PREFACE

I am delighted in presenting the Annual Report of Guru Ghasidas Vishwavidyalaya, Bilaspur, C.G. for the session 2016-2017. This being a statutory document, utmost care has been taken in including all information which are relevant for the perusal and consideration of the competent authorities. The report reflects the steps taken by the university in the direction of the holistic growth of the academics and infrastructure. It also records the research output of the teachers, research scholars and the bright and talented students. Successful implementation of CBCS teaching and examination pattern in this session is the achievement worth mentioning. In addition, rigorous activities through social outreach programmes like Unnat Bharat Abhiyan, National Service Scheme and a number of programmes held on Skill Development and implementation of cashless transactions as per the mandate of the Government of India have added to the success story of the university. Focus has also been on the upgradation of research and academic infrastructure. The university administration has taken this as a matter of priority. Starting the process of recruitment of teaching and non-teaching posts was a serious challenge which we accepted and took significant steps forward in this direction. I am confident the Annual Report will provide a glimpse of the efforts made and success achieved to bring the university par excellence.

I am hopeful that in time to come Guru Ghasidas Vishwavidyalaya, Bilaspur, will achieve new heights in the field of academics and research.

Compiling all Information and showcasing them in a presentable manner is certainly an herculean task. I appreciate the efforts made by the Editorial team and all organs of the university providing the data.

VISION AND OBJECTIVES

VISION

Motivated by the thoughts and teachings of Guru Ghasidas, a great Satnami Saint of 18th Century, Guru Ghasidas Vishwavidyalaya, Bilaspur, is committed to social empowerment, particularly of the weaker sections of the society with the help of quality higher education and training. Focus of the University is on offering and strengthening innovative academic programs in emerging interdisciplinary areas of Science, Social Science and Humanities with quality assurance so as to contribute to the growth of the knowledge base of the University in particular and academia in general. The University aims to provide value-based holistic education which will lead to the growth and development of the community better equipped to serve the mankind.

OBJECTIVES

The objectives of the University are 'to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for integrated courses in Humanities, Social Sciences, Science & Technology in its educational programs; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train manpower for the development of the country; to establish linkages with industries for the promotion of Science and Technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.'

INSPIRATION

GURU GHASIDAS

Guru Ghasidas Vishwavidyalaya is named after Saint Guru Ghasidas (1756-1836), a visionary & a social reformer. Guru Ghasidas founded Satnam Panth, a socio-religious sect, which challenged contemporary discriminatory social order and advocated for social equality by refuting the exploitative and hierarchical caste system. With his holistic vision and systematic reforms, Guru Ghasidas contributed significantly in removing the prevailing social injustice and inequality. Satnam Panth believes that truth is God and there is only one God, which is formless (nirgun) and infinite (anant). Individual reformation was brought by prohibiting consumption of liquor and non-vegetarian food. Guru Ghasidas also formulated principles to put an end to cruelty towards animals. The partisans of Satnam Panth have been following these dictates from last hundreds of years now.

After up-gradation of Guru Ghasidas University into a Central University, many steps have been taken by the university authorities to translate Guruji's philosophy into reality. Now, our campus is an alcohol and tobacco free campus. Our vibrant university campus, where students from diverse caste, creed and class come together from all over India, provides an egalitarian environment based on Guruji's teachings.

1. INTRODUCTION

1.1 UNIVERSITY AT A GLANCE

Guru Ghasidas Vishwavidyalaya, established as the state University in 1983, is a residential University, named after Guru Ghasidas, an eighteenth century Satnami saint. The University was upgraded to a Central University under the Central Universities Act, 2009 during the XI Five Year Plan. The University is an active member of the Association of Indian Universities and Association of Commonwealth Universities. National Assessment and Accreditation Council (NAAC) has accredited the University with a B status.

Guru Ghasidas Vishwavidyalaya is located on the outskirts of the city of Bilaspur, popularly known as Nyayadhani (the city of Justice) and Sanaskardhani (the city of culture). Bilaspur is a cosmopolitan city, which houses High Court of Chhattisgarh, the headquarters of South East Central Railways and South Eastern Coalfields Limited. The journey of the University began in a humble way with a few departments in temporary buildings in Bilaspur city. Subsequently, it was shifted to the old army barracks of Second World War in the Koni area, located on the left bank of the river Arpa. The University campus is spread over 656 acres of land. Nature has bestowed the campus with unmatched beauty, immaculate blend of green areas and water bodies.

The University offers opportunities to young minds and facilitates the accomplishment of their creative talent with emphasis on character building through various streams of knowledge. The University comprises of 32 University Teaching Departments under 09 Schools of Studies. It offers number of undergraduate and postgraduate programs, besides diploma and postgraduate diploma courses. Admissions to all the programs are made through a competitive All India Entrance Test conducted by the University. Admissions to the Institute of Technology (IT) and Department of Management Studies are made through All India Engineering Entrance Examination (AIEEE) and Management Aptitude Test (MAT), respectively. During 2016-17 academic session, 6867 students in the teaching departments of the University have been enrolled.

Chhattisgarh, formerly an undeveloped region, is one of the fastest growing states in the country. As an industrial hub, the state requires sizeable pool of skilled manpower. The denizens of this area can tap these opportunities in a better manner by attaining quality education and training. The University has taken extensive steps to transform both teaching and learning process in order to meet contemporary global standards. To boost the quality of teaching, the University has appointed nationally and globally trained faculty members. The University is also committed to meet an ideal student-teacher ratio. The classrooms are being modernised by installing facilities like LCD projectors, quality furniture and air conditioners where require. Students are continuously evaluated through internal assessment, assignments and end semester examinations. The transparent evaluation process, where answer-sheets of the internal assessments are shown in the classrooms, helps the students to improve their performance. To maximize student's potential, the University has arranged excellent support facilities including hostels, cafeteria, gymnasium, student amenities centre and Wi-Fi connectivity. Through various classes—remedial, spoken English, personality development and free coaching for competitive examinations—the University is committed to guard equal opportunities for students belonging to traditionally marginalised Scheduled Caste, Scheduled Tribes and other Backward classes.

Special measures have been taken to provide an environment conducive for over all personality development of students. The Central Library has more than one lac forty thousand books and subscribes to a number of national and international journals. Apart from the Central Library, most of the departments have their own departmental libraries. Adequate sports facilities are available in the campus and hostels. The University has planned to extend sport facilities by constructing a new gymnasium. Throughout the year, many activities are organised including Republic Day, Independence Day, Foundation Day, Education Day, Swami Vivekanand

Jayanti, Sardar Vallabh Bhai Patel Jayanti, Teachers Day, Guru Ghasidas Jayanti to make the campus vibrant. Along with sports and cultural activities, students are also encouraged to participate in social outreach initiative of the University. Through these activities, students are enculturated in participatory ways of life. International and national level events are organised to expose students to new ideas of eminent persons from all walks of life. The University teaching departments organise fieldwork, industrial visits and educational tours to impart practical knowledge. To inculcate leadership qualities among students, the University has successfully constituted the students' council. The students' council represents all the students of the University as per provisions of the act.

To face challenges posed by the process of development, the University community is all set to contribute to the larger society through quality research and development in the various areas including energy security, food security, biodiversity management, pollution management, forest management and developmental policy. The UGC Human Resource Development Centre regularly organises Orientation and Refresher Courses, Short Term Courses & Workshop for the capacity building of teachers and staff. During these courses, expertise of senior faculty members of the University and practitioners from diverse fields is utilised. In the coming years, the University aims to act as a role model for the central Universities and simultaneously provide an educational opportunity to the growing number of the students of the region. The University is on the path of realising twin goals envisioned by the National Knowledge Commission; “of making higher education more relevant to the needs and opportunities of a knowledge society” and “to make higher education more accessible to all sections of the society.”

ACADEMIC ORGANS OF THE UNIVERSITY

2. ACADEMIC ORGANS

2.1 SCHOOLS OF STUDIES

The University offers various courses through 32 Departments under 9 different Schools of Studies. The present set-up of School of Studies and Departments is as follows:

2.1.1 ARTS

The five departments under the School of Arts are: English, Hindi, Journalism & Mass Communication, Library and Information Sciences, and Physical Education & Sports. The departments under the School cover a wide range of courses and research interests.

DEPARTMENT OF ENGLISH & FOREIGN LANGUAGES

Established in 1990, the Department of English and Foreign Languages has been endeavouring to provide the students a firm grounding in English studies in a very congenial atmosphere of teaching and learning.

The interest in literary studies can be seen in the growing number of undergraduate students who opt for English as their honours or elective subject. Students aspiring to obtain a post graduate degree in Literature in English get introduced to all the important aspects of literatures written in English. We are also aware of the importance of research. Accordingly, our syllabi incorporate the latest aspects of literary studies and research so as to prepare the students well for research and teaching. The Department is also a recognized research centre with all facilities.

A stimulating ambience in the Department, regular seminars, assignments and special invited lectures on specific portions of syllabus enhance the purpose of imparting quality education. In addition, text reading sessions, group discussion and literary and extra-curricular activities are regularly organized. All this is supported with a well-stocked departmental library, access to reputed journals, and free access to high-speed internet available in the Department. With the availability of all these, the department has become a hub of activities. The students participate actively in extracurricular activities, and even organize a drama festival 'Abhinaya' every year.

The academic excellence of the faculty members reflects in the continuous publications and participation in national and international conferences and workshops. The students have also been presenting papers at seminars and conferences and have been appreciated. The number of our students clearing UGC NET has been increasing every year. Teachers have been to and from USA under Fulbright Scheme for teaching purposes. The Department seeks to have further involvement in collaborations for exchange and visit of scholars to and from different national and international institutions. Our recent activities include a workshop in English and communication skills' and a course in "Reading and Appreciating Literature" under an MHRD scheme, GIAN. The Department also arranges for teaching of English and Communication skills to students of various other departments as well as for Remedial English classes, teaching of English in classes for NET, UPSC and other competitive examinations, and also for English teaching in special classes for SC/ST Students.

Placement record is excellent, with most of the former students teaching in prestigious schools and colleges in various parts of the country. In addition, many of the students are in good positions in administration, media, animation and other diverse fields.

The vision of the department is to establish the department as a centre for continued growth, expertise, and contextual research in English Studies and to develop a deepened understanding of language and literature

The objectives of the department are to develop sensibility in the students for the English language and literature, to incorporate in the teaching-learning process a wide perspective by including works of world literature in the syllabi, promoting research in new areas and on inter-disciplinary topics, to make the Department and the classroom a hub for academic activity and for opening up the latent potential of the students so as to develop their personality too, to explore and reach out to academicians, institutions and bodies for research and academic activities, to develop interactions between literary and other forms of cultural production, to enhance students' proficiency in English language skills and to promote interest in and learning of foreign languages.

Activities of the Department:

- The Department organized a 10-day course 'Reading and Appreciating Literature' under the GIAN programme of MHRD from 11 to 22 July 2016. A total of 32 participants attended the course. Professor Wajuppa Tossa from Maraksham University, Thailand was the foreign expert for the course whereas Professor Z.N. Patil from Hyderabad and Professor R.N. Rai from Banaras Hindu University were the Indian resource persons.
- The departmental wall magazine, *Zephyr*, was also released in February on the occasion of *Basant Panchami* and it contained creative writing and photographs by students and faculty. Guided and encouraged by the Honorable Vice-Chancellor Prof Anjila Gupta, the Department of English and Foreign Languages organized a three days Communication and Soft Skills Workshop from 6 to 8 February 2017 in collaboration with Skill Development Cell, GGV, Bilaspur. Prof. I.D. Tiwari, the head of the Department of English and Foreign Languages was the convener and Dr. Prasenjit Panda was the Coordinator of this workshop. Prof. C.R. Kar, Dr. Rupal A. Farishta, and Shri Shivaji Kushwaha were the speakers in the workshop. 180 students were registered for the workshop.

Achievements of the Faculty members:

- Prof Manish Shrivastava delivered lecture as a key note speaker in the National Seminar on "Nation, Culture and Identity: Theory and Text in the 21st Century" on 11& 12 February 2017 at Pt. Sundarlal Sharma Open University (Sponsored by ICSSR, New Delhi)
- Dr. Anurag Chauhan, Dr. Prasenjit Panda & Dr. Archana Kumari chaired two sessions of paper presentation in the National Seminar on "Nation, Culture and Identity: Theory and Text in the 21st Century" on 11& 12 February 2017 at Pt. Sundarlal Sharma open University.(Sponsored by ICSSR, New Delhi)
- Dr. Prasenjit Panda chaired one session of paper presentation in the International Conference on Literature, Culture & World Peace organized by Higher Education & Research Society, Mumbai, India to be held at Dnyansagar Institute of Management & Research, Pune, India on 23rd & 24th September 2016.
- Dr Prasenjit Panda delivered lectures on the topic "Theories in Analysis of Social Discourse" and Dr

Archana Kumari delivered lectures on the topic “Gender and Text” at the Short Term Course-II, Qualitative Data Analysis in Social Science Research, organized by the Department of Education, Guru Ghasidas Vishwavidyalaya, on 25 February 2017.

Achievements of the Students:

Maitrayee Misra, Research scholar under supervision of Prof. Manish Shrivastav presented her paper “Homemaking Amid the Sunderbans: Confronting the Rural and the Idea of Home in Amitav Ghosh's *The Hungry Tide*”, at the 13th SIEF Congress on “Ways of Dwelling: Crisis, Craft, Creativity”, University of Gottingen, Germany, 26-30 March 2017.

DEPARTMENT OF HINDI

Department of Hindi was established in the year 1987. Literary activities such as kavya goshthi, symposiums and weekly 'sahitya vaarta' are organized to promote Hindi language and literature throughout the academic session. The department continuously strives importance of Hindi literature through well organized academic programs. The students are made aware of the importance and objective of Hindi language from the point of view of nationality and career options.

Activities of the Department:

Professor Awadhesh Pradhan, Dept. of Hindi (B.H.U.) delivered a special lecture on the topic of “BHARTIYA NAVJAGRAN AUR VIVEKANAND” on 5th April 2016.

Achievements of the Faculty members:

Mr. Murali Manohar Singh appointed as residential warden of Vivekanand Boys Hostel. He is also the coordinator of AKSA and culture coordinator of faculty of arts. Dr Ramesh Kumar Gohe appointed as a programme officer of NSS.

Achievements of the Students:

UG/PG students participated in the NSS camp. Ms Pallavi Rinahite presented a research paper in the International conference.

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

Established in the year 1988, the department offers a postgraduate programme in Mass Communication and Journalism and five years integrated UG/PG programmes in addition to Ph.D programme. The curricula are designed to enable students to develop skills related to media (Print, Electronic and New Media), Journalism & Mass Communication, Development Communication, Communication Research, Advertising, Public Relations and related courses/areas. The department also undertakes the task of preparation of bulletins, newsletter, house journal, magazine and documentaries on various occasions.

Objectives of the department are to provide media education and professional training, to study and utilize the mass media and traditional media for integral development of Chhattisgarh, to act as a nodal centre for the production of audio-visual programmes and publication of community newspapers on the rich culture and heritage of Chhattisgarh for regional and national transmission and to act as the media resource and research centre through regional, national and International networking.

Dr. Gopa Bagchi, HOD welcoming Prof. Anil Kumar Upadhyay during special lecture in JMC Deptt. on February 27, 2017

The Department has strengthened its Media Lab facility with 10 computer systems with internet connection, LCD television, Projector, Still and Video Camera, Sound Recorder, Sound system etc.

Activities of the Department:

- Various articles written by students have been published in various newspapers like Dainik Bhaskar, Patrika, Naidunia, Navbharat, Haribhoomi, The Hitvada, Central Chronicle etc.

Achievements of the Students:

- Varsha, student of MMCJ-III Semester scored highest marks at School level in B.A. (Hons.) from School of Arts. She was facilitated by Rs. 10000/- cash and certificate from Guru Ghasidas Vishwavidyalaya on the occasion of Guru Ghasidas Jayanti 18 December, 2016.

DEPARTMENT OF LIBRARY & INFORMATION SCIENCE

The Department of Library and Information Science, Guru Ghasidas Vishwavidyalaya was established on 27 September, 1985. It is one of the oldest departments of its kind in the region, providing knowledge to a broad audience of people who need it, with a motto to empower them with modern skills and competence. It aims to provide an education in a student friendly manner, so that they become motivated for the betterment of their peers and society as a whole. Up-to-date syllabus, functional library equipped with a broad collection for the relevant scientific literature, and fully equipped laboratory are among its major strengths through which the department delivers and disseminates knowledge. It has developed an environment where students are becoming eager to participate in various symposia and congresses and share their views and experiences with fellow members. Through highly motivated faculties and their dedication, the department is serving as a model for its students, inculcating in them an attitude towards spreading the knowledge and giving back to the community.

The objective of the department is to prepare highly competent librarians who are ethically strong and sincere in their job. It aims at exploring and interpreting innovative technology to enrich learning experience, foster scholarship and professionalism. It also aims to serve the field and society by developing information professionals to manage, disseminate and preserve information.

Achievements of the Students:

- 04 students qualified CBSE /UGC NET in June and December session 2016-17 out of which 01 student qualified JRF.
- A considerable number of students have been selected for the post of librarian in various academic libraries and teaching education systems.
- Some students participated and presented papers in various conference/seminars.

DEPARTMENT OF PHYSICAL EDUCATION & SPORTS

The Department of Physical Education and Sports was established in the year 1985 to provide quality education and expertise in the field of Physical Education and Sports. One year B.P.Ed. (Two Semesters), two years M.P.Ed. (Four Semesters) and Ph.D. courses are being offered in the Department. The Department owns well-kept play grounds, two basketball courts equipped with floodlights, a multi-station gymnasium, a sophisticated sports science laboratory and a well-equipped departmental library. The infrastructure is developed as per the norms of the National Council for Teachers Education (NCTE). A team of competent teachers impart training to the students to develop their academic expertise and sports skills as well.

Welcome of VC on Sports Day 2016

Activities of the Department:

The Department arranged coaching camps for various games and sports prior to the actual competitions at different levels. In the current academic session, a total of 19 teams participated comprising 150 male students and 37 female students. The University Handball (M) team and Chess (W) team secured third and fourth position in East Zone Inter-University Tournament respectively.

Achievements of Students:

1. Secured third place in East Zone Inter University (M) Handball Tournament, M.G. Kashi Vidyapeeth, Varanasi (U.P.) and qualified for All India Inter University Handball Tournament held in Periyar University, Salem, Tamil Nadu.
2. Secured fourth place in East Zone Inter University (W) Chess Tournament, KIIT, Bhubneswar, Odisha and qualified for All India Inter University Chess Tournament held in Veltec University, Chennai.
3. Five (05) Students of the department have qualified U.G.C. NET Examination and one (01) student qualified Junior Research Fellowship (J.R.F.)

Participation of Students in

1. All India Inter University (M) Handball Tournament, Periyar University, Salem, Tamil Nadu.
2. All India Inter University (W) Chess Tournament, Veltec University, and Chennai.
3. All India Inter University (M) Athletics Championship, Manglore University, and Karnataka.
4. All India Inter University (M) Taekando Competition, M.D.U. Rohtak, Haryana.
5. All India Inter University Yoga Championship (M/W) Kurushetra University, Haryana
6. East Zone Inter University (M/W) Badminton, KIIT, Bhubneswar, Odisha.
7. East Zone Inter University (M) Basketball Tournament, M.G. Kashi Vidyapeeth, Varanasi (U.P.)
8. East Zone Inter University (W) Basketball Tournament, KIIT, Bhubneswar, Odisha.
9. East Zone Inter University (M) Table-Tennis Tournament, KIIT, Bhubneswar, Odisha.
10. East Zone Inter University (M) Cicket Tournament, Vidhyasagar University, Midnapur, West Bengal.
11. East Zone Inter University (M) Football Tournament, Vidhyasagar University, Midnapur, West Bengal.
12. East Zone Inter University (M) Handball Tournament, M.G. Kashi Vidyapeeth, Varanasi (U.P.)
13. East Zone Inter University (M) Kabaddi Tournament, V.B.S. Purvanchal Uttar Pradesh.

2.1.2 ENGINEERING & TECHNOLOGY

Institute of Technology

The Institute of Technology was established in the year 1997 for promoting the technical education in order to produce professionally qualified, technical personnel capable of facing the more competitive and entrepreneurial challenge. With the help of well qualified and experienced faculty members, modern teaching aids & amenities, rich library, well equipped laboratories, computer facilities and other necessary infrastructure, the institute intends to provide career ready graduates.

The Institute of Technology is equipped with many central facilities viz.: Central Library, Training and Placement Cell, Electronics Classroom (E-class room) and Internet facilities. The Institute is a life member of the Institution of Engineers (IE), Kolkata as well as of the Indian Society for Technical Education, (ISTE) New Delhi.

Presently, the Institute offers following B. Tech. degree programme in seven demand-driven disciplines.

- B.Tech. in Chemical Engineering
- B.Tech. in Civil Engineering
- B.Tech. in Computer Science & Engineering
- B.Tech. in Electronics & Communication Engineering
- B.Tech. in Industrial & Production Engineering
- B.Tech. in Information Technology
- B.Tech. in Mechanical Engineering

Admissions to B. Tech. Courses are made through Central Seat Allocation Board (CSAB) on the merit basis of Joint Entrance Examination (JEE) Main. The syllabi of all the academic programmes are regularly updated in pace with the latest developments and changes in the international technological scenario.

The institute is running M.Tech. program in Chemical Engineering and Mechanical Engineering. Ph.D. Programme is also being offered in six branches of engineering namely: Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Industrial & Production Engineering and Mechanical Engineering. A Testing and Consultancy Cell is functional in the Institute which is conducive in lively Institute –Industry interaction in particular and services to the society in general.

Achievements of the Institute:

- 66 B. Tech. final year students have qualified in GATE-2017 including one student in XAT-2017. Out of this 01 student has secured all India 12th rank in GATE-2017 in Electronics and Communication Engineering.
- 66 students of B.Tech. final year of session 2016-17 have been placed in various Industry/ companies through campus recruitment drive and off campus placement.

Arrival of dignitaries in New IT Building for inauguration of Equilibrio 2017 Tech Fest

Inaugural function of Equilibrio 2017 Tech Fest in New IT Building

Interaction of VC and Chief Guest with students in Equilibrio 2017 (Tech Fest)

- In continuity of previous years 2013, 2014, 2015 and 2016, students of the Institute organized National level Tech-Fest “Equilibrio” during 18th – 20th January, 2017. Students from other schools /university and from institutions like IITs, NITs across the country also participated in the event with great enthusiasm.

DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering was established in the year 1997 with an undergraduate programme in chemical engineering. The basic objective of the department is to impart education and training of chemical engineering to the students and to eventually make them competent and well qualified chemical engineers. Several important state of the art experimental facilities have been added into the department.

The department has a student society named ChESS promoting various co- curricular activities of the student in the department. During this session, the department also conducted various co-curricular activities like workshops, aptitude tests, quiz etc. for the development of students.

Activities of the Department:

- MATLAB workshops organized for the students of chemical engineering by ChESS.
- Chemical engineering books have been procured in the department library.

Achievement of Faculty members:

- Prof. S. N. Saha has inspected as an AICTE Observer for GMAT centre at Raipur in January'17. Being the AICTE Expert Member Prof. Saha participated in the AICTE scrutiny committee and being the AICTE Expert Visit Committee Member, he inspected various engineering and management colleges of Kerala, Tamil Nadu, Hyderabad, Lucknow, Kanpur, Moradabad, Berriely etc. for their approval/ closure/inquiry during March-April'17.
- Mr. Neeraj Chandraker and Dr. R. S. Thakur acted as syllabus revision/curriculum development committee member in CSVTU.

Achievements of Students:

- Neeteesh Kaushik and Krishna Kumar Patel, students of Chemical engg. IV Sem GGV, participated in Chem-E-Car event held at Rajiv Gandhi Institute of Petroleum Technology in Uttar Pradesh and secured the first position.
- Mr. Vikash Kumar Chandravanshi, Mr. Kamla Prasad Bharti, Mr. Mohd. Adeel, VI Semester secured 1st position in the CHEM-E-CAR competition organised by Azeotropy, Chemical Engineering Association, IIT Bombay and Ms. Ayushi Jha, Mr. Himanshu Gupta, Mr. Subodh Kumar, Ms. Ranjita Das, IV Semester secured II position in the same competition.

DEPARTMENT OF CIVIL ENGINEERING

The Department has been offering an undergraduate B.Tech. programme in Civil Engineering since 2008, with an annual intake of 40. PhD. Programme is also being offered by the department. The department is also providing testing and consultancy services for the government, private and public sector organizations in the field of Civil Engineering.

Activities of the Department:

Through External consultancy services, the Department has generated revenue of total Rs. **799230/-** during the session 2016-17.

Achievements of the Faculty members:

- Prof. Shailendra Kumar was invited as reviewer for the international journals of Elsevier. Prof. Kumar in capacity of Co-PI, has one ongoing collaborative research project, funded by MHRD and sanctioned to the Department of Civil Engg., IIT, Kharagpur.
- Two faculty members of the Department, Shri R.K. Choubey and Shri Nikhil Verma are pursuing their Ph.D. research work in the Department.
- A.K. Parashar, attended Quality Improvement Programme- Short Term Course on “Impacts of Climate Change, Urbanization and Land-Use- Land-Cover Change on Water Resources”, 30 May – 3 June, 2016, organization by Centre for Environmental Science and Engineering & Department of Civil Engineering, Indian Institute of Technology Bombay, Powai, Mumbai

Achievements of the Students:

- 16 B.Tech students got qualified in GATE-2017.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science & Engineering was established in 1997. The department offers B.Tech. in Computer Science & Engineering and Ph.D. in Computer Science & Engineering. The faculty of the Department are highly qualified and experienced. The Department has specialized laboratories such as Digital Image Processing Lab, DLD Lab, Networking Lab, Network Security Lab, Project Lab, Basic Programming Lab, Advance Programming Lab, Database Lab, Graphics Lab and Operating System Lab. The Department has Licensed copies of DB2 Universal Database, Visual age for JAVA and web server applications. The Department provides opportunities to the students to carry out projects under joint supervision of the faculty and experts from industries.

The department also arranges training to students in reputed government and public sectors like DRDO Delhi, Microsoft Hyderabad, CMC Kolkata, Orbit IT Hyderabad, SECL, BSNL, Indian Railways, Bokaro Steel Plant and Bhilai Steel Plant. Students have been placed in reputed private, public and government organizations like Infosys, Wipro, Persistent, International Business Machines (IBM), TCS, Mahindra BT, Syntel, Satyam, BSNL, NTPC and INFLIBNET.

The department aims at preparing professionally competent manpower in the field of Computer Science & Engineering and educating students in Computer Science & Technology and other areas of scholarship that will best serve the nation and the world in 21st century. The department also aspires for establishing facilities for the education/ training in the area of Computer Science & Engineering and conducting multidisciplinary programs in Computer Science & Engineering.

The department's current research thrusts include Algorithms and Complexity and Software and Systems Engineering. Parallel and Distributed Computing as well as Security and Cryptography is also an emerging strength of the department with the inception of high quality research facilities in these areas.

The department has Network Security Kit of i-securit, LAN Trainer Kit, Microprocessor Kit, DLD Kit, image processing Kit and 150 computers equipped with latest software like DOT.NET, C sharp, Java, Databases software's, C, C++ and latest operating system.

Achievement of the Faculty member:

Mr. Vaibhav Kant Singh got first prize [Cash 10,000] in CSI Sponsored International Conference Organized in Delhi.

Achievements of the Students:

- Eleven Students qualified GATE in the Session 2016-17
- Two students, Abhishek Meghwal and Shashank Singh Baghel Qualified CAT Exam.
- Shashank Singh Baghel Qualified XAT Exam.

- Nineteen students appeared in E-Litmus Exam.
- 25 Different Placements are reported in the Training and Placement Office.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering was established in the year 1998. With excellent exposure and innovative ideas in the teaching and learning process, the Department incessantly endeavours to produce self-employed and self-dependent technocrats. It has well equipped laboratories with experimental setup for Basic Electronics, Analog Circuits, Signal & System, Switching and Pulse Theory, Linear Integrated Circuits and Applications, Electronic Measurement and Instrumentation, Communication system, Microprocessor-8085, Microprocessor-8086, Digital Signal Processing, VHDL Design, Data Communication, Microwave, Circuit Simulation, Optical Communication and Computer laboratory. Latest software and equipments like Xilinx ISE (25 users) for VHDL Lab, Matlab, Spectrum Analyzer are also available in the department. In order to develop inter-personal skills amongst the students, the department also organizes various co-curricular activities like seminars, aptitude tests and quizzes. The alumni of the department are working in various multinational companies and in leading government and public sector organizations. VLSI, DSP, Antenna and Wireless Communication are the thrust area of the department.

Activity of the Department:

- One day workshop was organized on Virtual Labs on 05/04/2017

Achievements of the Faculty member:

- Mr. Nipun Kumar Mishra, Assistant Professor, Institute of Technology, Guru Ghasidas Vishwavidyalaya, is designated as a Nodal Officer for Virtual Labs in Chhattisgarh by I.I.T. Kharagpur.

Achievements of the Students:

Along with Mr. Prakhar Jain (12th Rank GATE-2017) approx, 10 students secured very good position in GATE-2017

DEPARTMENT OF INDUSTRIAL AND PRODUCTION ENGINEERING

Department of Industrial & production Engineering was established in the year 1997. The Department has well qualified faculty & trained staff. The Department has well equipped laboratories for students. The industry training for the students of final year & third year is arranged in the organizations like SECL, BHEL, BALCO, JINDAL, CSEB power plants and public and private companies to impart hands on training to the students.

Activities of the Department:

The Department organized activities like seminars, guest lectures, aptitude test, quiz to provide exposure to the students.

Achievement of the Students:

10 students have passed National Level Gate Examination. The passed out students are working in companies like RELIANCE ENERGY LTD., BALCO, JINDAL, CSEB, DRDO, ISRO, HAL, and Indian Railways.

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information and Technology was established in the year 2000. The objective of the Department of Information Technology is to build the nation by producing high class Engineers through education and research. Throughout the past one decade, the Department has influenced society at levels

that remain without parallel among academic institutions. Its spin-offs are among the most successful corporate ventures in the nation, and many of the leaders in the academic and corporate research world are graduates from here. The Department focuses on development and strengthening system thinking, problem solving, analysis, design, research, team work, communication skills, and readiness for lifelong learning. The courses run by the Department use mixed techniques of interactive lectures, guided case studies, literature surveys and project work that require team work and critical and creative thinking. It emphasizes on undergraduate as well as graduate research activities. The quality policy is to pursue global standards of excellence in our endeavors and to remain accountable through processes of selfevaluation and continuous improvement.

Through a team of experienced and qualified faculty members, the Department puts a great emphasis on laboratory and project work. While laboratories are also used for developing skills to use and apply various concepts, tools and techniques, their main purpose is to develop the core technical as well as general professional competencies through experiential and collaborative learning. The main purpose of the laboratories is to develop the abilities to design and conduct experiments; collect, analyze and interpret data; work independently and also in teams; and also to improve reporting and communication skills. The Information Technology curriculum provides students with a sufficient background in Operating system, Database Management system, Networking as well as advance subjects like System analysis & design, Artificial Intelligence, ERP and Computer Graphics to analyze and design complex Information Technology systems. Information Technology includes the design, implementation, and programming of Digital computers, Information theory and Communication systems.

The objective of the department is to prepare professionally competent manpower in the field of Information Technology.

Major research facilities available in the department are LAN Trainer Kit, Microprocessor Kit, DLD Kit and having 110 computers. The department is having Latest software like DOT.NET, MAT LAB and Latest Operating System.

Activities of the Department:

The Department organized a Workshop on Skill Development, Cyber crime awareness from 21-10-16.

Achievements of the Faculty members:

Mr Santosh Soni, Mr Abhishek Jain, Mr Agnivesh Pandey, Mr. Pankaj Chandra, Mr Deepak Kant Netam. Mr. Suheal Ahamed and Mr Anand Prakash Rawal participated in Orientation Course 30-05-16 to 25-06-16 organized by UGC-HRDC, GGV, Bilaspur, Chhattisgarh. Ms Akanksha Gupta participated in Orientation Course 30-05-16 to 25-06-16 organized UGC-HRDC, Pt. R.S.S.U., Raipur, Chhattisgarh.

Achievements of the Students:

Students of the department got placed in various National and Multi-National Companies such as Pompeii, Retail On, Cap Gemini, Wipro Tech. and Excellon Software Pvt. Ltd. Three students qualified in GATE 2017.

DEPARTMENT OF MECHANICAL ENGINEERING

Department of Mechanical Engineering was established in Institute of Technology in the year 2006 after getting approval from AICTE for intake of 60 students. The main objective of the department is to produce the mechanical engineering graduates who are update with the latest theoretical and experimental knowledge and ready to take up any challenging

Students in Fluid Machines Lab

jobs in government departments, public sector organizations and industry. The department puts lots of emphasis on training of students which can bring out their inner capabilities and leads to their full growth and development. Enough emphasis is put on the hands on training for which department have well equipped labs of theory of machines, strength of materials, heat& mass transfer, refrigeration and air conditioning and central workshop. For last four years department is running M Tech programme in Machine design, where we take only GATE qualified students. PhD Programme is also available in the department.

Students doing Material Testing

Achievements of Faculty members

Dr Rajesh Kumar Bhushan is reviewer of many international Journals such as Energy conversion and management, Energy, Material Science and Engineering-B, Journal of cleaner production, Material Letters, Composite Part-B, Sustainable Materials and Technologies, Journal of the Taiwan Institute of Chemical Engineers of Science Direc. He is also the reviewer of Journal of Manufacturing Science and Engineering, ASME; Machining Science and Technology; Taylor and Francis; International Journal of Advanced Manufacturing Technology, Springer; Journal of Materials: Design and Applications, Sage Publication; Journal of Engineering Manufacture, Sage Publication and Journal Scientific Research; Essays and Tribology in Industry. Dr Bhushan and Ms Shewta Singh attended MOOCs Training Programme on 26-27 Feb 2017 at GGV, Bilaspur. Mr Prashant Jangde attended 3-Day Short Term Course on “Waste Heat Recovery and Thermal Energy Storage.”

Achievements of the Students:

- Dipu K N, Attended national (Inter University) best player men's competition. This was held in Guntur (AP) Jan 14-17, 2016.
- Aniket Nagargrje won 1st prize in Designer event at Equilibrio-2K17.
- 13 students qualified in *Graduate Aptitude Test in Engineering (GATE)* -2017 examination while one student, qualified in *Common Admission Test (CAT)* -2016 and one student qualified in XAT 2017.

2.1.3 LAW

The Department of Law is an exclusive department under the School of Law.

DEPARTMENT OF LAW

The Department of Law was established in the year 2012. The department aspires to stimulate progress in learning, research and dissemination of knowledge in the field of law. It aims at honing the professional skills of students who aspire to reach the pinnacle of success in their respective careers, be it advocacy, academics, judicial services, legislative drafting, or administration, management or corporate advice. The department

intends to create individuals who can contribute to the development of the society, and excel in their respective fields of endeavors.

The objective of the Department is to develop a collegial, flexible, pluralistic and supportive intellectual environment that inspires and attracts students and staff of the highest caliber.

Activities the Department:

- On 26th November, 2016 the department celebrated the Constitution Day. The students organized and participated in various literary activities related to recent constitutional trends, problems and their solutions.
- The department conducted its annual law fest 'Lex Ignitia' on 9th-10th April, 2017. It was a two-day programme, the first day of which was devoted to various academic competitions such as Debate, Essay writing, Moot Court Competition, etc., and on the final day, the students showcased their talent in the cultural night, which was witnessed by the staff and students of the University.

Inaugural session of Lex-Ignitia organised by Department of Law on 9 April, 2017

Students of B.A.LL.B. and B.Com. LL.B., X Sem. Interacting with Hon'ble Justice Mr. Deepak Gupta, Judge Supreme Court of India

Achievements of the Faculty members:

- Mr Rajiv Kumar Bhartiya & Mr Vinod Kumar have been awarded the degree of Doctor of Philosophy in the subject Law from the Department of Law of Banaras Hindu University on title "A Socio-Legal Study of Juvenile Justice in India" and "Forest Conservation and Protection of Rights Holder Interest Under Indian Law" respectively on 17.01.2017.

Achievements of the Students:

- Diksha Gouraha, B.Com. LL.B .X Sem, appointed as Associate Attorney at a Chicago based L.P.O., Mindcrest.
- Ayesha Anjum Khan, B.Com. LL.B. X Sem., appointed in Delhi based N.G.O., teach for India.
- Ms. Deepika Jaiswal, B.A.LL.B. IV Sem., participated and secured third position in All India Student Research Convention organised by Association of Indian Universities, New Delhi and Annamalai University, Tamilnadu from 27 to 29 March 2017, under the category of Social Sciences for her proposal entitled " E-Waste Recycling and its Benefits"
- Aditi Acharya, Aakanksha Tiwari, Tulika Bhaduri and Saumya Swarnkar of B.A.LL.B participated in skill development workshop on Drafting organized by Department of Law, Guru Ghasidas Vishwavidyalaya on 16th and 17th April 2016.
- Shrishti Dutt, Ruhul Ameen, Smriti Shaji Mathew, Riya Pal and Pratiksha Verma of B.Com LL.B. X Sem. participated in skill development workshop on Drafting organized by Department of Law Guru Ghasidas Vishwavidyalaya on 16th and 17th April 2016.

2.1.4 LIFE SCIENCES

The school of Life Sciences consists of five departments. These departments work in unison to achieve the common goals of the university in the area of their respective fields. These departments are: Anthropology and Tribal Development, Biotechnology, Botany, Forensic Sciences and Zoology. The departments under the School cover a wide range of practical courses and research interests.

DEPARTMENT OF ANTHROPOLOGY AND TRIBAL DEVELOPMENT

The Department of Anthropology was established in the year 1989. It is one of the oldest departments of the University. The department plays a vital role as Chhattisgarh harbours a substantial tribal population with diverse cultures. Anthropology, as a science of people, has a strong potential to work for the welfare and all-round development of the weaker sections of the society of the State as well as of the country.

The department has a cultural and archaeological museum. The course contents also deal with issues and concerns covering different dimensions of human rights and development. The departmental field work has been conducted on the tribal's inhabiting remote areas. The department also completed a number of research projects on topics like Rehabilitation and Displacement, Nutritional Status of the Hill Korwas, Tribal Indebtedness, Monograph and Village Studies. The department works in close collaboration with the local NGOs for productive research and development. The department has maintained a library consisting of more than 750 books. With up-gradation of laboratory infrastructure, the department has revised the syllabus taking into account the national requirements of the students.

The main objectives of the department are to generate qualified, skilful and committed anthropologists; to play a catalytic role as social advisers to policy makers in matters relating to tribal development, empowerment and tribal health; to study and suggests remedial measures with respect to eradication of hunger and malnutrition; and to reduce mortality and morbidity incidences among tribal and non-tribal population of Chhattisgarh. The department also aims at creating awareness among tribal population of Chhattisgarh with respect to their rights enshrined in the Constitution of India.

Activities of the Department:

- The department organized a Refresher course in Anthropology and sociology, and memorial lectures on Globalization of culture, workshop on Tribal Self-Rule, seminars on 'Women empowerment' and 'Intersection of Religious and social upliftment of Horizons in central India' and held lecture series for the students, research scholars, NGOs and government officials related to tribal affairs.
- The department organized field work on 15-25 March, 2017 in one of the adopted gram panchayat, Tendubhata under Unnat Bharat Abhiyan (UBA) for procuring and studying ethnographic, demographic, biological data for a better understanding of the problems of the villagers and to make them aware about the various schemes for their welfare.

Fieldwork by students & teachers in adopted village Tendubhatha

Research data collected by faculty & students among Hill Korwas of Jashpur

Achievements of Faculty members:

- As a Resource Person Dr. N. Panigrahi delivered a talk on Tribal Studies, 'Tribal Livelihood and Development: Issues and Challenges'; on 'MGNREGA-Scope for Tribal Development' and on 'Tribal Culture and Economy in a Changing Paradigm', on 12-14 Jan. 2017, in the Refresher course UGC-HRDC, Utkal University, Bhubaneswar.
- Dr. N. Panigrahi delivered a talk as a Resource Person in the 17th Orientation Programme organised by UGC-HRDC, GGV, Bilaspur, on 28.01.2017.
- Dr. N. Panigrahi is a member in the Board of Studies, Dept of Anthropology, Sarguja Viswavidyalaya, Ambikapur, CG. Vide Letter No-6015/Accd/BoS/2017, Ambikapur Dt.08.03.2017.
- Dr. Subal Das delivered lecture entitled "Tribal Health and Nutrition" in NSS Camp Organized by Unit 1 & 3 GGV on 15th Feb, 2017 at Chakarbhatta, Bilaspur, as a Guest Speaker.
- Dr. Subal Das Participated in "Saksham-IT Champion Training Program" by UGC- HRDC, GGV from 9-14th May, 2016.
- Dr. Subal Das Participated in Short Term Course-I on Regression Analysis Through SPSS organized by Department of Education, GGV, Bilaspur from 17-19 Feb, 2017.
- Dr. Subal Das nominated as a member in the Board of Studies, Dept of Anthropology, Sarguja Viswavidyalaya, Ambikapur, CG. Vide Letter No-6015/Accd/BoS/2017, Ambikapur Dated.08.03.2017.

Achievements of the Students:

- The research scholars of the department have participated in 06 International seminars, 09 National seminars and 07 Workshops. They have also published international and national research papers jointly with supervisors in refereed and reputed journals.
- Out of four research scholars, two received university fellowship, one gets UGC-NET-JRF and one Rajiv Gandhi National Fellowship (RGNFs).

DEPARTMENT OF BIOTECHNOLOGY

The Department of Biotechnology was established in the year 1996 as one of the departments under Faculty of Science (now under School of Life Sciences) to impart quality education in the field of Biotechnology and to create trained Biotechnologists. Some students of the department cleared prestigious GRE, CSIR-UGC (NET), GATE, ICMR, DBT-BET examinations. Alumni of this Department are presently working in different esteemed organizations of National and International repute including National Institute of Immunology, University of Heidelberg, Germany, Serum Institute of India Ltd, Enterovirus Research Centre, ICMR, Roche Diagnostics etc.

The Instruments available in the department are PCR Thermal Cycler, Gel Documentation system, walk-in cold room, CO₂ Incubator, Gas Chromatograph, Laboratory Fermenter, ELISA Reader and washer, Ultrasonicators, Fluorescent Microscope, etc. Recently, the department has developed a facility of GC-MS and 17 high quality microscopes with LED and imaging system.

Activities of the Department:

- Department successfully organized a "National Seminar on Innovation and Entrepreneurship in Biotechnology" 26-27 Dec 2016.
- Department organized a seven days "National Animal Tissue Culture Workshop" (19-25 Jan 2017).
- The department organized its first Alumni meet to provide a platform to interact with successful alumni of the department from all over the world.
- Department of Biotechnology organized an educational tour to Donganala herbal processing unit for the final year students of UG/PG.

- The department organized 3 days heart fullness meditation from 1-3 Feb 2017 in which approx. 100 individual participated.

**National Seminar on
Innovations and Entrepreneurship in
Biotechnology from 26-27 Dec., 2016**

**National Workshop
on Animal Cell Culture Technologies and
Applications from 19 -25 Jan., 2017**

Achievements of Faculty members:

- Dr Renu Bhatt delivered a lecture in a refresher course organized by Pt. Ravishankar Shukla University, Raipur, C.G, India.
- Dr Renu Bhatt was invited as Chief Guest in the valedictory function of NSS Camp of GGV.
- Dr. H. Jha delivered an invited lecture on topic "Application of FTIR in Biological Sciences" at National Workshop on Advances in Molecular Biology (25-02-2017) organized by Bilaspur University, Bilaspur, C.G, India; on topic "Application of Fungi in Biotechnology" at National workshop on current trends in Mushroom cultivation and culture techniques (12-01-2017) organized by DLS PG College, Bilaspur, C.G, India and on topic "A new life for and from dead wood" at RTM Nagpur University (30-07-2016), Nagpur.
- Dr. H. Jha attended 3-week refresher course organized by UGC-Human Resource Development centre, GGV, Bilaspur, C.G, India.
- Dr N.Vishwakarma and Dhanjay Shukla delivered lecture on National Animal Tissue Culture Workshop" (19 Jan 2017 -25 Jan 2017) at Guru GhasidasVishwavidayala (A Central University), Koni, Bilaspur, C.G, India.
- Mrs. Alka Ekka supervised a 7 days NSS camp at Puddu (C.G), India.
- Dr. Neha Sharma got best oral presentation award in "Plant Science Technology: current status and future prospects" organised by Department of Botany, GGV, C.G, India.
- Dr. Neha Sharma, awarded a post-doctoral fellowship by CSIR in ICGEB, New Delhi, India.
- Dr. Archana Bhaskar and Dr. Ajay Amit involved as Resource persons in seven days National Animal Tissue Culture Workshop (19-25 Jan 2017) organized by Department of Biotechnology, Guru Ghasidas Vishwavidayala, Koni, Bilaspur, C.G, India.

Achievements of the Students:

- Ms. Arundhati Mehta, a student of M.Sc selected for summer training in Indian Institute of Sciences, Bangalore, India.
- Ms. Anuradha Iyer, a student of M.Sc got employment of Prime Focus Technology (Manging the Business of Content), Bangalore, India.
- Mr.Yash Shrivastava, a student of M.Sc got placement in Dr. Reddy's Laboratory, Bangalore, India.
- Mr. Mriganaka Das, a student of Integrated UG/PG got placement as Business Executive in Intas Pharmaceuticals, Ahmedabad, India.

- Mr Anil Kumar, a student of Integrated UG/PG got placement as Research Assistant at Vector Control Research Centre (ICMR), Pondicherry, India.
- Mr. Shashi Rai, a student of M.Sc was selected as Executive sales manager at Acme Life Science, Baddi, Himachal Pradesh, India.
- Ms. Bhoomika Tiwary, a student of M.Sc was selected as Senior analyst at Impulse Technocrates, Mumbai, India.
- Mr. Piyush Manikpuri, a student of Integrated UG/PG, got placement as Medical Sales Representative in Lupin Pharma Ltd, Bilaspur, C.G, India.
- Mr. Mriganaka Das, a student of Integrated UG/PG got placement as Business Executive in Intas Pharmaceuticals, Ahmedabad, India.
- Mr Anil Kumar, a student of Integrated UG/PG got placement as Research Assistant at Vector Control Research Centre (ICMR), Pondicherry, India.
- Mr. Shashi Rai, a student of M.Sc was selected as Executive sales manager at Acme Life Science, Baddi, Himachal Pradesh, India.
- Ms. Bhoomika Tiwary, a student of M.Sc working as Senior analysis at Impulse Technocrates, Mumbai, India.
- Mr. Piyush Manikpuri, a student of Integrated UG/PG got placement as Medical Sales Representative in Lupin Pharma Ltd, Bilaspur, C.G, India.
- Ms. Shamiratha Paul, a student of M.Sc, got best poster award in “National Seminar on Innovation and Entrepreneurship in Biotechnology” organised by Department of Biotechnology, GGV, C.G, India.
- Mr. Ashutosh Shukla, a student of M.Sc, got best oral presentation award in “Plant Science Technology: current status and future prospects” organised by Department of Botany, GGV, C.G, India.
- Integrated UG/PG students participated in 7 days NSS camp at Puddu C.G, India.
- Mr. Jayant Ratre, a student of Integrated UG/PG, selected for National Football team by GGV, C.G, India.
- Mr. Ravi Kiran, a student of Integrated UG/PG, got 2nd prize in slow cycle race organized by GGV, Bilaspur, C.G India
- Mr. Nepal Singh Dhruw, a student of Integrated UG/PG, participated in Inter-Zonal University Hockey Tournament, 2015-2016 in SAIL, Rourkela, Orissa.
- Mr. Nepal Singh Dhruw, a student of Integrated UG/PG, participated in All India Inter-University Judo Championship, 2015-2016 in KIIT, Bhubaneswar.
- Students of Integrated UG/PG, got 2nd prize in Volley Ball organized by GGV, Bilaspur (CG).
- Ms. Shivani Modi, a student of Integrated UG/PG, won Girl's Badminton Trophy organised by GGV, Bilaspur, C.G.
- Mr. Udyan Sharma, a student of Integrated UG/PG, is elected as a member of GGV Student Council Committee.
- Mr. Devaditya Bhattacharya, a student of M.Sc, is a member of GGV “TARANG” Band.
- Ms. Shivangi Mudaliar, a student of M.Sc, selected as Ms. Espektro in Science fest 2017.
- Mr. Nepal Singh Dhruw, a student of Integrated UG/PG, is nominated as a member (Acting Co-ordinator of Designing Board) of GGV magazine “UDAAN”.
- Dr. Anand Barapatre, joined as Post-doc fellow at National Institute of Ministers Health, Nagpur, Maharastra.
- Mrs. Pallavi Singh PhD Student of Biotechnology got 2nd prize on CG Young Scientist Congress Award (Environmental Science) 2017.
- Mrs. Pallavi Singh, a PhD Student won the National best oral presentation award in “National Seminar on Innovation and Entrepreneurship in Biotechnology” organised by Department of Biotechnology, GGV, Bilaspur, C.G.

- Mr. Vivek Soni, a PhD Student got best poster award in “National Seminar on Innovation and Entrepreneurship in Biotechnology” organised by Department of Biotechnology, GGV, Bilaspur, CG.
- Mr. Amitabh Ahirwar, a PhD Student, got best poster award in “National Seminar on Innovation and Entrepreneurship in Biotechnology” organised by Department of Biotechnology, GGV, Bilaspur, C.G.
- Mr Amitabh Ahirwar PhD Student of Biotechnology got best poster award in “Plant Science Technology: current status and future prospects” organised by Department of Botany, GGV, Bilaspur, C.G.

DEPARTMENT OF BOTANY

Established in 2009, the department has grown into a well-recognized Centre for higher learning and research in Plant Sciences. The department has a well-stacked library with more than 2000 books and over 150 online scientific journals, which cater to the research needs of the faculty and the students. The aim of the department is to provide quality education to the educationally underprivileged tribal state Chhattisgarh. The department is operating several research projects funded by various National and International agencies. The faculty members of the department have produced quality research publications in reputed national and international journals with over 300 research publications to its credit since the inception of the department. Research activities of the department are spread over 9 laboratories with each faculty supervising one laboratory. 23 doctoral students and one post doctoral fellow constitute the core group working in these laboratories.

The departmental laboratories are equipped with advanced instrumentation facilities like Gas Chromatograph, Photo-microscopy with Leica (DM200) Microscopes, PCR thermo cycler, Kjeldhal, Phytotron etc. Moreover, the department also extends facilities of RT-PCR, Chemi-Doc XRS, HPLC, LC-MS/MS and Atomic Absorption Spectrophotometer. The department has recently established a plant tissue culture, plant cell & molecular biology lab and a bioinformatics lab with computers connected to broadband internet facility. The curriculum offers four broad specializations, viz., Functional plant biology; Ecology & environmental biology; Natural Resource Utilization, Ethnobotany & Pharmacognosy; and Microbiology

Discussion with the participants during the poster session in national conference on plant science technologies Current Status and Future Prospects during March 21-23, 2017

Released an abstract book of the conference during the National Conference on plant science technologies: “Current Status and Future Prospects” during March 21-23, 2017

Activities of the Department:

- The department organized a workshop on 'Life science skill development workshop on Entrepreneur development in Herbal drug Industry', 20-22 Oct., 2016.
- Support for Entrepreneurial and Managerial Development of SMEs through Incubators, 19 Feb., 2017.
- Three-day National Conference on “Plant Science Technologies: Current Status and Future Prospects” from 21-23 March, 2017.

The Vice-chancellor presenting a memento to the chief guest Prof. SK Patel, VC, IGKV, Raipur during the national conference on plant science technologies Current Status and Future Prospects

The Vice-chancellor presenting a memento to the chief guest Prof. GD Sharma, VC, Bilaspur University, Bilaspur Workshop on life science skill development and workshop on Entrepreneur development in Herbal drug Industry, 20-22 Oct., 2016.

Achievement of the Students:

Ms. Preeti Verma presented her research paper entitled 'Microbial Bioformulation for Better Crop Production' in National Level Students Research Convention Anveshan 2016-17 organized by AIU from 28 Feb.-1 March, 2017 at Dr. C.V. Raman University, Kota, Chhattisgarh and she secured III position.

DEPARTEMNT OF FORENSIC SCIENCE

The Department was established in 2012. Forensic Science is an inter-disciplinary science which involves all branches of basic and applied sciences including Physics, Chemistry, Biology, Biotechnology and Engineering apart from a sound knowledge of social behavior and psychology. It has now been considered an allied discipline and therefore needs up gradation through continuous R&D efforts.

Objectives of the department is to aid to the Criminal Justice delivery system in the wake of the emerging scenario of Blue-Collar crimes & White-Collar crimes, implementation of modern management concepts, expand the forensic network and lay emphasis on human resource development in the field of forensic science.

Activities of the Department:

- One day (on 30 March, 2017) Academic visit to CRPF camp was organized for the students of B.Sc VI Semester, in which information about the Fire Arms, Cartridges, Firing, Ammunition was given and the related practical knowledge about the Fire Arms were demonstrated.
- One day (on 14 April, 2017) Academic visit to Achanak Marg was organized for the students of B.Sc IV Semester to gain the practical knowledge about the lifting, sketching, identifying the Pug marks of various animals.
- Guest lecture was organized” on Cyber Security: Do's and Don'ts”. Key note speaker Shri Kislay Choudhary delivered a lecture on Cyber security, threats and Mobile Security.
- One day guest lecture was organized by the department on the theme “Problems in Questioned Document analysis”. Dr. Sunanda Dhenge, Private Forensic Expert, interacted with the students and discussed about the issues and challenges.
- One day guest lecture organized by the department on the theme “Recent trends in Forensic Science” on 16th February 2017. Dr. M K Verma, Former Director State Forensic Science Laboratory, Sagar (M.P.) interacted with the students of department regarding the emerging trends and future prospects of Forensic Science.
- One day guest lecture organized by department on the theme “Forensic Medicine and Toxicology” on 16th March 2017. Prof Manish Nigam, Arvindo Institute of Medical Sciences, delivered the lecture on different aspects of Forensic Medicine and Toxicology.

Achievements of the Faculty members:

Dr. Moumita Sinha, awarded with Third prize in best oral presentation category at National conference on “Future Perspectives of Forensic Science in India” for paper entitled “Analysis of Bacterial Fingerprint in Microbial Forensic by Sequence Comparison of 16S rRNA Gene” sponsored by UGC, New Delhi and organized by Dr. A.P.J Abdul Kalam Institute of Forensic Science and Criminology, Bundelkhand University, Jhansi (U.P), India during 9-10th March, 2017.

Achievements of the Students:

- Ashish Pradhan M.Sc II Semester, awarded with best oral presentation at National conference on “Novel approaches in cell science and stem cell research” organized by Department of Microbiology and Bio-informatics, Bilaspur University, Bilaspur held on 26th-27th November 2016.
- Students (B.Sc VI /M.Sc II and IV semester) of the department participated and presented a poster and oral paper in National conferences organized by Swami Vivekananda University, Bilaspur University, Bundelkhand University and Lucknow University.
- Students of the department have participated and prepared a model in the Science Fest 2017 organized by GGV, Bilaspur.

DEPARTMENT OF ZOOLOGY

The Department of Zoology is one of the first departments to be established by Guru Ghasidas Vishwavidyalaya after its upgradation to the status of the central university in the year 2009. In the short span of merely eight years the department has presented itself in the forefront of major areas of Life Sciences. Presently, department has developed into a full-fledged centre of teaching and research excellence in modern biology. The vision of the department is to conduct quality teaching and research in all the branches of Zoology and produce students who are well versed with the subject and are able to contribute to society and international community.

The course structure and content delivery methods provide substantial opportunities for interactive learning and exposure to research. Many innovative teaching practices are the highlights of this program. Students performance is assessed throughout the semester by a continuous system of tests, seminars, assignments, mid and end-semester examinations. The Department has focused on developing experimental skills through live experimental designs, both by UG & PG students.

The Department has developed teaching programs with stress on the uniformity principles of molecular and cellular mechanisms in all living systems which are very close to the human being. A complete and thorough study of these mechanisms could help the basic Zoologists understand the clinical side of the subject. At present the department has 07 teaching faculty members who are actively engaged in their respective field of research specializations. The thrust area of research includes Neuro-endocrinology, Neuroscience, Toxicology, Fish and Fisheries, Reproductive biology, Biochemistry and Molecular Biology, Entomology and Environmental Science.

The department laboratory contains most of the necessary instruments that are required to carry out theory and practical classes smoothly. Instrument rooms with all the necessary sophisticated instruments required for conducting basic and applied research work are available in the Department.

The departmental library contains 1450 books for all the major areas of Zoology. Apart from this, students and faculty members also use the resources available at the Central Library on campus. Apart from the library the museum of the department is also very rich and contains various specimens belonging to all the major animal phyla and is used for teaching and demonstration purposes.

Achievements of Faculty members:

- Dr. Seema Rai presented an invited talk organized by the microbiology and bioinformatics division of the Bilaspur University, on 26th Nov., 2016. Dr. Rai also delivered an invited lecture on Reproduction biology and comparative endocrinology at Hyderabad University, during 9-11 Feb., 2017.
- Dr. Monika Bhadauria presented a poster at the International conference at Jiwaji University, Gwalior during 17-19 Nov., 2016.
- Science Day Celebration 2017 was organized by Dr. Monika Bhadauria.

Achievements of the Students:

- Ms. Geeta Mishra and Ms. Nisha Sahu received CG-COST young scientist award- 2017.
- Ms. Nisha Sahu and Mr. Javid Ahmed Malik also received international young scientist award in the VI International Science Congress organized by International Science Community Association, Pune, Maharashtra during 8-9 Dec., 2016.
- Mr. Samrat Rakshit, a research scholar and Mr. Shubham Singh and Ms. Debashri Mazumdar, post graduate students, received prizes for oral and poster presentations at 6th International conference held at Swami Vivekanand University, Sagar, (MP) during 27th-28th February 2017.
- Mr. Hindole Ghosh received the Best Group presentation award at "National Workshop on Trends and Techniques in Chronobiology" at Pt. Ravishankar Shukla University, Raipur during 21-27 March, 2017.

Activities of the Department:

One day (on 30 March, 2017) Academic visit to CRPF camp was organized for the students of B.Sc VI Semester, in which information about the Fire Arms, Cartridges, Firing, Ammunition was given and the related practical knowledge about the Fire Arms were demonstrated.

2.1.5 MANAGEMENT AND COMMERCE

The school of Management and Commerce consists of two departments. Both departments work in unison to achieve the common goals of the university in the area of their respective fields. These departments are: Commerce and Management Studies. The department under the School also covers a professional course.

DEPARTMENT OF COMMERCE

Established, with the objective to develop itself as a centre of excellence in teaching and research in the field of commerce and allied subjects in 1986, the Department of Commerce is one of the oldest teaching departments of the university. The Department provides opportunities to the students and faculty members for their overall development by organising seminars and group discussions. For the Session 2016-17, the intake was 120 for Five Years' Integrated UG/PG Programme in Commerce. Two research-scholars have been registered for PhD Programme in Commerce after successful completion of Vishwavidyalaya Research Entrance Test (VRET) procedure including Course-work.

Activities of the Department:

Department of Commerce successfully organised '**Comfest**' – a cultural cum infotainment event organised by its Students.

Achievements of the Faculty members:

- Dr. Amit Manglani attended MOOCs Training Programme organised by UGC-Human Resource Development Centre (UGC-HRDC) at GGV, Bilaspur (C.G.) 27-28 Feb., 2017.

Achievements of the Students:

- Ms. Inal Tiwari clinched Gold medal in discuss throw event in the Inter-faculty Sports Competition of GGV.
- Girls' Team of the Department has also clinched the Gold in the Tug of War event of Inter-faculty Sports Competition.
- Men's Faculty-members team hayed up to Semi-final in the Inter-faculty Sports Competition.

DEPARTMENT OF MANAGEMENT STUDIES

Responding to the changing and increasing needs for professional education and training in Management, the Department of Management Studies was established in 1988. The Department prepares students to become effective managers in the new economic era, and the emphasis is always on quality education and promoting a culture of enquiry and enterprise.

The Vision of the department is to carve out a niche for itself to be amongst the leading management schools in India. Students have successfully been educated and trained by the Department and have been placed in reputed business houses in India and abroad, in the fields of banking and finance, marketing, general management, and academics. Many are successfully managing their own business establishments.

The objectives of the department is to train and develop students for careers in management, to develop analytical, communicative and creative decision making skills to match the - requirements of modern competitive world, to inculcate in the students values and attitudes necessary to become socially responsible managers, to improve the managerial competence of practicing managers/executives and to explore new horizons in various functional areas of management through research.

An interactive session of the students with alumni Dr. Arvind S Tuteja in progress

Activities of the Department:

The department invited the resource persons such as Shri NK Mishra, Retd. Manager, State Bank of India and alumni Dr. Arvind Singh Tuteja, Shri Harish Kedia President Chhattisgarh Laghu Udyog Mahasangh, Bilaspur, CA Shri Om Modi President of Bilaspur Chapter of Chartered Accountants and CA Sameer Singh who interacted with the students on different issues.

Achievements of the Faculty members:

- Prof. Harish Kumar attended the NAAC sponsored State Level Seminar on Teaching, Learning and Evaluation organized by Shri Shivaji Education Society Science College, Nagpur as an invited speaker.
- Prof. Harish Kumar, Prof. SVS Chauhan and Prof. LP Pateriya delivered lectures at the Orientation and Refresher Courses conducted by HRD center, Guru Ghasidas Vishwavidyalaya, Bilaspur.
- Prof. SVS Chauhan and Prof. Harish Kumar also visited several Universities and Colleges as a member of NAAC peer team.
- Prof. LP Pateriya chaired a session in a seminar organized by Pt. Sunderlal Sharma Open University, Bilaspur.
- Dr. BD Mishra chaired a session at the National seminar on 'Challenges for Quality of Life of Working Women in Contemporary India', organized by the Dept. of Social Work, GGV, Bilaspur. Dr. Mishra also delivered a lecture as a Resource person at the National Seminar on "Resurgent Rural India: The Paradigm Shift", organized by Department of Commerce, Utkal University, Bhubaneswar, Odisha.
- Dr. BD Mishra also acted as a Coordinator of Refresher Course on Economics organized by HRD

Centre, GGV, Bilaspur.

- Dr. (Mrs.) BB Pandey co-chaired a session in a seminar organized by the Department of Social Work, GG, Bilaspur.

Achievements of the Students:

- Students of MBA final year participated in the Bilaspur Vyapaar Mela and attended Buyer – Seller Meet.
- Students of the department get job opportunities with companies that offer placement to students through on-campus as well as off-campus recruitment activities coordinated by the department.
- All students carried out their summer training project in various organizations around India. Some companies that have participated for recruitment in the department for the session were HDFC bank, Bharti Airtel, Money Capital Height Research Pvt. Ltd. and Ways 2 Capital Pvt. Ltd.
- Out of forty five students in MBA IV semester, thirty four students have been suitably placed through campus selection process.

2.1.6 MATHEMATICAL AND COMPUTATIONAL SCIENCES

The school consists of two departments: the Department of Computer Science & Information Technology and Department of Pure & Applied Mathematics. The faculty members are doing good research works and imparting excellent education to students in the faculty.

DEPARTMENT OF COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

The Department of Computer Science & Information Technology (CSIT) was established in the year 1990, with one year P.G. Diploma course (PGDCA). This course was followed by a Master's degree course in Computer Science as well as in Information Technology, M.Sc.(CS) and M.Sc.(IT) in 1996. Subsequently, Master of Computer Application (MCA) course approved by the All India Council of Technical Education (AICTE), New Delhi was introduced in the year 1998.

The Vision of the department is creating, transmitting and applying Knowledge to improve the social, cultural and economic quality of life of people in the Chhattisgarh and India.

The objectives of the programmes are to prepare students to obtain positions as system analysts, systems designers, Programmers and managers in any field related to information technology. The program, therefore, aims at imparting comprehensive knowledge with equal emphasis on theory and practice. MCA, M.Sc.(CS) and B.Sc.(CS) students are encouraged to spend a full semester working in the industry with an aim of giving them insight into the workings of the IT world. However, the course curriculum has enough flexibility to enable a student to undertake advance studies in computer science later on.

The department has a large number of branded PCs with latest configurations. Every student is providing with enough time for hands-on practice on these machines. CSIT has got its own departmental library besides Central Library. The department provides Internet facility in the Computer Center, which is used as lab of CSIT in the same building. The department has well qualified faculty members who continue to have interaction and collaboration with other national and international universities and institutions. The faculty members of the department are actively involved in R&D activities. A large number of research articles in national and international journals and proceedings have been published by the teachers. They have been also invited to deliver invited talks in India and abroad. Expert lectures are conducted in the department from time to time. The students are motivated to develop realtime projects and assigned software development live projects, preferably in reputed organizations.

Department of CSIT revises its course curriculum frequently, looking at the needs of the industries and endeavoring to place our students therein and has a close interaction with software and R&D organizations. The passing-out students have an excellent placement record and are able to secure jobs across the globe in reputed companies.

Activities of the Department:

In order to encourage the hidden talent of students, the department organized an Annual Event **Mirusum** in Octo. 2016.

Achievements of the Faculty member:

Dr Babita Majhi delivered invited talk at Workshop on Big Data analytics: Deriving causal inferences using statistical & computational techniques organized by NIT Surathkaul, 1-2 April 2016; talk at International Conference on Signal processing, communication, power and embedded system (SCOPEs), organized by Centurion University, Paralakhemundi, 3-5 Oct. 2016 and talk in International Conference (ICREST) organized by St. Peter Engg. College, Hyderabad, 25-27 Oct., 2016. Dr Majhi received the best research paper award in IEEE, SCOPEs-2016. Dr Majhi also selected as senior member of IEEE USA for her significant research activities in April 2016.

DEPARTMENT OF PURE AND APPLIED MATHEMATICS

The Department started functioning in the year 1989 by offering Master of Philosophy. Now it is gradually emerging as an Excellent Centre for Research and Training in the specialized areas of Algebra, General Topology, Functional Analysis, Fuzzy Logic and Applications, Cryptography, Differential Geometry. The faculty members have a vision to enhance the department in terms of research/training/teaching mathematics in a very simple and elegant manner that one can enjoy offering mathematics without feeling it as a very non-practical subject.

The Department has introduced and is continuously going to introduce new courses in the field of mathematics and applied mathematics to stand in the front-line curriculum at the nation as well as at international level. The faculty members of the department have an excellent track record to have joint collaborative research work with many eminent Mathematicians in the world.

Achievements of the Faculty members:

The faculty members of the department have received major research project and startup grants by UGC, New Delhi. Also many of them are reviewers and editorial board members of the International Mathematical Journals.

Achievements of the Students:

M.Sc./Ph.D. students got appointments in various sectors such as Information Technology, Higher Education (NITs/Colleges/Universities) School Education and one of B.Sc (Math. Honrs) student qualified UPSC Main examination-2017.

2.1.7 NATURAL RESOURCES

The School of Studies in Natural Resources has three departments under it viz., Department of Forestry, Wildlife & Environmental Sciences; SLT Institute of Pharmaceutical Sciences and Department of Rural Technology & Social Development.

DEPARTMENT OF FORESTRY, WILDLIFE & ENVIRONMENTAL SCIENCES

The Department of Forestry, Wildlife & Environmental Sciences is a premier centre in the state imparting forestry education since 1988-89. It has also taken the lead role in forestry education and research in Central India. The department has been following the modern syllabus developed by ICFRE/ICAR for BSc and MSc Programmes. The syllabus is focused to develop integrated knowledge and skills relevant to forestry and allied subjects and is also designed to prepare them for various competitive exams such as IFS, SFS, ARS etc. Our vision is "to promote excellence in education, research and extension in forestry and allied subjects to cater the need of trained man power for practicing sustainable forestry and its protection and conservation in the region and country".

Objective of the department is to provide a bigger catchment and platform for wide spectrum of students to choose forestry as a professional degree, to promote excellence in education and research in Forestry and allied subjects and to provide the students with innovative knowledge and skills and cater the need for trained forestry man power in the country.

Trainings of the students in rural and forest villages, forest industries, academic and research institutes are an integral part of the curriculum. It is intended to develop practical knowledge, to expose in industrial and research environment and to promote entrepreneurship skills among the students. UG and PG students are also required to have compulsory attachment to the State Forest department, biosphere reserves, national parks, wildlife sanctuaries etc for the exposure of forestry work operation.

Curriculum of the degree programme is designed to impart essential scientific / technical and administrative competence to the forestry science graduates so that they are ideally suited for the positions of Range Forest Officer (RFO) and Assistant Conservator of Forest (ACF). The graduates have a wide scope of job opportunities like nursery and plantation managers, technical assistants and managers in forest based industries like pulp and paper industries, small scale and cottage industries etc.

Presently the department runs in well spaced building with laboratories located behind luxurios plantation of *Peltaphorum*. Construction of one more building is almost completed where workshops, museums and advance research laboratories will be established. The Department is equipped with laboratory facilities such as CHNOS, Total Carbon Analyser, Windias, Leica compound microscope, Stereo microscope, Photosynthesis analyser, Microtome, Meteorological station, Total station, Spectrophotometer, Ozone analyser, Remote sensing based softwares etc. Glass house and forest nursery are maintained for research and practical purposes for students and Scholars.

Activities of the Departments:

The Department celebrated **World Forestry Day** on 21 March, 2017 and organized litter art competition, photography and Painting competetion for all departments of the University.

On 5th June 2016, the **World Environment Day** was celebrated by the department. On this occasion, saplings of Forest species were planted by the Vice-Chancellor in the University Campus.

The Plantation is a regular and important activity of this department. On 11 August, 2016 and 21 March 2017, the Vice-Chancellor along with other dignitaries and faculty members of the department planted sapling of Moulshri, Rudraksha and Chandan.

B.Sc. VII Semester students were attached with State Forest Department for Forest Work Experience and Socio-economic study of villages during August-September 2016. The department arranged a training programme for students at Tropical Forest Research Institute, Jabalpur for 12 days from 7-18 Nov., 2016.

A visit to Indian Institute of Forest Genetics and Tree Breeding (IIFGTB), Coimbatore for M.Sc. IV Semester [Forest Genetic Resources] students was organized from 3-14 April, 2017.

A visit to Tropical Forest Research Institute, Jabalpur for M.Sc. IV Semester [Forest Management] students was organized from 9 to 17 April, 2017.

Achievements of the Faculty members:

- Prof. S.S. Singh delivered keynote lecture in National symposium on Herbal medicine and diabetes organized by DLS College, Bilaspur on 13 Feb., 2017.
- Prof. SS Singh Coordinated one Refresher course on Environmental Science in HRDC, GGV, Bilaspur from 1-23 Sept., 2016 and also delivered lectures on topics Forest Evolution and dynamics and Carbon and its role in Environment on 23 June 2016 and 8 September 2016 respectively.
- Prof. SS Singh acted as NAAC team member for accreditation of FM University, Balasore, and Orissa during 20-23 July, 2016; attended meeting as member Board of Studies Department of Forestry at Tripura University on 13 June 2016 for development of new course curriculum and evaluation of the synopsis of Ph.D. scholars; attended meeting on 22-23 Feb., 2017 at GBIPHED, Almora (Uttarakhand) being a member of Project Evaluation Committee; nominated reviewers for SERB, Department of

Science and Technology, New Delhi and Editorial Board member in American Association for Science and Technology, USA.

- Dr K K Chandra received **Young Scientist Associate Award** in 18th Indian Agricultural Scientists & Farmer's Congress on "Prospects of Skill Development in Agriculture and Rural Development - A Step Towards Make in India" at Bioved Krishi Prodyogiki Gram, Moharab, Allahabad, UP and awarded **Distinguished Faculty Award, 2016** in Tree Microbe interaction subject at Venus International Faculty meet 2016 held at Green Park Chennai on 9 July, 2016.
- Dr. Gunjan Patil and Dr. Bhawna Dixit participated in a 21 days (13 June-2 July) Refresher course on Forestry and Environmental Sciences held at HRDC, GGV, Bilaspur.
- Dr Ajay Kumar Singh is nominated with Editorial board member, Global Journal of Engineering Science and Social Science Studies, Jabalpur.
- Alok Kumar Chandraker's eBook on "Scenario of biodiversity Conservation in India: An Overview (UBN NO: 015-A94510112027) was published by The Journal of Biodiversity, Photon Publication, USA.

Achievements of the Students:

- 1st Prizes won by Mr. Animesh Shukla, B.Sc. IV in Poetry, Ms Jahanvi Sahu B.Sc. II and Ms Fiza Quraishi B.Sc. IV in Slogan Writing, Ms Suvibha Singh, MSc. IIInd in Recycling art and Ms Yamini Verma M.Sc. IIInd Semester students, for best in photography Competitions organized by Department of Forestry during World Forestry Day 21 March 2017.
- Atul Kumar, B.Sc. II represented University in Kho-Kho and School of Natural Resources got II position in University Establishment Day Sport Competition held in January, 2017.
- Students of Forestry won 1st position in Tug of war (Women), 2nd position in Kabbadi, 1st position in Badminton (Single) in both men and Women category, 3rd position in 800m and 200m race, 3rd position in 4 x 400m relay race, 2nd position in slow cycle race in University Sport Competitions.
- Mr Shivam Patanwar, B.Sc. VI semester got 3rd position in Youth Parliament.
- Ms Akriti Tamrakar and Mr Shivam Patanwar of B.Sc VI semester won 1st Prize in Bhashan and Short documentary competitions respectively in Ambedkar Jayanti Celebration.
- Mr. Akriti Tamrakar, Uma Bharti Yadav, Anita Jaiswal and Jyoti Sigh, B.Sc. students won Prizes in Equilibrio 17 (Commerce Fest) and AKSA'17 (Arts and Social Science Fest).

INSTITUTE OF PHARMACEUTICAL SCIENCES

The S.L.T. Institute of Pharmaceutical Sciences was established in 1997 with an objective to develop professionally competent manpower in the field of Pharmaceutical sciences. The institute is duly approved by All India Council of Technical Education, New Delhi and Pharmacy Council of India, New Delhi. The institute has been imparting quality education with the help of well-qualified faculty members and state-of-the-art laboratories having sophisticated instruments. The institute is equipped with a rich library that includes textbooks, reference books and journals.

The vision of the institute has always been to provide the best facilities to the students to develop them as the potential leaders in research and entrepreneurship in various sectors of health profession. It has been the only institution from the Chhattisgarh State that has been ranked 31st among the top 50 pharmacy institutions of India by National Institutional Ranking Framework (NIRF) in 2016-17. The laboratory of institute has been updated by construction of the platforms for the practical work as well as for the installation of the instruments.

Activities of the Department:

- The Institute organized two-days (04-05 Oct, 2016) 'Skill Development Programme' on the theme 'Ethics and skills for the Pharmacist to serve the society' for pharmacy students. Over 70 B. Pharm. and D. Pharm. students attended the program (Photograph-1).
- Institute celebrated the Pharma-Fest-2017 (Atullyam 16-17 Feb., 2017). The students participated in

the models, drawings, debate, sport and cultural activities during the two days program (Photograph-2).

- The department installed the new instruments which include Differential Scanning Calorimetry (Perkin Elmer, Singapore), Fluorescent Microscope (Leica, Germany) and HPLC (Analytical Technologies Pvt. Ltd., India).
- NSS camp was organized by Dr. Pradeep Samal (faculty in charge of NSS) for Pharmacy students along with the other students of the university.
- Dr. Vinod D. Rangari, Dr. Bharti Ahirwar, Dr. Dilip K. Pal and Dr. Vivekanand Mandal of the institute visited different forests and regional locations of Chhattisgarh for the survey of the local medicinal plants for their research projects (Photograph-3).
- Dr. J. S. Dangi, Professor and Chief Vigilance Officer (CVO), retired on 28th Feb., 2017 after providing 17th years of service to this institute. He had been instrumental in the steadfast development of the institute. Dr. Dangi has given warm hearted felicitation by the university and the Institution .

Achievements of the Faculty members:

- UGC-Special Assistance Program (SAP-Phase-II) research project worth Rs. 55 lakhs (approx) was sanctioned by UGC, New Delhi to Dr. Vinod D. Rangari and Dr. Dilipkumar Pal.
- Dr. Arjun Patra availed Post-Doctoral Fellowships at California Health Science University, CA, USA under prestigious **Raman Fellowship Award** funded by UGC, New Delhi from 8 July 2016 to 30 May 2017 (Photograph-5).
- Dr. Suresh Thareja availed Post-Doctoral Fellowships at Georgia State University, Atlanta, USA under prestigious **Raman Fellowship Award** funded by UGC, New Delhi for one year from 15 July 2016 (Photograph-6).
- Dr. J. S. Dangi, Dr. Vinod D. Rangari, Dr. Sanmati K. Jain, Dr. S. H. Bodakhe, Dr. K. P. Namdeo and Dr. Dilip kumar Pal, worked as PCI Inspectors on behalf of Pharmacy Council of India, New Delhi for the inspection of various academic Pharmacy Institutions in India.
- Dr. Vinod D. Rangari and Dr. S. H. Bodkhe, attended Training workshop regarding the approval process 2017-18 for the experts in the central region organized by AICTE, New Delhi, on 13.01.2017 at Raipur (C.G.).
- Dr. Vinod D. Rangari has delivered two guest lectures at the National seminars organized at S.M.B.T. College of Pharmacy, Igatpuri, Nashik and AKS University, Satna (M.P.)

Achievements of the Students:

- Ms Swaha Satapathy received 6 months Stipendium Hungericum Scholarship in USA.
- Ms. Amrita Singh received the best poster presentation award in the National Seminar organized by Department of Biotechnology, GGV, Bilaspur.
- Mr. Palash Ghosh and Akshay Kumar, B. Pharm 4th Semester of the Institute have won 3rd prize in ANVESHAN 2017 conducted by AIU.
- The B. Pharm. topper student of the Institute Ms. Shalini Singh, has been awarded with a certificate, trophy and a cash prize of Rs. 1500/- by Indian Drug Manufacturers association, Mumbai (IDMA).

DEPARTMENT OF RURAL TECHNOLOGY AND SOCIAL DEVELOPMENT

The Department of Rural Technology and Social Development was established in the year 2001 with the aim of overall development of rural students through teaching & research activities. The indigenous knowledge of the rural people has been utilized by the department for creation of need-based technologies for sustainable rural development. Presently, the department runs professional and job oriented Bachelor, Master and Doctoral

Degree courses in Rural Technology and these courses are approved by University Grants Commission, New Delhi.

The Department runs in its existing building with constructed area of 543 square meter and its extension with 869 square meter area. Several advanced scientific instruments are also available in the Department, for teaching, research and conducting project work of undergraduate and post graduate students. New Accelerated Solvent Extractor (ASE 150) has been installed for innovative research in the field of medicinal plants. The Remote Sensing laboratory is equipped with latest Remote Sensing GIS Softwares ERDAS 2011, ArcPAD, and 21st century GIS for research in this area. The Department has furnished a laboratory with the aim of working on plant extraction, herbal drug formulations and their safety evaluation. The Department has developed many demonstration units *viz.* Vermicomposting, Biocomposting, Apiculture, Sericulture, Lac production and Mushroom production *etc.* Currently, six major research projects are running in the Department with the help of different funding agencies.

The pass out students have obtained employment in different Government and non-government sectors *i.e.* Rural Engineering Services, *Zila Panchayats*, NGOs *etc.* Most of the pass out students have been selected or secured employment in Rural Engineering Services of Chhattisgarh Government. Besides this, a number of pass out students have also established their entrepreneurship and every necessary technical help and guidance is provided to them by the Department for this purpose.

Activities of the Department:

- The Department established a new EDUSAT classroom and successfully organized two training programme with collaboration of Institute of Remote Sensing, Dehradun.
- Visit to Bio energy production plant Sudha Agro-Industries Bilaspur headed by Dr. P.R. Singh and Dr. Alka Mishra with B.Sc. VI semester students to get acquainted with the technology of electricity production by rice husk.
- Students of M.Sc. II and IV semester headed by Dr. Ajay Kumar Singh visited Kharang Reserve Forest on April 9, 2016 to identify the forest plant species.
- Forty two students of B.Sc. III semester visited Mendrapara, Ratanpur to study the Tasar production technology on September 10, 2016. .

Achievements of Faculty members:

- Dr. Dilip Kumar participated in "SAKSHAM, IT Champion Training Program," organized by Microsoft at UGC-HRDC, GGV, Bilaspur Chhattisgarh during May 9-14, 2016.
- Dr. P.R. Singh, appointed as Chairperson during oral presentation session of International Conference on "Climate Change Mitigation and Technologies for adaptation" organized by UTM & Synod College Shillong, Meghalaya (20-21 June, 2016).
- Dr. P.R. Singh appointed as Chairperson for oral presentation in National Seminar on "Innovation and Entrepreneurship in Biotechnology" organized by Department of Bio-Technology, GGV, Bilaspur, 26-27 Dec., 2016.
- Dr. Bhaskar Chaurasia attended training programme on "Massive Open Online Courses" at Academic Staff College, GGV, Bilaspur, during 27 to 28 Feb., 2017.
- Dr. Rajendra Mehta appointed as Nodal Officer of "Ek Bharat Shresth Bharat" programme, started by Ministry of Human Resource Development, GOI.
- Mr. Piyush Shukla, JRF, awarded with best poster award in National seminar on "Innovations and entrepreneurship in biotechnology", on topic "Resveratrol abrogates acrylamide propagated hepatorenal damage in rats" organized by Department of Biotechnology, GGV, Bilaspur, Chhattisgarh during 26-27 Dec., 2016. He was awarded 2nd Prize in Chhattisgarh Young Scientist Congress 2017, organized by COST and CSVTU, Bhilai, Chhattisgarh during 28th Feb-1st March, 2017.
- Dr. R. Mehta and co-workers filed a Patent Application No. 201721008553 on 11th March, 2017.
- Dr. Alka Mishra awarded with best poster award in National conference on "Plant Science

Technologies: Current status and future prospects", organized by Department of Botany, GGV, Bilaspur, 21-23 March, 2017.

Achievements of the Students:

- Naresh Kumar Sahu and Raj kumar, Ph.D. Scholars and Piyush Shukla (JRF) attended a training programme on "Instrumentation & Techniques for Biomedical Research" organized by the Department of Rural Technology & Social Development, GGV, Bilaspur Chhattisgarh on 2-3 Sept., 2016.
- Prasoon Soni, Nomesk Kumar Tiwari and Hemant Sahu, Ph. D. Scholars, attended a training course on "Geospatial Technology Applications in Rural Development" at TPIPRD Nimora, Raipur, Chhattisgarh on 14-18 Dec., 2016.
- Naresh Kumar Sahu, Raj Kumar and Dixena Durgesh, Ph. D. Scholars and Piyush Shukla (JRF) attended a workshop on "Entrepreneur Development in Herbal drug Industry (Characterization formulation & Analysis)" Organized by Skill Development Cell & Department of Botany, GGV, Bilaspur on 20-22 Oct., 2016.
- Piyush Shukla, JRF, attended a National workshop on "High performance of thin layer chromatography (HPTLC) based quantification of secondary metabolites medicinal plants", organized by Centre for excellence in Biotechnology, MPCOST, Bhopal, Madhya Pradesh, 17-19 Feb., 2017.
- Forty two students of B.Sc. Rural Technology V semester participated in the training programme on "Tasar Culture" organized by Basic Training and Research Institute, Bilaspur during 06–14 Sept., 2016.
- Thirty Eight students of B.Sc. Rural Technology III semester participated in the training programme on "Tasar culture" organized by Basic Training and Research Institute, Bilaspur during 17-24 Oct., 2016.
- Five students of M.Sc. final year attended training on "Use of Geo Spatial Technology in Pradhanmantri Krishi Sishai Yojana" organized by TPIPRD, Nimora, Raipur during 19–23 Oct., 2016.
- Amandeep Patel, B.Sc. II year student participated in Interstate training programme on "Cow based integrated organic farming system" organized by Anand University Gujarat during 17-21 March, 2017.
- Abhishek Ahirwar, B.Sc. II year student, participated in "UNICEF Youth Meet workshop" at Guwahati, Assam and Ranchi, Jharkhand during 11-22 Sept., 2016.
- Prasoon Soni, Ph. D. scholar attended Youth festival, organized by Pt. Ravi Shankar Shukla University, Raipur on 12th Jan., 2017.
- Twenty five students of the department had participated in Rajwar Bhatti Art Training programme during 9-17 Sept., 2016.
- Mimansa Soni, a student of B.Sc. IV Semester had received first prize in painting competition during World Forestry Day (21st March 2017), organized by department of Forestry, GGV.
- Mrinalini Brhambhatt, Nistha Yadav, Riya Panjwani students of B.Sc. IV Semester received third prize on "Recycling Art" during World Forestry Day (21st March 2017), organized by department of Forestry, GGV.
- Ms Kamana Sharma, B.Sc. VI Semester had received first prize in quiz competition on the topic "Science and Technology" on National Science Day during 27-28 Feb., 2017.
- Eighteen B.Sc. students participated in NSS Camp organized at Tendubhata village, Ratanpur, Bilaspur from 25th Feb-3rd March, 2017.
- Arpita Pathak B.Sc. IV Semester student, selected in Anveshan (AIU- Central zone research convention-2017). She had presented a project on "e-waste recycling and its benefits" in Chennai.

2.1.8 PHYSICAL SCIENCES

The School has two departments under it viz., Department of Chemistry and Department of Pure & Applied Physics.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in 2009 with an objective of providing quality education in the conventional areas of Science and to grow into a centre for teaching and research. The Department offers UG, PG and Ph.D courses in Chemical Sciences. There are four major specializations offered in M.Sc. such as Analytical, Physical Chemistry, Inorganic Chemistry and Organic Chemistry. The department has two laboratories possessing necessary and sufficient chemicals, reagents, glassware, labwares and basic instruments for performing experiments in physical, inorganic, organic and analytical chemistry, in general and synthesis, analysis (qualitative and quantitative) and characterization of different inorganic and organic compounds in more particulars.

The departmental library has sufficient number of books and fulfils the requirement of the faculty members and students.

The faculty members of the department have significantly contributed to scientific world through research publications and have received many distinguished national and international awards and fellowships such as JSPS Postdoctoral Fellowships, ORISE, USA Postdoctoral fellowship, Canada Post-doctoral Fellowship, NSC, Taiwan postdoctoral fellowship, BK21 and KOSEF postdoctoral fellowship, South Korea. Some of the faculty members are on the editorial boards of some journals and are referees for both national and international journals.

Achievements of the Faculty members:

- Dr Charu Arora has been conferred Hi-Tech Horticulture Society Gold Medal Award for her research work on the role of Chemical Science in Sustainable Agriculture at Noida International University, Noida on 27th Nov 2016.
- Dr Subhash Banerjee organized a Skill Development programme in collaboration with Skill Development Cell, GGV.

Achievements of the Students:

- Ms Rukmani Chandra and Mr. Melad Shaikh got Best Poster Award in International Conferences for their research work.
- Mr Arijit Saha, research scholar was selected for Young Scientist Award by Chhattisgarh Council of Science and Technology.
- Ms. Tripti Mendekar and Mr. Diptanshu Hardikar, Students of M. Sc. II Sem, selected for summer training Programme by NIT Raurkela.

DEPARTMENT OF PURE AND APPLIED PHYSICS

The Department of Pure and Applied Physics, one of the premier departments of University, was established in 1995. The department has been working towards fulfilling its mission through a synergistic combination of teaching and research. The mission of the department is to contribute to the training of a wide spectrum of students of Science and engineering by offering relevant curricular inputs related to pure and applied physics. Research & development and consultancy activities are being carried out to achieve self-sufficiency in Hi-Tech Materials, devices and instruments. The department has grown and emerged as the leader of the science education in this region of central India. The department offers teaching and research programs in Experimental & Theoretical Condensed Matter Physics, Experimental Materials Science, Experimental Nuclear

Group photo of M. Sc. (Physics) 2016-2017 batch students

Physics, Spectroscopy and Plasma Physics. The department offers UG, PG and Ph.D programme in Physics & Electronics. Advanced material characterization facilities such as Laser Raman Spectroscopy, Scanning Electron Microscopy, EDAX, Atomic Force Microscopy, Fourier Transform – Infrared spectroscopy, UV–Vis Spectrophotometer and X–ray diffractometer etc are available in the department.

Department has its own library which provides rich resources for both students and researchers. Department has successfully installed a 3.0 MV high current Pelletron Accelerator facility in the National Centre for Accelerator Based Research (NCAR). This facility has made an important stand in the national map as one of the emerging research department. This facility has provided opportunity to carry out inter-disciplinary research work in various branches of science and is the first such facility in any Indian University. It is also first accelerator in terms of the highest beam current in whole country in this category.

The vision of the department is to be dynamic, inclusive and competitive in teaching, learning and research in Physics and to ensure that the scientific, engineering and technical requirements of the students are addressed. The mission of the department is to provide Physics courses relevant to the professional needs of students and pursue research and development work to keep the faculty in tune with scientific methodology and stay abreast of recent developments.

Activities of the Department:

The department organises dynamic academic activities by organizing regular seminars, inviting eminent science personalities, conducting workshops, and symposia which provide excellent opportunities particularly to the UG/PG students of the department. The department has its own training and placement cell, which trains students for national level entrance examinations and looks after their placement at various research institutes and industry. Six students of the department got placement. Students of the department are encouraged to appear for national level examinations like, NET, GATE, JEST, JAM etc. the department is striving very hard to improve the quality of Physics education with an aim to stand out as one of the leading science education centres in the country. The department has been included under FIST (DST program) for the second time and under special assistance program (SAP) of UGC. The department is also coordinating Sophisticated Analytical Instrumentation Centre (SAIF) approved by DST.

Achievements of the Faculty members:

- Prof. P K Bajpai elected as Vice-President of International Academy of Physical Sciences.
- Prof. P K Bajpai delivered invited talk on 'the Role and relevance of interdisciplinary approach in enhancing skill level in Teaching and Research-I and -II', in 16th Orientation Programme, organized by UGC-Human Resource Development Centre, Bilaspur from 30th May-25th June, 2016. Prof. Bajpai delivered invited talk on 'Material Science Research Using 3.0 MV Pelletron Accelerator at National Centre for Accelerator Based Research at Bilaspur' in National Workshop, NIT, Raipur, April 17, 2016. Prof. Bajpai also delivered invited talk on 'Basic concepts of Research methodology: Understanding the scientific way for problem solving' in "Short term workshop on Research Methodology", Organized by Bilaspur University, on 5th July, 2016. Further, Prof. Bajpai delivered invited talk on 'Particle Accelerators as tools for developing Science and Technology: Boasting interdisciplinary Research through Ion Beam Technologies' in 9th International Conference of International Academy of Physical Sciences & Symposium on Fixed Point Theory and Dynamical Systems", from 17-19 Oct., 2016, organized by Department of Mathematics and Department of Computer Science, D.S.B. Campus, Kumaun University, Nainital (Uttarakhand).
- Dr. H S Tewari delivered invited talk in 4th International workshop/conference on computational condensed matter physics and materials science: Materials for Energy and Environment organized by I.I.I.T.M., Gwalior during 18-20 Nov., 2016. Dr Tewari delivered invited talk in International Conference on New Scintillations on Materials Horizon (ICNSMH-2016), M.J.P. Rohilkhand University, Bareilly, on 22 Oct., 2016. Dr. Tewari also delivered invited talk at Department of Physics, Bhilai Institute of Technology, Bhilai in BITCON- 2017 on 28th March, 2017.
- Dr. M N Tripathi delivered invited talk in Refresher course at Department of Physics, UGC-ASC, GGV,

Bilaspur in June, 2016; in 17th Orientation course, UGC-ASC, GGV, Bilaspur on 1 Feb., 2017; at Department of Physics, Bhilai Institute of Technology, Bhilai in BITCON 2017, on 28 March, 2017; at Department of Physics, University of Allahabad, International conference on Emerging Materials and Applications (ICEMA), on 21Feb., 2017 and in International Conference on New Scintillations on Materials Horizon (ICNSMH-2016), M.J.P. Rohilkhand University, Bareilly, on 22Oct., 2016.

- Dr Parijat Thakur delivered invited/technical talk on Transit Timing Analysis of Extra-solar Planet Qatar-1 in National Conference on Signal Processing, Sustainable Energy Materials, and Astronomy & Astrophysics (NSSEMA-2017) held at Pt. Ravishankar Shukla University, Raipur (C.G.), India from 28-30 March, 2017.
- Dr Pradip Das recognized for the Certificate of Merit in an International conference on “Emerging materials and applications” at Physics Department, University of Allahabad, during 20-22 Feb., 2017.
- Dr. T Trivedi delivered invited talk on “The aspects of low energy accelerator and its applications in nuclear reaction cross-section measurements” in National conference on nuclear and accelerator physics at Central University of Jharkhand, Ranchi, during 4-6 Oct., 2016.
- Dr. R K Pandey delivered a guest lecture on “Semiconductor Devices: p-n junction diode” at D L S P G college, Bilaspur on 18th Feb., 2017.

2.1.9 SOCIAL SCIENCES

The School of Social Science has five departments under it: Economics, Education, History, Political Science and Social Work. The school offers Integrated UG/PG courses and Ph.D. programmes.

DEPARTMENT OF ECONOMICS

In the era of globalization, economics has emerged as the most significant and relevant field of study. Accordingly, the Department of Economics was established in 1989 with the vision to produce the best economist and financial analyst for the academic and corporate world. In this endeavour, quality teaching is the most important objective of the department. The department is actively engaged in research development and consultation activities. Being a Research Centre it also provides policy inputs to the private as well as public sectors. Apart from Central Library, the department has its own enriched departmental library which is easily accessible to students. The department has been contributing significantly in entrepreneurship development. It has excellent placement record, in public & private sectors. The department has young & highly motivated faculty members from reputed institutes in India. The department is proud of its collective enthusiasm which is continuously generating a good number of bright students.

Inaugural Function of Ten-Day Research Methodology Course in Social Sciences -1-11 March 2017

Activities of the Department:

- Group discussions, Seminars were conducted throughout the session to provide students a platform to exchange and collate their ideas.
- The department organized “Ten-Day Research Methodology Course in Social Sciences” from 1-11 March, 2017 sponsored by ICSSR, New Delhi.

Achievements of the Faculty members:

- Dr. Manisha Dubey coordinated Refresher Course in Economics from 28 Nov.- 19 Dec., 2016. Dr. Dubey delivered lecture as a Key-note speaker in the II Annual Conference of Chhattisgarh Social Science Council, on 21st Feb., 2017 and delivered lecture in the programme organised by the Culture and Archaeological occasion of Swamy Vivekanand's 154th Birth Anniversary.
- Dr. Namita Sharma as an in-charge of the NSS Unit, GGV organized many Camps round the year.
- Dr. S. Kispotta is appointed as the Nodal Officer of SC/ST Cell and the Digital India Initiatives.
- Dr. R. Sharma led the Cricket team of the School of Social Sciences during GGV Sports Session 2016-17 and Dr. Sharma won Gold Medal for the men's double Badminton at University Teachers level Competition.

DEPARTMENT OF EDUCATION

Since its inception in 2007, the Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers striving to promote among the prospective teachers and the teacher educators—a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.

It offers updated curricula incorporating the modern thoughts in the field of teacher education. It also provides sensitization regarding the need, value and place of teaching professionals through ample practical experiences. All the educational experiences are designed to develop competence to face the placement market and to get through competitive examinations. A large number of students have got through the CTET, NET and SLET in the sessions. The department is known for its discipline and student-friendly environment providing excellent technological facilities, quality knowledge resources and potent research experiences.

At present, the department offers two-year B.Ed., B.Ed. Special Education in Learning Disability (LD) and in Hearing Impairment (HI), M.Ed. and Ph.D. programmes. Demonstration lessons, practice teaching and internship programmes are regular features of the curricula of the courses being offered. Extension activities such as community enrichment programmes have been organized to develop awareness about health and education amongst rural people. Cultural activities, games and sports are organized by the students to identify and nurture the talents in the concerned fields. The departmental library is having more than 500 text and reference books.

Qualitative Research Methodology workshop

One day Principals and Teachers meeting

Qualitative Research Methodology workshop

Activities of the Department

- One day meet with principals of higher secondary schools was organized on 1st Sept., 2016.
- Short term course-I on Regression analysis was organized from 17-19 Feb., 2017.
- Short term course-II on Qualitative data analysis for social science research was organized from 23-25 Feb., 2017.
- Three-day workshop on Curricular adaptation was organized from 3-5 March, 2017.
- Enrichment workshop on Drama, music and art for B.Ed. and B.Ed. special education was organized from 16-18 March, 2017.
- Five-day workshop on Curricular communication options for hearing impaired children was organized from 21-25 March, 2017.
- Seven-day workshop on Qualitative research methodology was organized from 20-26 March, 2017.

Achievements of Faculty members:

- Dr. C.S. Vazalwar acted as a Chairperson and delivered a lecture as key note in the two-day National conference on constructivism in education at Government College of Education, Bhandara Maharashtra during 25-26 Feb., 2017. Dr. Vazalwar delivered a lecture on Micro Teaching Skills in XVI & XVII Orientation Programme organized by HRDC, GGV on 14th June, 2016 and 3rd March, 2017 respectively.

Achievements of the Students:

- 10 M.Ed. Students qualified UGC-NET, 2016 examination among which 03 were JRF.
- 38 M.Ed. & 30 B.Ed. students qualified CTET/STET, 2016 examination.

DEPARTMENT OF HISTORY

The Department of History was established in the year 1996 under the School of Social Sciences. The department offers UG/PG and Ph.D courses with specialization in Medieval and Modern Indian History in MA. The vision of the department is to create an Ideal Indian Society and to let the students learn from the past events for the better future of the Indian society and to maintain the healthy atmosphere in the present moment. The objectives of the department are to focus on the regional and developmental study with special reference to Chhattisgarh, to study and research on Medieval & Modern history, to focus on the study of history of tourism with special reference to Chhattisgarh, to enrich the students with modern tools, techniques as well as the recent developments in the field of History.

Tourism and Job Opportunities in Chhattisgarh- two day Workshop 11-12 Nov'16

Activities of the Department:

- Special lecture was delivered by Prof. (Retd.) Ramendra Nath Mishra of Pt. Ravishankar Shukla University, Raipur (C.G.) on the topic "Chhattisgarh ki Gaurav Gatha" in the month of November 2016.
- A workshop was conducted on the topic "Tourism and Job Opportunities in Chhattisgarh" organized by Skill Development Cell and History Department on 11-12 Nov., 2016. The technical sessions were chaired by Prof. Ramendra Nath Mishra and Prof. Alok Shrotiya. All the participants visited Madku Island, where Padamsri Dr. Arun Kumar Sharma (Renowned Archeologist) interacted with the participants and explained the importance of the religious and historical place Madku Island.
- The Satyagraha-Shatabdi Varsh Lecture Series 2017 was conducted by the department. Prof. Navin

Gidion, Govt. Auto. Girls P.G. College of Excellence, Sagar (M.P.) delivered a talk on the topic 'Champanan ke Sau Saal'.

Achievements of the Students:

Excursion to Madku Island during two day Workshop 11-12 Nov'16

Invited talk on Champanan Shatabdi Varsh-2017

Most of the students of the department actively participated in the co-curricular activities such as Cricket, Kabaddi, Volley Ball, Athletics, Singing, Dancing etc. organized in the University and many of them got enrolled in the NSS and participated in NSS Camp in the Khaira-Chapora village.

DEPARTMENT OF POLITICAL SCIENCE

Established in 1987, the Department of Political Science is one of the oldest departments of the University. The faculty members of the department are engaged in disseminating knowledge to the students and enabling them for preparing for higher studies as well as for seeking employments. The teachers provide guidance to research scholars leading to PhD degree.

Achievement of Faculty members:

- Dr. A.N. Panda presided over an academic session in the National Seminar on 'Gandhi and Management' organized by Ghandhian Studies Centre, Andhra University, Vishakhapatnam (AP), 2-3 Oct., 2016. Dr Panda also presided over an academic session in the National Seminar on 'Indian Federalism and Smaller States' organized by Department of Political Science, Kakatiya University Warangal (Telangana), 7-8 Feb., 2017.
- Prof. Anupama Saxena nominated as an expert member by the UPSC in Jan, 2017.
- Dr. A.N. Panda delivered a lecture on 'Report Writing' in the Research Methodology Course organized by Department of Economics, GGV, sponsored by ICSSR, New Delhi on 10th March, 2017.

Achievements of the Students:

- One of the girl students has qualified NET/JRF-2016.
- Vedansh Mishra, a student of IV Semester of the department nominated as a member of the University Students' Council.

DEPARTMENT OF SOCIAL WORK

Responding to the changing needs for the professional education and training in Social work, the Department of Social Work was established in 1998. The department prepares students to become effective Social

Workers in the new economic era, and the emphasis is always on quality education and promoting a culture of enquiry and quality of life. The Social Work Programme comprises classroom courses correlated with learning through field practice under various social settings. The mission of the Department of Social Work in University is to prepare students to become social work professionals by enhancing their commitment to democracy, peace, human rights, people's empowerment, social justice and human diversity.

The department offers students direct learning experiences with individuals, families, groups, communities and development organizations. Faculty supervisors provide onsite guidance and help students to ensure high quality experience. It is a challenge to train the students to be able to meet contemporary needs of the society and develop professionalism in them and provide them good employment opportunities and also have effective collaboration with NGOs and Local Administration for human cause. The Department facilitates regular visits of students to various NGOs and government welfare agencies to expose them to mundane challenges and responsibilities of social and developmental sectors.

Activities of the Department:

- A one-day Workshop was organised by Aditya Sewa Sansthan, Bilaspur, on Tuberculosis Treatment Awareness programme, with the collaboration of Department of Social Work, Guru Ghasi Das University, Bilaspur on 21 Feb., 2016.
- A two-day National seminar on Challenges for Quality of Life of Working Women in Contemporary India, organized by Department of Social Work and sponsored by ICSSR, on 24-25 March, 2017

Achievements of Faculty members:

Dr. Archana Yadav was Convener and Shri Vikram Singh and Dr. Sangya Tripathi were Co-Convener of a two-day National Seminar on Challenges for Quality of Life of Working Women in Contemporary India, organized by Department of Social Work and sponsored by ICSSR, on 24-25 March, 2017.

Achievements of the Students:

- Pankaj Sahu, MSW IV Semester selected for Gandhi Fellowship-2016, Piramal Foundation, a two year residential program.
- Shubham Kumar, Simran Ahluwalia, and Neha Patel, students of BSW attended 4th Indian Social Work Congress organized by NAPSWI and Mahatma Gandhi Kashi Vidyapith University, Varanasi, U.P in Oct., 2016.
- Bhawana Prasad, Khusboo Shah, Sarita Sonwani and Babita Pandey, students of MSW presented paper in a National Seminar on Child Rights & Child Protection: A Socio Legal Perspective organized by Baba Saheb Bhim Rao Ambedkar Law College, Lucknow, on Nov., 2016.
- Aakash Dutta, Babita Pandey, Rajendra Singh Tekam, Vikas Singh, Bhawana Prasad, Deepika Bais, Khusboo Shah and Sarita Sonwani, students of MSW presented paper in the National Seminar on "Social Work and Social harmony through National Integration" organized by Pt. Sundarlal Sharma (Open) University, Bilaspur, Chhattisgarh on Nov., 2016.
- Aakash Dutta, Babita Pandey, Rajendra Singh Tekam, Vikas Singh, Bhawana Prasad, Deepika Bais and Khusboo Shah students of MSW presented paper in the National Seminar on "Tribal Displacement in Chhattisgarh: Development or Loss of Cultural Identity" organized by Pt. Sundarlal Sharma (Open) University, Bilaspur, Chhattisgarh & sponsored by ICSSR, New Delhi on Feb., 2017.
- Bhawana Prasad, Deepika Bais, Khusboo Shah and Sarita Sonwani, students of MSW IV Sem presented paper in two days National Seminar on Recent Advances In Novel Drug Delivery System for Herbal Formulations Against Neurodegenerative Diseases organized by Siksha O Anushandhan University, Bhubaneswar, Orissa & sponsored by ICMR on Feb., 2017.
- Students of MSW attended workshop & presented a skit on the theme of Nasha Mukti- Ek Prayas organised by Bharat Vikas Parishad at Praudh Sadhana Shivir, Amarkantak, M.P on Feb., 2017.
- Students of the department attended the workshop organised by Aditya Sewa Sansthan, Bilaspur with

the collaboration of Department of Social Work, Guru Ghasidas Vishwavidyalaya, Bilaspur on Feb., 2017.

- Students of MSW II and IV semester attended a one day Workshop on Menstrual Hygiene Management Awareness Workshop organised by NIDAAN Bilaspur, C.G in March, 2017.
- Students of MSW II Sem attended two days National Workshop on Samajik Nyay Yukt Arthik Vikas organized by Govt. Mata Shabari Naveen Girls P.G College, Bilaspur, (C.G) on March, 2017.

2.2 INFORMATION COMMUNICATION TECHNOLOGY AND COMPUTATIONAL FACILITIES (COMPUTER CENTRE)

- The University provides many facilities to students and personnel towards Information Technology Literacy, Computation/ Simulation and Information Dissemination. In this context, University established an advanced Computer Centre equipped with the latest versions of hardware, machines and software.
- The Computer Centre maintains the official Website of the University (www.ggu.ac.in) which is being hosted since 2005. The Web site now contains more than 600 pages. Computer Centre is well equipped with modern and latest Hardware and Software as follows:
- Hardware – Desktop (50-Dual Core and i5), Laser Printer B/W (04), Scanners (04), Hub & Switches, LCD Projectors.
- Software – Visual Studio 2008, Ms Office 2007, SQL Server 2005, Win Server ENT 2003, Win Server 2003 R2, Office Pro 2003, Media, Antivirus(K7).

Surrounded by a beautiful boundary of trees, the Computer Centre provides following facilities:

- Computer Centre provides Computing Facility to MCA, M.Sc. (CS) and 5-Year UG/PG Integrated B.Sc. (Computer Science) Students for their practical. The Computer Center also offers its services to students of other departments particularly UG-PG Integrated students.
- The Computer Centre provides central computational facilities to assist teaching, research, administration, examination, finance and other important tasks of the University.
- To arrange presentation, Lectures, Seminars/Conference, MCA / MSc. / Phd Project Presentation with LCD projector from time to time.
- At present 50 nodes are connected on the network and internet facility is being provided to students, faculty, staff and research scholars.

Achievements:

- The Centre maintains the Official Website (www.ggu.ac.in) of Guru Ghasidas Vishwavidyalaya in Bilingual (Hindi/English) medium since 2005 which is hosted on NIC server. The Centre updates the information received from various parts of University at the earliest.
- It has developed and launched “Employee Search” Software for University Employee.
- The Computer Center also arranges Project Viva for MCA and M.Sc. final Year students.

2.3 UGC-HUMAN RESOURCE DEVELOPMENT CENTRE

UGC-Human Resource Development Centre (HRDC), formally known as UGC–Academic Staff College, came into existence since 1st Feb, 2015. In its previous avatar, the centre was serving the University since 27th March, 2009 to cater to the need of in-service training and orientation of academic and non academic staff of higher education institutions. It plays a crucial role in the holistic development of teachers. The training programmes viz., Orientation programme, Refresher courses, short term courses, interaction programmes, workshops, seminars are regularly organized as per the guidelines of UGC, New Delhi. HRDC has excellent class rooms with audio-visual, internet and multimedia facilities; create an ambient environment for interactive learning.

State-of-the-art ICT Laboratory with high speed internet facilities further provide opportunities for participants to learn the soft skills through hands on training from time to time during programmes. HRDC has its own library with an ample number of books and digital resources to meet the needs of resource persons and participants.

The Central Library of the University also extends facilities of INFLIBNET, Science Direct, e-resources, books and journals to HRDC. The HRDC provides good facilities of guest house, medical facilities and transport to the participant and resource persons. Eminent academicians and researchers are invited as resource persons for delivering talks in the training programmes. Highly motivated faculty, state of the art facilities, excellent logistics, and ambience are the strengths of HRDC and key to the successful organisation of quality programmes.

This HRDC envisages propagation of the values of quality education and train the teachers to become intellectually enlightened, morally upright, emotionally balanced, socially committed, patriotic, eco-friendly and accomplished individuals and also to become sensitive to the demands and the needs of the students in their journey towards achieving the goals and objectives of higher education.

The HRDC aims to help the academic and non-academic staff to understand the linkages between education and economic and socio-economic and cultural development; to acquire and improve basic skills of teaching to achieve goals of higher education; to keep abreast of the latest developments in their specific subjects; to understand the organization and management of a college/university and to perceive the role of teachers in the total system; development of personality, initiative and creativity; and to promote computer literacy as well as Internet knowledge among the university staff.

Activities of the Centre:

Eleven (11) training programmes were organized by HRDC during 2016-2017 for enhancing the skills and capacity building of teaching and non-teaching staff of Universities/Colleges. Four hundred thirty (430) participants from 18 different states Viz. Andaman & Nicobar, Telangana, Kerala, Tamilnadu, Madhya Pradesh, Bihar, Delhi, Maharashtra, Arunachal Pradesh, Orissa, Haryana, Uttar Pradesh, Uttarakhand, West Bengal, Pondicherry, Nagaland, Assam and Chhattisgarh benefited from these programmes.

The details of the programmes are mentioned below.

1. Orientation Programme: Two (02) Orientation Programmes were organized during 2016-17. The newly appointed 76 Assistant Professors of Colleges/ Universities benefited from these programmes. Details of the programmes are as follows:

| S.No. | Name of the Programme | Duration | No. of Participants |
|-------|--|----------------------|---------------------|
| 1. | 16 th Orientation Programme | 30/05/16 to 25/06/16 | 46 |
| 2. | 17 th Orientation Programme | 09/01/17 to 06/02/17 | 30 |

Eminent Professors/Experts were invited as resource persons for delivering lectures on different components of training like (1) Issues of ethics, gender, marginalized communities, plagiarism etc. (2) Issues related to environment (3) Issues concerning service matters of teachers (4) Broad cross discipline topics to motivate the trainees for development of interdisciplinary understanding and interest including basic legal awareness (5) Research Methodology (6) Communication Skills and Information Technology (7) Microteaching (8) Recent global trends and developments. Vice-Chancellor/Registrar/Dean of different schools of the University addressed the participants in inaugural & valedictory sessions of the programmes.

16th Orientation Programme 30-05-16 to 25-06-16

2. Refresher Courses: Five (05) Refresher courses were organized during 2016-17. Two Hundred Six (206) Assistant Professors benefited from this training programme. Resource persons were invited for delivering lectures in various courses as per the needs of the training. The programme was graced by the Vice-Chancellor/Registrar/ Dean of different schools of the Vishwavidyalaya especially during inaugural & valedictory sessions.

Refresher Course in Mathematics, Statistics & Operation Research (ID) - (01-21 Dec., 2016)

| S. No. | Name of Programme | Course Coordinator | Duration | No. of Participants |
|--------|---|--|----------------------|---------------------|
| 1. | Refresher Course on Botany | Dr. A. K. Dixit, Head, Dept. of Botany, GGV, Bilaspur (C.G.) | 27/05/16 to 16/06/16 | 37 |
| 2. | Refresher Course on Research Methodology (ID) | Prof. P. K. Bajpai, Head, Dept. of Physics, GGV, Bilaspur (C.G.) | 13/06/16 to 02/07/16 | 60 |

| | | | | |
|----|--|---|----------------------|----|
| 3. | Refresher Course on Environmental Science (ID) | Prof. S.S. Singh, Professor, Dept. of Forestry Wildlife & Environment Science, GGV, Bilaspur (C.G.) | 01/09/16 to 23/09/16 | 36 |
| 4. | Refresher Course on Economics | (1) Prof. Manisha Dubey, HOD, Dept. Of Economics, GGV, Bilaspur (C.G.) (2) Dr. B. D. Mishra, HOD, Dept. Of Management Studies, Bilaspur (C.G.) | 28/11/16 to 19/12/16 | 38 |
| 5. | Refresher Course on Mathematics, Statistics & Operations Research (ID) | Prof. Amit Saxena, HOD, Dept. Of CSIT, GGV, Bilaspur (C.G.) | 01/12/16 to 21/12/16 | 35 |

3. Additional Programme: One (01) additional programme "Principals' Meet" was organized during 2016-17. Principals of colleges were invited to attend a one day workshop to sensitize them about HRDC activities and discussed the role in upgrading the skills of teachers & their colleges by participants in various programmes of HRDC. The programme was graced by the Vice-Chancellor, the Registrar and Deans of different schools of the Vishwavidyalaya in the inaugural and the valedictory sessions Forty (40) principals were benefited by these training programmes.

| S.No. | Name of Programme | Duration | No. of Participants |
|-------|--------------------------------------|----------|---------------------|
| 1. | Additional Course "Principals' Meet" | 09/09/16 | 40 |

4. University In-house Training Programmes: Three (03) In-house training programmes were organized. One Hundred Eight (108) participants were benefited by these training programmes.

| S.No. | Name of Programme | Duration | No. of Participants |
|-------|---|----------------------|---------------------|
| 1. | Microsoft Faculty Empowerment Programme "Saksham" | 09/05/16 to 14/05/16 | 29 |
| 2. | Rajbhasha Workshop-VII | On 26/11/2016 | 39 |
| 3. | MOOCs Training Programme | 27/02/17 to 28/02/17 | 40 |

Infrastructure Development:

- Internet facilities were strengthened
- Software was developed for online web portal of HRDC, through which online trainee registration, feedback of resource person and financial work of HRDC was initiated effectively.
- Purchase of books and equipments as per allotment of annual budget by UGC of Rs. 1,76,937=00 was completed.
- Infrastructure was created of Rs. 4,97,414=00 from registration fee as per the UGC-HRDC guideline during the financial year 2016-17.

2.4 National Centre for Accelerator Based Research, Department of Pure & Applied Physics (Supported by UGC & DAE-BRNS)

Introduction:

Guru Ghasidas University, after its upgradation as a central University, took a bold step for establishing a 3.0 MV Pelletron based Accelerator machine in the Department of Pure & Applied Physics.

This Accelerator based Interdisciplinary Research Centre on the initiative of the then Vice-chancellor. The basic objective of the Centre has been to boost the Research & Development in various areas of Science & Technology for further research in understanding mechanisms responsible for materials modification through ion beam interaction and other interdisciplinary areas and to bring the ion beam technology in the university campus so as to provide internationally competitive environment for research in the niche areas of science. This has been conceptualized and initiated as a flagship program of the university.

Consequently, establishment of 3.0 MV Pelletron accelerator facilities was initiated in March 2010 after executive council of the University approved the programme and in 2014 the facility was commissioned as National Centre for Accelerator based Research in the Department of Pure & Applied Physics.

In 2012, University Grants Commission (UGC) approved the establishment of this centre and in 2015 sanctioned the technical positions for its operation.

All radiation safety requirements have been followed and due permissions for various stages has been obtained from Atomic Energy Regulatory Board (AERB). AERB team completed radiation safety inspection in December, 2014 and the recommendations of the AERB committee have been received in February, 2015. A trial beam experiment was obtained in 2015 which was extended up to final operation permission being granted. Final safety analysis report (FSAR) was discussed and approved by AERB and this institute and RSO has been registered through eLORA (an e-governance portal of AERB). Currently, the machine operation final permission is awaited for compliance of calibration of radiation monitors and procurement of neutron pocket dosimeter.

In June 2013, Department of Atomic Energy (DAE) Government of India under Board of Research for Nuclear Science (BRNS) financially supported the programme in phased manner and provided 4.5 crores for the first phase. The DAE-BRNS project (first phase) was extended March 2017. However, the visit of the DAE-BRNS project Monitoring Committee is due this year and we are asking for one more year extension of the programme. UGC has also sanctioned one post of Professor for the centre and Inter University Accelerator Centre (IUAC) promised technical support and exchange of researchers through MoU.

The installation of the accelerator was completed in March 2014 and the FIRST BEAM was obtained on November 12, 2014 and finally the test report was accepted on 23.11.2014.

Scope of interdisciplinary Research at NCAR

Energetic ions ranging from few KeV to MeV have played significant role in various areas of Science & Technology. Probing ion-solid interaction using energetic ions from low energy accelerators have recently emerged as an important area of research in various fields of Science & Technology. The accelerator based interdisciplinary research centre provides state of the art research facilities through ion beam irradiation, ion implantation and ion beam analysis techniques for pursuing frontline researches in the areas of material science, nanotechnology, environment sciences, polymer chemistry, archaeology, material chemistry, conservation of bio-diversity, life sciences, biotechnology, pharmaceuticals, molecular biology, etc. The details of ion beams, ion beam analysis techniques, current for various ions (positive and negative) as well as parameters for ion implantation are available on NCAR webpage (<http://ggvncar.co.in/about.html>).

Notable achievements during the period:

The tender for the items to be procured including Low energy beam line, target preparation laboratory equipments and electronic workshop instruments against DAE-BRNS grant after due permission from PMC of DAE-BRNS have been submitted to University authorities for approval.

- Request for Appointments of technical staff sanctioned for the centre from UGC has been submitted

and the process is underway.

- Proposal for constitution of national User committee is also submitted.
- The centre has taken up maintenance of machine and successfully rectified the problems. The major maintenance taken up are as given below in brief.

Problem 1: 09.05.2016: RBS vacuum was not getting build-up. The fault was detected as Turbo pump controller was showing error message “too high load”. The problem was resolved after Turbo pump bearing was changed.

Problem 2: 14.07.2016: High loss current was detected along with possibility of dust inside the tank. Annual maintenance of accelerator tank was performed. Problem resolved.

Problem 3: 14.07.2016: There was low beam line vacuum. The fault was detected and after changing the rough pump oil the problem resolved.

Problem 4: 21.12.2016: Low & high energy Column currents were not equal. The fault was detected through systematic diagnostics. The tank was opened and 03 numbers of spark protection strips were found damaged and replaced. Problem resolved.

Problem 5: 13.04.2017: High energy Column current is zero and low energy column current is less than actual value. The spark protection strips were again found damaged and replaced.

Experiments conducted during the period (by external users):

- Light ion irradiation experiments in recrystallized tungsten foils and W-La₂O₃ alloys P.N. Maya, Prakash Sharma, Shishir Deshpande, P.M. Raole, Asha Atri (ITER-INDIA, *Institute of Plasma Research*, Ahmedabad) This was a part of International Atomic Energy Agency (IAEA) supported program entitled “Ion-Irradiation of Tungsten: Modeling & Experiments” lead by Dr. Shishir Deshpande, IPR in which many premier Indian institutes participating including group from GGV. Results of the experiments are presented by Dr. Shishir Deshpande and Dr. Raole before CRP on Irradiation of W-3rd RCM 27-30 Jun 2017 at Vienna.
- Dr. Lokendra Kumar, Mr. Mulayam Singh Patel and Research scholars (Allahabad University)
- Dr. A.P. Ganaprakash, Vinay hedge, Arshiya Anjum and T.M. Pradeep, Department of Physics, University of Mysore, Karnataka.

5.3.2. Proctorial Board

Discipline is an essential and important aspect for the overall development of any academic institution. The Vishwavidyalaya has constituted a Proctorial Board that is duly approved by the Executive Council. The Proctorial Board assists the Vice-Chancellor in exercising her powers related to disciplinary actions. The members of the Proctorial Board are appointed by the Vice-Chancellor from the Teachers of the University in the manner as prescribed in the ordinance. For the maintenance of discipline and general conduct of the students in the campus, the Proctorial Board takes all necessary steps to maintain the respect of all individual and treat them with human dignity.

To combat ragging and avoid any untoward incidence in the University, discipline committees and anti-ragging committees have been constituted in all schools of the University. On any motion moved by the departmental discipline committee, the board recommends suitable actions to be taken against those found guilty after a primary enquiry. Inside hostels, the administrative authorities appointed by the University maintain the discipline and thus assist the Proctorial Board. Any matter found in violation of the rules is brought into notice of the board for further action. All students are required to submit an undertaking at the time of admission before the concerned head of department to the effect that they will not get involved in any type of misconduct and will abide by the anti-ragging rules.

In case of any report obtained from anti-ragging committee the Proctorial Board conducts enquiry and recommends suitable punishments as per rules against those found guilty. With the assistance of Central Security System of the University, the Proctorial Board maintains the discipline and order during various celebrations like foundation day of Vishwavidyalaya, Guru Ghasidas Jayanti on 18th Dec, Convocation, Election of Student Council and other events/ activities where large gathering of students are common. In this Academic Session of 2016-17, the Proctorial Board has issued more than 6,000 Identity Cards to students of the Vishwavidyalaya.

The University Proctorial Board includes a Chief Proctor and nine Assistant Proctors representing various schools and departments of the university. Professor Pradeep Shukla has been appointed as the Chief Proctor of the Guru Ghasidas Vishwavidyalaya (A Central University) Bilaspur Chhattisgarh. During the year, some of the cases were reported and referred to the Proctorial Board, which were examined and suitable actions were taken in each case which includes suspension from the University, Class or Hostel, expulsion from the hostel and financial punishments.

5.3.4 Residential Facilities Boys' Hostel

Established in 1989, Swami Vivekanand Boys Hostel consists of 228 rooms & total capacity 475, two common halls and one recreation hall. The hostel has provided accommodation to 452 students (Gen.-138, SC-71, ST-24, OBC-209 and PH-Gen.-04, OBC-04, SC-02). For the allotment of room, the hostel strictly follows reservation policy as per rule.

Two separate mess facilities were available for students which were run by hostel students on cooperative basis. Facilities such as cycle stand, reading room, common-hall, recreational hall, and sports facilities like table tennis, carom board, badminton, etc. are available. Five water coolers, each equipped with water filter devices, are available at convenient locations.

One new boy's hostel (make-shift) "Type IV Boys Hostel" located at new residential campus was established in 2012.

The hostel has provided accommodation to 124 students (Gen.-37, SC-26, ST-13, OBC-43 & PH Gen. 05). This Hostel has been specially allocated for B.Tech. 1st year students. Separate mess facility is available for residents of Type-IV Boys Hostel. Facilities such as cycle stand, reading room, common-hall, recreation hall, two water coolers equipped with water filter devices and Sport facilities like carom board, chess etc. are also available.

Apart from these, one more separate hostel is also available in the university for students of forestry department exclusively. Presently forestry hostel has provided accommodation to 33 students (Gen.-11, SC-06, ST-01, OBC-15).

Activities:-

On 20th April, 2017 'Hostel Annual Day-Aarohan' was celebrated which included sports activities like- Cricket, Football, Badminton, Athletics, Chess, Tug –of- War, Table- Tennis, Volleyball followed by cultural programmes

in the evening.

One hostel library is also available in the hostel, which has been developed through donated books of the university members by organizing book donation camps under the program, "PRAYAS". In this library, books are collected every year by the students of hostel through donations from students, teachers & officers of the university.

Girls' Hostel

The University Girls hostel was established in 1989 to provide accommodation to the girl students. Since then, the hostel facilities have been improving every year. Our main aim is to provide calm, safe, educational and family atmosphere to hostellers so that they can fulfill their dreams for their bright future. The hostel provides accommodation to 432 girl students. The category wise total number of girls accommodated in the hostel is Gen-147, OBC-159, SC-57, and ST-32 in the academic session 2016-17.

Existing Facilities and Developing Facilities:

- Every year the existing facilities are upgraded in hostel as and when required.
- Cleanliness and other infrastructural maintenance like timely white wash, paintings are ensured.
- In spite of already existing facilities like mess, medical aids, proper security, TV rooms, Hindi and English news papers etc., the hostel is also equipped with internet connection and wi-fi facilities.
- Two Fax machine are available in the hostel so that the hostel inmates can receive parents' permission for going outside and receive other urgent document at any time.
- All wings of the hostel are provided with separate water cooler attached with water purifiers for cool and purified water.
- We have provided induction heater in all wings for boiling and cooking the necessary food items to hostel inmates for 24 hours.
- Generator facility is also available in the hostel.
- Beautiful garden and greenery along the hostel boundary adds to the aesthetic beauty of it.
- Facilities for outdoor and indoor games like badminton, table tennis, carom and chess are available in the hostel.
- Two Chhattisgarh Government home guards (lady) have been placed for day and night care of the hostel inmates.
- The approach road towards C-Wing of the hostel has been constructed by Fabre block tiles.
- Gardens are facilitated with swings and beautiful fixed chairs for the purpose of recreation to hostel inmates in their leisure time.

Rangoli Competition on the eve of Independence Day

Girls Participating in Independence Day Programme

Extra-Curricular Activities:

- Several extracurricular activities have been organized in the hostel from time to time for socio-cultural exchange, recreation and overall personality development of the hostellers.
- 15th August was celebrated by the hostel students by participating in an 'Independence Run' organized by the University. A 'Rangoli Competition' was also organised and was participated in by the students prior to the Independence Run.
- A very special program of 'Ekta Daud (Run for Unity)' was conducted by the University in the centre of Bilaspur city (Nehru Chawk) to celebrate 'Sardar Ballavbhai Patel Birthday' with great respect which was followed by a general meeting in police ground, Bilaspur city.
- Another special program of 'Deepanjali (Balidaan ko deepdaan)' was also conducted on 27 Nov, 2016 to pay our homage to the 'Shahid Jawan in Uri massacre in 2016' where 21000 diyas were lit up to remember their glory.

5.3.7 UDAAN–The Official Students' Magazine

On paper, UDAAN is the annual official university magazine of Guru Ghasidas Vishwavidyalaya, Bilaspur, C.G. solely created by the students of the university, including everything from the content creation to the final presentation. But in reality, it is much more than that. Each year, a talented set of 60 students from across the university assemble and work throughout an academic session.

Here are some of the brilliant things that sum up UDAAN:

- The biggest platform that unites over 6000 students from across the university.
- Creating a nurturing platform for the literature, art and culture for the students.
- Teaching the students the art of Organizational Behavior and Management as they have to work rigorously to create the magazine.
- Setting a benchmark in the field of University Magazine across the nation.
- Organizing workshops to teach students the art of magazine making and design.
- Covering all the university events with photography and journalism.
- Decorating and enhancing the youth atmosphere of the university.
- Highlighting the talent of the students by featuring them, making videos, etc.
- In the last issue, that is Season 6, UDAAN collaborated with Prakash Garg, India's first ever NBH Award for Art winner at Bahrain, UAE.
- Also, with the addition of articles in regional language like Chhattisgarhi and Bangla, UDAAN stepped up the game even more.

Overall, if the university is a golden bird, UDAAN is definitely its crown.

COMMON FACILITIES

6. COMMON FACILITIES

Since it's up-gradation to a Central University, Guru Ghasidas Vishwavidyalaya has made a number of concerted efforts to develop new support services and strengthen the existing ones. A brief description is as follows:

6.1 ACCOMMODATION

Jawahar Atithi Griha

The Vishwavidyalaya Guest House, located amidst lush green surrounding and pollution free environment, has 16 well-furnished and air-conditioned rooms to provide comfortable stay to visitors to the Campus at a reasonable charge and 01 air conditioned conference hall for meetings. To serve delicious vegetarian food to the guests at reasonable charges, a well-equipped kitchen operates within the guest house premises. At present, all the rooms are equipped with television with DTH system. Refrigerators have been installed in 08 rooms. Four VIP rooms have now been equipped with direct dialing telephone facility.

Forestry Guest House

The Forestry Guest House was established with a grant-in-aid received from Indian Council for Forestry Research and Education (ICFRE), Dehradun. It has 31 rooms. The guest house is surrounded by different forest tree species. The guest house provides temporary accommodation to visiting teachers, research scholars and students. The guest house has a well-equipped modern gymnasium. All the rooms are well furnished. Presently, the forestry guest house has been temporarily converted into a girls' hostel to meet the increasing demand of accommodation for girl students.

New International Guest House

The International Guest House is constructed with a grant-in-aid from UGC XI plan. It is newly constructed building with G+ 2 floors. It has five VIP suites, 38 rooms, one party hall and Gymnasium. It is located at the elevated southern area of campus and surrounded by the lush green area.

Residential Facility for Employees

The University extends residential facility to its employees. Presently, there are 60 staff quarters for different categories of non-teaching staff of the University. The staff colony is very well connected by roads with well-lit avenues. The colony is surrounded by lush green trees and has a pleasant environment. A 'Kali' temple built near the quarters provides a space for peaceful meditation and for occasional social celebrations. Residential facilities for employees in the campus are as follows:

| S. No. | Type of Residence | Number of Houses |
|--------|-------------------|------------------|
| 1 | Type I | 02 |
| 2 | Type II | 48 |
| 3 | Type III | 48 |

6.2 AUDITORIUM AND CONFERENCE HALLS

Rajat Jayanti Sabhagar (Silver Jubilee Auditorium): To commemorate Silver Jubilee Year (2007) of the University, a centrally air-cooled auditorium with a seating capacity of about 800 persons was constructed. Apart from annual events, such as, convocation ceremony and celebration of Guru Ghasidas Jayanti, Central

University Foundation Day and Teachers Day, a number of cultural programmes, seminars, discussions and lectures are hosted in the auditorium.

Conference Hall (with Smart Class facilities) Located in the administrative block of the university, the fully air-conditioned conference hall can accommodate up to 100 persons. The conference hall is a multipurpose venue for holding meetings, seminars, workshops, Ph.D. viva-voce and various co-curricular activities and is equipped with all the latest audio-visual facilities.

Mini Conference Hall In addition to the main conference hall, an air-conditioned mini conference hall is located on upper floor in the administrative block of the university with a seating capacity of about 40 persons.

6.3 CENTRAL LIBRARY

The Central Library was established in the year 1984 as a part of the University to meet the academic needs and requirements of the students, teachers and research scholars. It is housed in a spacious building, having seating capacity of more than 500 persons at a time. Its collection comprises of 1, 44773 books, Indian and foreign scholarly journals and 1438 Ph.D. theses. The library uses SOUL 2.0 software for automation and to access the e-resources, free Internet and Wi-Fi facilities have been made available to the users. The library provides RFID based services as well as reprography to users along with Current Awareness (CAS) and SDI services.

Services and Facilities:

- Borrowing
- Inter-Library lone
- Translation (On demand)
- Reprography
- Reference and referral both
- Internet
- OPAC
- Wi-Fi (within the campus area)
- RFID based circulation service

Achievements:

- 11463 Printed books and 1095 e – books were added during 2016-17.

6.4 CAFETERIA

The University Cafeteria in its present form came into existence in 2009. It is managed by a team of dedicated teachers, non-teaching staff and students. The Cafeteria is successfully catering to the daily needs of the university community. The Cafeteria remains open on all working days from 8.00 a.m. to 7.00 p.m. On special

occasions, the cafeteria opens on holidays too. Devbhog-the upfront brand of Chhattisgarh State Cooperative Dairy Federation has opened a counter at adjoining part of the Cafeteria which provides quality milk and milk products at the most reasonable prices to the students and staffs of the university.

New cafeteria Building with G+1 floor is constructed with grant-in-aid from UGC XI plan. It is situated behind university auditorium. It has one big cafe-seating hall of 25m x 16m at ground floor. There are five big halls on the first floor, the total built up area of the cafeteria is 1005 sq.m.

6.5 CENTRAL SECURITY SECTION

The University is spread over more than 656 acres of land, which houses a number of buildings, laboratories, residential apartments, guest houses, hostels, forest lands with precious species of trees and water bodies. To maintain security of this widely spread campus, university created Central Security Section. The Central Security Section comprises of one in-charge, one assistant security officer and five security supervisors. It works under the University administration and is responsible for the security of the campus. For this, the University campus is divided into four sections – the North, the East, the West and the South. Every zone is looked after by Assistant Security Officer and Security Supervisors and the Assistant Security Officer inspects each zone from time to time. The coordination between the University administration and contractual security agencies is also maintained by the Central Security Section. The duties of the Central Security Section also include: regulating traffic inside the University campus, systematizing parking facilities and assisting the Proctorial board in maintaining discipline in the campus.

6.6 HEALTH CENTRE

Health Centre is located in the centre of the University Campus. Health Centre has a Male Ward, a Female Ward and a Pathological lab and caters to the needs of the students, residents of the campus and employees of the University. One Medical Officer along with assisting staff compounder, ANM (Female) and Ambulance driver is posted at the centre. From time to time, specialist doctors visit the Health Centre. At the same time, patients requiring further treatment are referred to Medical College (CIMS) or Apollo Hospital. All the medical facilities, treatment and medicines for students and employees are provided free of cost. A total of 10,868 patients were examined and treated at the health centre during the session. The Health Centre has an Electro Cardio Grapy (ECG) Machine and a chemical Blood Analyser for carrying out various blood tests. The Health Centre also provides twenty four hours ambulance services and doctors on call are available round the clock. The Centre also has limited in-patient facility.

6.7 INTERNAL QUALITY ASSURANCE CELL (IQAC)

Internal Quality Assurance Cell has become one of the major mechanisms for quality assurance within the university system. The IQAC was reconstituted in the University in April 2016 for planning, guiding, monitoring, quality assurance and evaluating the quality improvement as well as for further enhancement of quality. The committee held its first informal meeting on Aug. 25, 2016 and took several resolutions for quality improvements. The academic plans of various departments were accordingly collected and presented to the Development Section for further implementation. The exercise of student's feedback was also undertaken with the help of identified faculty members for the odd semester of 2016-17. A proposal for review of academic achievements at departmental level and consequent plan of action to revamp the academic quality has been submitted to the University.

6.8 MEDIA CELL

The Media Cell of the University is functional since October 2009, which works as a window of the university to the society. Its main objective is to act as a liasioning agent in the University-society-media interface. One of its main functions is to send news and information to the media on behalf of the University. Apart from sending

news and information it also reports different events and activities inside the University.

The present Media Cell comprises of a Professor as In-charge, Public Relation Officer and other members who are nominated by competent authority from time to time. Presently, the Media Cell office has its executive office situated in the Administrative Block and is facilitated with latest configuration desk top computer with internet facility, printer, scanner, laptop etc. which is looked after by PRO.

The Cell also stores news items published in different newspapers related to the University. The Cell has its documentation centre where photographs and videos of the Vishwavidyalaya are stored in print as well as in digital version. It provides the soft and hard copies of news items and photographs of different events as and when required. The Cell has its own digital still camera with video recording for coverage of events and activities of the Vishwavidyalaya. The documentation centre of the cell helps the University, departments, staff and students to get the video and photographs according to their needs.

6.9 OFFICIAL LANGUAGE CELL

The Official Language Cell was established in Guru Ghasidas Vishwavidyalaya in 2009 working as an independent cell. The objective of Official Language Cell is to follow the Official Language Act 1963, Rule 1976 and Official Language Policy in the university as well as to ensure the implementation of the policy and guidelines of Official Language Department, MHRD, GOI as directed from time to time. It is remarkable that our university is in 'Ka'- region. As per guidelines, an official language committee has been constituted under the chairmanship of the Vice-Chancellor. For review of the use of Hindi as an official language, this committee meets once in every three months. Official Language Cell is committed to implement Official Language Policy in the university. As per Official Language Policy all the name plates, notice boards and seals have been made bilingual. All the forms and documents are also being made bilingual.

Achievements:

In collaboration with UGC-MHRD, a one-day training workshop was conducted on November 26th, 2016 for the employees of the university giving information and mode of functioning of Rajbhasha Policy, in which 39

Celebration of Hindi Diwas

Shri Laxman Masturia giving speech during Matribhasha Diwas

employees participated. This office translated the Statutes and Ordinance from English to Hindi. Official Language Cell also organized a program on 14 September, 2016 on the day of Hindi Divas. On this occasion, lecture was delivered by senior author, writer and columnist Retd.(IAS) Dr. Sushil Trivedi on the topic 'Media Mein Hindi Ka Bdalta Swarup'. On February 16, 2017 Official Language Cell organised a Kavya Goshthi. Dr. Raj Malkapuri (Bilaspur), Shri Banshidhar Misahra (Bilaigarh), Shri Krishn Kumar Bharteey (Chicholi, Nandghat), Mrs. Rashmi Gupta (Bilaspur), Shri Devendra Parihar (Mungeli) and well renowned folk artist Shri Laxman Masturiya participated in this goshthi. Hindi officer Akhilesh Tiwari participated and presented a research paper in All India Rajbhasha Sangoshthi, dated March 19 to 21, 2017 held in Mahatma Gandhi International

Hindi Vishwavidyalaya Vardha (MH).

6.10 POST OFFICE AND BANKING

The residents and students on the campus have been provided with banking and communication facilities. The Post Office, Bank of India and the Punjab National Bank are rendering these services. The Post Office is located near the west corner of the University premises and offers services such as, 'Speed Post' service, telephone bill depositing and other facilities. A new electronic telephone exchange has also been established on the campus. The State Bank of India and the Punjab National Bank ATMs are located on the campus and are available round the clock; however, ATM of Bank of India is available only during banking hours as it is within the office.

6.11 RIGHT TO INFORMATION (RTI) CELL

Right to Information Act 2005 has been implemented in the University. During 01 April 2016 to 31 March 2017, 218 RTI applications were received. The applications were sent to the concerned Public Information Officers for providing the information to the applicants. During the period, 50 applications for first appeals were placed before the First Appellate Officer for disposal.

RTI Cell regularly sends the monthly report to the Ministry of Human Resource Development and Central Information Commissioner for information. Under RTI annual return information system, quarterly return is also uploaded on CIC website well in time in every quarter.

6.12 SPORTS FACILITIES

The Physical Education and Sports Department of the University provides and maintains the sports facilities on the campus. The existing sports facilities include, two floodlit basketball courts, Volley Ball courts, Cricket, Tennis, floodlights, four Kho-Kho grounds, Badminton courts, Kabaddi courts, Modern Gym, Table-Tennis Hall, Hand-ball ground, Football ground, and Badminton courts in Girls' and Boys' Hostels. These facilities are used by the students, teachers and employees of the campus for their regular sports activities and also for organizing special sports events and competitions at various levels. Training by specialized coaches is provided to the students. The construction of a swimming pool of Rs. 1 Crore is in progress.

6.13 SCHEDULED CASTE (SC) / SCHEDULED TRIBE (ST) CELL

The University has established a SC/ST Cell as per the UGC guidelines in November 1988. The Cell provides assistance to the SC/ST students to receive scholarships as per the government rules and also deals with their problems regarding this. The Cell also observes the reservation policy pursued by the academic departments with regard to admissions. The main objectives of the Cell are:

- To assist the SC/ST, OBC, minorities and physically challenged students from Chhattisgarh as well as outside C.G. states in getting scholarships.
- To document the details of the SC/ST, OBC, minorities and physically challenged students.
- To help the students through counseling.
- To liaison with the government officers at the district and state level in and outside state Chhattisgarh regarding various scholarships.

Reservation and Relaxations Specific to Admission

In accordance with the policy of the Government of India and the guidelines of the University Grants Commission, the University has reserved 15% of seats in each course for candidates belonging to the Scheduled Castes and 7.5% for the candidates belonging to the Scheduled Tribes, with a provision for interchangeability between the categories, wherever necessary 27% seats are reserved for the candidates belonging to OBC category. The relevant certificate for OBC has to be obtained from the same authorities as

mentioned for SC/ST categories. Admission against these seats is provided after the candidate has passed the qualifying examination and has appeared in the Vishwavidyalaya Entrance Test (VET).

Government of India Scholarship

The University provides Government of India's SC/ST Welfare Scholarships to the eligible SC and ST students of the University. The scholarships include reimbursement of admission, tuition, examination and hostel fees on annual basis. The number of students who applied for the scholarship is as follows (from 1st April 2016 to 31st March 2017).

| S.No. | Year | Category | No of Students |
|--------------|---------|----------|----------------|
| 01 | 2016-17 | OBC | 1200 |
| 02 | 2016-17 | SC | 604 |
| 03 | 2016-17 | ST | 360 |
| Total | | | 1764 |

6.14 STD/PCO AND PHOTOCOPYING CORNER

These facilities are available on the campus, one in the administrative building premises and another in the Central Library building. The photocopy centre provides photocopying at subsidized rates as prescribed by the University. Along with photocopy, telephone and FAX facilities are also available. These corners also sell stationary items at reasonable rates.

6. 15 TRANSPORTATION

With the addition of many new courses and consequent increase in the strength of students, a strong need was felt to increase the existing transport facilities. to meet this requirement, University buses regularly ply between selected locations in the city and the University throughout the day.

6. 16 UNIVERSITY INSTRUMENTATION MAINTENANCE FACILITY

IMF has been established in the University with financial assistance from UGC. The purpose is to provide instrumentation training, maintenance of general purpose electronic instruments in the University, and to assist in maintaining and upgrading the undergraduate and postgraduate laboratories. The Centre organised a one-week training programme with technical assistance from Western Region Instrumentation Centre (WRIC), Mumbai.

6. 17 INTEGRATED UNIVERSITY MANAGEMENT SYSTEM (IUMS)

An E-governance initiative for online integrative academic, administrative & financial processes: In order to transform the campus environment from conventional to smart ICT enabled online digital campus, an Integrated University Management System (IUMS) has been developed for the University by Indian Telephone Industries (ITI) which was inaugurated by Prof. Ved Prakash, Chairman, UGC on 20-4-2013. The system has been executed for making academic and administrative processes online and automatic including smart class rooms. Many of the 21 modules which were designed under IUMS are activated. These modules are executed after data/ server room was prepared as per specifications for installation of the IUMS. The admission process for the session has been done successfully. Some of the IUMS modules are as follows.

The following modules are currently activated under IUMS:

1. Financial Accounting: It takes care of all financial accounting related work of our university.
2. Academic Module: Offers online services for admissions, enrolment, student databases, course structures etc
3. Examination Module: Creates database of all enrolled students, their records of examinations, result

- processing, etc.
4. HRMS Module: All processes related to employees for establishment section.
 5. Employee's Portal- provides online access to the employees to their service related information such as salary, pay slip, service book and offers services such as leave applications, loans, advances, etc to be requested online.

 7. Student Portal: It is separate portal for University registered students. It provides several facilities to students like student profile, subject registration, subject card, result, teacher feedback, online challan/fee payment etc..
 8. RTI Module: tracks and processes all RTI related applications and keeps records of such applications including the action taken on each one.
 9. Legal Module: Provides online access to all legal cases and the status of each case related to the University.
 10. Hostel: It takes care of student hostel allotment related work like availability, allotment, fee, student
 11. Court Cases Monitoring System (Legal): It provides all legal cases history record management and related MIS
 12. Bill Management: It provides facilities to store and finance section to bill payment related work and related MIS.
 13. Inventory: It provides facilities to store section related work.
 14. Pre Admission: It takes care of new students' (VET & VRET) admission process in separate portal as per notification. All admission related information like brochure, notification, advertisement, details of seats, policy, new student registration, on line form submission with on line payment facility, course wise roll number generation, all type of related report information are available.

The stakeholders including University teachers, officers, employee and students are motivated to use IUMS for MIS and to move as early as possible to realize the goal of paperless University.

6. 18 UNIVERSITY PRESS

The University Press was established in 1989 as a laboratory of the department of Journalism and Mass Communication. At present, the press is delivering the printing tasks of almost all the necessary works of the University i.e. printing answer booklets, examination application forms for the main and supplementary exams using the rulling machine as well as in the offset printing machine available in the press. The University Press prints the answer booklets for the theory and the practical examinations and also various proformas which are used at examination centre and proformas related to various departments and office sections of the University.

IMPLEMENTATION OF VARIOUS UGC/ MHRD/ GOI SCHEMES

7. IMPLEMENTATION OF VARIOUS UGC/ MHRD/ GOI SCHEMES

7.1 ANTI –RAGGING COMMITTEE

- In the last academic session (2016-17) 5835 students of different departments have filled the online anti-ragging undertaking.
- The university members of the committee belonging to different schools make frequent visit to their respective schools to ensure ragging free campus and remain in touch with the respective heads of the departments.
- The coordinator of the committee holds a meeting of all the members in the campus from time to time to enquire about the actual facts and to ensure a ragging free environment.
- E-mail address gguantiragging@gmail.com and the phone numbers of responsible members are given in the university website so that students can contact the committee members in case of ragging.
- The entire session remained ragging free.

7.2 ANVESHAN 2016-17 ORGANIZED BY ASSOCIATION OF INDIAN UNIVERSITIES (AIU)

The Association of Indian Universities (AIU) organized **Anveshan**: Student Research Convention, a pioneering initiative to identify and nurture the research talent among the young researchers in the country was organized in three phases, first at University level, second at Zonal level (East, West, North, South, and Central) and the final one at **National Level**. These events were competitive in nature in which innovative and unconventional research proposals were invited in five areas/fields viz., Agriculture; Basic Sciences; Engineering and Technology; Health Sciences and Allied Subjects- Pharmacy, Nutrition etc.; Social Sciences, Humanities, Commerce and Law (Objective and Result Oriented Projects).

As per the direction of AIU, GGV, Bilaspur organized the first phase i.e. University level event of AIU Central Zone Students Research Convention: *Anveshan*, on 15th February 2017 at University Auditorium. Total 22 projects were submitted by the participating students from all the areas out of which only five projects were selected for the zonal level event.

Mr Saikat Panda, Ms. Arpita Pathak and Ms. Deepika Jaiswal , Mr. Palash Ghosh and Mr. Akshay Kumarat at National Level Student Research Convention Anveshan 2016-17, Annamalai University, Tamilnadu

The Central zone competition was organized from 28th February 2017 to 1st March 2017 at Dr. C.V. Raman University, Kota, Chhattisgarh. In this event, 35 universities from the central zone participated and about 50 projects were submitted in all five areas of research. The projects displayed by the students of GGV secured third position in three categories as given below and they became eligible to participate in National Level Students Research Convention Anveshan 2016-17.

- From the Basic Science category Ms. Preeti Verma , a student of Botany, presented her work on 'Microbial Bio-formulation for Better Crop Production'.
- In Social Science category Mr. Saikat Panda of Economics, Ms. Arpita Pathak, a student of Rural Technology and Ms Deepika Jaiswal, a student of Law presented their work on 'e-Waste Recycling and its Benefits'.
- The third selected project was from the Health Science category presented by Mr. Palash Ghosh and Mr. Akshay Kumar, students of pharmacy on 'Development of Economical, Herbal Portable Fogging Machine'.

Prof. Anjila Gupta, Vice-Chancellor interacted with the students selected for participation in National Level competition, on 2nd March 2017 and congratulated them on their success. She emphasized on promoting applied research and patenting and commercializing the outcomes of such works. Prof. B.T. Tiwary, Registrar, GGV Bilaspur also appreciated the performance of GGV students at Zonal level competition and wished them success for the next level of competition. On this occasion Program Coordinator Prof. Shailendra Kumar, members of the Coordination Committee Dr. S.K. Sahi, Dr. D.K. Pal, Dr. Raghwendra Thakur, Dr. Prasentjit Panda and the students were present.

7.6 EQUAL OPPORTUNITY CELL (EOC)

Equal Opportunity Cell has been established in Guru Ghasidas Vishwavidyalaya to provide coaching facilities for weaker section including SC, ST, OBC (Non creamy layer) and minorities. Three different coaching schemes viz., NET (CSIR/UGC) coaching, remedial coaching and competitive examination coaching were organized during the period. The classes of UGC and CSIR NET coaching were arranged in four departments namely: Biotechnology, Physics and Mathematics and Chemistry departments. Twenty experienced and NET qualified faculty members delivered lectures in the CSIR coaching classes while ten faculty members from education, history and other subjects delivered lectures during the UGC NET coaching classes.

Objectives

- To create awareness about the NET (CSIR/UGC) coaching, remedial coaching and competitive examination coaching among the students.
- To provide a suitable platform and skills, to qualify the NET and other exams.
- To organize and conduct seminars, workshops etc. related to enhancing employability.

Achievements: Nearly 441 students were registered for UGC and CSIR NET Coaching.

7.7 GENDER CHAMPIONS

Gender socialization of both boys and girls begins early, and it is important to initiate change processes at a young age to shape attitudes and transform behaviors. Schools and colleges play a major role in this regard, because students spend large amounts of time engaged with peers in such settings. Creating positive social norms in educational institutions that value girls and their rights is important to improve the well-being of girls and achieve long-term and sustainable social changes.

Vision

Gender Champions are envisaged as responsible leaders who facilitate an enabling environment in academic institutions where girls should be treated with dignity and respect. They will strengthen the potential of young girls and boys to advocate for gender equality and monitor progress towards gender justice.

Objectives

- To provide an integrated and interdisciplinary approach to understand the social and cultural constructions of gender that shapes the experiences of women and men in society.
- To make the young boys and girls gender sensitive and create positive social norms that value the girls and their rights.

In order to promote and achieve gender equality, guaranteed by Article 15 of the Indian Constitution, it is needed to change the mode of interaction at all levels viz. home, school, and work-place. In order to increase the outreach for creating an environment that fosters equal treatment, Gender Champions, boys and girls both, above 16 years of age, were enrolled in the university.

7.8 GGV-ALUMNI

Alumni of Management studies participated in the admission process of MBA admission for session 2016-17. Alumni of School of Engineering and Technology participated in Tech Fest 2017. Mr. Manish Dixit (Mechanical Engineering) delivered a talk on “**How to prepare for Campus placement**” and shared his industrial experiences with the students. One of alumni Mr. Shubhans Vatsyayan (Computer Sc. & Engineering) donated 10,000/- (Ten Thousand only) for Tech fest.

7.9 GLOBAL INITIATIVE OF ACADEMIC NETWORKS (GIAN)

During Phase-I of GIAN, five proposals were submitted from the University, out of which only one proposal submitted by the Department of English & Foreign Languages was approved and sanctioned an amount of Rs. 8.16 lakhs by the National Coordinator GIAN. The course was successfully conducted by the course coordinators Prof. Manish Srivastava and co-coordinator Dr. Anurag Chouhan during 11-22 July, 2016. Dr. Wajuppa Tossa, Associate Professor of Western Languages & Linguistics, Mahasarakham University, Thailand, Prof. Z.N. Patil (Pune) and Prof. R.N. Rai (BHU) from India delivered lectures during this course. A total 33 participants from different parts of the country including those from GGV participated in this course. Based on the presence and performance, the participants were awarded with 02 credits.

The National Coordinator, GIAN of MHRD has announced the schedule for submission of proposals under GIAN Phase-II. The initial dead line for submission of proposals was 31st December 2016. Later on the dead line was extended to 15th March 2017. Under this Phase-II, total 10 proposals were submitted as below:

| S.No. | Faculty Name | Department | Foreign Resource person | Proposed dates of course |

7.10 INCUBATOR CELL

Incubator Cell of GGV was established and has been actively working since Feb. 2015 for the promotion of the activities related with patents, technology transfer from lab to land and lab to Industry. The ten members Incubator Cell Committee headed by the Nodal Officer, Prof. Vinod D. Rangari, look after the working of the Cell.

The Incubator Cell successfully organized two days Workshop on “Intellectual Property Rights, IP Commercialization and Prevention of Plagiarism” in collaboration with Chhattisgarh Council of Science and Technology (CGCOST), Raipur from 26-27 Feb. 2016. After the above IPR Workshop, the Incubator Cell worked for further promotion of the IPR related awareness among the researchers of the university. The brief details of the activities done by the Incubator Cell are as follows:

1. In order to promote collaborative research with CGCOST, Incubator Cell of the University has taken initiative to organize IP Clinic in the month of April, 2016.
2. Prof. Rangari, Nodal Officer, Incubator Cell, received an invitation from Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, dated 20 April, 2016 for attending the Investor-Inventor Meet to be organized jointly by MSME, Development Institute, Mumbai and Office of Controller General of Patents, Designs and Trademarks (CG-PD&T), Mumbai on 25th May, 2016 at MSME, Development Institute, Mumbai. This meet was organized to provide inventors an opportunity to present their inventions before the investors for commercial applications.
3. The Incubator Cell organized 'IPR Clinic' on 8th Sept. 2016, at Institute of Pharmaceutical Sciences, in collaboration with the Chhattisgarh Council of Science and Technology (CGCOST), Raipur. The Incubator Cell received a total of 26 proposals from research scholars and faculty members of various departments of the University. The IPR Clinic was visited by Dr. Amit Dubey, Senior Scientist, CGCOST, Raipur as an expert. During the 'IPR Clinic', the experts from CGCOST gave detailed guidelines to the individual researchers on the basis of their research work. Researchers who proposed to file the patents have been further asked to submit their enquiries with at least 10 key words for further patent search in this regards.
4. After the successful organization of the IPR Clinic in the University, the Incubator Cell has collected

information about the most viable research works to be further forwarded for Patent survey to the office of the Council of Science and Technology (CGCOST) Raipur, to check its further viability for the patent application.

| N. | Title of the proposed patent | Researchers & Department |
|----|---|--|
| 1. | Synthesis and uses of Novel biphenylthiazolidine 2, 4-dione derivatives and a process there of. | Dr. S. Thareja Sant K. Verma et.al. (Pharmacy) |
| 2. | Thermostable, heavy duty herbal formulation for enhancing self-life of Fruits. | Dr. S. K. Shahi (Dept. of Botany) |
| 3. | Broad range thermostable herbal preparation for dandruff. | Dr. S. K. Shahi (Dept. of Botany) |
| 4. | Broad spectrum herbal composition for superficial fungal infections. | Dr. S. K. Shahi (Dept. of Botany) |

The most viable proposals which have been forwarded are as follows:

- Four projects which were forwarded for the patent search to the office of the Council of Science and Technology (CGCOST), Raipur, were scrutinized on Nov. 17 and further sent to TIFAC, DST, New Delhi. The patent information was further scrutinized at the office of TIFAC, DST.
- TIFAC asked for detailed information from CGCOST, Raipur on the proposals of the research work entitled,
“Synthesis and uses of Novel biphenylthiazolidine 2,4-dione derivatives and a process there of”, submitted by Dr. S. Thareja and Co-workers from the Institute of Pharmaceutical Sciences.
- All the details on prescribed format and declaration from the Principal Investigator were communicated to the TIFAC office.

Progress Report on Patent Application:

- Research Project Funding: Research fellowship granted to Mr. Sant Kumar Verma, Institute of Pharm. Sciences by ICMR, New Delhi.
- Title of the Patent Application: “Synthesis and Uses of 5 Benzyldiene -Thiazolidine - 2,4 - Dione Derivatives”.
- Name of the Inventors: Dr. Suresh Thareja, Mr. Sant Kumar Verma, Akhilesh K. Jain and Prof. T. R. Bhardwaj

Mr. Sant Kumar Verma received No Objection from the funding agency ICMR for the patent application. The patent application is in a final process of filing at the Indian Patent Office, New Delhi.

7.11 INDUSTRY INTERFACE CELL (IIC), GGV

Bachelor of Pharmacy VIII semester students visited local Pharmaceutical industry under the guidance of the Industry Interface Cell (IIC) to have an interaction by exploring the possibilities of cooperation and collaboration between the local industries and Guru Ghasidas Vishwavidyalaya. The team members viz., Dr. Dilipkumar Pal, Nodal Officer, IIC, GGV, Dr. Neeli Rose Beck, Asst Professor, Dept of Pharmacy and 48 students of B. Pharm VIII semester 2016-17 visited M/s Ayurved Health House and observed minutely the medicinal plantation done in the factory premises. The details of medicinal plants with their cultivation process and medicinal uses were descriptively narrated by Shri Aniruddha Agrawal, Director. The production process of various Ayurvedic products was also observed by the members. It was followed by a discussion on scope

A visit to local Pharmaceutical Industry

Managing Director of Ayurved Health House Mr. Aniruddha Agrawal describing about Medicinal Plants

for mutual cooperation, consultation and collaboration, particularly in the area of testing of medicines, isolation of phytoconstituents, development of new drugs & dosage forms, popularization and awareness of ayurvedic medicines.

7.12 INNOVATION CLUB

The Innovation Club of Guru Ghasidas Vishwavidyalaya is sincerely engaged to find out the innovative ideas and its result for welfare of society.

Innovation Club members: Prof. S. S. Singh, Nodal Officer, Department of Forestry. Other members are Prof. Shailendra Kumar, Department of Civil Engineering, Dr. Alpna Ram, Department of Pharmacy, Dr. Nilakantha Panigrahi, Department of Anthropology and Tribal Development, Dr. Kalluri V.S. Ranganath, Department of Chemistry.

Major activities of the Innovation Club:

- An innovative interaction session with M.Tech I and III semester students of Mechanical and Industrial Production Department was organized at the Institute of Technology on 28.07.2016. Around 24 students of I and III semester participated in the interaction programme. A few students shared their innovative ideas with respect to the low cost sustainable and eco-friendly innovations. They were given innovative task for developing prototypes related to the benefit of rural people of Chhattisgarh.
- Mr. Chetan Verma, a student of M.Tech, Mechanical Dept. made a pictorial presentation on August 5, 2016 before Innovative Club members for "Portable Washing Machine" which can run by paddling based on manual labour. The second paper was presented by Mr. Praveen Kumar, M. Tech, Mechanical Dept., on "Easy Planter device for Paddy plantation" for use in rural areas.
- Techfest (Equilibrio 2017) was organized by students of Institute of Technology in the University during 18-20 Jan., 2017. The Innovation Club members promoted the students who presented some innovative models/prototypes, Robots, etc in various events of Techfest. The members also visited various events of the Techfest for sharing the innovative views with the students.
- The innovation club member Dr. Ranganath and his team has been working on the innovative idea of synthesizing the 5-hydroxymethylfurfural from waste biomass which is abundantly available in Chhattisgarh.
- Dr. Kalluri V.S. Ranganath, Asst. Professor, Department of Chemistry, a member of the Innovative Club participated in the Innovative fair held at Rashtrapati Bhawan on March 8, 2017. Dr. Ranganath has

presented Innovative work on Synthesis of 5-hydroxymethylfurfural which is widely used as a component in the biodiesel, and has been prepared from the biomass using the magnetite nanoparticles.

7.13 MASSIVE OPEN ONLINE COURSES (MOOCs)

The University has approved and adopted the Credit Framework for Online Learning Courses through SWAYAM the Regulation, 2016 in the Gazette of India on 19th July, 2016.

A two day's training programme on "Development of MOOCs/E-content" to our university faculty members was organised on 27-28 Feb., 2017. Prof. K. Srinivas, NUEPA, New Delhi (also an advisor to MHRD on MOOCs) was the resource person. 40 faculty members from different departments participated in this training programme.

7.14 NATIONAL INSTITUTIONAL RESEARCH FRAMEWORK CELL (NIRF)

As per the directives of Ministry of Human Resource Development (MHRD), the University has constituted NIRF Cell in the University to collect, process and present data required for ranking of the University under NIRF. The committee held its first meeting on 21.09.2016 and chalked out the procedure and strategies for data submission for overall category, engineering, pharmacy, law and management. In order to submit the data in various matrices as accurate as possible, various sub committees were formed under the overall supervision of coordination with the member of the committees as In-charge of each category and the NIRF submission was completed successfully. A mammoth exercise was undertaken with the active support of Development Section, faculty in-charge from each school and the members of sub-committees and final draft of the NIRF matric was prepared and successfully submitted for evaluation for overall as well as subcategory rankings in Engineering, Pharmacy, Law, Management and Pharmacy. University has been included in the Ranking for the first time and the SLT Institute of Pharmaceutical Sciences got 35th ranking in that category. NIRF cell also performed the analysis of the published research papers and identified the areas where performance index has been poor. The cell has also made efforts to review the overall strength and weaknesses with regard to the performance parameters in each category in order to improve upon the ranking.

7.19 UNNAT BHARAT ABHIYAN (UBA)

Unnat Bharat Abhiyan is a programme of Ministry of Human Resource Development, Government of India to uplift rural India. UBA programme is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help and build the architecture of an inclusive India. In compliance of MHRD letter dated 24 Aug., 2015 and UGC vide DO No. F.13-13-2015(CU) dated 4 sept., 2015, Vice Chancellor, Prof. Anjila Gupta took initiative and constituted Unnat Bharat Abhiyan Cell in the Vishwavidyalaya. Dr. K. K. Chandra, Associate Professor, Department of Forestry, Wildlife & Environmental Sciences was appointed as Nodal Officer along with 04 other committee members to work for Unnat Bharat Abhiyan. Under UBA, 04 Gram Panchayats (GPs) Pudu, Ringwar, Tendubhata and Umariadadar comprising of 09 villages of Kota Block, Bilaspur, dominated with tribal population have been adopted.

Since adoption of GPs, the UBA team visits these GPs on every Friday interacts with villagers and discusses their problems. At the same time UBA team meets with authorities for the implementation of different schemes in adopted GPs and solutions of village problems. Thus UBA team has played a Vital role in establishing Effective linkages between villages and District Authorities.

- Financial Literacy Camp was organized on 27 June, 2016 at Pachra village of Umariadadar, inaugurated by the Vice-Chancellor. Lead Bank Manager, Chief Manager SBI-Rural, Branch Manager SBI, Ratanpur and PNB Chapora were also present during the programme. The rural people were motivated on benefits of Bank account, Aadhar linkages, Pradhan Mantri Bimayojna, Mudra Loan, Kisan Credit Card etc. About 250 participants of adopted villages were benefitted from this camp. Ten beneficiaries were provided with Pradhan Mantri Mudra Loan for starting of different rural businesses.
- Two health camps were organized jointly with Health Department and UBA team of the University at

Distribution of Seedlings to Villagers and Students under UBA Programme

Computer literacy classes organized in High school Umariadadar under UBA

Umariadadar and Pudu on 4 Nov. and 9 Dec., 2016. Vice-Chancellor, Collector Bilaspur District, Chief Health and Medical Officer and other district level Officers attended and encouraged villagers for health checkup and treatments. In these camps walkers and mosquito-nets were distributed to the elderly and to other villagers. Total 700 villagers benefitted from these health camps.

- UBA team motivated rural people including women and school students in the construction and use of toilets under Pradhan Mantri Swachha Bharat Mission programme. Besides this, UBA team regularly visited and monitored the progress of the mission and as a result, Rigwar Gram Panchayat has been declared Open Defecation Free (ODF) while toilet construction is in full swing in other GPs.
- Due to efforts of UBA, a proposal of High School, Pudu for upgradation to Higher Secondary School has been sent to C.G. Department of Education by district Collector.
- Pradhan Mantri Ujala Scheme was propagated in all adopted GPs and more than 200 families received LED bulb free of cost. Similarly UjwalaYojna has also been promoted in UBA adopted villages. As a result more than 150 families benefitted with LPG connections while more than 300 families have already applied for gas connections.
- Massive plantation drive was initiated during July to September and 15,00 plants of Kathal, Lemon, Amrud, Mango etc were distributed to 200 families of Rigwar, Tendubhata and Umariadadar GPs. Due to efforts of UBA team, State Forest Department, Bilaspur also distributed 20,000 *Eucalyptus* seedlings to 72 farmers under agro forestry scheme in these GPs.
- Demonstration of bio-culture *Trichoderma* was done at two farmers' fields at Pachra in Paddy crop with the objective to promote organic farming in the area. The result was encouraging.
- Attachment of B.Sc. and M.Sc. Anthropology students was done for a 10-day study tour at Umariadadar and Tendubhata GPs in April 2016 and March, 2017, where family level micro data were collected and tribal livelihood and society structure were studied.
- All units of National Service Scheme (NSS) of this Vishwavidyalaya have been attached to UBA adopted village for social works. Total four NSS units' camps of one week duration were camped at Umariadadar, Tendubhata and Pudu GPs in which NSS volunteers have contributed in road maintenance, pond digging, awareness development on health and hygiene, use of toilet and girl education in these villages. One day camp was also organized at Pachra by 50 NSS volunteers.
- Two classes on computer literacy were conducted in Higher Secondary School Pudu and Higher Secondary School, Umariadadar in which 60 students of X class participated.
- UBA team sensitizes and motivates students during their visit to the adopted villages. With the efforts of UBA team and help of Education Department of the University and guidance rendered from Hon'ble Vice-Chancellor, 13 students of B.Ed. III Semester were attached for 2 months during February and March for internship program to Pudu, Umariadadar and Rigwar government schools for teaching works. All B.Ed. students camped in allotted villages and taught the subjects to middle and high

school students.

- One yoga camp was organized jointly with Aayush Department, Bilaspur, during 27 to 31 Jan., 2017 at High School, Pudu.

7.20 YOUTH PARLIAMENT COMPETITION

A two-day workshop was organized in Puducherry on 11-12 Jan., 2017 by Ministry of Parliamentary Affairs in which various coordinators from various universities and colleges of the country were trained for the 14th Youth Parliament Competition. During February-March 2017 a meeting of the cultural coordinators of various faculties was organized and around 55 students from different faculties were selected. After the selection, the students were trained in the matters relating to the Indian parliament and parliamentary affairs. The script for the Youth Parliament Competition was prepared and the students practiced for the competition which is proposed to be held during Aug.-Sept., 2017.
