Journey to Quality of Life" and "Silent Scars". She attended 02 international conferences ICMRID-2021 and GIAFAS-2021.
- Mr. Fergus Mark Anthony, Ph.D. Scholar has been conferred as a Member International Union for Conservation of Nature (IUCN) WCPA and CEM and also empaneled as a Bird Expert in Chhattisgarh State Biodiversity Board. He has published a research paper in JBES and attended National Conference on Human-Wildlife Conflict: Issues Concerns & Way Forward, Co-Exist 21 organized by IIFM, Bhopal held during 22-23 October 2021. Mrs. Gunja Baretha, Ph. D. Scholar has presented a paper at the 7th International Conference on Environment and ecology (ICEE) held on 26th, 27th, 28th November 2021 and has published one book chapter in John Wiley & Sons, Inc., USA.
- Harshita Singh, Ph. D. Scholar has published one research paper in Journal of Scientific Research" BHU volume 66 (1), 2022. Also attended an online course on "Fundamentals of Remote Sensing and GIS Technology" IISR, Dehradun during 14-28 September, 2021; a Workshop on "Research Methodology & Data Analysis" organised by BHU during 8-12 March, 2022 and a National Workshop on "Application of Statistical Tools in Data Analysis" organized by Central University, Haryana during 21-25 March, 2022. She has presented a paper in 85th Annual Convention of the Indian Society of Soil Science, Visva-Bharati, Sriniketan held on 16-19 November, 2021. Mrs. Neha Soan, Ph.D. Scholar has presented a research paper at International Conference on Biodiversity organized by PDUM, Assam, and ECO-CLUB (MoEFCC, GOI) on 5th January 2022, and completed an online course

"Introduction to Environmental Governance" by UNEP & UNITAR (United Nations Institute for Training Research).

- Ms. Preety Shah, Ph. D. Scholar has published two book chapters published by Alter Notes press, and "Forest Environment is the key to spend 'Quality Life'", Journey to Quality Life, Published by Sports Publication. She has presented research articles at International Conferences organized by Society for Environment and Sustainable Development, New Delhi, India on 3-5 June, 2021; the 7th International Conference on Environment and Ecology held on 26-28 November 2021 and attended "Training on Instrumentation" at TFRI, Jabalpur from 27- 29 October, 2021. Mr. Ashutosh Anand, Ph.D. Scholar has participated in 5thSatpuda Bird Survey in Satpuda Tiger Reserve during 25-2 February; 2022. Mr. Ankit Pandey, Ph.D. Scholar has attended Skill Development-cum-Training Programme on "Cultivation, Primary Processing and Quality Aspects of Commercially Important Aromatic Crops" sponsored by CSIR-Aroma Mission, Phase-II (HCP-007) organized by CSIR-CIMAP, Hyderabad on 3 - 4 March, 2022.
- Research Scholars namely Ankit Pandey, Damini Sharma, Gunja Baretha, Gayatri Devi, Poonam Xess, Priti Singh and Preety Shah have presented their research papers at the National Conference on "Value addition & Marketing of NTFPs" held at Tropical Forest Research Institute, Jabalpur (M.P.) on 16 December, 2021. Ms. Gayatri Devi Research Scholar has participated in the international webinar Fa- Eira a side event of the United Nations Framework Convention on Climate Changes on 16 July 2021. Mr. Kamesh, Ph. D. scholar has presented a paper at the International Conference on "New Challenges and Dimensions on Ecology and Environment" held on 2-3 April, 2021.
- Ms. Poonam Xess Ph.D. Scholar presented a paper at the 3rd International conference GIAFAS-2021 organized by Shri Guru Ram Rai University, Dehradun, Uttarakhand, on October 17-18, 2021, and participated in a National conference on Human-Wildlife Conflict held at Indian Institute of Forest Management, Bhopal during 22-23 October, 2021.
- Mr. Rajesh Kumar, Ph. D Scholar, has published a paper in Indian Forester, volume 147 (6): 578-583, book chapter in Tropical Dry Forest: Emerging Features and Ecology Perspective, Nova Science Publisher, New York, USA and Urban tree Vandalism, John Wiley & Sons, Inc., USA. ISBN: 9781119807186. He presented papers at 03 international and 01 national conferences and attended 02 National Workshops
- Ms. Ruby, Ph. D. Scholar has attended a training webinar on "How to Write a Research Proposal" on 12 December 2021, organized by Research Graduate, a consulting company, and presented a 01paper in the International Conference ICIRSMT 2021, organized by Atal Bihari Vajpayee University, Bilaspur and American Institute of Management (AIMT) USA during 27-28 December 2021. Mr. Samyak Singh, Ph. D. Scholar has participated in an online national workshop on

"Data analysis and statistical computing through SPSS, organized the by Council of Research and Sustainable Development, India on 22 -23 May, 2021.

- Ms. Shraddha Pandey Ph. D. scholar has participated course on "Introduction to Geospatial Technologies" of NRSC/ISRO, Hyderabad on 20-21 April, 2021, and presented a paper at the "International Conference on Climate Change- Global Emergency-2021", organized by Zakir Husain Delhi College, University of Delhi, and 3rdInternational Conference on Environment and Society 25 December (ICES 2021).
- Mr. Onkar Singh Rajput of B.Sc. VI Semester won 3rd prize in the "Easy writing Competition" organized on Establishment Day of the University at GGV, Bilaspur.
- Mr. Aryan Pandey, Ajay Amaria, Ms. Neha Gritlahare, Ritu Maravi, Harsha Rani Tandon of B. Sc. students participated in the tiger Census in Achanakmar Tiger Reserve in October 2021, Mr. Akash Kumar Patel and Mohan Yadav of B. Sc. students participated in a tiger census in ATR, Ratapani Wildlife Sanctuary Madhya Pradesh in Jan 2022, and Udanti Sita Nadi Tiger Reserve Tiger in February 2022.
- Mr. Pitambar Lal Sahu, Radheshyam Baghel and Mehul Singh Tomar has participated in a butterfly survey in Ratapani (MP) held in September 2021, while Mr. Shivam Bhardwaj participated in an Egyptian vulture study organized by the Forest Department, Durg, Chhattisgarh in March 2022.
- Mrs. Nistha Shrivas, Falguni Sarkar, Shrijan Vaishnav B. Sc. VIII semester student has volunteered in a program of NCBS and Wildlife Institute of India from 15 January 2021 to 16 April, 2021 held at Bandhavgarh National Park, M.P. India. Phalguni Sarkar Participated in different competitions organized by WII, Dehradun, and CAMPA Chhattisgarh and won Ist prize in the Hindi Slogan competition, 2nd prize in English poetry, and 2nd prize in essay writing competitions.
- Mehul Singh Tomar, B.Sc. VIII semester students presented papers at the Rufford conference at Udaipur in March 2022) and attended the Master trainers training for Tiger estimation in the Bhopal division in August 2021. He has designed the snake interpretation Center Van Vihar National park.
- Bhumika Lilhare, Akshay Suryavanshi has successfully completed a 50-hour internship in the Swachh Bharat summer internship program.
- Mr. Radheshyam Baghel of B. Sc. Forestry won Ist prize in a state-level competition "Biodiversity around me" organized by Durg Forest Division, Chhattisgarh, and actively participated in the Wetl and census 2022.
- Vivek Kumar Patel of B.Sc. forestry participated in Kanha Bird Survey during 10-13 February 2022 and Panna Tiger Reserve's Bird survey in March 2022, Gandhisagar Bird estimation on 13 March 2022.

DEPARTMENT OF PHARMACY

The department was established with an objective to develop professionally competent manpower in the field of Pharmaceutical Sciences in the state of Chhattisgarh. It has entered in its 24th year since its inception in 1997. The department is duly approved by All India Council for Technical Education (AICTE), New Delhi and Pharmacy Council of India (PCI). New Delhi. The vision of department has always been excelling in pharmaceutical discovery and the development of leaders in pharmacy and pharmaceutical sciences by providing best facilities in a collaborative and diverse learning environment to the students. The department is committed to a learning environment that embraces diversity, inclusiveness, equity and respect. The department has a productive engagement with the alumni, educational partners and community as well. It is the only Institute from the state of Chhattisgarh that has achieved 42nd rank among the top 50 pharmacy institutions of the country as per the ranking released by National Institutional Ranking Framework (NIRF) 2021. The department has 25 doctoral faculty members, most of them having completed part of their education in reputed foreign Universities. The department has completed first cycle of UGC-SAP programme and is currently under its second cycle of UGC-SAP. The department also has the DST-FIST programme.

Research Facilities

The department has a dedicated Central Instrumental Lab with all sophisticated instrumentation facility involved in drug discovery research. Some of the sophisticated instrument's worth more than one million are Automated Soxhlet extraction unit (B-811), Cryostat, Particle size analyser, C H N analyser, HPTLC, HPLC, Drug Discovery Studio, Microwave Reactor System, FTIR and Flash chromatography. Most of the instruments have been purchased through government funded research projects.

Activities of the Department

- Department has an active UGC-SAP (DRS-II).
- Department has a sanctioned DST-FIST programme.
- Series of national webinar were organised by the department in celebration of Azadi ka amrit mahotsav in different streams of pharmacy.
- The Department has organised National Workshop on “Development of Nanocarriers System for Drug Delivery” from 28-30th March, 2022.
- Department of Pharmacy conducted one Guest lecture of Mr. Anshu Verma, Head and Director, External manufacturing, Jubitlant Generics, Greater Noida, on External manufacturing –current trend in Pharma industry, Scope and challenges, also conducted one national webinar and one National Workshop 2021-2022.
- Department of Pharmacy has entered in to MOU with the 6 pharma industries and CDRI Lucknow.

- Department has produced o4 Ph.D. during 2021-22.
- Department has organized one day National seminar come workshop on Nanoscience, Nanotechnology and advanced material (21 September 2021).
- Department has conducted NSGE examinations on behalf of Indian association of Physics Teachers (IAPT).
- Eight research projects from the different government agencies are running in the department.
- National science day, Vivekananda Jayanti and Swachh Pakhwada was celebrated in the department in which many competitions were organized.

Cultural activities of the department

- Teachers day was celebrated on 5.9.21 and various activities like speech, debate competition were organized.
- Various activities were conducted in Bharat Bhagya vidhata Red fort festival on 25.3.22 to 05.4.22.
- National science day was celebrated on 21- 28 February 2022 and various activities were conducted.
- National youth day virtual celebration on 12th January 2022.
- Pledge taking ceremony on 31st October 21, in Sardar Patel Jayanti.
- Ek Bharat Shreshth Bharat online debate competition was conducted on 19th October 21.
- Celebrated Swachhtta Pakhwada with speech and poster making competition were organized on 3rd September 21.
- Speech, debate and slogan writing competition were conducted on 7 to 8 September 2021 in the celebration of Azadi ka Amrit Mahotsav.
- Speech, debate and G. K. competitions was organized on Guru Ghasidas Jayanti on 6 to 7 December 2021.

Achievements of Faculty

- Prof. Vinod D. Rangari is a D.Litt awardee from Kavi Kulguru Kalidas Sanskrit University, Nagpur.
- Prof. Vinod D. Rangari invited as key note speaker in national webinar organised by Deaprtment of Pharmacy IGNTU Amarkantak, BIT Meshra Ranchi and oriental college of Bhopal, MP.
- Prof. Vinod D. Rangari invited as Guest Speaker in AICTE-RGPV Joint Teacher Training Programme at RGPV Bhopal MP, in National webinar on Emerging infectious diseas-Novel Drug Development at Swami Vivekanand college of Pharmacy Trichengode,Tamilnadu and in international conference on natural product for drug discovery and Development toward healthier life 21st century at

Modern Institute of Pharrmacy and Research Indore, MP.

- Dr. Dilipkumar Pal, Dr. Partha Pratim Roy, Dr Sanjay Kumar Bharti was included in world's Top 2% Scientist Pharmacy and Pharmacology by Stanford University, USA.
- Dr. Jagadish Singh has chaired the Session as Poster Evaluator in the International Conferences "Transforming Ripples in Healthcare Research: Obstacles, Sustenance & Cutting-Edge Innovations 2022" Organised by the Department of Pharmaceutical Technology, School of Medical Sciences, Adamas University, Kolkata- 700126 sponsored by DST and AYUSH, Government of India, February 10th & 11th, 2022.
- Dr Dilipkumar Pal, Associate Professor, Department of Pharmacy has been awarded with APTI, Prof. L.V.G Nargund Research Excellence in Pharmaceutical Chemistry for the year 2021 towards his contribution in pharmacy research.
- Dr.Dilipkumar Pal, Dr. Shivani Rai Paliwal Dr. Partha Pratim Roy, Dr. Nishant K Jain, was included in AD Scientific Index From Department of Pharmacy, GGV.
- Dr. Harish Kumar Rajak received Dynamic Pharma Teacher award from IPES Lucknow, India
- Dr Dilipkumar Pal, Associate Professor has granted one Indian patent on January 2022, Patent no: 388144, Title of the patent: Novel Naphthyridine compounds and process for preparation thereof . Inventor(s) Name: Dr Dilipkumar Pal and Vinod Kumar Gurjar

Achievements of Students

- 13 students qualified GPAT and successfully got admission for pursuing their Masters in Pharmaceutical Sciences in GGV and other Indian universities also.
- Miss Amrita Singh, Miss Monika Kaurav, Miss Pooja Mongia, Miss Roshni Tandey, Miss Shilpa Vaishnav, Miss Preeti Patel, Mr. Kantrol Kumar Sahu and Mr. Balak Das have been awarded Ph D.
- Miss Amrita Singh, Miss Preeti Patel and Mr. Balak Das have been placed as associate professor in ISF College of Pharmacy Moga Punjab.
- Miss Pooja Mongia is placed as Assistant Professor in DIPSARU New Delhi.
- Two Ph D Scholar in Department of Pharmacy, Udita Malik and Ajay Kumar Gupta attended DST SERB sponsored workshop at CSIR-IIIM, Jammu on 15-22 March 2022.
- One PhD students received best paper poster presentation award in DAE-symposium on nuclear physics-2021.
- One PhD student got best oral presentation award in international conference 2022.

2.1.8 SCHOOL OF STUDIES IN PHYSICAL SCIENCES

The School has two departments under it viz., Department of Chemistry and Department of Pure & Applied Physics.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in 2009 with an objective of providing quality education in the conventional as well as thrust areas of sciences. It aimed at excelling in meta-cognition learning and cutting-edge research. The vision of the department is to boldly explore and advance new chemical frontiers areas of sciences through visionary research, innovation, patenting, collaboration, and scholarship.

The Department offers a vibrant academic atmosphere to the students and faculty members to nurture the spirit of scientific inquiry, critical thinking and pursue quality education and research in highly encouraging environment. Chemical science is recognised as central science, which reflects by the growing number of undergraduate and post graduate students opting Chemistry as their honours or elective subject. Our syllabi comprise of the recent developments in chemical science research. The Department is a recognized research centre with state-of-art facilities and hosts ample number of scholars for pursuing research in diverse fields of modern chemistry. At present, ten sponsored research projects are running in the Department funded by reputed National Funding Agencies.

The Department provides an excellent environment not only for teaching and learning but also for conducting regular conferences/workshops/seminars/skill development programs etc. During the Covid-19 pandemic the teaching-learning process was conducted through online mode. The Department is having a departmental library equipped with good number of books, reputed e-journals, and high-speed internet facility. The students participate actively in different extracurricular activities like national service scheme (NSS), National Education Policy (NEP 2020), Ek Bharat Shrestha Bharat (EBSB) organized in the department and University level time to time. The Department arranges coaching classes for NET, GATE and other competitive examinations. The Department plans collaborations with different national and international research /industry and higher education institutions.

The academic excellence of the faculty members is reflected in the continuous research publications and participation in national and international conferences and workshops. This year our faculty members have published eight books, eleven book chapters, more than forty research papers in high impact international journals with highest impact factor of 60.6 (Chemical reviews). The faculty members have also presented their research data in

thirty-one national, twenty-one international conferences and five workshops. Our faculty members are committed to make the department a thriving centre of excellence in teaching, curriculum development, cutting-edge research and popularizing Chemistry.

The number of our students clearing NET, GATE, and other state and nationally competitive examination has been increasing every year. Students are getting admission in various Ph.D. programmes at the premier research institutes in India like IIT Kharagpur, JNCASR Bangaluru, IISER Bhopal, IISER Behrampur, NISER Bhubaneswar, BARC, Jadavpur University, Hyderabad Central University, JNU, and different NITs etc. They are also getting placed in various prestigious positions in the schools, colleges and industries in various parts of the country on-campus/off-campus recruitments. In the current year five students got campus placement in Ultra Tech Cement.

Activities of the Department

- Seven students have been awarded Ph.D. degree in Chemistry during 2021-2022.
- The department has conducted three national seminars in blended mode.
- The process of signing of MoU is underway with national reputed research organisations and higher education institutes.
- One refresher was conducted with forty participants across India.
- Two skill development programs were conducted.
- Seven-day special camp was organised by National Service Scheme (NSS).
- Student induction program was organized for newly admitted students and discussions were made on National Education Policy -2020.

Achievements of Faculty

- One faculty member of the department was enlisted in top 2% most-cited scientist survey made by Standford University.
- One faculty member enlisted in World Scientist and university ranking 2022 (AD Scientific Index).
- Faculty members have delivered many invited talk in national and international seminars and conferences
- Faculty members have chaired technical session in national and international seminars.
- One faculty member received Rachna Sahitya Award during Matribhasha Diwas Celebration at University level.

Achievements of Students

- Four students received university gold medals in the 9th Convocation.
- Seven students got project assistant-ships in CSIR-CIMFR, regional centre Bilaspur.

- One student secured First position in state level Deshbhakti song organized Regional Outreach Bureau Raipur on the occasion of Azadi ka Amrit Mahotsav.
- One student secured First position in Panthi song organized the university during Kulutsav.
- Students secured second position at the university level in Cricket competition, organised by the Department of Physical Education.
- One research scholar received best poster award in the International Conference on Recent Trends in Science and Technology organized by GVYT PG College Durg, and Siddhachalam Laboratory Raipur CG.
- Two research scholars received third position in science-logo and science –slogan writing competition during National Science Day Celebration.

DEPARTMENT OF PURE AND APPLIED PHYSICS

Department of Pure and Applied Physics, one of the premier departments of University, was established in 1995. Since its inception, it has been actively involved in teaching and research activities. The department has grown itself and emerged as the leader of the science education in this region of central India. The department is inducted under FIST program of DST, Govt. of India third time and has received DRS-I under SAP of UGC. The department is having 18 teaching faculty, including one professor and six associate professor and eleven assistant professor. The image of any teaching institute is framed through the quality of its faculty, the department is privileged to have highly qualified and acclaimed faculty members. The department offers teaching and research programs at P G level in physics having specialization in Experimental & Theoretical Condensed Matter Physics, Materials Science, Experimental Nuclear Physics, Spectroscopy and Plasma Physics. Similar program is also offered in electronics with specialization in communication electronics. In addition, department offers 3 year (six semester) UG program in Physics & Electronics and Ph. D. (Physics and Electronics).

The Department has well equipped under graduate and post graduate laboratories for general physics, mechanics, heat and thermodynamics, optics, electronics, and computational techniques. Advanced material characterization facilities such as, Scanning Electron Microscopy, Atomic Force Microscopy, Fourier Transform Infrared Spectroscopy, UV-Vis Spectrophotometer, X - Ray Diffractometer and photolithography are available for the M. Sc. students & research scholars of the department as a central facilities. Departmental library provides rich resources for both students and researchers.

Department is striving very hard to improve the quality of Physics education to stand as one of the leading science education centres in the country. We express our deep desire to work with the new students to make their lives brighter. The department makes efforts for training and placement, and trains students for national level entrance examinations, looks after their placement at various research institutes and industry. Students from the department are encouraged to appear in national level examinations like, NET, GATE, JEST, SET etc. The department is having dynamic academic activities by organizing regular seminars of eminent science personalities, workshops, and symposia.

The Department has taken a bold initiative to establish a 3 MV high current pelletron accelerator facility. The facility is supported by Department of Atomic Energy, Govt. of India through BRNS as a National Centre for Accelerator Based Research and by UGC as a special grant for establishing the centre. This facility has strengthened the research support in the region boldly poised us on the International map of science & technology as one of the emerging research institution. The facility is providing opportunities to carry out interdisciplinary research work in various branches of Science & Technology.

The Department has prepared short-term, mid-term and long term vision in terms of quality improvement in teaching, creating research ambiance and providing skill enhancement to the students. We have introduced CBCS system at undergraduate level and have designed several skill based programme viz. workshops skill in physics and electronics, electrical circuit analysis, radiation safety, and renewable energy. These courses are offered to students of other departments also. We are also constantly attempting to improve the quality of teaching in the courses being offered and have included several ICT tool as a mode of delivery and reoriented our curriculum as learner centric. In order to provide the industrial exposure and peer interaction, we have introduced internship programs in undergraduate courses. In the research front our aim is to establish state of the art synthesis and measurement facilities for developing thin film, nanomaterials, and mesoscopic materials. Our immediate plan is to start electrical, magnetic and thermal measurement.

During pandemic COVID-19, all faculty members have taken online classes and also guided/supported to the students. In addition, considering the capabilities available in the department, we are planning to start the new courses in the areas of nanoscience, nanotechnology and advanced materials.

With the young and dynamic faculty having vide international exposure in the niche areas of the research our research plans reflects towards contributing effectively for the make-in India and start-up India program in the field of materials development for high-end science and technology areas.

Activities of the Department

- Department has produced 04 Ph.D. during 2021-2022.
- Department has organised One-day National Seminar-cum-Workshop on Nanoscience, Nanotechnology and Advanced Materials. (Sept. 21, 2021)
- Department has conducted NSGE examinations on behalf of Indian Association of Physics Teachers (IAPT).
- 08 research projects from the different government agencies are running in the department.
- National Science day, Viveknand jayanti, Swakchta Pakhwara was celebrated in the department in which many competitions were organized.

Achievements of Students

- One Ph.D. student received best poster presentation award in DAE-Symposium on Nuclear Physics -2021
- One Ph.D. student got best oral presentation award in international conference 2022.

Cultural Activities of the Department

S.No.	Name of Event	Activities	Date(s)
1	Teacher's Day celebration	Speech and Debate competition	05/09/21
2	Bharat Bhagya Bidhata: Red fort festival	Various activities	25/03/22 to 05/04/22
3	National Science Day	Various activities	21-28 Feb., 2022
4	National Youth Day	Virtual celeberation	12/01/2022
5	Sardar Patel Jayanti	Pledge taking ceremoney	31/10/21
6	Ek Bharat Shresth Bharat	Online debate competition	19/10/21
7	Swachhta Pakhwara	Speech and poster competition	03/09/21
8	Azadi ke Amrit Mahotsav	Speech, Debate, slogan, Essay writing competition	7-8 Sept., 2021
9	Guru Ghasi Das Jayanti Competitions	Speech, Debate, GK competition	6-7 December, 2021

2.1.9 SCHOOL OF STUDIES IN SOCIAL SCIENCES

The School has four departments under it viz., Department of Economics, Department of History, Department of Political Sciences and Department of Social Work.

DEPARTMENT OF ECONOMICS

In the era of globalization economics has emerged as the most significant and relevant field of study. Accordingly, the Department of Economics established in 1989 has the vision to produce the best economist for the academic and corporate world. In this endeavour, quality teaching is the most important objective of the Department. For this Department encourages Group discussions, Paper & Article writing, Quiz etc. Besides to enrich Research environment academicians and eminent economists will be invited frequently to interact with the faculty and students on contemporary and burning issues of the economics. In this connection, it is worth mentioning that, the Department has organized number of Seminars, Conferences & Workshops on emerging issues. UGC Golden Jubilee National Seminar, First Annual Conference of Chhattisgarh Economic Association, Three Day's National Workshop on Advanced Research Methodology and Computer Applications in Social Sciences and Workshop on Women Entrepreneurship Programme, Ten Days Research Methodology Course for Social Sciences, Budget Discussions are notable among them. The students of the Department have been placed excellently in public & private sectors.

Thrust Area

- Public Finance, Issues on Indian Economy
- Banking and Finance, Industrial Economics
- Labour Economics, Gandhian Economics
- Agriculture Economics, Demographical Issues
- International Economics

Objectives of the Department

- To produce the best economist and financial analyst for the academic and corporate world.
- To impart quality teaching through Seminars, group discussions, tutorials, & other best practices.
- To develop a internationally competent centre in the field of Public Finance, Gandhian Economics, and Regional Issues for Planning & Sustainable development.
- To inculcate and impart economic skills and problem-solving competencies in student to deal with challenges posed by the increasingly complex and rapidly changing business environment.
- To undertake researches in understanding the role of globalization on Indian Economy with regional perspectives

Vision and Mission :

- The Department of Economics established in 1989 has the vision to produce the best economist for the academic and corporate world.
- Our department is focused on contributing to society through, education, research and the service, within the framework of life - long learning principles.
- The Department also plans to introduce vocational courses and to establish Research Centre.
- The Department wants to start lecture-series.
- In continuation of the above the Department wants to organise International/ National Seminars.
- Department also wants to enrich the Departmental library which is easily accessible to students apart from Central Library.

Activities of the Department

- The Department has organised Post Budget Discussion on Union Budget 2022-23 on 4th February 2022 where eminent economist Prof. Mohammad Muzammil Retd. Professor, Department of Economics, University of Lucknow (UP) Former Vice Chancellor, Dr. B. R. Amedkar University, Agra and MJP Rohilkhand University, Bareilly, Visting Fellow SAVSP, QEH, Oxford University, Prof. Alok Kumar Chakrawal,Vice- Chancellor, Guru Ghasidas Vishwavidyalaya. Visting Fellow Oxford University and Prof. A.D.N. Bajpai, Vice Chancellor of Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur have participated.
- The Department of Economics has organised a “Refresher Course on Emerging Challenges in Indian Economy” from 21/02/2022 to 05/03/2022.

Achievements of Faculty

- Prof. Manisha Dubey has organized a “Refresher Course on Emerging Challenges in Indian Economy” from 21/02/2022 to 05/03/2022.
- Prof. Manisha Dubey has organized National Webinar on the topic “Socio-Economic Consequences of COVID 19 Pandemic in India: Risks and Challenges” on 27th October, 2021.
- Prof. Manisha Dubey has organized Post Budget Discussion on Union Budget 2022-23 on 4th February, 2022.
- Dr. Dilip Jha and Dr. T.R. Ratre have organised seven days NSS Camp in the village Ringwar and the Pudu.
- Dr. T.R. Ratre awarded Ph.D. Degree on 3rd August, 2021.
- Dr. Ravindra Kumar Sharma (2022); Participated in the “Refresher Course on Emerging Challenges in Indian Economy” Organised by HRDC, Guru Ghasidas Vishwavidyalaya (C.G.) from 21/02/2022 to 05/03/2022 and obtained Grade “A+”.

- Dr. Raj Bhanu Patel (2022); Participated in the “Refresher Course on Emerging Challenges in Indian Economy” Organised by HRDC, Guru Ghasidas Vishwavidyalaya (C.G.) from 21/02/2022 to 05/03/2022 and obtained Grade “A+”.

DEPARTMENT OF HISTORY

The Department of History was established in the year 1996 under the School of Social Sciences. The courses of 5 years integrated UG/PG programme in History,(with specialization in Medieval and Modern History) and Ph.D. are available for the students. The medium of instruction in the classroom teaching as well as in the examinations is both English and Hindi. 5 years integrated UG/PG courses with exit option on successful completion of 3 years B.A. (Hons') had been introduced since 2009-10.

The thrust areas of research and study in the department are regional study and developmental study with special reference to the History of Chhattisgarh. With the start of Pre-Ph.D. course work programme the department is actively involved in the research and developmental studies to encourage academic interests in the field of History. In this process, the department organises lectures by eminent historians and academicians. On this occasion, various events related to the historical importance and dates associated with the great personalities, the department organised seminars and discussions. Fellowships and scholarships are provided by the state and central government are available to the students for research work. With the motive of all round personality development of the students and to generate community feeling amongst them the department also encourages the students towards active and successful participation in various extra-curricular activities as well as NSS.

The department is well equipped with its own library having approximately 200 books. Apart from these books, students also avail the facilities of the well-stocked Central Library with internet facility. Its reference section has a good collection of journals, reference books and Ph.D. thesis which the students can refer. Apart from teaching regular U.G. / P.G and Pre-Ph.D. courses, the teachers of the department are associated with UGC NET coaching and In-service Exam's coaching offered by the University.

The objectives of the department are to focus on the regional and developmental study with special reference to Chhattisgarh, to study and research on Medieval & Modern history, to focus on the study of history of tourism with special reference to Chhattisgarh, to enrich the students with modern tools, techniques as well as the recent developments being offered in the field of History.

Activities of the Department

- Anti-terrorism pledge was taken and anti-terrorism lecture program was organized on 21 May 2021 in the department of history as "International Anti-Terrorism Day".
- An anti-tobacco oath was organized and an anti-tobacco lecture program was organized on 31 May 2021 in the history department as "International Tobacco Prevention Day". An oath has been taken for the Iradication of Tobacco from the

society by the scholars and along with the faculties of the department of History.

- On teachers day programme was celebrated and in online lecture was organised on 5 September, 2021 in the department of history as “Throw light on Dr. Sarvepalli Radhakrishanan's life”
- On the birth anniversary of Mahatma Gandhi on 02 October, 2021, the Department of History organised speech, poster and slogan writing competition for the students and also organised an cleanliness drive in the department along with all the faculty member and scholar.
- Department of History organised two-day national seminar “Swatnry Samar Aur Chhattisgarh” on 21st & 22nd October, 2021 in collabration with ICHR, New Delhi
- A consititution day oath was organised on 26 November, 2021 in the department of history as “Integrity and Sovereignty for India”.
- Department of History organised the Refresher Course on the “Changing trends in Historical writing” from 10/01/2022 to 22/01/2022.

Achievements of Faculty

- Prof. Pravin Kumar Mishra (Head, Department of History) played role as convener of two-day national seminar **“Swatnry Samar Aur Chhattisgarh”** on 21st & 22nd October, 2021organised by the Department of History GGV, Bilaspur, C.G. and ICHR, New Delhi.
- Prof. Pravin Kumar Mishra (Head, Department of History) organised the Refresher Course on the “Changing Trends in Historical Writing” from 10/01/2022 to 22/01/2022.
- Prof. Pravin Kumar Mishra (Head, Department of History) visited ICHR, New Delhi on 6th & 7th March, 2022 for academic activity.
- Dr. Ghanshyam Dubey (Assistant Professor, Department of History) delivered an online key note lecture in a National webinar on Life and Thoughts of Bal Gangadhar Tilak on 31/07/2021, organised by DAV PG College, Varanasi.
- Dr. Ghanshyam Dubey (Assistant Professor, Department of History) Participated in online Refresher Course on Environment Education and Disaster management, organised by UGC-Human resource Development centre, Rani Durgawati University, Jabalpur M.P. from 13/09/2021 to 25/09/2021.
- Dr. Ghanshyam Dubey (Assistant Professor, Department of History) Chaired a session in two days national seminar “Swatnry Samar Aur Chhattisgarh” on 21st & 22nd October, 2021 organised by the Department of History GGV, Bilaspur, C.G. and ICHR, New Delhi.
- Dr. Ghanshyam Dubey (Assistant Professor, Department of History) delivered an online lecture in the Ten days lecture series on the aspicious ocassion of “Azadi ka Amrit Mahotsav” on 28/10/2021 organised by DAV PG College, Varanasi.

- Dr. Ghanshyam Dubey (Assistant Professor, Department of History) Participated as the chief guest and delivered a keynote lecture in the online induction programme on 04/02/2022 organised by DAV PG College, Varanasi.

DEPARTMENT OF POLITICAL SCIENCE & PUBLIC ADMINISTRATION

The Department of Political Science was established in 1987 as a teaching department of Guru Ghasidas Vishwavidyalaya, Bilaspur (Chhattisgarh). Apart from being engaged in teaching, research, innovations and public services, the department is committed to provide the best possible educational opportunities to the students as well as develop a sense of knowledge and intelligence and acquire the ability to endure in an increasingly competitive world.

Three courses are offered by the department : three-year bachelor course, two-year Master's course, and research degree in political science.

Last year 34 students took admission in post graduate level and 75 students in graduate level under choice based credit system Learning Outcomes –based Curriculm Framework (LOCF). Research scholars are admitted in the department through VRET and through VRET exempted category. The primary goal of the department is to develop expertise in the field of Political Science by building solid skills in research and analytical reasoning among students and scholars. Our learning programme, which is updated regularly, is designed to enhance the creativity and an exploration of new ideas. The students of the department participate in group discussions, paper presentations, seminars, article writing. With a team of scholarls, experienced and dedicated faculty members including permanent faculty and visiting faculty from the University, we are always ready for academic innovation in the department. An air-conditioned room has been arranged by the department for continuous intellectual discussion between the teacher and the students. All the members of the department are constantly involved in various academic activities apart from quality research work.

Apart from academic activities, we are continuously collaborating in research activities with renowned national and international organisations like Centre for Studies of Developing Societies New Delhi, University Grants Commission, New Delhi and Association of Progressive Communication.

Within the broad spectrum of Political Science, our research focuses on the study of ICT, e-governance, Panchayati Raj and Women Empowerment, Upliftment and Equity. Over the years, we have developed expertise in gender assessment and research on rural populations.

Apart from teaching and research, the faculty members and students of the department are actively engaged in training, counselling and extra-curricular activities. We welcome academic exchange and partnership with individuals and institutions based on shared goals and common objectives.

Objectives of the Department :

- To organize national and international seminars and workshops on contemporary national and international political issues.
- To conduct refresher courses and inter-disciplinary courses in Political Science.
- To make provision for Masters Course in Public Policy and Human Rights.
- To propose a new course on Political Crisis Management.
- To propose the establishment of the S.A.F. centre on Chhattisgarh politics in the department.
- To conduct and coordinate the online courses in Political Science.
- To propose the National and International cooperation for research and academic activities.
- To promote research and academic activities in the department.
- To create an encouraging environment for an International Conclave on Political Science on a global scale.
- To develop mechanisms for connecting political science students with mainstream politics.
- To make provision for conferment of postgraduate degrees on Public Administration and Human Rights.

Activities of the Department

- Student based activity conducted at the department of political science on 15.05.2021 from 2 p.m to 4 p.m via virtual mode (Google Meet). The theme of the programme was “Nirvachansaksharta Mahotsav.” The Programme was conducted by B.A 1st Semester students. All the teacher and students participated in the programme.
- On 21/05/2021, Alumni Connect program was organised in online mode by the Department of Political Science. We invited Mr. Samudra Surya a lyricist. All the students and teachers of the department participated in this programme and showed lively participation.
- On 10/06/2021, Book Reading and discussion activity was organised in online mode by the Department of Political Science. The Book titled 12th Fail by Mr. Anurag Pathak. All the students of the department participated in this programme and showed active participation.
- On 17/06/2021, Book Reading and discussion activity was organised in online mode

by the Department of Political Science. The Book titled The Animal Farm by Mr. Georg Orwell. All the students of the department participated in this programme and showed active participation.

- On 28/06/2021, Book Reading and discussion activity was organized in online mode by the Department of Political Science. The Book titled Free Voice by Mr. Ravish Kumar. All the students of the department participated in this program and showed active participation.
- On 03/07/2021, Web Series watching and discussion activity was organized in online mode by the Department of Political Science. The Web series titled MAHARANI was watched by students and followed by discussion. All the students of the department participated in this programme and showed active participation.
- On 26/09/2021, Alumni Connect – Meet with Achievers activity was organised in online mode by the Department of Political Science. Mr. Sidhharth Chouhan Selected in State Administrative Services was invited to guide the Students. All the students and Teachers of the department participated in this programme and showed active participation.
- On 07/02/2022, Chhattisgarhi Patriotic Song Competition was organised in online mode by the Department of Political Science. Dr. Leena Gahane (Dy.Adviser NAAC, Bangalore) was invited as special guest. She graced the programme with her motivational thoughts. All the students and Teachers of the department participated in this programme and showed active participation.

Achievements of Faculty

- Professor Anupama Saxena invited on talk by the Department of Education, Guru Ghasidas University on 13th December, 2021on the topic "Quantitative Research Methods".
- Professor Anupama Saxena invited on talk by the HRDC Allahabad University on 08./02/ 2022 on the topic "Gender Gaps in Information Age."
- Professor Anupama Saxena invited on talk by HRDC Utkal Universiy on 17/03/2022 on the topic "Gender Inclusiveness in the Information Age –Prospects and Challenges."
- Professor Anupama Saxena invited on talk on 02/10/2021 by Govt. VYT College Durg, Chattisgarh and AP Sen Memorial Girls College, Lucknow on the topic "**Suchana Yug me Mahatma Gandhi aur Unki Vaichariki**"
- Dr. Nahid Hasan invited as guest speaker in two days National Workshop on 21- 22 March, 2022 by department of Polical Science and IQAC, Dr SSN Govt. College Malanjkhand, Dist. Balaghat (M.P).

DEPARTMENT OF SOCIAL WORK

Responding to the changing and increasing needs for professional education and training in Social Work, the Department of Social Work, Guru Ghasidas Vishwavidyalaya, was established in 1998. The Department prepares students to become effective Social Workers in the new economic era, and the emphasis is always on quality education and promoting a culture of enquiry and quality of life.

Department of Social Work, in pursuit of the vision and mission of the university, offers academic programs to equip students with proficiency in interdisciplinary knowledge systems of social, economic, behavioural, environmental, law, human rights, gender, political and technology in order to promote social development The Department is committed to craft enabling environment for the students to undertake initiatives to empower and develop strengths and resilience in the individuals, families, groups, organizations and communities.

The evidence-based, action and intervention oriented practices are established through - teaching-learning process, field-based learning and internships that guide the students to act as social change agents and social justice. The comprehensive understanding of macro system knowledge framework, along with the understanding of contextual and ground-realities, the integration of which enable the students to effectively initiate change and development at the micro level. The unique features of the Department are participatory and sustainable development practices, capacity building trainings for students, macro-micro research initiatives, transfer of technology, social innovation and social entrepreneurship, which are rightly integrated to generate a cadre of competent social workers.

The Social Work Programme comprises BSW, MSW and PhD courses which bring strong and effective integration in teaching, training, learning, practice, research, publication and dissemination components of social work education. The Mission of the Department of Social Work is to prepare students to become generalist social work professionals by enhancing their commitment to democracy, peace, human rights, people's empowerment, social justice, and human diversity.

The Department offers direct learning experiences with individuals, families, groups, communities, and development organizations. Faculty supervisors provide on-site guidance and help to the students.

THE VISION

In accordance with the vision of the Guru Ghasidas Vishwavidyalaya, the Department of Social Work endeavours to promote inclusive social order through professional social work education and practice.

MISSION

The Mission of the Department of Social Work is to prepare students to become generalist social work professionals by enhancing their commitment to democracy, peace, human rights, people's empowerment, social justice, and human diversity. As part of educational experience, the programme provides students with opportunities to develop appropriate attitudes, skills and critical perspectives imbued with spirituality in providing services in the public, corporate, non-profit development sectors and civil society.

OBJECTIVES

- Impart education and training in professional social work in order to create qualified personnel in social welfare and allied fields through culture-sensitive, eclectic and evidence-based participatory practice
- Develop knowledge, skills, attitudes and values appropriate to the social work profession;
- Promote integration of theory and practice in the fields of social welfare and social policy.

Activities of the Department

- National Webinar on “Reproductive Choice of Women: Fundamental Rights” sponsored by National Commission for Women, New Delhi; organised by the Department of social work, Guru Ghasidas Vishwavidyalya, Bilaspur, Chhattisgarh held on 24th December, 2021.
- National Seminar on “Identification of Abusive Relationships and Prevention from Domestic Violence” sponsored by National Commission for Women, New Delhi; organised by Department of social work, Guru Ghasidas Vishwavidyalya, Bilaspur, Chhattisgarh held on 10th March, 2022.

Achievements of Students

- Vikram Singh Bhadoriya and Khushboo Sahu, Research Scholar has published a research article titled: Social and Cultural Problems Faced by LGBT People in the Society: A Comparative Study with Special Focus to India In Journal of An international Multidisciplinary Double Blind Peer –Reviewed research Journal.
- Khushboo Sahu, Research Scholar has published a research article titled: Education Aspects and Social Status of Third Gender in Journal of international Multidisciplinary Double Blind Peer –Reviewed Research Journal.
- Vikram Singh Bhadoriya, Research Scholar has published a research article titled: The Role of National Education Policy 2020 in Developing the Nation in An International Peer Reviewed & Referred Multidisciplinary& Multiple Languages Research Journal.

- Vikram Singh Bhadoriya, Research Scholar has published a research article titled: Study of Legal Aspect & Health Condition of Transgender Population of India in An International Multidisciplinary Double-Blind Peer-reviewed Research Journal.
- Vikram Singh Bhadoriya, Research Scholar under Dr. Sangya Tripathi has published a research article titled: Methods of Social Work and its Characteristics in the Research Field in International Journal of Modern Thamiz Research.
- Vikram Singh Bhadoriya, Research Scholar has published a research article titled: The Covid-19, Migration and Livelihood in Multidisciplinary International Research Journal.

DEPARTMENT OF EDUCATION

INTRODUCTION

The Department of Education has been established in 2007 and started its academic journey with integrated M.Phil. and Ph.D. but now the department of education has grown into a big academic department in all aspects of education.

The department of education understand that a Teacher may be defined from various views. Philosophically defined teacher as Guru on the basis of Knowledge, Value and Ideal of life. Historically, we found teacher as Rishi, Saint, Achary, Upadhyay, Lama, Maulvi, Father etc. Socially, we look teacher as a developer of society and creator of civic sense. Psychologically teacher works as personality developer and counselor and scientifically we accept teacher as a facilitator. In addition to this whole understanding of teacher, the Department of Education keeps dynamic sense about teachers and accepts teacher as Human Engineer, Social Doctor and Educational Technician in the present context. In this regard, the Department of Education is committed to bring out the best potential of its perspective teacher educators and teachers to develop them as empowered and envisioned leaders of Indian Education. The Department possesses a team of able and sensitive teacher educators striving to promote among the prospective teacher educators and the teacher with a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.

The Department is known for its discipline and student-friendly environment providing excellent technological facilities, quality knowledge resources (internet facilities, regular seminars, workshops, community programmes and other co-curricular experiences) and potent research experiences.

The department offers degree in Ph.D, M.Ed., B.Ed., B.Ed. Special Education (HI), and B.Ed. Special Education (LD) programmes and maintain the norms and standard of UGC/NCTE/RCI and Guru Ghasidas Vishwavidyalaya. Research, teaching, practice teaching and internship programmes are regular features of the curricula of the courses being offered. Extension activities such as community enrichment programmes have been organised to develop awareness about health and education amongst rural people. Cultural activities, games and sports are organized by the students to identify and nurture the talents in the concerned fields. The department provides educational programmes that lead to the acquisition of knowledge and skills necessary to achieve information literacy,

career advancement, personal enrichment, leadership, and service to the community. To ensure quality programme, the department of education assesses practices, policies, and procedures on an ongoing basis to strengthen the overall effectiveness of curriculum, instructional delivery, and operations.

2.4 NATIONAL CENTRE FOR ACCELERATOR BASED RESEARCH

About the Centre:

Guru Ghasidas University, after its upgradation as a central University, has taken up a bold step for establishing a 3.0 MV Pelletron Accelerator in the Department of Pure & Applied Physics as an Accelerator based Interdisciplinary Research Centre. The basic objective of the Centre has been to boost the Research & Development in interdisciplinary areas of Science & Technology and to bring the ion beam technology on the university campus so as to provide internationally competitive environment for research in the niche areas of science. This has been conceptualized and initiated as a flagship program of the university.

Consequently, establishment of 3.0 MV Pelletron accelerator facilities has been initiated in March 2010 after executive council of the University approved the program and in November 2014 the facility was commissioned as National Centre for Accelerator based Research. A proposal was also submitted to University Grants Commission (UGC) for providing the financial support and manpower for smooth functioning of the centre. UGC provided its approval for financial support to the machine and building to be adjusted in 11th plan or in the first grant of 12th plan. Also in 2015 UGC sanctioned the 08 technical positions for its operation and a position of professor earmarked for the centre. All radiation safety requirements as per the guidelines of Atomic Energy Regulatory Board (AERB), have been followed and due permissions for various stages has been obtained. In June 2013, Department of Atomic Energy (DAE) Government of India under Bard of Research for Nuclear Science (BRNS) financially supported the program in phased manner and provided 4.5 crores for the first phase. The DAE-BRNS project (first phase) was extended March 2017. As per the recommendation of high level committee, MoU has been signed by the University with Inter University Accelerator centre and UGC for making it joint national facility of GGv and IUAC, New Delhi.

Scope of interdisciplinary Research at NCAR

Energetic ions ranging from few KeV to MeV have played significant role in various areas of Science & Technology. Probing ion-solid interaction using energetic ions from low energy accelerators have recently emerged as an important area of research in various fields of Science & Technology. The accelerator based interdisciplinary research centre provides state of the art research facilities through ion beam irradiation, ion implantation and ion beam analysis techniques for pursuing frontline researches in the areas of material

science, nanotechnology, environment sciences, polymer chemistry, archaeology, material chemistry, conservation of bio-diversity, life sciences, biotechnology, pharmaceuticals, molecular biology, etc. The details of ion beams available, ion beam analysis techniques, current for various ions (positive and negative) as well as parameters for ion implantation are available on NCAR webpage (http://ggvncar.co.in/about.html).

The centre was not operative from 2018 due to lack of maintenance and financial support. However, present Vice-Chancellor, Professor Alok Kumar Chakrawal has taken keen interest and due to his proactive initiative, Centre started working once again by the efforts made by the small yet competent team in house without any technical support from outside so far. After the HVAC system maintenance, we have started repairing of various parts including the water circulation system, ultrahigh vacuum system in the beam lines, maintenance of both tanks (storage and accelerator tank), control system, communication lines and various electrical systems. The gas pressure , vacuum, water circulation and air circulation was achieved and we could run the accelerator. In the next step, we made effort to charge the terminal for its maximum potential (3.0 MV),

Achievement : We started conditioning of Pelletron Accelerator machines with beam line vacuum around 10^{-8} torr after maintenance & servicing of breakdown equipment's.

As seen in the figure, today on 27 April 2022, we have already crossed 2.6 MV and are hopeful that by the end of first week of May 2022, we shall charge the terminal with maximum potential. Our next step will be to transport the beams through the accelerator and submit the beam data to AERB through radiation safety officer (RSO) to AERB through eLORA portal so as to get the permission to run the machine for users.

Maintenance Done:

- **Accelerator Machines:**Annual maintenance of Accelerator machines performed during this period. During annual maintenance, SF6 gas transferred from Pelletron tank to SF6 storage tank & vice versa, inside cleaning of Pelletron tank, cleaning of chains, potential strips, columns, etc. done and gasket of both side flanges replaced.Since Pelletron tank SF6 gas pressure was low (60 PSI), SF6 gas transferred from 2 nos.SF6 gas cylinders to Pelletron tank through SF6 gas transfer unit via SF6 gas storage tank.
- **Compressed Air System:** Maintenance of air compressor done successfully by the installation of screw element, separator, air and oil filter. Now we are getting adequate air pressure(≈ 6 Bar).
- **HVAC system:** Maintenance of HVAC system done successfully by the installation of 1 no. outdoor compressor, Pre, fine & hepa filters, and servicing of whole HVAC unit. Now we are getting adequate beam hall temperature (≈ 22 degree).
- **125 KV Dg set:** Maintenance of 125 KV Dg set done successfully by the installation of air filters, diesel filters, engine oil filters, gasket, radiator cleaning, FIP calibration, battery charging & oil sump cleaning.
- **RotaryPump:** Rotary pump oil changed to get adequate beam line pressure (≈10^{-4} torr)

- UPS System: 100 KVA Uninterrupted Power Supply (UPS) repaired to restore power supply up to ACPC (accelerator machine power centre) panel along with installation of new 30 nos.12v 120ah batteries for 100KVA UPS and 30nos. 12v 26ah batteries for 25 KVA UPS.
- Turbo Pump Controller: Turbo pump controller was not showing any indication on display. Fuse Burnt again whenever replaced by new one. We sent the pump to respective firm for repairing and got repaired controller. After installation, we are getting adequate turbo pump speed with this turbo pump controller.

Maintenance Requirement: Apart from the above,there are few maintenance requirements of accelerator machines. However we are hopeful that it will be repaired soon. The following maintenance issues are under process.

- **Micro ion gauge**-This is mounted on RBS end station chamber to read low vacuum. Procurement process initiated.
- **Turbo Pump v301 navigator**-This is mounted on Low energy beam line (before Pelletron tank).It is required to repair it to maintain vacuum in beam line & load on the other turbo pump. Work Order has placed to the respective firm.
- **Accelerator Visit:**Prof. Anamik Shah, our guest of honor for National Science Day program visited at NCAR and shown keen interest in its working as well as future possibilities of collaboration with nindustry.

Testing : Following systems tested during this period.

- Fire Detection System: Fire detection system tested through manually smoke. Hooter alarm, panel alarm, panel indication of smoke space and visual sounder checked during this test.
- PLC Radiation Safety System: PLC system tested through emergency SCR switch, bypass switch& beam hall entrance gate switch of radiation safety conditions.
- Beam Hall Water Chiller System: Beam hall chiller unit tested to ensure water pressure, chiller water temperature, water flow and no leakage in the chiller water pipeline.

Experiments conducted during the period (external users): No Experiment conducted during this period (2021-22).

2.5 CENTRE FOR ENDANGERED LANGUAGES (CEL)

As per the University Grant Commission, New Delhi, (Vide F NO-15-6/2012 (CU) dt.03 April 2014), Guru GhasidasVishwavidyalaya (A Central University), has established Center for Endangered Languages. The Centre will work for the development of endangered Tribal languages/dialects through research, documentation and teaching. GGV has been sanctioned with Rs.3.60 crore against which UGC has sanctioned Rs. 1.80 crore as Grant-in-aid during the year 2017-18 to establish the Centre for Endangered Language.

The Centre for Endangered Languages in GGV:

- Will set up courses on Computational Linguistics,

- Developing digital language related data base.
- Will carry out field survey of endangered languages/dialects in the State of Chhattisgarh.

Work Achievements :

CEL Infrastructure :

- As per the agreement One Archive Laboratory and one Phonetic Laboratory to process the endangered languages/dialects as a part of the preservation and teaching to the students is used for the teaching of the students.
- Semi smart Class rooms, Conference Hall and computer laboratory arte being used for the students during the offline classes. (Few Photographs of the newly established infrastructure at CEL are given below).

CEL Courses Taught :

- CEL-GGV is continuing with teaching two courses. They are viz: Certificate Course in Computational Linguistics, PG Diploma Course in Computational Linguistics.
- Admission in PG Diploma in Computational Linguistics has been made during the year 2021-22. Both Online and Offline classes were organized for the student's taken admission in PG Diploma course.

Appointment of Staff at CEL :

- CEL has advertised to recruit various project level positions for teaching and support staffs. Good numbers of applications for different posts have been received by the university. Interview/Viva for these posts is awaited for their selection. CEL has prepared the guidelines/qualifications to recruit various project level positions for teaching and support staffs.
- To continue the teaching programs the university has appointed two Guest Faculties having Ph.D. in Linguistics and Language Technology. Dr.Arun Kumar Pandey and Dr.Swarnlata Sinha the two Guest faculties have joined and working in CEL, GGV since February 2021.

Endangered Language/Dialect Survey in Chhattisgarh :

- As per the guidelines of UGC Mid-term Monitoring Committee, the CEL contacted the Regional Director, Office of Census Raipur and collected the list of language/Dialect speakers in Chhattisgarh. This data was cross checked with the UNESCO report on endangered language list of India. Initially two communities named Turi and Laria were shortlisted and technical suggestions were requested from UGC Midterm Monitoring Committee members and CIIL Mysuru to take up the in-depth survey work.
- On the recommendation of Central Institute of Indian Languages (CIIL) CEL has taken up the pilot survey work among the Turi speakers of Chhattisgarh who are numbering approx. 5000 in India. The CEL-GGV team covered in Raigarh and Jashpur districts of Chhattisgarh to identify the villages inhabited by the Turi speakers. Few photographs taken during the pilot survey are attached.
- CEL-GGV has developed and field-tested questionnaire of 40 different semantic categories. CEL has submitted one proposal to recruit the required survey team and

for the approval of the competent authority. Very soon the fieldwork for data collection will be started.

Training of Staffs:

- CIIL Mysuru has organised the training program on 'Language Documentation' from dated 21-29 March, 2022 on virtual mode. The Coordinator, Two Guest faculty and Two Faculty members from Computer Science and computational background of the University who are also the member of the CEL Coordination committee attended the 7 days training program provided by CIIL, Mysuru.

CEL-GGV Website:

- The University has developed an independent website for Centre for Endangered Languages, with the link celggv.in.The website has uploaded various data on courses on computational linguistics, seminar, workshop, webinar and annual reports and other review reports. The university is going to launch the website very shortly.

Organization of International Webinar Series:

- CEL organised an international webinar series in the month of February 2022.
- The first webinar was organised on 10.02.2022 in which Dr. Rabindranath Sarma, Faculty Member, Department of Tribal Studies, Central University of Jharkhand, Ranchi, India, delivered on dt.10.02.2022 on the Topic: “Folklore and Endangered Languages: In Indian Context”.
- The second webinar was delivered by Prof. (Dr.) Prasannanshu Professor of English, National Law University (NLU), Delhi, India delivered a talk on 15.02.2022, on the Topic: “Protection and Preservation of Endangered Languages in India”.
- The third webinar was delivered by Dr. des. Netra Paudiyal, Humboldt Foundation, Germany, delivered a talk on 21.02.2022, on the Topic: “Indo-Aryan Languages Spoken in India: With special reference to Jharkhand”.
- The fourth webinar was delivered by Prof. (Dr.) John Peterson, Professor of General Linguistics, University of Kiel, Germany, delivered a lectuer on dt 28.02.2022, on the Topic: “Saving the vanishing voices - The Turi language of Jharkhand and Odisha” on 28.02.2022,

In-house CEL Program Review:

- As per the instruction of the competent authority of GGV a review meeting was organised by the Deans of all School of Studies, GGV on various activities of the Centre on dt.10.02.2022. Coordinator CEL presented the progress of the work of the Centre before all the Deans of 11 Schools of the University.

Conducting Examination:

The End Semester result of PG Diploma course for the students of 2020-21 of 1st Semester has been published. The students are to appear the end semester exam of 2nd Semester. The students admitted in PG Diploma during the year 2021-22 have also filled the examination form of 1st semester to appear the end semester examination.

4.3.2. Proctorial Board

The university has a Proctorial Board which is headed by the Proctor who is a statutory officer of the University. The Proctor is assisted by eleven Deputy Proctors representing eleven schools of the University and the discipline committees of the respective schools.

The Proctorial board looks into the administration of student related matters, mainly matters pertaining to all acts of indiscipline. The board is chiefly responsible for ensuring that the rules and regulations framed by the University are being followed by the students.

The members of the board are vigilant and keep a watch on the activities of the students especially on the common places like auditorium, cafeteria, play fields, UTDs and the library. The students are regularly advised to follow the traffic rules and the board ensures that the security department remains active in checking the identity cards of the students so that the non-students don't enter into the University campus.

Whenever the Proctorial board receives any complaints from the departments, they meet and settle the issues. The student agitations and other acts of indiscipline are seriously dealt and the board ensures that the University atmosphere remains peaceful and the students can focus on their studies without any interruptions.

4.3.7 UDDAN–The Official Student Magazine

UDAAN, created, nurtured and sustained by students, is the official magazine of the university. It is a platform for the expression of creativity and talents wherein it promotes skill enhancement and learning with peers & helps in overall development of its members.

The team constitutes of seven boards led by respective board heads which are under the overall supervision of three core coordinators. UDAAN undertakes a rigorous recruitment process to canvass out a team brimming with talent. The auditions comprise of several stages —written test, group discussion and personal interview. This whole exercise is overseen by the existing members of the team. A season at UDAAN starts afresh from 1st April and culminates on 31st March of the subsequent year, endeavoring to emerge stronger and a better version of itself. Each member has a working tenure of two seasons and is therefore also responsible for fostering the new inductees and ensuring that they pass on the mantle into able hands. The leadership and vision of Prof. Manish Shrivastava, teacher coordinator and the Editor-in-Chief of UDAAN, motivates the team to excel each day of this journey.

UDAAN acknowledges that it is not merely a magazine, rather a voice of the student community and thus actively assumes charge of events that hold significance to students. This year an awareness drive was conducted on 5th June to observe World Environment Day emphasizing on human impact to the nature. Pictures are remarkable story-tellers, UDAAN transpired this essence by organizing various fun activities such as shout-out events to celebrate World Photography Day. Marking a celebration of expression, an expert talk was administered on the occasion of Hindi Diwas on Sept 14th highlighting the legacy and importance of this immortal language.

4.3.8 TARANG

TARANG is the university's musical band which is a student-managed group. Unlikeevery year, the audition programmeto recruit newcomers could not be arranged due to the lockdown restrictions. The total strength of the singers and the instrumentalists now remains 44.

However, the Tarang took the responsibility for the inaugural functions of the official events of the university to present the Kulgeet and the Saraswati Vandana on Guru Ghasidas Jayanti, Vivekananda Jayanti, Establishment Day, National Seminar on New Education Policy, Amrut Mahotsav, etc. Apart from this, they also performed in the cultural programmes Establishment day. A recorded version of their performance of Kulgeet and Saraswati Vanadana was made available to departments organising online events.

The team Tarang is working on enhancing their potentials in each genre of music ranging from classical to folk to western. The team members have a multilingual background coming from various states across the country, from Kerala to Assam, which helps the team to grow for a better cultural understanding and symbiosis and also gives them an opportunity for inclusive growth. The team had maintained their practices and collaboration through online mode.

The association and grooming in Tarang helped the members to grow professionally and is opening up many employment opportunities. Many of them have started to perform individually or in small group in open mike events available in the city as well as performed in the radio channels like MyFM. Hence, this has been really a good platform to enhance professional music skills through peer support which is being beneficial to their job prospects and economic independence even at the tough pandemic time.

4.3.9 URCHINS - University's Theatre and Nukkad Play Group

Team Urchins is the Theatre and Drama Club of Guru Ghasidas Vishwavidyalaya which was formed in 2013. This year, we mark our 9 year journey where we have crossed multiple milestones. The Team not only focuses on Drama but also giving a Social Message through it. Even in the times of pandemic, team Urchins has shown diligent activity in performing Nukkad Natak inside as well as in the outskirts of Bilaspur. In the month of October, we got an opportunity to work with Abhiyan Foundation for welfare of children. Here, we conducted a month-long workshop and continued performing our plays for social purposes. Slowly, after reopening of university, Team Urchins came back with a stentorian bang and performed "Stree Or Woh Din", an adaptation by Arvind Gaud. Our next self written and play, "Samaj Kya Kahega " was also emanated for promotions. Just a few days later, we

conducted our Workshop for university students followed by Auditions and concluded this year by welcoming new faces to the Team.

6.7 GENDER CHAMPION

Gender socialization of both boys and girls begins early, and it is important to initiate change processes at a young age, to shape attitudes and transforming behaviours. Creating positive social norms in educational institutions that value girls and their rights is important to improve the well-being of girls and achieve long-term and sustainable social change. We need to engage with young boys and girls to challenge and shift gender norms that contribute to girls and women having less worth, opportunities, and decision-making ability than boys and men. In order to promote gender equality, guaranteed by Article 15 of the Indian Constitution, we need to change the mode of interaction at all levels - home, school, workplace, and so on. To increase the outreach for creating an environment that fosters equal treatment, the Government of India envisages engagement of Gender

Champions in all colleges across the country.

To fulfill the above objective to promote Gender Equality and follow the guidelines issued by UGC for Gender Champions, the University administration has taken a bold step and constituted a committee for selection for Gender Champions including nodal officer in the year 2016. The committee coordinator and members have prepared the guidelines for the selection of Gender Champions & their duties for the University on the basis of guidelines as given by UGC. For wide publicity the approved guidelines, selection criteria and forms for Gender Champions for academic session 2021-2022 were uploaded on the University website. University Development Section received 44 no. of the filled applications for gender champions (Girls & Boys) for academic session 2021-2022 against the advertised 22 (11 Boys & 11Girls) seats.

As per the guidelines given by UGC, the University has notified a scrutiny committee to scrutinize all the received applications. In the scrutiny committee, two members (one Boy & one Girl) have also been nominated by the competent authority in order of their Merit. The scrutiny of the applications of Gender Champions for academic session 2021-2022 is under process and other formalities as per guidelines like the constitution of the interview board, issue of call letters to eligible students etc. Gender Champions shall be selected at the earliest.

A.THE UNIVERSITY FACULTY

(As on 31 March 2022)

S. No.	Name	Department	Designation	Specialization
1.	Dr. Neelkantha Panigrahi	Anthropology and Tribal Development	Associate Professor	Social Anthropology
2.	Mr. Balaram Oraon	Anthropology and Tribal Development	Assistant Professor	Social Anthropology
3.	Dr. Subal Das	Anthropology and Tribal Development	Assistant Professor	Physical/Biological Anthropology
4.	Manisha Dritlahare	Anthropology and Tribal Development	Assistant Professor (Ad-Hoc)	
5.	Mr. Muktikanta Panda	Anthropology and Tribal Development	Assistant Professor (Ad-Hoc)	
6.	Prof. Bhupendra Nath Tiwary	Biotechnology	Professor	Microbial Biotech
7.	Dr. Renu Bhatt	Biotechnology	Associate Professor	Nanotechnology, Toxicity and Cancer
8.	Dr. Harit Jha	Biotechnology	Assistant Professor	Biochemistry & Microbial Biotech
9.	Dr. Dharmendra Kumar Parihar	Biotechnology	Assistant Professor	Microbial Enzyme & Fermentation Technology
10.	Ms. Alka Ekka	Biotechnology	Assistant Professor	Microbiology
11.	Dr. Dhananjay Shukla	Biotechnology	Assistant Professor	Animal Biotechnology
12.	Dr. Naveen Kumar Vishwakarma	Biotechnology	Assistant Professor	Immunology, Cellular Biology, Oncology, Animal Cell Culture Technology
13.	Shri Vikash Chandra	Biotechnology	Assistant Professor	
14.	Shri Rajat Pratap Singh	Biotechnology	Assistant Professor	
15.	Dr. Archna Bhaskar	Biotechnology	Assistant Professor (Ad-Hoc)	
16.	Amitab Ahirwar	Biotechnology	Assistant Professor (Ad-hoc)	
17.	Dr. Archana Kumari	Biotechnology	Assistant Professor (Ad-hoc)	
18.	Dr. Madan Sonkar	Biotechnology	Assistant Professor (Ad-hoc)	
19.	Dr. Ashwani Kumar Dixit	Botany	Associate Professor	Bionanotechnology, Pharmacognosy and Medical Botany
20.	Dr. Sushil Kumar Shahi	Botany	Associate Professor	
21.	Dr. Devendra Kumar Patel	Botany	Associate Professor	Plant Ecology
22.	Dr. Sudheer Kumar Pandey	Botany	Assistant Professor	Environmental Chemistry and Pollution Ecology
23.	Dr. Santosh Kumar Prajapati	Botany	Assistant Professor	Air Pollution and Stress Ecology
24.	Dr. Vibhaynath Tripathi	Botany	Assistant Professor	Host Pathogen Interaction
25.	Dr. Ramesh Kumar Ahirwar	Botany	Assistant Professor	
26.	Mr. Deepankar Yadav	Botany	Assistant Professor	
27.	Smt. S. Sweta	Botany	Assistant Professor	
28.	Vinita Dixit	Botany	Assistant Professor (Adhoc)	
29.	Dr. Nilima Maravi	Botany	Assistant Professor (Adhoc)	
30.	Dr. Amar Abhishek	Botany	Assistant Professor (Adhoc)	
31.	Dr. Preeti Verma	Botany	Assistant Professor (Adhoc)	
32.	Mr. Deepak Kumar Singh	Botany	Assistant Professor (Adhoc)	
33.	Prof. Samrendra Nath Saha	Chemical Engineering	Professor	Fluidization Engg.

34.	Dr. Anil Chanddrakar	Chemical Engineering	Associate professor & Head	Catalysis
35.	Mr. Neeraj Chandrakar	Chemical Engineering	Assistant Professor	Chemical Process Design
36.	Dr. Amit Jain	Chemical Engineering	Assistant Professor	Thermal
37.	Mrs. Anuradha Nenewar Joshi	Chemical Engineering	Assistant Professor	Environmental Management
38.	Dr. Saurabh Meshram	Chemical Engineering	Assistant Professor	Chemical Process Design
39.	Dr. Raghwendra Singh Thakuar	Chemical Engineering	Assistant Professor	Adsorption
40.	Mr. Gautam Prasad Dewangan	Chemical Engineering	Assistant Professor	Computer Added Process & Equipment Design
41.	Mr. Vishnu Prasad Yadav	Chemical Engineering	Assistant Professor	Catalysis
42.	Mr. Sandeep Dharmadhikari	Chemical Engineering	Assistant Professor	
43.	Smt. Ghoshna Jyoti	Chemical Engineering	Assistant Professor	
44.	Prof. Gautam Kumar Patra	Chemistry	Professor	Inorganic Chemistry Metal Organic, Framework, Crystal Engineering, Electrochemistry
45.	Dr. Sunil Kumar Singh	Chemistry	Associate Professor	
46.	Dr. Charu Arora	Chemistry	Associate Professor	Physical Chemistry Kinetic, Thermal Technique Synergism, Natural Product
47.	Dr. Ashish Kumar Singh	Chemistry	Associate Professor	Inorganic Chemistry, Hydrogen Energy Material Science
48.	Dr. Bhaskar Sharma	Chemistry	Assistant Professor	
49.	Dr. Santosh Singh Thakur	Chemistry	Assistant Professor	Inorganic Chemistry, Catalysis, Chiral Chemistry and Hydrolysis
50.	Dr. Arti Srivastva	Chemistry	Assistant Professor	Physical Chemistry and Polymer Chemistry
51.	Dr. Subhash Banerjee	Chemistry	Assistant Professor	Organic Chemistry, Nano-Catalysis and Green Synthesis
52.	Dr. Vijay Kumar Rai	Chemistry	Assistant Professor	
53.	Dr. Manorama	Chemistry	Assistant Professor	
54.	Dr. Uday Pratap Azad	Chemistry	Assistant Professor	
55.	Dr. Suryabhan Singh	Chemistry	Assistant Professor	
56.	Dr. Bharat Lal Sahu	Chemistry	Assistant Professor	
57.	Dr. Neeraj Kumari	Chemistry	Assistant Professor	
58.	Dr. Bijnaneswar Mondal	Chemistry	Assistant Professor	
59.	Mr. Dinesh De	Chemistry	Assistant Professor (Ad-hoc)	
60.	Mr. Abhishek Mandal	Chemistry	Assistant Professor (Ad-hoc)	
61.	Ms. Somlata Kashyap	Chemistry	Assistant Professor (Ad-hoc)	
62.	Mr. Ashok Kumar Bharti	Chemistry	Assistant Professor (Ad-hoc)	
63.	Prof. Shailendra Kumar	Civil Engineering	Professor	Structural Engg.
64.	Dr. Meesla Chakradhar Rao	Civil Engineering	Associate Professor	Structural Engg
65.	Mr. Rajendra Kumar Choubey	Civil Engineering	Associate Professor	Environmental Engg.
66.	Dr. V.V.S.S.K. Dadi	Civil Engineering	Associate Professor	Structural Engg.
67.	Mr. Nikhil Kumar Verma	Civil Engineering	Assistant Professor	Construction Planning & Mgt.
68.	Mr Ashish Kumar Parashar	Civil Engineering	Assistant Professor	Water Resources Engg.
69.	Mr. Prakhar Modi	Civil Engineering	Assistant Professor	
70.	Mr. Rochak Pandey	Civil Engineering	Assistant Professor	
71.	Ms. Ayushi Nayak	Civil Engineering	Assistant Professor	
72.	Dr. Kumdan Meshram	Civil Engineering	Assistant Professor	
73.	Mr. Vinod Kumar	Civil Engineering	Assistant Professor	
74.	Ms. Preeti Singh	Civil Engineering	Assistant Professor	
75.	Smt. Sonal Banchhor	Civil Engineering	Assistant Professor	
76.	Prof. Ashok Kumar Mishra	Commerce	Professor	
77.	Dr. Smt. Bhuvana Venkat Raman	Commerce	Associate Professor	

78.	Dr. Amit Manglani	Commerce	Assistant Professor	Finance
79.	Dr. Budheshwar Prasad Singhraul	Commerce	Assistant Professor	Accounting and Finance
80.	Dr. Vineet Singh	Commerce	Assistant Professor	Marketing
81.	Dr. Anamika Tiwari	Commerce	Assistant Professor	
82.	Dr. Mukesh Agrawal	Commerce	Assistant Professor	
83.	Dr. Shailesh Dwivedi	Commerce	Assistant Professor	
84.	Dr. Kumar Aditya	Commerce	Assistant Professor	
85.	Dr. Anup Kumar Roy	Commerce	Assistant Professor	
86.	Dr. Utkarsh Kumar	Commerce	Assistant Professor	
87.	Shri Goshala Raju	Commerce	Assistant Professor	
88.	Dr. Manish Seth	Commerce	Assistant Professor	
89.	Dr. Vanita Kumari Soni	Commerce	Assistant Professor	
90.	Mr. Satya Prakash	Commerce	Assistant Professor	
91.	Mr. Nihal Gole	Commerce	Assistant Professor (Ad-hoc)	
92.	Sabnam Nishat	Commerce	Assistant Professor (Ad-hoc)	
93.	Shipi	Commerce	Assistant Professor (Ad-hoc)	
94.	Dr. Alok Kumar Singh Kushwaha	Computer Science & Engineering	Associate Professor	
95.	Dr. Manish Shrivastava	Computer Science & Engineering	Assistant Professor	Network Security
96.	Mr. Devendra Kumar Singh	Computer Science & Engineering	Assistant Professor	Computer Security
97.	Mr. Nishant Behar	Computer Science & Engineering	Assistant Professor	Digital Evidence, Network Security
98.	Mr. Vaibhav Kant Singh	Computer Science & Engineering	Assistant Professor	Data Mining
99.	Mrs. Nishi Yadav	Computer Science & Engineering	Assistant Professor	Mobile Network
100.	Mrs. Raksha Pandey	Computer Science & Engineering	Assistant Professor	Grid Computing
101.	Mr. Amit Baghel	Computer Science & Engineering	Assistant Professor	Mobile Network
102.	Mr. Satish Kumar Negi	Computer Science & Engineering	Assistant Professor	Vehicular Network
103.	Mr. Pushpendra Kumar Chandra	Computer Science & Engineering	Assistant Professor	Optical Network
104.	Mr. Manjit Jaiswal	Computer Science & Engineering	Assistant Professor	Parallel Computing
105.	Dr. Princy Matlani	Computer Science & Engineering	Assistant Professor	
106.	Ayushi Shukla	Computer Science & Engineering	Assistant Professor (Ad-hoc)	
107.	Deepika Ingle	Computer Science & Engineering	Assistant Professor (Ad-hoc)	
108.	Prof. Amit Kumar Saxena	CSIT	Professor	Data Mining, Soft Computing
109.	Dr. Pushplata Pujari	CSIT	Assistant Professor & Head	Soft Computing, Classification
110.	Dr. Rajwant Singh Rao	CSIT	Assistant Professor	TOC, Artificial Intelligence
111.	Mr. Amitesh Kumar Jha	CSIT	Assistant Professor	Data Mining, Programming Languages
112.	Dr. Babita Majhi	CSIT	Assistant Professor	Data Mining, Signal Processing
113.	Dr. Sushma Jaiswal	CSIT	Assistant Professor	Digital Image Processing
114.	Dr. Akhilesh Kumar Srivas	CSIT	Assistant Professor	
115.	Mr. Amit Kumar Chandanan	CSIT	Assistant Professor	
116.	Mr. Abhishek Patel	CSIT	Assistant Professor	
117.	Mr. Vivek Kumar Sarathe	CSIT	Assistant Professor	
118.	Mr. Prashant Vaishnav	CSIT	Assistant Professor	
119.	Mr. Vikash Kumar Pandey	CSIT	Assistant Professor	

120.	Mr. Suman Laha	CSIT	Assistant Professor (Ad-hoc)	
121.	Ankita Tiwari	CSIT	Assistant Professor (Ad-hoc)	
122.	Ram Ratan Khunte	CSIT	Assistant Professor (Ad-hoc)	
123.	Prof. Manisha Dubey	Economics	Professor & Head	Research Methodology, Public Finance, Gandhian Economics, Issues in Indian Economy
124.	Dr. Namita Sharma	Economics	Assistant Professor	Macro-Economics, Indian Economy, Money & Banking
125.	Dr. Seraphinus Kispotta	Economics	Assistant Professor	Micro-Economics, Statistics, Demography, Industrial Economics.
126.	Mr. Dilip Jha	Economics	Assistant Professor	Banking, Econometrics, Mathematical Economics
127.	Dr. Thakur Ram Ratre	Economics	Assistant Professor	Macro Economics, Public Finance, Economic Develoment and Planning
128.	Dr. Ravindra Kumar Sharma	Economics	Assistant Professor	Quantitative Economics, Industrial Economics, and International Economics
129.	Dr. Raj Bhanu Patel	Economics	Assistant Professor	
130.	Amarjeet Sahu	Economics	Assistant Professor (Ad-hoc)	
131.	Dr. C. S. Vazalwar	Education	Head & Associate Professor	Administration Supervision & Management, Educational Psychology, Englise Methodology
132.	Dr. Sujeet Kumar	Education	Associate Professor	Research Methodology, Learner and Learning Process, Educational Guidance & Counseling, Educational Assessment & Evaluation, Teaching of History
133.	Dr. Sambit Kumar Padhi	Education	Assistant Professor	Educational Measurement & Evaluation , Research Methodology & Statistics
134.	Dr. Sunil Kumar Sain	Education	Assistant Professor	Educational Technology, Educational Sociology, Measurement & Evaluation, Teaching of Maths and Civics
135.	Dr. Vindeshwari Pawar	Education	Assistant Professor	Guidance and Counselling, Educational Technology, Teaching of Social Science
136.	Dr. Sonia Sthapak	Education	Assistant Professor	Elementary Teacher Education, Educational Psychology, Early Childhood Care & Education, Method of Teaching Science
137.	Dr. Sudhir Sudam Kaware	Education	Assistant Professor	Educational Technology, Educational Sociology, Teaching of English and Civics
138.	Dr. Payel Banerjee	Education	Assistant Professor	Educational Technology, Measurement & Evaluation in Education, Science Education, Curriculum Studies, School Administration
139.	Dr. Mukesh Kumar Chandrakar	Education	Assistant Professor	Computer Education
140.	Mr. Ajay Sameer Kujur	Education	Assistant Professor	Sociology of Education & Education Administration
141.	Shri Basant Kumar	Education	Assistant Professor	
142.	Smt. Shraddha Singh	Education	Assistant Professor	Philosophy of Education, ELT, LAC
143.	Dr. Jyoti Verma	Education	Assistant Professor	
144.	Shri Deerendra Kumar Singh	Education	Assistant Professor	
145.	Dr. Rajeshwari Garg	Education	Assistant Professor	
146.	Shri Shiv Kumar	Education	Assistant Professor	
147.	Smt. Meena Kumari	Education	Assistant Professor	
148.	Shri Krishna Kumar Pathak	Education	Assistant Professor	

149.	Mr. Sanjay	Education (HI)	Assistant Professor (Adhoc)	
150.	Smt. Anita Khanna	Electrical Engineering	Assistant Professor	Electrical Engineering
151.	Mr. Sumit Kumar Gupta	Electrical Engineering	Assistant Professor	Power Electronics & Basic Design
152.	Mr. Jitendra Bhardwaj	Electrical Engineering	Assistant Professor	
153.	Dr. Soma Das	Electronics and Communication Engineering	Associate Professor	Material Thin Film Multifarious Experimental Physics
154.	Mrs. Bhawna Shukla	Electronics and Communication Engineering	Assistant Professor	Communication
155.	Dr. P. S. Srivastava	Electronics and Communication Engineering	Assistant Professor	Microwave Communication
156.	Mrs. Beulah Nath	Electronics and Communication Engineering	Assistant Professor	Electronics and Communication
157.	Mrs. Pragati Patharia	Electronics and Communication Engineering	Assistant Professor	Opto-Electronics
158.	Mr. Deepak Kumar Rathor	Electronics and Communication Engineering	Assistant Professor	Communication
159.	Mr. Shrawan Kumar Patel	Electronics and Communication Engineering	Assistant Professor	Electronics and Telecommunication
160.	Dr. Nipun Kumar Mishra	Electronics and Communication Engineering	Assistant Professor & Head	Communication
161.	Smt. Praveena Rajput	Electronics and Communication Engineering	Assistant Professor	
162.	Ms. Nikita Kashyap	Electronics and Communication Engineering	Assistant Professor	
163.	Mr. Anil Kumar Soni	Electronics and Communication Engineering	Assistant Professor	
164.	Mr. Chandan Tamrakar	Electronics and Communication Engineering	Assistant Professor	
165.	Mr. Sudeep Kumar	Electronics and Communication Engineering	Assistant Professor (Ad-hoc)	
166.	Prof. Manish Shrivastava	English	Professor	British Fiction
167.	Dr. Anurag Chauhan	English	Assistant Professor	Canadian Fiction, British Literature
168.	Dr. Shabana Yasmeen Khan	English	Assistant Professor	Indo-Anglian Literature

E. Patent Details

S. No	Name of the Faculty	Designation	Category (ST/SC/ OBC/ GEN)	Male / Female	Please tick () Mark			
					Patent Description	Patents Filed	Patents Published	Patents Granted	Patents Licensed
Department of Chemical Engineering									
1	Dr. Sandeep Dharmadhikari	Assistant Professor	GEN	Male	1. Blender Blade (Pt. no. 103422) 2.Solar tree for energy generation (Application No.358776-001) 3. Lead toxicity detector and water cleaning machine (Recently filed; Application no. 362825-001	1	2	-	-
2	Dr. Saurabh Meshram	Assistant Professor	SC	Male	Lead toxicity detector and water cleaning machine (Recently filed; Application no. 362825-001)	1	-	-	-

3	Dr. Rawghwendra Singh Thakur	Assistant Professor	GEN	Male	Lead toxicity detector and water cleaning machine (Recently filed; Application no. 362825-001)	1	-	-	-
4	Mrs. Anuradha N. Joshi	Assistant Professor	GEN	Female	Lead toxicity detector and water cleaning machine (Recently filed; Application no. 362825-001)	1	-	-	-
5	Mr. Neeraj Chandraker	Assistant Professor	OBC	Male	Lead toxicity detector and water cleaning machine (Recently filed; Application no. 362825-001)	1	-	-	-
6	Dr. Ghoshna Jyoti	Assistant Professor	OBC	Female	Lead toxicity detector and water cleaning machine (Recently filed; Application no. 362825-001)	1	-	-	-
Department of Civil Engineering									
1	Dr. Kundan Meshram	Assistant Professor	SC	Male	A Device & Method to improve the efficiency of construction sites using IoT enabled digital twins.	-	-	✓	2021102807
2	Dr. Kundan Meshram	Assistant Professor	SC	Male	Tracking & alerting traffic management system using IoT for smart city.	-	✓	-	-
3	Mrs Sonal Banchhor	Assistant Professor	OBC	Female	A method to prepare an improved calcium-based Alkali Activated Concrete	✓	-	-	-
Department of Computer Science and Engineering									
1	Vaibhav Kant Singh	Assistant Professor	GEN	Male	METHOD FOR MIGRATION OF SESSION AMONG CIPHER MACHINES USING LAGRANGE INTERPOLATION Application No. 202221000273		✓		
2	Satish Kumar Negi	Assistant Professor	SC	Male	A Smart Wearable device for early detection and identification of COVID-19 cases.Application No.202241012143		✓		
3	Alok Kumar Singh Kushwaha	Associate Professor	OBC	Male	Development of AI-Enable Smart Drip Water Irrigation System Using IoT Application No.202211018041	✓			
4	Alok Kumar Singh Kushwaha	Associate Professor	OBC	Male	Development of Scene Perception System for Visually Impaired People Using IOT Based System Application No.202211018032	✓			
Department of Information Technology									
1	Dr Rohit Raja	Associate Professor	GEN	Male	Face Emotions Recognition Based On Deep Learning for Smart and Secured Child Care Taker, Application Number 202111002128, filing Date 17/01/2021, Publication date 29/01/2021, Patent number 385681, Date of certificate Issue 30/12/2021.			✓	
2	Dr Rohit Raja	Associate Professor	GEN	Male	Method and System for rendering a panoramic view of traffic to a driver of a vehicle, Application Number 201941000049, Date of Filing Application 01/01/2019, Publication Date: 08/02/2019, Patent number 385899, Date of certificate Issue 03/01/2022.			✓	

3	Dr Rohit Raja	Associate Professor	GEN	Male	System And Method for Object Detection and Object Tracking for Traffic Surveillance, Application Number 202121026466 and filing Date 14/06/2021, Publication date 23/07/2021. Patent number 389902, Date of certificate Issue 21/02/2022.			✓	
4	Dr Rohit Raja	Associate Professor	GEN	Male	Germany Patent Granted:- Traffic surveillance system, Application number 20 2021 103 650.8 Filling Date 07/07/2021 Granted on: 04/03/22			✓	
5	Mr AmitDewangan	Assistant Professor	GEN	Male	AN INTERNET OF THINGS BASED SMART PARKING SYSTEM AND ITS METHOD THEREOF, Patent Number: 2021102314			✓	
6	Mr AmitDewangan	Assistant Professor	GEN	Male	A SYSTEM FOR IDENTIFICATION OF PERSONALITY TRAITS AND A METHOD THEREOF, Patent number 2021104218.			✓	
Department of Mechanical Engineering									
1	Dr. Anoop Kumar Sahu (As a Co author)	Assistant Professor	GEN	Male	Impact On Job Satisfaction In Company/Industry Publication Date : 28/01/2022 Application No.202141057716 A	✓	✓		
Department of Commerce									
1	Dr. Mukesh Agarwal	Assistant Professor	GEN.	Male	Account and Financial Management Technology	Our invention is related to an Account and Financial Management Technology.	Yes	Awaiting	Application No. 202111035179
2	Dr. Anamika Tiwari	Assistant Professor	GEN.	Female	Account and Financial Management Technology	Our invention is related to an Account and Financial Management Technology.	Yes	Awaiting	Application No. 202111035179
Department of Computer Science and Information Technology									
1	Dr. Amit Kumar Chandanan	OBC	Male	System and Method for Object Detection and Object Tracking for traffic surveillance.	14.06.2021	23.07.2021	NA	202121026466	

Department of pharmacy									
1	Dr. Bharti Ahirwar	Associate Professor	SC	Female	Australian Patent			21-07-2021	2021103573
2	Dr. Bharti Ahirwar	Associate Professor	SC	Female	Australian Patent			04-08-2021	2021103481
3	Dr. Bharti Ahirwar	Associate Professor	SC	Female	Australian Patent			23-08-2021	20211064
4	Dr. Bharti Ahirwar	Associate Professor	SC	Female	Indian Patent	25-03-2013	12-07-2013		1104/MUM/2013
5	Dr. Harish Rajak	Assistant Professor	OBC	Male	German Patent			03-03-2022	
6	Dr. Harish Rajak	Assistant Professor	OBC	Male	Indian Patent		11-02-2022		
7	Dr. Akhilesh Jain	Assistant Professor	GEN	Male	Indian Patent			25-11-2021	382675
8	Dr, Vivekananda Mandal	Assistant Professor	SC	Male	Indian Patent			29-07-2022	
Department of Economics									
1	Prof. Manisha Dubey	Professor	GEN	Female	202241009908	24.02.2022	11.03.2022		
Department of Rural Technology									
1	Dr S. K. Nirala	Assistant Professor	OBC	Male	Ref./Application No: 202121056442 Appl Number: TEMP/E-1/64061/2021-MUM Date of filing: 06/12/2021	✓			
	Dr S. K. Nirala	Assistant Professor	OBC	Male	Ref./Application No:202121054941 Appl Number: TEMP/E-1/61566/2021-MUM Date of filing:27/11/2021	✓
