PREFACE

I take great pleasure in presenting the Annual Report of Guru Ghasidas Vishwavidyalaya for the year 2017-18. The report fosters a glance of the academic and co-curricular activities undertaken during the year. It succinctly reflects the well sustained growth and development of the university after its upgradation as Central University.

During this period the university accelerated with its consummate strategy to enrich the faculty and infrastructure. The information offered in the report on a wide array of research interests, activities, publications and conference papers during the last academic year is a positive testimony of the university's academic and professional bodies and its diverse capacities.

Successful attempts have been made to implement various schemes initiated by the University Grants Commission, Ministry of Human Resource Development and other departments of Central Governmental like setting up of Inspired Teachers' Club, Industry Interface Cell, Product development Cells and *Unnat Bharat Abhiyaan* Cell.

Thought-provoking measures have been taken to keep the campus safe, secure and vibrant with green lands. Various activities were organized to dig out the hidden academic and creative potentials of the students. Students Council Elections were held successfully to bring about the democratic culture amongst the students. Students were also encouraged to participate in community-centric activities including NSS and visits to the nearby villages to campaign against social evils. Hopefully these initiatives will lead to a structured and focused university-society interface in the coming years.

I heartily express my sincere thanks to all those who have worked very hard and effectively for the growth and development of the University. I am convinced that the University will develop as a centre of excellence for higher learning focused on inclusive educational growth in this socially and economically challenged region of the country.

(Prof. Anjila Gupta)

VISION AND OBJECTIVES

VISION

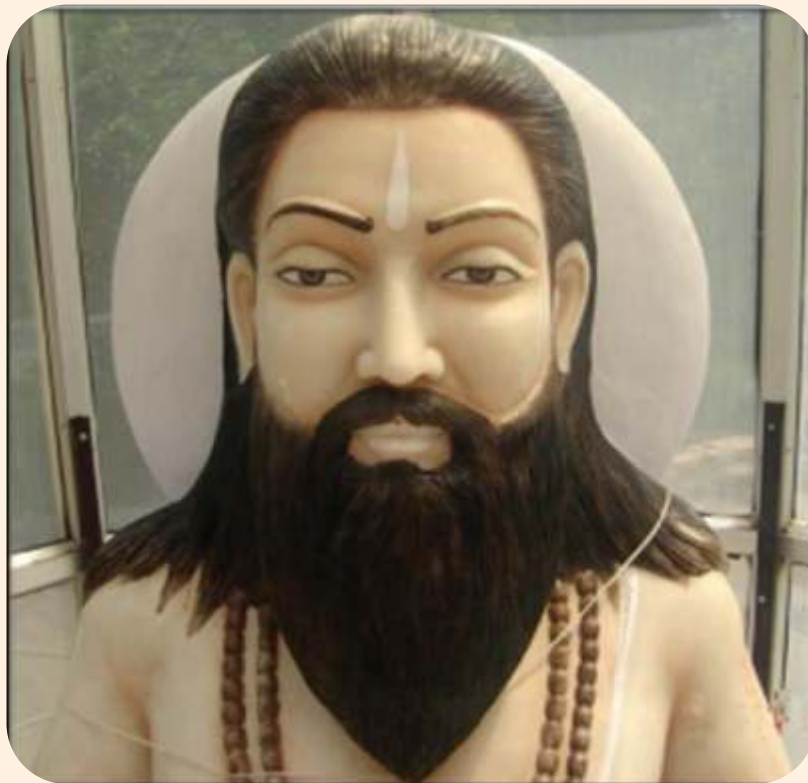

Motivated by the thoughts and teachings of Guru Ghasidas, a great Satnami Saint of 18th Century, Guru Ghasidas Vishwavidyalaya, Bilaspur (CG) is committed to social empowerment, particularly of the weaker sections of the society with the help of quality higher education and training. Focus of the University is on offering and strengthening innovative academic programs in emerging interdisciplinary areas of Science, Social Science and Humanities with quality assurance so as to contribute to the growth of the knowledge base of the University in particular and academia in general. The University aims to provide value-based holistic education which will lead to the growth and development of the community better equipped to serve the mankind.

OBJECTIVES

The objectives of the University are to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for integrated courses in Humanities, Social Sciences, Science & Technology in its educational programs; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train manpower for the development of the country; to establish linkages with industries for the promotion of Science and Technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

INSPIRATION

GURU GHASIDAS

Guru Ghasidas Vishwavidyalaya is named after Saint Guru Ghasidas (1756-1836), a visionary & a social reformer. Guru Ghasidas founded Satnam Panth, a socio-religious sect, which challenged contemporary discriminatory social order and advocated for social equality by refuting the exploitative and hierarchical caste system. With his holistic vision and systematic reforms, Guru Ghasidas contributed significantly in removing the prevailing social injustice and inequality. Satnam Panth believes that truth is God and there is only one God, which is formless (nirgun) and infinite (anant). Individual reformation was brought by prohibiting consumption of liquor and non-vegetarian food. Guru Ghasidas also formulated principles to put an end to cruelty towards animals. The partisans of Satnam Panth have been following these dictates from last hundreds of years now.

After up-gradation of Guru Ghasidas University into a Central University, many steps have been taken by the university authorities to translate Gururji's philosophy into reality. Now, our campus is an alcohol and tobacco free campus. Our vibrant university campus, where students from diverse caste, creed and class come together from all over India, provides an egalitarian environment based on Gururji's teachings.

1. INTRODUCTION

1.1 UNIVERSITY AT A GLANCE

Guru Ghasidas Vishwavidyalaya, established as the state University in 1983, is a residential University, named after Guru Ghasidas, an eighteenth century Satnami Saint. The University was upgraded to a Central University under the Central Universities Act, 2009 during the XI Five Year Plan. The University is an active member of the Association of Indian Universities and Association of Commonwealth Universities. National Assessment and Accreditation Council (NAAC) has accredited the University with a B status in the year 2014.

Guru Ghasidas Vishwavidyalaya is located on the outskirts of the city of Bilaspur, popularly known as *Nyayadhani* (the city of Justice) and *Sanaskardhani* (the city of culture). Bilaspur is a cosmopolitan city, which houses High Court of Chhattisgarh, the headquarters of South East Central Railways and South Eastern Coalfields Limited. The journey of the University began in a humble way with a few departments in temporary buildings in Bilaspur city. Subsequently, it was shifted to the old army barracks of Second World War in the Koni area, located on the left bank of the river Arpa. The University campus is spread over 656 acres of land. Nature has bestowed the campus with unmatched beauty, immaculate blend of green areas and water bodies.

The University offers opportunities to young minds and facilitates the accomplishment of their creative talent with emphasis on character building through various streams of knowledge. The University comprises of 32 University Teaching Departments under 09 Schools of Studies. It offers number of undergraduate and postgraduate programs, besides diploma and postgraduate diploma courses. Admissions to all the programs are made through a competitive All India Entrance Test conducted (VET) by the University. Admissions to the Institute of Technology (IT) and Department of Management Studies are made through All India Engineering Entrance Examination (AIEEE) and Common Management Aptitude Test (CMAT), respectively. During 2017-18 academic session, 6861 students in the teaching departments of the University were enrolled.

Chhattisgarh, formerly an under developed region, is one of the fastest growing states in the country. As an industrial hub, the state requires sizeable pool of skilled manpower. The denizens of this area can tap these opportunities in a better manner by attaining quality education and training. The University has taken extensive steps to transform both teaching and learning process in order to meet contemporary global standards. To boost the quality of teaching, the University has appointed nationally and globally trained faculty members. The University is also committed to meet an ideal student-teacher ratio. To enable ICT based teaching learning process the classrooms are being modernised by installing facilities like LCD projectors, quality furniture and air conditioners. Students are continuously evaluated through internal assessment, assignments and end semester examinations. The transparent evaluation process, where answer-sheets of the internal assessments are shown in the classrooms, helps the students to improve their performance. To maximize student's potential, the University has arranged excellent support facilities including hostels, cafeteria, gymnasium, student amenities centre

and Wi-Fi connectivity and various classes—remedial, spoken English, personality development and free coaching for competitive examinations. The University is committed to guard equal opportunities for students belonging to traditionally marginalised Scheduled Caste, Scheduled Tribes and Other Backward Classes.

Special measures have been taken to provide an environment conducive for over all personality development of students. The Central Library has more than one lac forty thousand books and subscribes to a number of national and international journals. Apart from the Central Library, most of the departments have their own departmental libraries. Excellent sports facilities are available in the campus and hostels. The University has planned to extend sport facilities by constructing a new gymnasium. Throughout the year, many activities are organised including Republic Day, Independence Day, Foundation Day, Education Day, Swami Vivekanand Jayanti, Sardar Vallabh Bhai Patel Jayanti, Teachers Day, Guru Ghasidas Jayanti to make the campus vibrant. Along with sports and cultural activities, students are also encouraged to participate in social outreach initiative of the University. Through these activities, students are encultured in participatory ways of life. International and national level events are organised to expose students to new ideas of eminent persons from all walks of life. The University teaching departments organise fieldwork, industrial visits and educational tours to impart practical knowledge. To inculcate leadership qualities among students, the University has successfully constituted the students' council. The students' council represents all the students of the University.

To face challenges posed by the process of development, the University community is all set to contribute to the larger society through quality research and development in the various areas including energy security, food security, biodiversity management, pollution management, forest management and developmental policy. The UGC Human Resource Development Centre regularly organises orientation and refresher courses, short term Courses & Workshops for the capacity building of teachers and staff. During these courses, expertise of senior faculty members of the University and practitioners from diverse fields is utilised.

In the coming years, the University aims to act as a role model for the Central Universities and simultaneously provide an educational opportunity to the growing number of the students of the region. The University is on the path of realising twin goals envisioned by the National Knowledge Commission; “of making higher education more relevant to the needs and opportunities of a knowledge society” and “to make higher education more accessible to all sections of the society.”

ACADEMIC ORGANS

2.ACADEMIC ORGANS

2.1 SCHOOLS OF STUDIES

The University offers various course programs through 32 Departments under 9 different Schools of Studies. The present set-up of School of Studies and Departments is as follows:

2.1.1 ARTS

The five departments under the School of Arts are English, Hindi, Journalism & Mass Communication, Library and Information Science, and Physical Education. The departments under the School cover a wide range of courses and research interests.

DEPARTMENT OF ENGLISH & FOREIGN LANGUAGES

Established in 1990, the Department of English and Foreign Languages has been endeavouring to provide the students a firm grounding in English studies in a very congenial atmosphere of teaching and learning.

The interest in literary studies can be seen in the growing number of undergraduate students who opt for English as their honours or elective subject. Students aspiring to obtain a post graduate degree in Literature in English get introduced to all the important aspects of literatures written in English. We are also aware of the importance of research. Accordingly, our syllabi incorporate the latest aspects of literary studies and research so as to prepare the students well for research and teaching. The Department is also a recognized research centre with all facilities.

A stimulating ambience in the Department, regular seminars, assignments and special invited lectures on specific portions of syllabus enhance the purpose of imparting quality education. In addition, text reading sessions, group discussion and literary and extra-curricular activities are regularly organized. All this is supported with a well-stacked departmental library, access to reputed journals, and free access to high-speed internet available in the Department. With the availability of all these, the department has become a hub of activities. The students participate actively in extracurricular

activities, and even organize a drama festival 'Abhinaya' every year.

The academic excellence of the faculty members reflects in the continuous publications and

participation in national and international conferences and workshops. The students have also been presenting papers at seminars and conferences and have been appreciated. The number of our students clearing UGC NET has been increasing every year. Teachers have been to and from USA under Fulbright Scheme for teaching purposes. The Department seeks to have further involvement in collaborations for exchange and visit of scholars to and from different national and international institutions. Our recent activities include a workshop in English and communication skills and a course in reading and appreciating literature under MHRD scheme. The Department also arranges for teaching of English and Communication skills to students of various other departments as well as for Remedial English classes, teaching of English in classes for NET, UPSC and other competitive examinations, and also for English teaching in special classes for SC/ST Students.

Our placement record is excellent, with most of our former students teaching in prestigious schools and colleges in various parts of the country. In addition, many of our students are in good positions in administration, media, animation and other diverse fields.

The vision of the department is to establish the department as a centre for continued growth, expertise, and contextual research in English Studies and to develop a deepened understanding of language and literature and the value of critical understanding and effective writing.

The objectives of the department are to develop sensibility in the students for the English language and literature, to incorporate in the teaching-learning process a wide perspective by including works of world literature in the syllabi, promoting research in new areas and on interdisciplinary topics, to make the Department and the classroom a hub for academic activity and for opening up the latent potential of the students so as to develop their personality too, to explore and reach out to academicians, institutions and bodies for research and academic activities, to develop interactions between literary and other forms of cultural production, to enhance students' proficiency in English language skills and to promote interest in and learning of foreign languages.

Activities of the Department

- An eight-day workshop 'Comic Books, Graphic Novels and the Imagination : Autonomies and Synergies' was organized by the Department of English and Foreign Languages from 7 to 15 November. The workshop was under the GIAN Scheme of MHRD. There were 57 participants in the workshop which included undergraduate and postgraduate students, Ph.D. scholars, and teachers as well. The experts were Professor William Kuskin from University of Colorado, USA and Shri Pinaki De, Associate Professor, Calcutta University. The experts imparted knowledge about comics and graphic novels, visual arts and superheroes related to these fields, female-oriented comics, appreciation of these field and critical perspectives etc to the participants. Also, they discussed with the research scholars about research in the field of comics and graphic novels.

Achievements of the Faculty members

- Prof. Manish Shrivastava delivered lecture on “ Communication Skills” in the 18th Orientation Program organized by the HRDC, GGV on 23 may 2017
- Prof. Manish Shrivastava chaired a session of International Conference on Bhrata

Rejuvenation held on October 15-17, 2017 at Guru Ghasidas Vishwavidyalaya

- Prof. Manish Shrivastava delivered key note address on “Recent Development in Digital Literature and its Impact on the Researches in Humanities” in the national conference held at NIT Raipur on 26th November 2017.
- Dr. Anurag Chauhan delivered a lecture titled “Aesthetics and Cinema” on 20th February 2017 at the department of English and Foreign Languages, Dr. H. S. Gaur University, Sagar
- Dr. Prasenjit Panda, presented paper titled “From Madwoman in the Attic to a Fairy Land A conversation with Antoinette in Jean Rhys's Wide Sargasso Sea” in the 19th International Conference on English Language and Linguistics organized by World Academy of Science, Engineering and Technology in Bali, Indonesia, 23-24 October, 2017. His paper has been awarded as the best paper presentation in the conference.

Achievements of the Students

- Maitrayee Misra, Research scholar under the supervision of Prof. Manish Shrivastava presented her paper titled “Open cities, close minds immigrants' experience of Race, urbanity and Nigerpolitan-IsM” in Chimamanda/Ngozi Adichie's Americanah” in EACLALS triennial conference, at the University of Oviedo, Spain on 3-7 April 2017.

DEPARTMENT OF HINDI

Department of Hindi was established in the year 1987. Literary activities such as 'Kavya Goshthi', symposiums and weekly 'Sahitya Vaarta' are organized to promote Hindi language and literature throughout the academic session. The department continuously strives to establish importance of Hindi literature through well organized academic programs. The students are made aware of the importance and objective of Hindi language from the point of view of career options.

Activities of the Department

Departmental Weekly literary program “Sahity Varta” was conducted every week in 2017-18 Session. Teachers and students of the department presented lecturers and research papers in this program.

Achievements of the Faculty members

- Dr. Ramesh Kumar Gohe, Assistant Professor (NSS Programme officer of UTD unit) conducted seven days camp from march 10-16, 2018 in Umaria and Dadar, adopted village of the university.
- Dr. Ramesh Kumar Gohe, Assistant Professor, Dept. of Hindi appointed as a member of Unnat Bharat Mission Committee.

Achievements of the Students

- UG/PG students participated in the NSS camp.
- Ms. Pallavi Rinahite (Research Scholar) presented research paper in the 3 International conferences/Seminars and 3 National Seminars.

- Ms. Pallavi Rinahite (Research Scholar) Published a Research Paper in 'Aksar' Magazine
- Mr. Pradeep kumar (Research) Published a Research Paper.

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

Established in the year 1988, the department offers a postgraduate programme in Mass Communication and Journalism and five years integrated UG/PG programmes in addition to Ph.D. The curriculum is designed to enable students to develop skills related to media (Print, Electronic and New Media), Journalism & Mass Communication, Development Communication, Communication Research, Advertising, Public Relations and related courses/areas. The department also contributes in the task of preparation of bulletins, newsletter, house journal, magazine and documentaries on various occasions.

Objectives

- To provide media education and professional training.
- To study and utilize the mass media and traditional media for integral development of Chhattisgarh.
- To act as a nodal centre for the production of audio-visual programmes and publication of community newspapers on the rich culture and heritage of Chhattisgarh for regional and national transmission.
- To act as the media resource and research centre through regional, national and International networking.

INH TV Channel, Raipur, Educational Tour

Infrastructure

The Department is well equipped with Media Lab facility with 10 computer systems with internet connection, LCD television, Projector, Still and Video Camera, Sound Recorder, Sound system etc.

Activities of the Department

- The Department organized Swachchhta Diwas on 25 September, 2017 on the occasion of Swachchhta Pakhwada.
- The Department organized Educational Tour (Print & Electronic Media, Raipur) for the students of B.A. (Hons.) Vth Semester on 11.11.2017.
- The Department organized Educational Tour (Print & Electronic Media, Bilaspur) for the students of M.A. (JMC) Ist Semester on 16.11.2017.
- The Department celebrated Press Day in the Department on 16.11.2017.
- The Department celebrated World Radio Day in the Department on 13.02.2018.

Students of the Department presented group discussion, Talk show, News bulletin, Drama and Anchoring.

- The Department celebrated World Women's Day in the Department on 08.03.2018.

Achievements of the Faculty members

- Dr. Gopa Bagchi, Associate Professor and Head was nominated as member of 'South Asia Journal of Multidisciplinary Studies', a research Journal of Jabalpur Management, Jabalpur (M.P.) in August, 2017.
- Dr. Gopa Bagchi, Associate Professor and Head was awarded by Bharat Vikas Award by The Press club of Odisha, Bhubneshwar on 19.11.2017.
- Dr. Gopa Bagchi chaired a technical session in the National Seminar on "Jansamasya Niwaran mein prashasan ki bhoomika (Chhattisgarh ke sandarbh mein)" on 24 & 25 February 2018 at Govt. Nehru PG College, Dongargarh (Rajnandgaon), C.G.

Achievements of the Students

- Mr. Ashutosh Mandavi, Ph.D. Research Scholar successfully completed his Ph.D. viva-voce examination in January, 2018.
- Mr. Rakesh Kumar, Ph.D. Research Scholar qualified UGC-NET Examination, November 2017.
- Sridam Dhali, student of M.A. in JMC-IV Semester scored highest marks in School level in M.A. in JMC-I Semester & M.A. in JMC-II Semester from School of Arts. He was facilitated by Rs. 10000/- cash award from Guru Ghasidas Vishwavidyalaya on the occasion of Guru Ghasidas Jayanti 18 December, 2017.
- Varsha Dubey, student of M.A. in JMC-IV Semester was selected as a team member of Gender Champion in Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.).

DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

The Department of Library and Information Science, Guru Ghasidas Vishwavidyalaya was established on 27 September 1985. It is one of the oldest department of its kind in the region, providing knowledge to a broad audience of people who need it, with a motto to empower them with modern skills and competence. We aim to provide an education to the students in a friendly manner, so that they become motivated for the betterment of their peers and society as a whole. Up-to-date syllabus, functional library equipped with a broad collection for the relevant scientific literature, and fully equipped laboratory are among our major strengths through which we deliver and disseminate knowledge. We have developed an environment where students are becoming eager to participate in various symposia and congresses and share their views and experiences with fellow members. Through highly motivated faculties and their dedication we aim to serve as a model for our students, inculcating in them an attitude towards spreading the knowledge and giving back to the community.

Objectives

- Providing quality education to meet student's needs regardless of where the student may live.

- Educating highly competent, ethical librarians and other information professionals.
- Exploring and integrating innovative technology to enrich teaching, foster scholarship and advance professional practice.
- Advancing the frontiers of knowledge and practice in LIS.
- Serving the field, the community, the region and the world.
- Generating skilled manpower for organizing, disseminating, managing and preserving information
- Use of information technologies and articulate the role of information technology in facilitating information management.

Achievement of Department

- 03 students have qualified CBSE UGC NET in June and December session 2017-18, out of which 01 student qualified for JRF.
- A considerable number of students have been selected for the post of librarian in various academic libraries and teaching education systems.
- Participated and presented papers in various conference/seminars.
- 6 students are selected for the post of College Librarian, Class One Gazetted Officer (Technical Education) through CGPSC.
- 1 student is selected for the post of Higher Secondary School Librarian, through RSMSSB, Jaipur, Rajasthan.
- 9 students have qualified CGSET 2017-18.

DEPARTMENT OF PHYSICAL EDUCATION

The Department of Physical Education and Sports was established in the year 1985 to provide quality education and expertise in the field of Physical Education and Sports. Two year B.P.Ed. (Two Semesters), Two years M.P.Ed. (Four Semesters) and Ph.D. courses are being offered in the Department. The Department owns well-kept play grounds, two basketball courts equipped with floodlights, a multi-station Gymnasium, a sophisticated sports science laboratory and a

well-stacked departmental library. The infrastructure is developed as per the norms of the National Council for Teachers Education (NCTE). A team of competent teachers impart training to the students to develop their academic and sports as well. The Department also arranges coaching campus for various games and sports prior to the actual competitions at different level. In the current academic session total 17 teams participated comprising 121 Male students and 36 female students.

Participation of Students in Different Activities

- All India Inter University (M/W) Yoga Championship, KIIT, Bhubaneswar, Odisha.
- All India Inter University (M) Judo Championship, Punjab University, Chandigarh, Punjab.
- All India Inter University (M) Cross Country Competition, VTU Belagavi, Karnataka.
- All India Inter University (M) Weight Lifting Championship, Punjab University, Chandigarh, Punjab.
- All India Inter University (M) Taekwondo Championship, G.N.D.U. Amritsar, Punjab.
- East Zone Inter University (M) Badminton Tournament, KIIT, Bhubaneswar, Odisha.
- East Zone Inter University (M) Basketball Tournament, KIIT, Bhubaneswar, Odisha.
- East Zone Inter University (W) Basketball Tournament, M.G. Kashi Vidyapeeth, Varanasi, Uttar Pradesh.
- East Zone Inter University (M/W) Chess Tournament, KIIT, Bhubaneswar, Odisha.
- East Zone Inter University (M) Handball Tournament, T.M. Bhagalpur, Bihar.
- East Zone Inter University (M) Hockey Tournament, Utkal University, Bhubaneswar, Odisha.
- East Zone Inter University (M) Kabaddi Tournament, L.N.M. University, Darbhanga, Bihar.
- East Zone Inter University (F) Kho-Kho Tournament, V.B.S. Purvanchal University, Jaunpur, Uttar Pradesh.
- East Zone Inter University (M) Football Tournament, R.G. University, Arunachal Pradesh.
- East Zone Inter University (M) Cricket Tournament, KIIT, Bhubaneswar, Odisha.

Achievements of Students

1. Mr. Sandeep Gupta secured third position in All India Inter University Weight Lifting Championship held at Punjab University, Chandigarh.
2. Ten (10) Students of the department qualified U.G.C. NET Examination and one (01) student qualified Junior Research Fellowship (J.R.F.)
3. Six (06) Students of the department qualified SET Examination.

2.1.2 SCHOOL OF STUDIES IN ENGINEERING & TECHNOLOGY

The Institute of Technology was established in the year 1997 for promoting the technical education in order to produce professionally qualified, technical personnel capable of facing the more competitive and entrepreneurial challenges. With the help of well qualified and experienced faculty members, modern teaching aids & amenities, rich library, well equipped laboratories, computer facilities and other necessary infrastructure, the institute intends to provide career ready graduates.

The Institute of Technology is equipped with many central facilities viz. Central Library, Training and Placement Cell, Electronics Classroom (E-class room) and Internet facilities. The Institute is a life member of the Institution of Engineers (IE), Kolkata as well as of the Indian Society for Technical Education, (ISTE) New Delhi.

Presently, the Institute offers following B. Tech. degree programme in seven demand-driven disciplines.

- B.Tech. in Chemical Engineering
- B.Tech. in Civil Engineering
- B.Tech. in Computer Science & Engineering
- B.Tech. in Electronics & Communication Engineering
- B.Tech. in Industrial & Production Engineering
- B.Tech. in Information Technology
- B.Tech. in Mechanical Engineering

Admissions to B. Tech. Courses are made through Central Seat Allocation Board (CSAB) on the merit basis of Joint Entrance Examination (JEE) Main. The syllabi of all the academic programmes are regularly updated in pace with the latest developments and changes in the international technological scenario.

The institute is running M.Tech. program in Chemical Engineering and Mechanical Engineering. Ph.D. Programme is also being offered in six branches of engineering namely Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Industrial & Production Engineering and Mechanical

Engineering. A Testing and Consultancy Cell is functional in the Institute which is conducive in lively Institute–Industry interaction in particular and services to the society in general.

DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering was established in the year 1997 and it is one of the oldest department of School of Studies, Engineering & technology. The department offers undergraduate, postgraduate and Ph.D. programme in Chemical Engineering. The main focus of the department is to give the best knowledge of the Chemical Engineering to the students and nurture their creative talent by motivating them to work on various challenging problems of Chemical Engineering like Fluidization for solid waste management, Catalyst development for process intensification, Membrane technology for enhancing shelf life of juice and other food materials, Energy from biomass, Carbon dioxide capture from flue gas and other similar areas.

Chem-O-Philia Quiz

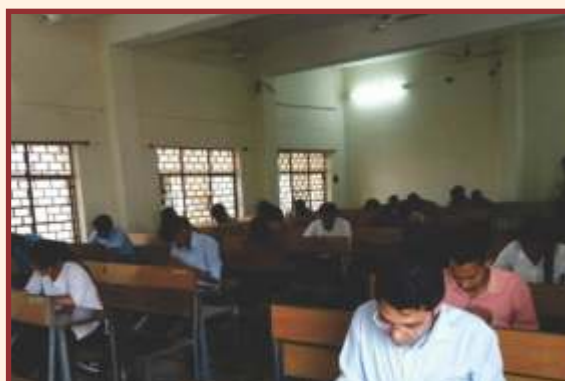

The department has its own student's society- Chemical Engineering Students Society (ChESS). The objective of the society is to provide a platform to students to enhance their skill and overall personality. "ChESS" has started its own book club and going to launch its e-magazine RaSAYAN, (an in-house publication of ChESS). Department encourages students to actively participate in research and present their work in scientific platforms.

The students of the department have actively participated and secured appreciable position in various extra and co-curricular activities at the university as well as national and international level.

Alumni list includes people from DuPont, Reliance, ESSAR Oil, GACL, SAHARA (UAE), Jindal, BALCO, HDFC and many reputed organizations. Other than that, department has the honour of having entrepreneurs with their own start ups.

Activities of the department

- Dr. Ashish Gome, ex-Dean & Academic Coordinator, SGSITS, Ujjain delivered a special talk (on 28th August 2017) on "Future Scope of Chemical Engineering". He informed the students about various opportunities in the field of chemical industry & research.
- Department conducted Chem-O-Philia quiz competition on 11th October 2017. It is a national level quiz competition conducted every year by the Chemical Engineering Department, IIT Bombay, as a part of their Chemical Engineering Technical Festival Azeotropy.
- Department has organized an Industrial visit to BEC Fertilizers, Sirgitti Bilaspur on 9th January 2018, for Second and Third year students of the department. The purpose of this visit was to increase the practical knowledge about Chemical Engineering process and unit operations.

Campus Placement

- Campus placement was arranged by the department for the final year students. Vibrant Academy (Kota) and Mid-Chem Technology Mumbai visited the campus to select Chemical Engineering students. Six students got placed in Vibrant Academy and four students got placed in Mid-Chem Technology.

Achievements of the Faculty members

- Prof. S. N. Saha chaired the technical session on 'Bhartiya Concept of Sustainable Development' of the International Conference on 'Bharat Rejuvenation' held in Guru Ghasidas Vishwavidyalaya, Bilaspur, during 15-17 October, 2017.
- Prof. S. N. Saha presented the paper titled "Technical Institute and Industry Interaction through Total Quality Management- A Rejuvenate Approach" in International Conference on 'Bharat Rejuvenation' held in Guru Ghasidas Vishwavidyalaya, Bilaspur, during 15-17 October, 2017.
- Prof. S.N. Saha being a resource person delivered the lecture on "Higher Education – Role of Total Quality Management" on 24th November 2017 in 19th Orientation Programme conducted by HRD Center, Guru Ghasidas Vishwavidyalaya, Bilaspur.
- Prof. S.N. Saha delivered the lecture on "National and Global Role and History of Chemical Engineering Discipline" on 21st February 2018 in 20th Orientation Programme conducted by HRD Center, Guru Ghasidas Vishwavidyalaya, Bilaspur.
- Three faculty members of the Department, Mr. Neeraj Chandraker, Mrs. Anuradha Nanewar Joshi and Mr. Gautam Prasad Dewangan are pursuing their Ph.D. research work in the Department.
- Having been nominated by AICTE, Prof. S. N. Saha performed the task of 'Observer' on 19th January and 21st January 2018 for AICTE conducted CMAT/GPAT Examination at Durg.
- Prof. S. N. Saha being the AICTE expert member participated in Scrutiny Committee meeting in Chandigarh during 16th – 18th February 2018 for Approval / Closure of Engineering / Management / Pharmacy colleges.
- Prof. S. N. Saha being the AICTE expert member made a visit for inspection of Engineering / Management / Pharmacy colleges during March 19-22, 2018 in Mumbai, Lucknow, Kanpur, Farukhabad.

Achievements of the Students

- Mr. Himanshu Mondal, final year student was selected as visiting student and conducted a visiting study at Kyung Hee University, South Korea by joining the research group of their Chemical Engineering department during December 1, 2017 to January 5, 2018. During this time he investigated the microfluidic flow control system (MFCS) to fabricate magnetic nano-particles and silver nanoplates.
- Ms. Ayushi Jha and Ms. Sakchhi Kumari, students of sixth semester, participated in 13th Annual Session of Students' Chemical Engineering Congress, "SCHEMCON-2017" held at NIT Rourkela on 7-8 October 2017 and won the Best Paper Award. Title of paper

Sonocatalytic degradation of Methylene blue using ZAC.

- 12 students qualified GATE 2018.
- Students of sixth semester Mr. Niteesh Kumar Kaushik and Mr. Himansu Gupta have filed Indian Patent for their work “A Hydrogenation Catalyst and a Process There of” carried out during vocational training at Department of Chemical Engineering, VNIT Nagpur.
- Mr. Dheeraj Raj, sixth semester student participated, in various technical events, in ADVAITA 2K18 (Techfest) organized by IIIT Bhubaneswar during 9-12 February 2018, Odisha and secured third position in Dirt Trush (Robo race) event, second position in Boat Sumo and second position in Quadcopter Event-Hovercor (Drone Event). He also participated in SAMVID 2K18 (Techfest) organized by Shri Shankaracharya Technical Campus, Bhilai (C.G.) and stood runner up in Drone event. Further he participated in Water-Rocket event of Abhikalpan- The Technical fest, held at PDPM Indian Institute of Information Technology, Design and Manufacturing, Jabalpur (M.P.) during March 9-11, 2018 and secured First position.
- Ms. Ranjita Das, student of sixth semester won the event title of JOB FANTASY (A Mock Job fair to get a flavour of real world of recruitment), during EQUILIBRIO 2k18 in which TIME group has provided 100% scholarship (MBA Entrance coaching) apart from the prize money.
- Mr. Vishal Srivastava, Mr. Swadesh Kumar Srivastava and Mr. Aditya Sunil Zalke, Fourth semester students, won the first prize (prize money 8000/-) in Chem-E-Car competition organized during EQUILIBRIO 2k18 at Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.).

CIVIL ENGINEERING DEPARTMENT

The Department is offering an Undergraduate B.Tech. Programme in Civil Engineering since 2008, with an annual intake of 40. PhD. Programme is also being offered by the department. The Department is providing the testing and consultancy services for the government, private and public sector organizations in the field of Civil Engineering.

Activities of Department

- Department has organized a refresher course on “Advances in Engineering and Technology during 05-24th June, 2017.
- Department organized a five day GIAN Course Titled “Repair, Rehabilitation and Strengthening of Concrete Structures Using High Performance Cement based Materials” during 13-17th February 2018. Prof. Nem Kumar Banthia, University of British Columbia, Vancouver Canada was the foreign Resource Person. A total of 37 participants attended the course.

GIAN COURSE-Inaguration

Achievements of Faculty Members

- Prof. Shailendra Kumar has been invited as reviewer for the international journals of Elsevier.
- Dr. M. C. Rao has been invited as reviewer for the international journals of Elsevier.
- Prof. Shailendra Kumar in capacity of Co-PI, has one ongoing collaborative research project, funded by MHRD and sanctioned to the Department of Civil Engg., IIT, Kharagpur.
- Prof. Shailendra Kumar delivered a lecture on Fracture Mechanics Application of Concrete in the GIAN (MHRD) Course Conducted by the Department of Civil Engineering during 13-17th February 2018.
- Dr. V. V. S. Surya Kumar Dadi delivered a lecture on “Force-Deformation relations of R.C. components under cycling testing for performance based design of structures” in the GIAN (MHRD) Course Conducted by Department of Civil Engineering during 13-17th February 2018.
- Two faculty members of the Department, Shri R.K. Choubey and Shri Nikhil Verma are pursuing their Ph.D. research work in the Department.

GIAN COURSE-Valedictory

Achievements of Students

- 17 Students qualified in GATE-2018 exam.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science & Engineering was established in 1997. The Department offers B.Tech. in Computer Science & Engineering and Ph.D. in Computer Science & Engineering. The faculty of the Department is highly qualified and experienced. The Department has specialized laboratories such as Digital Image Processing Lab, DLD Lab,

Students Working in Computer Lab

Networking Lab, Network Security Lab, Project Lab, Basic Programming Lab, Advance Programming Lab, Database Lab, Graphics Lab and Operating System Lab. The Department has Licensed copies of DB2 Universal Database, Visual age for JAVA and web server applications. The Department provides opportunities to the students to carry out projects under joint supervision of the faculty and the experts from industries.

The Department also arranges training to students in reputed government and public sectors like DRDO

Delhi, Microsoft Hyderabad, CMC Kolkata, Orbit IT Hyderabad, SECL, BSNL, Indian Railways, Bokaro Steel Plant and Bhilai Steel Plant. Students have been placed in reputed private, public and government organizations like Infosys, Wipro, Persistent, International Business Machines (IBM), TCS, Mahindra BT, Syntel, Satyam, BSNL, NTPC and INFLIBNET.

ThrustArea

The Department's current research thrusts include

- Algorithms and Complexity -

The Department has considerable strength in computational geometry, digital geometry, and quantum computing and core areas of computational complexity theory.

- Parallel and Distributed Computing - Parallel and distributed computing is an area of emerging strength in the Department.
- Security and Cryptography - Security and cryptography are areas of emerging focus in the Department. The Department has facilitated the inception of a Centre of Excellence in Security Research in the institute.
- Software and Systems Engineering - Software Engineering research has been a traditional area of strength of the Department. Systems related areas of strength include databases and networks.

Objectives of the Department

- To prepare professionally competent manpower in the field of Computer Science & Engineering.
- To educate students in Computer Science & Technology and other areas of scholarship that will best serve the nation and the world in 21st century.
- To establish facilities for the education / training in the area of Computer Science & Engineering.
- To conduct multidisciplinary programs in Computer Science & Engineering

Major Research Facilities available in the Department

- The Department is having Network Security Kit of i-security.
- The Department is having LAN Trainer Kit.
- The Department is having Microprocessor Kit.
- The Department is having DLD Kit.
- The Department is having Image Processing Kit.
- The Department is having 150 computers.

- The Department is having Latest software like DOT.NET, C sharp, Java, Databases of ware's, C, C++ and Latest Operating System.

Achievements of the Students in Exams

- 16 Students qualified GATE in the Session 2017-18 [Detail in Annexure-V]
- 04 Students Qualified CAT Exam.
- CSE, IT, GGV Student's Placements during 1 April 2017 to 31 March 2018.
(a) 24 Different Placements are reported in the Training and Placement Office.
- 19 students sat in E-Litmus Exam held in our Campus

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering was established in the year 1998. With excellent exposure and innovative ideas in the teaching and learning process, the Department incessantly endeavours to produce self-employed and self-dependent technocrats. It has well equipped laboratories with experimental setup for Basic Electronics, Analog Circuits, Signal & System, Switching and Pulse Theory, Linear Integrated Circuits and Applications, Electronic Measurement and Instrumentation, Communication system, Microprocessor-8085, Microprocessor-8086, Digital Signal Processing, VHDL Design, Data Communication, Microwave, Circuit Simulation, Optical Communication and Computer laboratory. Latest software and equipments like Xilinx ISE (25 users) for VHDL Lab, Matlab, Spectrum Analyzer are also available in the department. In order to develop inter-personal skills amongst the students, the department also organizes various co-curricular activities like seminars, aptitude tests and quizzes. The alumni of the department are working in various multinational companies and in leading government and public sector organizations. VLSI, DSP, Antenna and Wireless Communication are the thrust area of the department. The syllabus of the courses are updated periodically to reflect the rapid change in the technology.

The Department has well qualified faculties with considerable experiences. The faculties of department have published many research papers in the reputed international and national journals, presented research papers in international & national conferences organized in India & abroad. The student placement track record has been very good with many of them placed in various PSUs, MNCs, software Companies etc. Two (02) students of department secured 06 and 56 AIR in GATE 2018. Many other students have qualified in GATE/CAT/GRE exams pursuing higher studies in reputed institution in India and abroad.

Activity of the Department

- One day workshop was organized on Virtual Labs on 05/04/2017.

Achievements of the Faculty member

- Mr. Nipun Kumar Mishra, Assistant Professor, Department of ECE, Institute of Technology, Guru Ghasidas Vishwavidyalaya, is designated as a Nodal Officer for Virtual Labs in Chhattisgarh by I.I.T. Kharagpur.

Achievements of the Students

- Mr. Shashi Bhushan Singh (2016 Batch) & Mr. P. Krishna Chaitanya (2017 Batch) secured 06th & 56th AIR in GATE-2018 respectively.
- 22 Students of 2018 batch qualified in GATE-2018.
- G. Vivek Chary & Sunanda Bag secured 01st position in Techfest organized by IIIT Raipur.
- G. Vivek Chary & Sunanda Bag secured 2nd position in Techfest organized by IIIT Bhubaneshwar.
- G. Vivek Chary & Sunanda Bag secured 2nd position in Techfest organized by SGIS Bhilai.
- Students of 2nd year participated and secured 1st position in MAZE Runner competition in Techfest at NIT Raipur.

DEPARTMENT OF INDUSTRIAL & PRODUCTION ENGINEERING

Department of Industrial & Production Engineering was established in the year 1997. Department has well qualified faculty & trained staff. Department has well equipped laboratories for students. The industrial training for the students of final year & pre-final year students are arranged to impart practical exposure in the organization like SECL, BHEL, BALCO, JINDAL, CSEB power plants and in other public and private company.

Department is also engaged in organizing other activities like seminars, guest lectures, aptitude test, quiz to provide and develop inter personal skills. Every year approximately ten students qualify the national level GATE exam. The passed out students are working in company like RELIANCE ENERGY LTD., BALCO, JINDAL, CSEB, DRDO, ISRO, HAL, and Indian Railways.

The primary objective of carrying out teaching and research in the broad areas of production with specialization in Metal Cutting, Machine Tools, CAD-CAM, Robotics, Industrial Engineering, Management, Finance and Quality Control, Advanced Manufacturing Practices, Advanced Materials and their characterization. Department strives to establish an outstanding centre of regional and national reputation for providing a quality engineering education to the students from all over India, excellent research and services to the professional and the community; to produce quality production engineers; and to employ principles of continual quality improvement to enhance its programme and faculty. The department also tries to prepare students for successful careers as per the need of Indian and multinational industries/companies, to develop the strong basic technical as well as non technical (knowledge of computer skills of solving the problems) skills in the students, and also to develop the ability among students for taking research / teaching assignments. The department will be a centre of repute providing in-depth knowledge in Industrial and Production engineering and imbibe professional ethics through dedicated faculty, facilities and infrastructure.

Activities of the Department

- The department of Industrial and Production Engineering and skill development cell conducted two day's workshop on "Career guidance, motivation and contemporary practices in Industrial and Mechanical Engineering from 26 to 27 March 2018.
- The department also arranges industrial training/visit program from time to time to different production units situated locally under the supervision of faculties.

Achievement of the Students

Every year many students qualify the national level GATE exam. The passed students are working in industries like Reliance Energy Ltd., BALCO, Jindal Steel, CSEB, DRDO, ISRO, HAL and Indian Railway.

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information and Technology was established in the year 2000. The objective of the Department of Information Technology is to build the nation by producing high class engineers through education and research. Throughout the past one decade, the Department has influenced society at levels that remain without parallel among academic institutions. Its spin-offs are among the most successful corporate ventures in the nation, and many of the leaders in the academic and corporate research world are graduates from here. The Department focuses on development and strengthening system thinking, problem solving, analysis, design, research, team work, communication skills, and readiness for lifelong learning. The courses run by the Department use mixed techniques of interactive lectures, guided case studies, literature surveys and project work that require team work and critical and creative thinking. It emphasizes on undergraduate as well as graduate research activities. The quality policy is to pursue global standards of excellence in our endeavors and to remain accountable through processes of self evaluation and continuous improvement.

Advanced Programming Lab

Through a team of experienced and qualified faculty members, the Department puts a great emphasis on laboratory and project work. While laboratories are also used for developing skills to use and apply various concepts, tools and techniques, their main purpose is to develop the core technical as well as general professional competencies through experiential and collaborative learning. The main purpose of the laboratories is also to develop the abilities to design and conduct experiments; collect, analyze and interpret data; work independently and also in teams; and also to improve reporting and communication skills. The Information Technology curriculum provides students with a sufficient background in Operating system, Database Management system, Networking as well as advance subjects like System analysis & design, Artificial Intelligence, ERP and Computer Graphics to analyze and design complex Information Technology systems. Information Technology includes the design, implementation, and programming of Digital computers, Information theory and Communication systems.

The objective of the department is to prepare

Programming Lab

professionally competent manpower in the field of Information Technology.

Major research facilities available in the department are LAN Trainer Kit, Microprocessor Kit, DLD Kit and having 110 computers. The department is having Latest software like DOT.NET, MATLAB and Latest Operating System.

Activities of the Department

- The Department organized a Training Program on Interview Skill from 02-11-17 to 11-11-17 and Alumni Interaction Program on 24-12-17.

Achievements of the Faculty members

- Mr. Santosh Soni, Mr. Abhishek Jain, Mr. Agnivesh Pandey, Mr. Pankaj Chandra, Mr. Deepak Kant Netam, Mr. Suheal Ahamed, Mr. Anand Prakash Rawal and Mrs. Akanksha Gupta participated in Refresher Course 05-06-17 to 24-06-17 organized by UGC-HRDC, Staff College, GGV, Bilaspur, Chhattisgarh.

Achievements of the Students

- Two Student of the department got placed in various National and Multi-National Companies such as Health on Rent, and Holiday Wagon. Nine students qualified in GATE 2018 and one student also cleared CAT Examination.

DEPARTMENT OF MECHANICAL ENGINEERING

Department of Mechanical Engineering was established under, Institute of Technology, in the year 2006 after getting approval from AICTE for intake of 60 students. The main objective of the department is to produce the mechanical engineering graduates, who are update with the latest theoretical and experimental knowledge and ready to take up challenging jobs in government departments, public sector organizations and industry. The department puts lots of emphasis on, such training of students, which can bring out their inner capabilities and lead to their full growth and development. Enough emphasis is put on their hands-on training for which department, has well equipped labs of theory of machines, strength of materials, heat & mass transfer, refrigeration and air conditioning and central workshop. For last five years department is running M. Tech. programme in Machine design, where we take only GATE qualified students. PhD. Programme is also available in the department.

Invited Lectures

- Dr. Rajesh Kumar Bhushan, delivered invited lectures in Orientation Programmes, Refresher Courses at HRDC Guru Ghasidas Vishwavidyalaya, Bilaspur and Faculty Development Programme at Central Institute of Plastic Engineering & Technology Raipur.

Participation at International Level

Dr. Rajesh Kumar Bhushan, is International Technical Committee Member of

- (a) IInd International Symposium on Material Science and Technology (ISMST 2017), Auckland University of Technology on 20-22 April, 2017.
- (b) International Conference on Materials Science and Nanotechnology (ICMSNT 2018)

March 29-April 01, 2018, Chengdu, China.

Dr. Rajesh Kumar Bhushan is Reviewer of the following International Journals

- Applied Energy, Science Direct
- Energy conversion and management, Science Direct
- Energy, Science Direct
- Material Science and Engineering B, Science Direct
- Journal of cleaner production, Science Direct
- Material Letters, Science Direct
- Composite Part B, Science Direct

- Tribology in Industry,
- Journal of Mechanical Engineering Science, Sage Publication
- International Journal of Minerals, Metallurgy and Materials, Springer

Establishment of Lab

CAD lab established in September 2016 and became functional during session 2017-18.

Achievement of the Students

- Akash Sharma got admission in Ph.D. at IIT, Indore.
- Vittal Manohar Khatik got admission in Ph.D. at IIT, Kanpur.
- Aniket Nagargrje got fellowship at Indian Institute of Information Technology Design & Manufacturing Jabalpur.
- 38 students qualified in Graduate Aptitude Test in Engineering (GATE) -2018 examination.
- 03 student, qualified in Common Admission Test (CAT)-2017.

- 01 student qualified in XAT 2017.
- 01 student qualified in IIFT 2018.

2.1.3 LAW

The Department of Law is an exclusive department under the School of Law.

DEPARTMENT OF LAW

One of the newest departments of the University, the Department of Law was established in the year 2012. The department aspires to stimulate progress in learning, research and dissemination of knowledge in the field of law. It aims at honing the professional skills of students who aspire to reach the pinnacle of success in their respective careers, be it advocacy, academics, judicial services, legislative drafting, or administration, management or corporate advice. The department intends to create individuals who can contribute to the development of the society, and excel in their respective fields of endeavour.

The department has young and extremely motivated faculty members from reputed institutes across India. We are proud that our collective enthusiasm is continuously generating a good number of bright students.

The Department offers two five-year integrated programs, B.A.LL.B. and B.Com.LL.B. The courses are spread over ten semesters, i.e., two semesters per year. The students have to take a few core papers, language papers, compulsory law papers and optional law papers. The

department has a well equipped and updated library with all necessary facilities, and a diverse range of books, law reports, journals, manuals, etc.

VISION STATEMENT

We aspire to develop as an institution that provides quality legal education to its students, providing them with opportunities to learn new things while unlearning the redundant, to sharpen their skills, identify their talent and utilise it to the utmost, thus creating a mix of individuals who are professionally capable, academically sound, and socially relevant. We intend to create a platform for exchange of information and ideas, innovation in teaching, progress in learning and research, and development of skills through co-curricular and extra-curricular activities.

MISSION OF THE DEPARTMENT

The Department strives to :

- advance and disseminate learning and knowledge of law and legal processes and their role in national development
- promote legal knowledge and to make law and the legal process efficient instruments of social development
- develop in the student and research scholar a sense of responsibility to serve society in the field of law by developing skills with regard to advocacy, legal service, legislation, law reforms and the like.
- To prepare lawyers of tomorrow for handling legal issues not only restricted to the

national boundaries but also cutting across complex cross-border transactions, by developing legal skills in core areas such as Business Laws, Intellectual Property Rights, Cyber Laws, and Trade Laws.

- To impart training and conduct refresher courses for law teachers, judicial officers, advocates and other persons engaged or interested in legal field.
- To increase legal awareness in the community and further the cause of social justice by providing legal aid to the underprivileged sections of the society.

Activities of the Department

- 9-10 April 2017 - Lex Ignitia 2017 - Literary as well as cultural events.
- 5th September 2017, Discussion on New Education Policy - participation by students as well as faculty members.
- 3rd Nov. 2017 - Debate and Essay Competitions - Vigilance Week observance.
- 10th Nov. 2017 - LEGAL QUIZ - participation by 60 students.
- 15th Nov. 2017 - MOOT COURT - Participation by 6 teams.
- 17th Nov. 2017 - GUEST LECTURES by Mr. Vivek Kumar Tiwari, Member Secretary of State Legal Services Authority, Bilaspur, and Mr. Abhishek Sharma, Deputy Secretary, State Legal Services Authority, Bilaspur.
- 26th Nov. 2017 - CONSTITUTION DAY, guest of honor was Mr. Ranbir Singh Marhas, Advocate, Chhattisgarh High Court.
- 10th Jan 2018 - ONE DAY BASIC TRAINING PROGRAMME ON HUMAN RIGHTS, Chief Guest being Hon'ble Mr. Justice Thottathil B. Radhakrishnan, Chief Justice, Chhattisgarh High Court.

Achievement of the Students

- 09-10.04.2017 - Lex Ignitia 2017 - Debate - Winner - Harshvardhan Pandey, B.A.LL.B. VI Sem, Quiz Harshvardhan Pandey, B.A.LL.B. VI Sem, Moot Court best speaker Harshvardhan Pandey, B.A.LL.B. VI Sem.
- 26-27.08.2017 - Chhattisgarh Youth Parliament - Pranjal Singh, B.Com.LL.B. IV Sem, Ayush Tamrakar, B.A.LL.B. II sem, Palak Dwivedi B.A.LL.B. II sem, Parul Singh, B.A.LL.B. 2.1.4 LIFE SCIENCES

The school of Life Sciences consists of five prominent departments. These departments work in unison to achieve the common goals of the university in the area of their respective fields. These departments are Anthropology and Tribal Development, Biotechnology, Botany, Forensic Sciences and Zoology. The departments under the School cover a wide range of practical courses and research interests.

DEPARTMENT OF ANTHROPOLOGY AND TRIBAL DEVELOPMENT

The Department of Anthropology was established in the year 1989. It is one of the oldest departments of the University. The department plays a vital role as Chhattisgarh harbours a substantial tribal population with diverse cultures. Anthropology, as a science of people, has a strong potential to work for the welfare and all-round development of the weaker sections of the society of the State as well as of the country.

The department has a cultural and archaeological museum. The course contents also deal with issues and concerns covering different dimensions of human rights and development. The departmental field work has been conducted on the tribal's inhabiting remote areas. The department also completed a number of research projects on topics like Rehabilitation and Displacement, Nutritional Status of the Hill Korwas, Tribal Indebtedness, Monograph and Village Studies. The department works in close collaboration with the local NGOs for productive research and development. The department has maintained a library consisting of more than 900 books. With up-gradation of laboratory infrastructure, the department has revised the syllabus taking into account the national requirements of the students.

The main objectives of the department is to generate qualified, skilful and committed anthropologists to play a catalytic role as social advisers to policy makers in matters relating to tribal development, empowerment and tribal health, to study and suggests remedial measures with respect to eradication of hunger and malnutrition, and to reduce mortality and morbidity incidences among tribal and non-tribal population of Chhattisgarh. The department also aims at creating awareness among tribal population of Chhattisgarh with respect to their rights enshrined in the Constitution of India.

Activities of the Department

- The department organized field work from 12-21 March, 2018 in one of the Tribal/rural villages, adjacent to the university campus for studying ethnographic, demographic, anthropometric data for a better understanding of culture and various issues of the villagers and to make them aware about the various schemes for their welfare.

Achievements of Faculty members

- Dr. N. Panigrahi was invited to deliver a talk on 'Social Sciences Research in India

'A Historical Look', in the Short Term Course on Research Methodology Programme organised by UGC-HRDC, GGV, Bilaspur, on 22.06.2017, 10.30 AM to 12 Noon.

- Dr. N. Panigrahi was invited to deliver a talk on 'Importance of Ethno-Methodology in Social Science Research', in the Short Term Course on Research Methodology Programme organised by UGC-HRDC, GGV, Bilaspur, on 22.06.2017, 12.15 AM-1.45 PM.
- Dr. N. Panigrahi was invited to deliver a talk on 'Tribal Identity, Livelihood and Development A Retrospective and Prospective Look', and participated in the Tribal Conclave-2017 organised by the Centre of Excellence for Tribal Studies, Department of Humanities and Social Sciences, National Institute of Technology, Rourkela, and supported by Ministry of Tribal Affairs, on dt.22-23 April, 2017.
- Dr. N. Panigrahi, Participated in Review Meet to IGNTU, Amarkantak on 15-16 February, 2018 as co-ordinator of Endangered Language Centre, GGV, Bilaspur.
- Dr. N. Panigrahi, Participated in Poster presentation during FINE 2018 on 19th to 23rd March, 2018 at Rashtrapati Bhawan, New Delhi.
- Dr. Subal Das attended 3-week refresher course (from 15th May to 03rd June, 2017) "Changes in Indian Society" (ID) organized by UGC-Human Resource Development Centre, GGV, Bilaspur, C.G, India.
- Dr. Subal Das acted as a Rapporteur in Three days International conference on "Bharat Rejuvenation (From Glorious past to the Modern Era), ICBR, 2017, (in association with Bhartiya Shikshan Mandal, Nagpur (M.H.), in collaboration with AICTE, IGNC, ICSSR, IIMC, IIM Raipur) hosted by Guru Ghasidas Vishwavidyalaya, (Central University), Bilaspur, (C.G.), 15-17 October, 2017.

Achievements of the Scholars

- Ms. Manisha Ghritlahre (Research Scholar) Participated in Course under GIAN, Global Initiative of Academic Network on Obesity & Longevity New Paradigm of Population Transition organised by Department of Anthropology, Dr. Harisingh Gour Vishwavidyalaya, Sagar, Madhya Pradesh on 13-18 November, 2017.
- Ms. Manisha Ghritlahre (Research Scholar) Presented Poster in the international seminar entitled "Challenges facing by Tribes of India An Anthropological Perspective" on Bharat Rejuvenation, in association with Bhartiya Shikshan Mandal, Nagpur in Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh on 15-17 October, 2017.
- Ms. Manisha Ghritlahre (Research Scholar) has been upgraded from UGC NET JRF to SRF with effect from 16.11.2017 after successful defending her progress in last two years of research work in front of external expert.
- Mr. Saurabh Chaurasiya (Research Scholar) participated in training course on "Research Methodology in Social Sciences" (June 13 to 22, 2017). Madhya Pradesh institute.

Achievements of the Students

- Ms. Gladis Mathew student of M.A. Fourth semester has been selected as Top Female

Gender Champion in Guru Ghasidas Vishwavidyalaya Bilaspur, (CG) for the session 2017-2018.

- Mr. Aman Parkar, student of M.Sc. Fourth semester qualified UGC-NET exam in June, 2017 & December, 2017.
- Ms. Shifa Sayeed student of B.Sc. fourth semester participated in Mix N Match competition, an event of EQUILIBRIO' 18 and secured First Rank in Female group.

DEPARTMENT OF BIOTECHNOLOGY

Vision and objective of Department

The Department of Biotechnology was established in the year 1996 as one of the Departments under Faculty of Science (now under School of Life Sciences) to impart quality education in the field of Biotechnology and to create trained Biotechnologist. The Department is conducting courses at UG & PG levels including two year M.Sc. and five year Integrated UG & PG programs in Biotechnology in addition to Ph. D. Program.

A stimulating ambience in the Department, regular seminars, workshops, assignments, Dissertation and invited lectures on research work enhance the purpose of imparting quality education and eventing research environment for the students.

The students participate actively in extracurricular activities, and even organize a "Science fest" every year. The academic excellence of the faculty members is reflected in the continuous publications and participation/organizing in national and international conferences and workshops.

The students are also promoted to present papers at seminars and conferences based on the outcome of their dissertation work and have been appreciated by one and all.

The number of our students clearing GRE, TOFEL, CSIR-UGC NET-JRF, ICMR, DBT-BET, CG-SET, CG-PSC examinations has been increasing every year. Alumni of this Department are presently working in different esteemed organizations of National and International repute, Colleges and Pharmaceuticals Company including National Cancer Institute, Bethesda, Maryland, USA, University of Heidelberg Germany, Chicago State University, National Institute of Immunology, Serum Institute of India Ltd, Enterovirus Research Centre, ICM, Roche Diagnostics, Eppendorf company, G.E. Healthcare etc.

Activities of the Department

Entrepreneurship Awareness Camp: This camp was organized jointly by Chhattisgarh Industrial & Technical Consultancy Centre (CITCON), Raipur, and Department of Biotechnology, GGV, Bilaspur, Chhattisgarh sponsored by National Science & Technology Entrepreneurship Development Board (NSTEDB) and Department of Science and Technology, Government of India, New Delhi from Aug 21- 23, 2017. The PG students participated in this camp where they were made aware about the benefits of the Entrepreneurship and skill development made in the changing global scenario.

GIAN Program: Under the Global Initiative for Academic Network scheme of MHRD, a foreign Faculty Dr. Manoj Mishra from USA delivered lectures and organized practical classes from December 18-22, 2017 on the topic "Cancer Health Disparity". A total of 30 participants from different parts of the country attended the lectures and practical classes.

Workshop: Department of Biotechnology organized a seven days "National Work shop on Animal Tissue Culture Workshop" (January 18-24, 2018). Twenty faculty/students from deferent parts of India participated in workshop. Participants were benefited from lectures delivered by experts like Prof. Alok Chandra Bharti Delhi University, Prof. Kalpana Pai Department of Zoology BHU, Dr. Yogendra Padwad Se. Scientist IHBT, Dr. P. Jayamurthy Scientist NIIST, Prof. P.K.Patra, Dean, CIMS (C.G), Dr Arti Pandey, Professor, Department of E.N.T, CIMS, Bilaspur, C.G, Dr. A.K Dixit, Associate Professor, Department of Botany, GGV, Dr VN Tripathi, Assistant Professor, Dept. of Botany GGV, Dr. S.K. Pandey, Assistant Professor Dept. of Botany GGV, Dr.Rohit Seth, Associate Professor Dept of Zoology GGV, Dr. S.K. Nirala Assistant Professor Department of Rural Technology GGV, Dr. Rakesh Rai, Post-doctoral Fellow BHU, Dr. Subhash C. Sonkar, Post-doctoral Fellow Vardhaman Medical College, Dr. Mrigendra Dwivedi, Govt. Science College C.G, Dr. Renu Bhatt, Head of Department of the Biotechnology, GGV Bilaspur and all the faculty members of the Department. Workshop was successfully completed under the supervision of the convenor of the program Dr. Renu Bhatt and hands-on training in animal cell culture by course coordinator Dr. N. Vishwakarma and Dr. D.Shukla, who explained the participants about different animal cell lines, microscopy, cell culture maintenance, isolation of cell and bone marrow aspiration etc.

Invited Talks: Dr. Vipin Kumar, Dean, School of Chemical Science and Pharmaceutical Science and Dr. Jogeswar Panigrahi, Professor, Department of Botany, Central University of Rajasthan, delivered lecture in our Department.

New Education Policy: On the occasion of teachers day (5th Sep 2017), the Department organised on oral competition on the topic "New Education Policy" in which students from different disciplines of School of Life Science participated and kept their views.

Swatchtha hee Sewa : On September 22, 2017, all the students and faculties of the Department of Biotechnology actively participated in this programme. On this occasion Departmental Gardens, Class rooms, Gallery, laboratories were cleaned.

Swatch Bharat Abhiyan : On September 26, 2017, department organised an interactive session regarding "Swatch Bharat Abiyan" in which faculties and students of Biotechnology discussed their views and the session was found to be very informative.

Alumini Visit: Dr. Surya Pandey (alumini), Post-doctoral fellow, Chicago State University, interacted with the students of the Department and discussed scope and future prospects of Biotechnology.

Nasha Mukti Pledge: January 2018, Nasha Mukti pledge was taken by all the students, staff members and faculties of the Department. The students were made aware of the demerits and disadvantages of it.

Department Library: Eighty two new books were included in the Departmental Library.

Achievements of Faculty members

- Dr. Renu Bhatt (Head, Associate Professor), Dr. D.shukla (Assistant Professor) and Dr. N. Vishwakarma (Assistant Professor) delivered invited talk in two days workshop on “In-vitro cell lines study for Drug Discovery and Development, Columbia Institute of Pharmacy, Raipur, C.G.
- Dr. Renu Bhatt (Head, Associate Professor), Chaired the Session and poster presentation in the two days International Conference on pharm-sci-2017 organized by Columbia Institute of Pharmacy, Raipur, C.G Sep.23-24, 17.
- Dr. Renu Bhatt, Chaired the poster presentation in three days international conference on “Bharat Rejuvenation from past to Modern Era” organized by Guru Ghasidas Vishwavidyalaya, Bilaspur (CG). Oct 15-17 Oct. 2017.
- Dr. Renu Bhatt (Head, Associate Professor), was course co-ordinator of the five days Global Initiative for Academic Network scheme of MHRD Programme (GIAN Programme) on Cancer Health Disparity.
- Dr. Renu Bhatt (Head, Associate Professor), was Convenor of seven days workshop “National Animal Tissue Culture” organized by Department of Biotechnology.
- Dr. Renu Bhatt (Head, Associate Professor), was Convenor of three days Entrepreneurship Awareness Camp organized by Chhattisgarh Industrial & Technical Consultancy Centre (CITCON), Raipur, Chhattisgarh and Department of Biotechnology, GGV, Bilaspur, Chhattisgarh.
- The MOU of consultancy was signed between Dr. H. Jha (Assistant Professor) and Mecotech Technology Limited.
- Dr. D.K Parihar (Assistant Professor) was course-coordinator of three days Entrepreneurship Awareness Camp organized by Chhattisgarh Industrial & Technical Consultancy Centre (CITCON), Raipur, Chhattisgarh and Department of Biotechnology, GGV, Bilaspur, Chhattisgarh.
- Dr. N. Vishwakarma (Assistant Professor) and Dhananjay Shukla (Assistant Professor) have given lecture on “National Animal Tissue Culture Workshop” (18 Jan 2017 -24 Jan 2017) at Guru Ghasidas Vishwavidyalaya.

- Dr. Archana Bhaskar and Dr. Archana Kumari, Assistant Professor (Ad-hoc) worked as Resource person in seven days National Animal Tissue Culture Workshop (18 Jan 2017 -24 Jan 2017) organized by the Department.

Achivement of the Students

- The UG/PG students participated in the International Conference organized by GGV, Bilaspur on “Bharat Rejuvenation from past to Modern Era” in month of October 2017.
- Mr. Ashutosh Shukla (M.Sc. Student) received a best oral presentation in “National Conference on Plant and Microbial Products IPR and ethical issues”, organized by Department of Botany, GGV, Bilaspur, C.G.
- Former M.Sc. students Chunmun Singh and Minesh Patel qualified CG-SLET 2018.
- Udyan Sharma student of Integrated UG/PG Biotechnology VI semester was elected as the President of GGV student council committee.
- Nepal Singh Dhruw student of Integrated UG/PG Biotechnology is member (Acting Co-ordinator of Designing Board) of GGV magazine “UDAAN”.

Ph. D. Student Achievements

- The Ph.D. scholars participated in the International Conference organized by GGV, Bilaspur on “Bharat Rejuvenation from past to Modern Era” in month of October 2017.
- Mrs. Pallavi Singh (Ph.D Scholar) and Mr. Lohit Raj Shivwansi (Former M.Sc student) received 16th Chattisgarh Young Scientist Award, 2018 organised by Durg University and CCOST, Raipur.
- Ms. Seema Mandavi participated in GIAN Programme organized by Department of Biotechnology on the topic “Cancer Health Disparity, from December 22, 2017.
- Mr. Mahendra Sahu and Mr. Amitabh Ahirwar attended the National Conference on “Plant and Microbial Products Progress, potentials and IPR Issues”, organized by Department of Botany, GGV, Bilaspur Chhattisgarh from February 07-09, 2018 and Mr. Mahendra Sahu (Ph.D Scholar) received a certificate of merit for significant research work.
- Mrs. Rupal Purena delivered oral presentation on “Fractionation, characterization and in vitro antioxidant and anticancer activity of isolated fractions from Emblicaofficinalis hydro- ethanolic leave extract” at 16th Young Scientists Congress held from February 27-28, 2018.
- Mr. Vivek Soni worked as a demonstrator in seven days National Animal Tissue Culture Workshop (18 Jan 2017 -24 Jan 2017) organized by the Department.
- Mr. Vivek Soni, Mr. Mahendra Sahu, Ms. Seema Mandavi and Mrs. Akansha Jain qualified CG-SET 2017-2018.

- Ms. Vaishali Nitin Paul, (JRF, DBT BUILDER) selected as Lecturer at Administrative Management College, Bangluru, India.
- Mrs. Suchitra Panigrahi has given thesis Pre-submission presentation.
- Mrs. Pallavi Singh submitted her Ph.D. Thesis.

Infrastructure/Lab Facilities of Department

- GC/MS a Chromatographic Instrument has been installed in our Department. The Application Manager (Mr. Varun) of GC/MS has given demo/ presentation and hands-on training of the instrument.
- Renovation of room no. G-21 to make it Conference hall (Smart class) was initiated.

DEPARTMENT OF BOTANY

The Department came into existence in 2009 for imparting undergraduate, post-graduate education and for promoting research. The department has grown into a well-recognized Centre for higher learning and research in Plant Sciences. Botany department has the necessary expertise to attend all the aspects of plants. The department offers an integrated 5 years UG-PG degree course (with lateral entry for PG and exit option after UG) and Ph. D. Programme in Botany. The department has a well-stocked Library with more than 2000 books and over 150 online scientific journals, which caters to the research needs of the faculty and the students. The original aim of providing quality education to the educationally

underprivileged tribal state Chhattisgarh, has been successfully fulfilled by the Department. The department has been operating several research projects funded by various National and International agencies. The faculty of the department have produced quality research publications in reputed national and international journals. We have over 300 research publications to our credit since the inception of the department. The teachers have different specialisations viz., microbiology; stress physiology; biotechnology; environmental management,

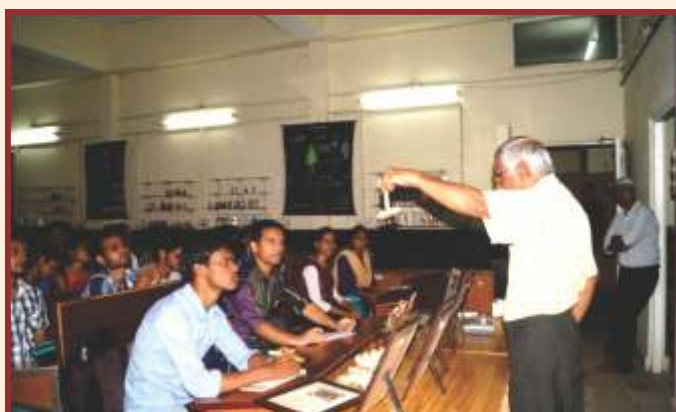

Inauguration of Souvenir of NCPMP 2018

restoration & biodiversity conservation; ecology; ethnobotany; bio-nanotechnology; cell and molecular biology; bacteriology etc. The research activities of the department are spread over 9 laboratories; each faculty supervising one laboratory. 23 doctoral students and one post doctoral fellow constitute the core group working in these laboratories.

Infrastructure

The departmental laboratories are equipped with the advanced instrumentation facilities like

Ex. Prof. RV Shukla demonstrating mushroom identification

Gas Chromatograph, Photo-microscopy with Leica (DM200) Microscopes, PCR thermo cycler, Kjeldhal, Phytotron etc. Moreover, the department also extends facilities of RT-PCR, Chemi-Doc XRS, HPLC, LC-MS/MS and Atomic Absorption Spectrophotometer. We have been recently able to establish a plant tissue culture, plant cell & molecular biology lab and a bioinformatics lab with computers connected to broadband internet facility. The Department is planning to establish a Botanical Garden spreading over 20 acres

and a Nursery in 2 acres located within the campus of the University. The Garden shall house rare, threatened, endemic and medicinal plants of Chhattisgarh to provide excellent opportunity for the postgraduate students and research scholars for experimental purposes.

Thrust Area

Department has four broad specialization, viz., Functional Plant Biology; Ecology & Environmental Biology; Natural Resource Utilization, Ethnobotany & Pharmacognosy; and Microbiology.

Achievement of the Department

Department Organized

- Workshop on Entrepreneur in Nutraceuticals Mushroom Technology as Functional Food on 22-24 September, 2017.
- Organized Field trip To Herbal Industry, Donganala, Pali on October, 2017.
- Educational Trip To Chhattisgarh Mushroom Naya Raipur, Chhattisgarh On September, 2017.
- 18 days Refresher Course In Botany From 01-22 Dec, 2017.
- Field Trip to Medicinal Plant conservation area, Chaturgarh on December, 2017

Dr. Renu Bhatt Dean, Life Science presenting memento to Chief guest

Memento and Shawl present to senior traditional healer of C. G. by Dr. S.K. Shahi

- Three-day National Conference on “Plant and Microbial Products progress, potentials and IPR issues” during February 07-09, 2018.

Achivement of the Faculty

- Dr. S. K. Shahi organized workshop on Entrepreneur Development in Nutraceuticals Mushroom Technology as Function Food" during 22-24 September 2017.
- Dr. S. K. Shahi organized refresher course in botany as coordinator during 01-22 Dec, 2017.
- Dr. S. K. Shahi delivered two Lectures in the refresher course held on 01-22 Dec, 2017 in UGC-HRDC, GGV, Bilaspur C G.
- Dr. S. K. Shahi Organised National conference on Plant and Microbial Products progress, potentials and IPR Issues during 07-09 Feb, 2018.
- Dr. S. K. Shahi delivered two Lectures in the 20th Orientation Programme in UGC-HRDC, GGV, Bilaspur C G.
- Dr. S. K. Shahi evaluated the best model among the students of various school and the university on water conservation during the National conference on water conservation during 29-30 March, 2018 in Pt. Sundar Lal Sharma open University, Bilaspur.
- Dr. A. K. Dixit delivered Keynote Address “Traditional Medicinal Knowledge and future potential drugs” in National Seminar on “ Entrepreneur development by conservation and cultivation of medicinal and aromatic plants” Bajiraoji Karenjekar College of Pharmacy, Sakoli, Bhandara, Maharastra, 17.03.2018.
- Dr. A. K. Dixit delivered two Lectures in the 20th Orientation Programme in UGC-HRDC, GGV, Bilaspur C G ON 07.03.2018.

Jagriti Chandrakar

- Participated and presented a poster entitled “Pharmacognostical, Phytochemical screening and Antimicrobial study of *Cordia macleodii* Hook. & Thoms. Leaves” in the International conference on Bharat Rejuvenation (from glorious Past to the Morden Era), October, 15-17, 2017, hosted by Guru Ghasidas Vishwavidyalaya, Koni 495009, Bilaspur (CG).

Deepak Kuamr Soni

- Orchid training at Nagaland during 15 November –December, 15 2017.
- Attended Three days skill development training workshop on "Entrepreneur Development in Nutraceuticals Mushroom Technology as Function Food" during 22-24 September 2017.

- Received Best Poster presentation award in the National conference on plant and microbial products progress, potentials and IPR issues during 07 – 09 Feb, 2018.

Pramila Khandel

- Received Best Paper presentation award in the National conference on plant and microbial products progress, potentials and IPR issues during 07 – 09 Feb, 2018.
- Attended skill development training workshop on "Entrepreneur Development in Nutraceuticals Mushroom Technology as Function Food" at Department of Botany, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh (22-24 September, 2017).

Ravi Kumar Yadaw

- Received Best Paper presentation award in National conference on plant and microbial products progress, potentials and IPR issues during 07 – 09 Feb 2018.
- Attended Three days skill development training workshop on "Entrepreneur Development in Nutraceuticals Mushroom Technology as Function Food" during 22-24 September, 2017

Leeladhar Kanwar

- Poster Presentation in International Conference on Bharat Rejuvenation held on 15-17 October, 2017. Paper entitled "Metabolites profiling of lichen *Everniastrum* sp. and their antimicrobial & antioxidant activity".
- Oral Presentation in National Conference on Fungal biology Recent trends and future prospects held on 16-18 November, 2017. Paper entitled "GC-MS analysis of secondary metabolites from lichen *Leptogium trichophorum* for bio-prospective application".
- Oral Presentation in National Conference on Plant and Microbial Products Progress. Potential and IPR Issues held on 07-09 February 2018. Paper entitled "Assessment of secondary metabolites from lichen *Permotrema* sp. through GC-MS"
- Best Oral Presentation Award in National Conference on Plant and Microbial Products Progress, Potential and IPR Issues held on 07-09 February, 2018.

Naureen Shaba Khan

- Oral presentation on paper entitled- Phytonanofactories Green approach of metal nanoparticle synthesis and applications in the 3rd National conference of Zoological society of Chhattisgarh on Prospects of Innovations life Sciences and Socio-Economic Challenges' held on 2nd and 3rd December, 2017 in Dept. of Zoology, C.M.D Post graduate College, Bilaspur (C.G.).
- Poster presentation on paper entitled - "Past and future of nanoparticles in India" in the International Conference on 'Bharat Rejuvenation' held on 15th to 17th October, 2017 in Guru Ghasidas Vishwavidyalaya, Koni, Bilaspur (C.G.).

DEPARTMENT OF FORENSIC SCIENCE

The Department of Forensic Science was established in 2012. Forensic Science is an interdisciplinary Science which involves all branches of basic and applied Sciences including Physics, Chemistry, Biology, Biotechnology and Engineering apart from a sound knowledge of social behaviour and psychology. It has now been considered as an applied discipline and therefore needs up gradation through continuous R&D efforts. The faculty members of the department have produced 120 quality research publications in reputed national and international journals to its credit since the beginning of the Department.

Objectives of the Department is to aid to the Criminal Justice system in the wake of the emerging scenario of Blue-collar crimes and white collar crimes, implementation of modern management concepts, expand the Forensic network and lay emphasis on Human Resource Development in the field of Forensic Science.

Skill Development Workshop

Activities of the Department

Skill Development workshop Organized

The Department of Forensic Science and Skill development cell GGV Bilaspur jointly organized Two days Skill Development workshop. The theme of the workshop was “Cyber Crime and its Prevention” during 6th - 7th September 2017. The objectives of the workshop was to identify the emerging Cyber law, Cyber crime & Cyber security trends and jurisprudence impacting cyberspace in today's scenario. A total of 200 students attended the course. Chief guest Shri G. P. Singh, IG Raipur Police, delivered a speech during Inaugural ceremony of the workshop. Special guest and Key note speaker Shri Mayank Shrivastava, SP Bilaspur delivered a lecture during Inaugural ceremony of the workshop. Invited Lecture Shri Prabhakar Tiwari Cyber Crime Expert and Mr. Shishir Kesharwani Director, Bios group delivered a lecture and discussed with the participants during the workshop.

Activities in the Department

The Department of Forensic Science and Skill development cell GGV Bilaspur organized 5 days workshop during 30/01/2018 to 03/02/2018. The objective of the workshop was to enhance the practical skills for PG students of Forensic Science Department. Dr. R. K. Gupta, Joint Director SFSL Raipur and Shri P. S. Bhagat In-charge Regional FSL Bilaspur delivered a Lecture in the Inaugural session of the

workshop. Dr. Sujit Nayak, Head Department of Psychiatry, Dr. Sudhanshu Bhatt, Counselor, Dr. S N Gole, Department of Forensic Medicine, CIMS Bilaspur, Dr. Sunanda Dhenge Forensic Expert delivered a lecture in the Valedictory day of the workshop.

During the 5 days workshop Students visited the State Forensic Science Laboratory, Raipur. Regional Forensic Science Laboratory, Bilaspur. Students visited CRPF Camp Bharni, Bilaspur and learned about working and mechanisms different Fire Arms.

Achievements of the Students

- Mr. Ambati Ramesh Babu student of M.Sc. IInd Semester Forensic science awarded with First Prize in Poster Presentation category in the National Seminar “Forensic Science. An Interface between Science, Law & Justice” organized by Department of Forensic Science, Government Institute of Forensic Science, Nagpur on 23rd December 2017.
- Mr. Ashish Kumar Pradhan student of M.Sc. IVth Semester Forensic Science qualified UGC NET Lectureship November, 2017.
- Miss Rameshwari Student of M.Sc IVth Semester Forensic Science 2017 batch qualified UGC NET - JRF November 2017.
- Miss. Madhvi Gupta student of M.Sc IIIrd Semester Forensic Science participated in Inter University Chess Tournament and Stood as 4th position. She had also participated in Inter Zone All India Womens Chess Tournament and obtained 9th Rank.

DEPARTMENT OF ZOOLOGY

The Department of Zoology is one of the first departments to be established by Guru Ghasidas Vishwavidyalaya after its up gradation to the status of the central university in the year 2009. In the short span of merely eight years the department has presented itself in the forefront of major areas of Life Sciences. Presently, department has developed into a full - fledged center of teaching and research excellence in modern biology. The vision of the department is to conduct quality teaching and research in all the branches of Zoology and produce students who are well versed with the subject and are able to contribute to society and international community.

The Department of Zoology offers 5 years integrated UG/PG, 2 years PG and Ph.D. programs. The undergraduate program provide exit option after B. Sc. (Hon.) degree and also integrated with the P.G. program making it M. Sc. (Integrated) program in Zoology. Selections are made through merit on the basis of all India Vishwavidyalaya Entrance Test (VET). The course structure and content delivery methods provide substantial opportunities for interactive learning and exposure to research. Many innovative teaching practices are the highlights of this program.

Students performance is assessed throughout the semester by a continuous system of tests, seminars, assignments, mid and end-semester examinations. The Department has focused on developing experimental skills through live experimental designs, both by UG & PG students.

The Department has developed teaching programs which stress on the uniformity principals of molecular and cellular mechanisms in all living systems which are very close to the human being. A complete and thorough study of these mechanisms could help the basic Zoologists understand the clinical side of the subject.

At present the department has 07 teaching faculty members who are actively engaged in their respective field of research specializations. The thrust area of research includes Neuroendocrinology, Neuroscience, Toxicology, Fish and Fisheries, Reproductive biology, Biochemistry and Molecular Biology, Entomology and Environmental Science.

The department laboratory contains most of the necessary instruments that are required to carry out theory and practical classes smoothly. Instrument rooms with all the necessary sophisticated instruments required for conducting basic and applied research work are available in the Department.

The departmental library contains collections of total 1,450 books for all major areas of Zoology. Books and journals especially in the thrust areas have been purchased and catalogued separately for use by the faculty and students. Apart from this, students and faculty members also use the resources available at the central library on campus. Apart from the library the museum of the department is also very rich and contains various specimens belonging to all the major animal phyla and is used for teaching and demonstration purposes.

Activities of the Department

- Skill development program on snake rescue and awareness has been organized by Dr. Monika Bhadauria, on 18.08.2017 and 08.09.2017.
- Two days training on rearing and handling silk worm for M.Sc. student has been organized by Dr. Rohit Seth, on 9th -10th October 2017.
- Under the supervision of Dr. Monika Bhadauria two research scholars of the first batch of Zoology Department, Mr. Komal Singh Suman and Mr. Javid ahmed Malik submitted Ph. D. thesis.
- Under the supervision of Dr. Seema Rai one research scholar of the second batch of Zoology Department, Mr. Muddasir Bashir has been awarded his Ph.D. degree following successful open viva on 3rd January, 2018.

Achievements of Faculty members

Teaching faculties of the department published several national and international papers and presented their research work at various national and international platforms. These achievements are given below :

- Dr. Rohit Seth, delivered two invited talk, first on topic entitled, “Ayurveda, trace elements and behavior”, DB Girls College Raipur (CG), India at 06, Feb. 2018; and second, on “Neural Control of Obesity”, CMD Post Graduate College, Bilaspur (C.G.), India. Dec. 03, 2017. He has also received Union for International Cancer Control technical fellowship (UICC-TF/17/554101) to conduct joint research at University of Toledo, Toledo, OH (December 8, 2017 – January 07, 2018).
- Dr. Seema Rai, delivered an invited lecture on topic entitled, “Ayurveda An alternate switch over to doubled the income of farmers” and honored with Dr. S.L. MISHRA MEDAL AWARD- 2018 for her outstanding contribution in the field of Neuroendocrinology and Reproductive Biology at 20th meeting of Indian Agricultural Scientist and Farmers Congress, organized by Bioved Research Institute of Agriculture Technology and Sciences (BRIATS) during 17-18th February 2018 at Allahabad, (UP).

- Dr. Monika Bhadauria, delivered an invited talk on topic entitled, “Propolis Future contender for hepato protection”, CMD Post Graduate College, Bilaspur (C.G.), India. Dec. 03, 2017.
- Dr. Santosh Singh delivered an invited talk on topic entitled, “Profiles of oxidative and nitrosative factors in the brain of minimal hepatic encephalopathy rats” on XXXV Annual Conference of Indian Academy of Neurosciences And International Conference on Translational Neuroscience and its application in protection of mental health, at 29-31 Oct. 2017, Ravenshaw University, Cuttak, Odisha. He has been awarded for best poster award for presenting poster entitled, “Differential patterns of short-term vs long term chronic liver failure led minimal hepatic encephalopathy in rats are associated with differential regulation of neuronal nitric oxide synthase in cerebral cortex and cerebellum”, International Symposium on Neurodegenerative Disorders (ISND 2017), held at 29-30 March, 2017, NIMHANS, Bengaluru, however, received award on 16th Nov, 2017.
- Dr. Manish Kumar Tripathi delivered invited talk entitled “Evaluation of Innate and Cell Mediated Immune Responses in Fresh water Teleost *Channa punctatus* Role of Melatonin in Immunity” in International Symposium on Environmental, Educational and Biological Research for Human Welfare during 25-26 March, 2018.

Achievements of students

Best Oral Awards on 23th February, 2018 at National Conference held at Chouksey Engineering College, Bilaspur (CG).

- Mr. Muddashir Bashir
- Mr. Yunush Ahamad Hajjam

2.1.5 MANAGEMENT AND COMMERCE

DEPARTMENT OF COMMERCE

Established, with object to develop itself as a centre of excellence in teaching and research in the field of commerce and allied subjects in 1986, the Department of Commerce is one of the oldest teaching department in the university. The Department provides opportunities to the students and faculty members for their overall development by organising seminars and group discussions. For the Session 2017-18, the intake was 120 for Five Years' Integrated UG/PG Programme in Commerce, and 05 Research scholars have also been registered for Ph.D. Programme.

Activities of the Department

- Department organized Guest Lectures of Dr. Sanjiv Mittal, Dean, School of Management Studies, GGS Indrapastha University, New Delhi in the month of January 2018.

DEPARTMENT OF MANAGEMENT STUDIES

About The Department

Responding to the changing and increasing needs for professional education and training in Management, the Department of Management Studies was established in 1988. The

Nasha Mukti Diwas

Department prepares students to become effective managers in the new economic era, and the emphasis is always on quality education and promoting a culture of enquiry and enterprise.

The Vision

The Department strives to carve out a niche for itself to be amongst the leading management schools in India. Students have successfully been educated and trained by the Department and placed in reputed business houses in India and abroad, in the fields of banking and finance, marketing, general management, and

academics. Many are successfully managing their own business establishments.

The MBA Programme

The Master of Business Administration (MBA) is a two-year Full-Time programme. The Department offers Master of Business Administration program) and Doctoral Research in Management.

Objectives of the program are :

- To train and develop students for careers in management.
- To develop analytical, communicative and creative decision making skills to match the - requirements of modern competitive world.
- To inculcate in the students values and attitudes necessary to become socially responsible managers.
- To improve the managerial competence of practicing managers/ executives.
- To explore new horizons in various functional areas of management through research.

Visiting Faculties

Shri C.J. Hora, Director CBBD and Mr. C.K. Podder, Former Director (IR), Nilachal Ispat Nigam Ltd. Bhubaneswar visited the Department and addressed the students on different issues such as Motivation and Transformational Leadership.

Institute – Industry Interaction

- MBA final semester students visited NTPC, Korba on 1st April, 2017 as a part of

An interactive session is in progress with Mr. C.K. Podder, Former Director (IR), Nilachal Ispat Nigam Ltd. Bhubaneswar

industrial visit. Students of the department get job opportunities with companies that offer placement to students through on campus as well as off campus recruitments activities coordinated by the department.

- All students carried out their summer training project in various organizations around India.
- Some companies that have participated for recruitment in the department for this session are ICICI Life Insurance, ICICI Prudentials, Genepact, Karvy Stock Broking Pvt. Ltd., C Core Technologies, Money Capital Height Research Pvt. Ltd. and Ways 2 Capital Pvt. Ltd. Six students of MBA IV semester have been placed through campus selection process.

Activities of the Department

- The department hosted the two days National Seminar on “Development of Tourism Industry in India Issues & Challenges” on 16th & 17th Nov, 2017 which was sponsored by Ministry of Tourism, Government of India, New Delhi.
- Department organized the Annual Function "Vihaan-2017" on 18/04/2017 under the aegis of GGU Young Managers Club and a farewell function "Yaadein" on 21/04/2017 for the students of MBA IV semester by the students of MBA II semester. Dean, Prof. V.S. Rathore was the Chief Guest of both the function and blessed the students for their bright future.
- A fresher function "Aagaz-2017" for the students of MBA I semester was organized by the students of MBA III semester on 08/09/2017.
- “Teachers Day” was celebrated in the department on 05th Sept. 2017. During the program students from MBA I & MBA III semesters shared their views on current education policy of India.
- The department observed the “Swachhata Pakhwada” between 15th Sept. 2017 to 02 Oct. 2017. The students were made aware of the need for cleanliness during regular classes by the faculty members. The MBA III Semester and MBA I Semester students participated in the campus cleaning drive on 26th Sept. 2017 & 27th Sept. 2017 respectively and cleaned the space around the statue of Shri Lal Bahadur Shastri Ji and the space in front of the vehicle stand. A poster making programme on “Swachhata” was also organized in which 15 students from the dept. submitted their posters on the theme. The department further hosted the closing ceremony of “Swachhata Pakhwada” on 2nd Oct 2017.
- “Nasha Mukti Diwas” was celebrated in the department conference hall on 30th Jan 2018. During the program students from MBA II & MBA IV semesters shared their views and spread awareness about the ill effects of taking drugs through speech, poetries and skit. The program ended with the oath taking ceremony, where students pledged to keep themselves as well as the society away from the drug addiction.
- The department hosted the celebration of “Maatri Bhasha Diwas” in the conference hall of the dept. on 21st Feb, 2018.

Achievements of the Faculty

- Dr. B.D. Mishra was the Convenor, Dr. (Mrs.) B.B. Pandey was the Organizing Secretary and Prof. Dr. Harish Kumar, Prof. Dr. S.V.S. Chauhan and Prof. Dr. L.P. Pateriyawere the members of the Advisory Committee of the two days National Seminar organized by the department on “Development of Tourism Industry in India Issues & Challenges” which was sponsored by Ministry of Tourism, Government of India, New Delhi.
- Faculty members actively participated in the academic and administrative activities of the University. During the year 16 Papers were published by the faculty members in different national and international journals. Faculty members also contributed to academic development by participating in 14 International, 36 National Seminars and 01 workshop.
- Prof. (Dr.) Harish Kumar, Prof. (Dr.) S.V.S. Chauhan, Prof. (Dr.) L.P. Pateriya and Dr. B.D. Mishra delivered talk at the Orientation Program of HRDC.
- Prof. LP Pateriya acted as a resource person in the Refresher Course and Orientation programme conducted by HRD Centre, GGV, Bilaspur.
- Prof. (Dr.) Harish Kumar, Prof. (Dr.) S.V.S. Chauhan, Prof. (Dr.) L.P. Pateriya chaired the technical sessions as Chairperson in the International Conference on Bharat Rejuvenation From Glorious Past to Modern Era, organized by GGV, Bilaspur.
- Prof. (Dr.) S.V.S. Chauhan and Prof. (Dr.) Harish Kumar visited several Universities and Colleges as a member of NAAC peer team.
- Dr. B.D. Mishra delivered a lecture at Chhattisgarh Judicial Academy, Bilaspur and presided the technical session as well as presented a paper at International Symposium on Infrastructure Financing at IIT Karaghpur. He also delivered a lecture as a resource person at the 20th orientation programme conducted by UGC HRD Centre, GGV, Bilaspur.
- Prof. (Dr.) Harish Kumar delivered talks on Entrepreneurship Development in the Departments of Mathematics and Rural Technology, and on Motivation in the workshop on Career Guidance and Contemporary Practices in Industrial and Mechanical Engineering, 26-27 March, 2018 conducted by the Skill Development Cell, GGV and on Entrepreneurship Development in the departments of Zoology (Two Classes), Chemistry, Chemical Engineering (IT), Botany, Physics and Department of Electronics and Communication Engineering, GGV, Bilaspur.

2.1.6 MATHEMATICAL AND COMPUTATIONAL SCIENCES

DEPARTMENT OF COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

Establishment, Vision, Objective

The Department of Computer Science & Information Technology (CSIT) was established in the year 1990, with one year P.G. Diploma course (PGDCA). This course was followed by a Master's degree course in Computer Science as well as in Information Technology (M.Sc. (CS)

and M.Sc. (IT) in 1996. Subsequently, Master of Computer Application (MCA) course approved by the All India Council of Technical Education (AICTE), New Delhi was introduced in the year 1998.

The Vision of the department is creating, transmitting and applying Knowledge to improve the social, cultural and economic quality of life of people in the Chhattisgarh region and India. The objectives of the programmes are to prepare students to obtain positions as system analysts, systems designers, Programmers and managers in any field related to information technology. The program, therefore, aims at imparting comprehensive knowledge with equal emphasis on theory and practice. MCA, M.Sc (CS) and B.Sc (CS) students are encouraged to spend a full semester working in the industry with an aim of giving them insight into the workings of the IT world. However, the course curriculum has enough flexibility to enable a student to undertake advance studies in computer science later on.

The department has a large number of branded PCs with latest configurations. Every student is provided with enough time for hands-on practice on these machines. CSIT has got its own departmental library besides Central Library. The department provides Internet facility in the Computer Center, which is used as lab of CSIT in the same building. The department has well qualified faculty members who continue to have interaction and collaboration with other national and international universities and institutions. The faculty members of the department are actively involved in R&D activities. A large number of research articles in national and international journals and proceedings have been published by the teachers. The faculty members have been also invited to deliver invited talks in India and abroad. Expert lectures are conducted in the department from time to time. The students are motivated to develop real time projects and assigned software development live projects, preferably in reputed organizations. Department of CSIT revises its course curriculum frequently, looking at the needs of the industries and endeavoring to place our students therein and has a close interaction with software organizations. The passing-out students have an excellent placement record and are able to secure jobs across the globe in reputed companies.

Activities of the department

- A two day national conference on Data Analytics, Machine Learning and Data Security during 15-16 February, 2018 sponsored by SERB, DST, India and CGCOST, Raipur, Chhattisgarh.
- In order to promote co-curricular activities, Annual Event “Mirusum” was organized in November, 2017.

Achievements of faculty

- Prof. A.K. Saxena delivered four talks in orientation and refresher courses organized by UGC, HRDC, GGV, Bilaspur.
- Dr. B. Majhi and Dr. S. Jaiswal participated in refresher course on “Advances in Engineering and Technology” from 05/06/17 to 24/06/17 held at UGC-HRDC, GGV, Bilaspur.
- Dr. B. Majhi was the convener and Mrs. Pushpalata Pujari was the co convener of the National Conference on Data Analytics, Machine Learning and Security held during 15-16 February, 2018 sponsored by SERB, DST, India and CGCOST, Raipur, Chhattisgarh.

- Dr. B. Majhi and Mrs. Pushpalata Pujari edited proceeding of national Conference on Data Analytics, Machine Learning and Security, 15-16 February, 2018 as an e-book with ISBN number.
- Dr. B. Majhi delivered a Keynote talk in IEEE International Conference on “ Power Control Signal and Instrumentation Engineering”, Saveetha Engg. College, Chennai, during 21-22, sep, 2017.
- Dr. B. Majhi chaired a technical session in IEEE International Conference on “Power Control Signal and Instrumentation Engineering”, at Saveetha Engg. College, Chennai, 21-22, sep, 2017.
- Dr. B. Majhi was the reviewer of International conference of signal processing and machine intelligence organized during 22-24, December, 2017 IIT, Indore and International Conference on emerging technology in data mining and information security, 23-25, February, 2018, Kolkota.
- Dr. B. Majhi was the reviewer of various international referred journals such as IET, Elsewhere and Springer.
- Dr. B. Majhi was selected as the editorial board member of Turkish Journal of Forecasting published by Giresun University, Forecast Research Laboratory, Turkey.

Achievements of students

- Research scholars of the department presented papers in 01 international conference and 02 national conferences.
- 02 students have joined Ph.D. course at NIT Raipur and 01 student joined M. Tech course.

DEPARTMENT OF PURE AND APPLIED MATHEMATICS

The Department started functioning in the year 1989 by offering Master of Philosophy. Now it is gradually emerging as an Excellent Centre for Research and Training in the specialized areas of Algebra, General Topology, Functional Analysis, Fuzzy Logic and Applications, Cryptography, Differential Geometry. The faculty members have a vision to enhance the department in terms of research/training/teaching mathematics in a very simple and elegant manner that one can enjoy offering mathematics without feeling it as a very non-practical subject.

The Department has introduced and is continuously going to introduce new courses in the field of mathematics and applied mathematics to stand in the front-line curriculum at the nation as well as at international level. The faculty members of the department have an excellent track record to have joint collaborative research work with many eminent Mathematicians in the world.

Activities of the Department

- Global Initiative of Academic Network(GIAN) workshop organized in the Department of Pure and Applied Mathematics from October 23-27, 2017 under the title " Fixed Point Theory in Probabilistic and Fuzzy Structures" a sum of USD 8000 (= INR 544000.00) received for this program. The foreign guest faculty was Professor Dorel Mihet of Mathematics in the West University of Timișoara, Romania whereas Professor B. S.

Chaudhary from Kolkata was the Indian resource persons and Course coordinator P. P. Murthy.

- The Department organized 03-day International Conference on Mathematical Sciences and Applications” (ICMSA-2018). More than 200 participants attended the Conference.

Achievements of the Faculty members

- Dr. P. P. Murthy is the editorial Board Member(2017-2019) (ISSN 2217-4753 (Online), 0042-8469 (Print Issue), Military Technical Courier, Ministry of Defence Serbia.
- Faculty members are reviewers and editorial board members of the International Mathematical Journals.

Achievements of the Students

M.Sc./Ph.D. students got appointments in various sectors such as Information Technology, Higher Education (NITs/Colleges/Universities) School Education.

2.1.7 NATURAL RESOURCES

The School of Studies in Natural Resources has three departments under it viz., Department of Forestry, Wildlife & Environmental Sciences; SLT Institute of Pharmaceutical Sciences and Department of Rural Technology & Social Development.

DEPARTMENT OF FORESTRY, WILDLIFE & ENVIRONMENTAL SCIENCES

The Department of Forestry, Wildlife & Environmental Sciences, Guru Ghasidas Vishwavidyalaya, Bilaspur is a premier institution in the state imparting forestry education since 1988-89. It has also taken the lead role in forestry education and research in Central India. The department has been following the modern syllabus developed by ICFRE/ICAR for BSc and Msc, Programmes. The syllabus is focused to develop integrated knowledge and skills relevant

to forestry and allied subjects and is also designed to prepare them for various competitive exams such as IFS, SFS, ARS etc. Our vision is “to promote excellence in education, research and extension in forestry and allied subjects to cater the need of trained man power for practicing sustainable forestry and its protection and conservation in the region and country”. The department has number of renowned faculties awarded with research projects and delivers invited lectures in various events in different institutes and departments.

Objectives

- To provide a bigger catchment and platform for wide spectrum of students to choose forestry as a professional degree.

- To promote excellence in education and research in Forestry and allied subjects.
- To provide the students with innovative knowledge and skills and cater the need for trained forestry man power in the country.

Training of the students in rural and forest villages, forest industries, academic and research institutes are an integral part of the curriculum. It is intended to develop practical knowledge, to expose industrial and research environment and to promote entrepreneurship skills among the students. UG and PG students are also required to have compulsory attachment to the State Forest department, biosphere reserves, national parks, wildlife sanctuaries etc for the exposure of forestry work operation.

M.Sc. forestry students attached with State Forest Department for field experience

Scope

- The degree programme in forestry introduced in the country to meet human resource needs of forestry as per recommendation of National Commission on Agriculture (NCA) 1976.
- Curriculum of the degree programme is designed to impart essential scientific / technical and administrative competence to the forestry science graduates so that they are ideally suited for the positions of Range Forest Officer (RFO) and Assistant Conservator of Forest (ACF).
- The graduates have a wide scope of job opportunities like nursery and plantation

Forestry students make slogan, poster to aware people on environment conservation

Students actively participated in cleanliness drive initiated by the forestry department

managers, technical assistants and managers in forest based industries like pulp and paper industries, small scale and cottage industries etc. The students pursuing M.Sc. and Ph.D. (Forestry) can be a scientist or Assistant Professor after qualifying competitive exams and National Eligibility Test.

Infrastructure

Presently the department runs in well spaced building with laboratories located behind luxurios plantation of *Peltaphorum*. One more building is almost constructed where workshops, meseums and advance research laboratoies will be established.

The Department is equipped with laboratory facilites such as CHNOS, Total Carbon Analyser, Windias, Leica compound microscope, stereo microscope, Photosynthesis analyser, microtome, meteorological station, Total Station, Spectrophotometer, Ozone analyser, remote sensing based softwares etc. Glass house and forest nursery are maintained for research and practical purposes for students and Scholars.

Activities of the Department

- The department facilitate and encourage students creativity therefore regularly organizes university level competitions on wildlife photo and videography, waste art etc. Such competition on “Photography” was organized on the occasion of Chhattisgarh State Foundation Day dated 1st November 2017 and on 21 March, 2018.
- Moreover, to protect forest and wildlife, the department conducted Snake Identification and Bite Prevention” awareness programme for 190 students including others department students on 10th October, 2017 and also promotes students to participate in wildlife census in national parks and centuaries.
- To impart exposure and interaction with experts of the fields, a series of lectures have been delivered by eminent Professors, Prof. N. P. Todaria, HNB Garwal Central University, UK and Prof. Grijesh Kumar from Central University, Allahabad, in the department during September, 2017 and Dr. D.K. Upraiti, Ex Director National Botanical Research institute, (NBRI), Lucknow and INSA Fellow delivered invited talk on “Litchen” in the department on 6 February, 2018.

Student Activities

- B.Sc. VII Semester students were attached with State Forest Department for Forest Work Experience during August - September 2017 and for Villages socioeconomic study. They also visited Tropical Forest Research Institute, Jabalpur for 12 days training programme during 13 -24 November, 2017.
- B.Sc. forestry Vth semester students visited in guidanace of faculty of the department to Rigwar village adopted under Unnat Bharat Abhiyan by the University on October, 2017 to evaluate the pressure on forest due to villagers dependancy.
- M. Sc. Ist semester and M.Sc.III semester student visit conducted to Donganala and medicinal plant conservation area (MPCA) of Katghora Forest Division for study tour on medicinal collection, processing and marketing through women group on October, 2017.
- M.Sc. IV Semester students have attached with forest department Bilaspur Circle for forest experience work for three months period since February, 2018, where they have assinged various field works by forest department to study the preparation working plan, agroforestry, NTFP, elephant bear project and on water conservation projects etc.

Achievements of the Faculty members

- Professor S.S.Singh, Department of Forestry has given invited lecture on “ Forest and environment on earth an overview” as a resource person in the refresher course on Earth Science organized by UGC - HRDC of GGV from 04 -23 September, 2017.

- Miss Kamana Sharma, student of M.Sc. (RT) Ist Semester won first prize in Quiz Competition organized at MBA department, GGV, Bilaspur.
- Miss Anshu Toppo, B.Sc. (RT) I Sem. Participated in Inter University Tournament of Basketball held by Banaras Hindu University from October 11 to 15, 2017.
- Miss. Arpita Pathak, student of B.Sc. (RT) Vth Sem won First Prize in Essay Competition on Rashtriya Ekta Diwas which was organized on the occasion of Birth Anniversary of Sardar Vallabh Bhai Patel on 30th October, 2017.
- Miss Pratima Dutta, Student of B.Sc. (RT) III Sem. presented a research paper entitled "Simple animal model and sophisticated research" in National Conference organized by CMD college, Bilaspur and got third prize for presentation of a research paper.
- Miss Pratima Dutta, Student of B.Sc. (RT) III Sem. got merit scholarship of Rs 10,000/- for scoring highest marks at School level (Natural Resources) under students welfare scheme of GGV.
- Miss Mimansa Soni, students of B.Sc. (RT) Vth Sem. got second prize and Chal Vaijanti in essay writing competition during Guru Ghasidas Jayanti, 2017.
- Miss Divyani Lahare, Student of M.Sc. (RT) III Sem. got second prize for presentation of a research paper in National Conference held at CMD College, Bilaspur.
- Miss Prakriti Nishad, students of B.Sc. (RT) Ist Sem. got third prize in painting competition organised during Guru Ghasidas Jayanti, 2017.
- Two days Rural Info-Utsav was organized by the students of the Department from March 28th to 29th, 2018.
- Mr. Dharmendra Jaiswal and Mr. Ghanshyam were selected as Field Supervisor post by Basic Tasar Silk Board, Bilaspur.

2.1.8 PHYSICAL SCIENCES

The School has two departments under it viz., Department of Chemistry and Department of Pure & Applied Physics.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry has been established in 2009 with an objective of providing quality education in the conventional areas of Science and to grow into a centre for teaching and research.

The Department offers a vibrant atmosphere to students and faculty to nurture the spirit of scientific inquiry and to pursue cutting-edge research in a highly encouraging environment. Chemistry is the central science of all science subjects, which is reflected by the growing number of undergraduate and post graduate students who opt for Chemistry as their honours or elective subject. We are also aware of the importance of teaching as well as research in the modern areas of Chemical Sciences. Accordingly, our syllabi incorporate the latest aspects of chemistry and research so as to prepare the students well for research and teaching. The Department is also recognized research centre with all facilities and a number of scholars are pursuing their research in the Department of Chemistry.

The department is providing as an excellent environment for teaching and learning not only by regular classes and assignments but also by conducting regular workshop/seminars/skill development program. The Department is providing access to departmental library, reputed journals, and high-speed internet. The students participate actively in different extracurricular activities organized in the department and University level time to time.

The academic excellence of the faculty members reflects in the continuous publications and participation in national and international conferences and workshops. This year faculty members have published more than thirty two papers in high impact international journals and presented the research data in twenty national and international conferences and workshops. The number of students clearing NET, GATE, CGSET and other nationally competitive exam has been increasing every year. The Department seeks to have further involvement in collaborations for exchange and visit of scholars to and from different national and international institutions. Our recent activities include a workshop in 96th DAE workshop on Radiochemistry and Applications of Radioisotopes during 7-12 August 2017 and communication skills. The Department also arranges classes for NET, GATE and other competitive examinations.

Our students are getting placement in prestigious schools and colleges in various parts of the country and doing PhD in the premier research institute in India like IIT Kharagpur, IISER Bhopal, IISER Bhubaneswar, NISER Bhubaneswar, Jadavpur University, Hyderabad Central University, different NITs etc. In addition, many of our students are in good positions in other organizations.

The vision of the department is to boldly explore and advance new chemical frontiers in the different areas of Sciences through visionary research, innovation, collaboration, and scholarship.

To make the department a thriving center of excellence in teaching, curriculum development, cutting-edge research and popularizing Chemistry, we also endeavour to make international collaborations for students and faculty mobility and research cooperation. The department is also focussed in understanding the interdisciplinary nature of chemistry and to integrate knowledge of mathematics, physics and other disciplines to a wide variety of chemical problems, designing of laboratory for the development of research skills of students,

development of the ability of the students to effectively communicate scientific information and research results in written and oral formats and providing guidance to the student to learn professionalism, including the ability to work in teams and apply basic ethical principles.

Activities of the Department

- The Department organized a 7-day workshop on 96th DAE-BRNS-IANCAS, workshop on Radiochemistry and Applications of Radioisotopes during 7-12 August 2017 in collaboration with BARC. The senior scientists of BARC were the resource persons.

Achievements of the Faculty members

- Prof. G. K. Patra delivered invited lecture in National Seminar on Recent Developments in Chemical Sciences, RDCS-2018, 23-24 Feb., 2018, IGNTU, Amarkantak.
- Prof. G.K. Patra, delivered a lecture on Recent Trends in Drug Discovery, Development and Delivery systems, Feb.12, 2018, GGV, Bilaspur.
- Prof. G.K. Patra presented paper in International Conference on Bharat Rejuvenation, 15-17 October, 2017, GGV, Bilaspur.
- Dr. Charu Arora got SERS Fellow Award 2017 for contribution in field of Bioactive Natural Product (Chemistry) during International Conference on Innovative Approaches in Applied Sciences and Technologies, organized jointly by Nanyang Technological University, Singapore, Scientific Educational Research Society and National University of Singapore during 19-23 June 2017 at Nanyang Technological University, Singapore.
- Dr. Charu Arora delivered invited lecture titled "Development of low cost adsorbent from common weeds for removal of hazardous materials" at International Conference on Innovative Approaches in Applied Sciences and Technologies, held during 19-23 June 2017 at Nanyang Technological University, Singapore.
- Dr. Charu Arora chaired one technical session in International Conference on Innovative Approaches in Applied Sciences and Technologies, held during 19-23 June 2017 at Nanyang Technological University, Singapore.
- Dr. Charu Arora organised 96th BRNS-IANCAS National Workshop on "Radiochemistry and Application of Radioisotopes" at Guru Ghasidas Vishwavidyalaya Bilaspur during August 7-12, 2017 in capacity of Convener.
- Dr. Charu Arora delivered lecture titled "Gmelina arborea A bioprospective plant" in International conference on Bharat Rejuvenation held on 15-17 Oct 2017 at GGV, Bilaspur.
- Dr. Charu Arora delivered lecture titled "Extraction Methods of Biologically Active Phytoconstituents" during National conference on Innovative Techniques in Scientific Research and Skill Development held at Department of Chemistry, Meerut College, Meerut during 28-29 Jan 2018.
- Dr. Charu Arora delivered invited lecture titled "Isolation and Characterization of Biologically Active Constituents of some Medicinal Plants of Northern and Central India"

during National Conference on advances in environmental & chemical sciences held at Pt. Ravi Shankar Shukla University, Raipur during 22-23 March, 2018.

- Dr. Charu Arora appointed as Judge for poster session in National Conference on advances in environmental & chemical sciences, held at Pt. Ravi Shankar Shukla University, Raipur during 22-23 March, 2018.
- Dr. Subhash Banerjee – presented a paper Journey of “Nano” A Glorious Past to Brighter Future- International Conference on Bharat Rejuvenation, 15-17 October, 2017, GGV, Bilaspur.
- Dr. Subhash Banerjee – presented a paper Magnetic NiFe₂O₄ Nanoparticles in Organic Synthesis -Presented Poster at 22nd CRSI National Symposium in Chemistry February 2-4, 2018 at Pt. RSU, Raipur, CG.
- Dr. Subhash Banerjee - 96th DAE BRNS-IANCAS National Workshop On Radiochemistry and Applications of Radioisotopes from August 7-12, 2017 as Organising Member at Department of Chemistry, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.).
- Dr. Santosh S. Thakur, Nirmalkar, N and Thakur K “ Nano structured Chiral (salen) Co Catalyst Bearing Lewis acid Application in Asymmetric Ring Opening Reactions of Terminal Epoxides The 6th Global Conference on Materials Science and Engineering from October 24th to 27th, 2017, Beijing, China (Invited Speaker).
- Dr. Santosh S. Thakur; Nirmalkar N.; Jaiswal P. “Vibrational Circular Dichroism Spectral Study of (R) and (S) Glycidyl Butyrate Using Density Functional Theory” 2nd National Conference on Advances in Environmental & Chemical Sciences held from 22-23 March, 2018 at Pt. Ravishankar Shukla University Raipur (CG). (Invited Speaker).
- Dr. Santosh S. Thakur - Chaired one session during 2nd National Conference on Advances in Environmental & Chemical Sciences held from 22-23 March, 2018 at Pt. R. S. S. University Raipur.

Achievements of the Students

- Mr. Hemant Kashyap, Ms. Archana Ghosale, Mr. Sanju Soni, Ms. Rukmani Chandra, Mr. Ganesh Kurrey, Mr. Ganeswar Prashad Sahu appointed as Assistant Professor through CGPSC in Govt. Colleges in Chhattisgarh.
- Sanjana Ailani Received Summer internship in the Laboratory de Synthese Organique at Ecole Polytechnique, France Under Dr . Yvan Six from May 2018 to July 2018.
- Arijit Saha completed viva-voce for the award of Ph.D. Degree.
- Soumen Payra joined as post doctoral fellow in IIT Kanpur.
- Melad Seikh joined in IIT Kharagpur as post doctoral fellow.
- UG students have qualified JAM examinations for their higher studies.

DEPARTMENT OF PURE AND APPLIED PHYSICS

The Department of Pure and Applied Physics, one of the premier departments of University, was established in 1995. The department has grown by itself and emerged as the leader of the science education in this region of central India. The department is currently having 14 teaching faculty, including one professors, three associate professor and 10 assistant professors. The department offers teaching and research programs in Experimental & Theoretical Condensed Matter Physics, Experimental Materials Science, Experimental Nuclear Physics, Spectroscopy and Plasma Physics. The department also offers 5 year integrated UG/PG program in Physics & Electronics, two years M. Sc. in Physics & Electronics and also Ph. D. Program in Physics/Electronics. New specializations in Nuclear Physics and Laser physics and spectroscopy at masters level would be also available in coming sessions along with the presently offered Material Science. Department is having well equipped laboratories for general physics, mechanics, heat and thermodynamics, optics, electronics, and computational techniques. Advanced material characterization facilities such as, Laser Raman Spectroscopy, Scanning Electron Microscopy, EDAX, Atomic Force Microscopy, Fourier Transform – Infrared spectroscopy, UV – Vis spectrophotometer, and X – ray diffractometer. The facilities are used by M.Sc. students & research scholars of the department as well as from other departments. Department has its own departmental library which provides rich resources for both students and researchers. Department has successfully installed a 3.0 MV high current Pelletron Accelerator facility as National Center For Accelerator Based Research (NCAR). This facility has made an important stand in the national map as one of the emerging research department. Facility has provided opportunity to carry out inter-disciplinary research work in various branches of science and in the first such facility in any Indian University. It is also first accelerator in terms of the highest beam current in whole country in this category.

The department is having dynamic academic activity by organising regular seminars, inviting eminent science personalities, conducting workshops, and symposia which provide excellent opportunities particularly to the UG/PG students of the department. The department is having its own training and placement cell, which trains students for national level entrance examinations, looks after their placement at various research institutes and industry. Six students of the department got placement. Students of the department are encouraged to appear in national level examinations like, NET, GATE, JEST etc. Department is striving very hard to improve the quality of Physics education to stand as one of the leading science education centres in the country. The department is included under FIST (DST program) second time and under special assistance program (SAP) of UGC. Department is also having Sophisticated Analytical Instrumentation Center (SAIF) approved by DST.

Activities of the Department

Department organized a Research colloquium in which by Prof. Deshdeep Sahdev, Senior Professor (Retd.) IIT Kanpur delivered a talk on “Manipulating Atoms and a Lot More in our own Backyards” on January 25, 2018. This was followed by an interaction session in which possible collaboration for PG students training and role of developing indigenius sophisticated equipments was discussed.

Professor Rajesh Srivastava, Department of Physics, I.I.T. Roorkee delivered an invited talk on “Plasma processes and atom-atom collisions and the the development of Fusion Reactor” on 25th March, 2018.

National Science Day (28 February) was celebrated in the department to celebrate the discovery of "Raman effect" by our legendary Sir C.V. Raman. On this occasion, Professor A.S. Ranadive, Dr. G.K. Patra, Dr. H.S. Tewari, Dr. P.P. Murthi, Dr. Charu Arora, Dr. A.K. Dixit, Dr. Manish Gupta, Prof. B.N. Tripathi, Dr. Santosh Singh Thakur, Dr. Subhash Banerjee, etc. Presented their ideas on this year's theme Science for sustainable Development. Professor P.K. Bajpai, Dean, Physical Sciences delivered the theme lecture as chief guest. Dr. R.P. Prajapati conducted the program.

Department organized the National Graduate Science Examination (NGSE) conducted by Indian Association of Physics Teachers for 2017-18. Dr. Ajay Gupta from the department conducted the event as coordinator.

Department organized the NET coaching program for the students under the departmental coordinator Dr. M.P. Sharma. Department played a crucial role in organizing "ESPECTRO-17-Convergence" with Dr. H.S. Tewari, Head of the Department coordinated the program as HOD and Professor P.K. Bajpai as Dean Coordinator.

Achievements of the Faculty of the members

- Professor P.K. Bajpai appointed as the Academic Editor of Physical Science International Journal, a quality controlled, peer reviewed international journal published by SCIENCE DOMAIN international (www.sciencedomain.org) on 16/08/2017 for five years.
- Professor P.K. Bajpai joined the Editorial Board of Ceramic Sciences and Engineering, Published by EnPress Publishers LCC.
- Professor P.K. Bajpai has become the external member of Board of Studies in Physics, North-Eastern Hill University, Shillong.
- Professor P.K. Bajpai elected as the Vice-President of International Academy of Physical Science in 2017.
- Professor P.K. Bajpai has been appointed as Guest Editor for special issue on "Vibrational spectroscopy of advanced materials" in the Journal of Spectroscopy, published by Hindawi Publishers.
- Professor P.K. Bajpai reviewed 13 manuscripts of reputed International Journals as per the records included in Publon Database during the period of report.
- Professor P.K. Bajpai delivered an invited talk entitled Material modifications using low energy ion beams from 3.0 MV Pelletron Accelerator at NCAR, Bilaspur, in 20th International Conference of International Academy of Physical Sciences (CONIAPS-XX) on Recent Trends in Physical Sciences and Future Challenges, organized by Faculty of Science, Osmania University, Hyderabad, July 14-16, 2017.
- Professor P.K. Bajpai delivered an invited talk entitled Role of Vedic Knowledge in the development of Modern Theory of Quantum Physics" in the International Conference on Bharat Rejuvenation (From Glorious past to Modern Era) Organized by Guru Ghasidas Vishwavidyalaya, Bilaspur in association with Bhartiya Shikshan Mandal, Nagpur, October 15-17, 2017 at Guru Ghasidas Vishwavidyalaya, Bilaspur.

- Professor P.K. Bajpai delivered an invited talk entitled "Synergic effect of low energy ion beams on structural and phonon properties of ferroelectrics and multiferroics" in National Conference on Recent Trends in Condensed Matter Physics (RTCMP 2017) from 31st October to 3rd November 2017, organized by Bose Institute, Kolkata as a part of centenary celebration and to commemorate its 100th birth anniversary.
- Professor P.K. Bajpai delivered an invited talk in National Research Seminar on The Usefulness of Thoughts of Pt. Deendayal Upadhyay in Present Global Scenario, and was a special guest of honor in the event organized by, Department of Economics, Govt. Digvijay PG Autonomous College, Rajnandgaon (C.G.), Decemebr 20-21, 2017.
- Professor P.K. Bajpai delivered an invited talk entitled "Recent Advances in the Synthesis, Characterization and biological applications of Chalcogenide Nanoparticles" in National Conference on Plants and Microbial products progress, potentials and IPR issues (NCPMP-2018)' organized by Botany Department, Guru Ghasidas Vishwavidyalaya (Acentral University) Bilaspur (Chhattisgarh), February 07-09, 2018.
- Professor P.K. Bajpai delivered an invited talk entitled" Possibility of controlled material's modifications using synergistic effect of low energy ion beams" in ", in 22nd International Conference of International Academy of Physical Sciences (CONIAPS-XXII) on Emerging Trends in Physical Sciences, organized by Faculty of Science, RML Awadh University, Faizabad (U.P.), April 13-15, 2018.
- Professor P.K. Bajpai delivered an invited lecture entitled "Tools and Techniques in earth science study-I "in the Refresher Course on Earth Science (September 04-23, 2017) on 07.09.2017 organized by UGC-Human Resource Development Centre, Guru Ghasidas Vishwavidyalaya, Bilaspur.
- Professor P.K. Bajpai delivered an invited lecture entitled "Tools and techniques in earth science study-II" in the Refresher Course on Earth Science (September 04-23, 2017) on 07.09.2017 organized by UGC-Human Resource Development Centre, Guru Ghasidas Vishwavidyalaya, Bilaspur.
- Professor P.K. Bajpai delivered invited lecture as valedictory speaker entitled " " in the national seminar on "Role of Science and technological interventions for Tribal Development", organized by Department of Education, Indira Gandhi National Tribal University, Amarkantak on November 31, 2017 as chief guest of valedictory function.
- Dr. R. P. Prajapati is nominated by DST, New Delhi in the list of 20 Young Scientist from India to represent in the 2nd BRICS Young Scientist Forum held at Hongzhou, China from 11-15 July, 2017. He delivered Invited Talk on "Role of MHD instabilities in Plasma Confinement".
- Dr. R. P. Prajapati delivered Invited Talk in the 4th ASEAN School on Plasma and Nuclear Fusion held at Chiang Mai University, Chiang Mai Thailand from 29 Jan-03 Feb 2018.
- Observing proposal of Dr. Parijat Thakur entitled "Investigating Close-in Extra-solar Planets through Photometric Follow-up of their Transits" has been accepted by the Time Allocation Committee of the 2-m Himalayan Chandra Telescope (HCT) as well as of the

1.3-m J. C. Bhattacharya Telescope (JCBT), Indian Institute of Astrophysics (IIA), Bangalore during the session 2017-18.

- Dr. T. Trivedi delivered Invited Talk on “Thematic Workshop on underground accelerator based nuclear astrophysics Facility, UGC-DAE-CSR, Kolkata May 17-18, 2017.
- Dr. T. Trivedi delivered Invited Talk on “Workshop on INGA experiments” IUAC, New Delhi, 14-15 Sept. 2017.
- Dr. Goverdhan Reddy Turpu's article appeared on the cover page of Journal of Applied Physics, AIP, USA.
- Dr. Madhvendra Nath Tripathi delivered invited talk at Department of Chemistry, 2nd National Conference on Advances in Environmental & Chemical Sciences to be held from 22-23 March, 2018 at Pt. R. S. S. Univ. Raipur.
- Dr. Madhvendra Nath Tripathi delivered invited talk in 20th Orientation course, UGC-HRDC, Guru Ghasidas Vishwavidyalaya, Bilaspur, March 12, 2018.
- Dr. Madhvendra Nath Tripathi invited talk in 19th Orientation course, UGC-HRDC, Guru Ghasidas Vishwavidyalaya, Bilaspur, November 11, 2017.
- Dr. Madhvendra Nath Tripathi was appointed an Organizing Secretary, in the International Conference on Bharat Rejuvenation (ICBR 2017), held at Guru Ghasidas Vishwavidyalaya, October 15-17, 2017.
- Dr. Madhvendra Nath Tripathi participated in the Principal's Meet on “Academic Leadership in Higher education The contemporary Indian perspective”, UGC-HRDC, GGV, 25 July 2017.

Achievements of the Students

- Ms. Sandhya Yadav who is a Ph.D. student of Prof. P.K. Bajpai, has attended Effect of processing parameters on the size, morphology and properties of copper sulfide nano structures Sandhya Yadav and P. K. Bajpai 20th International conference of International academy of physical sciences on recent advances in physical sciences and future challenges Faculty of sciences, Osmania University, Hyderabad, July 14-16, 2017 (Oral presentation)
- Ms. Sandhya Yadav has attended Controlling the various morphology of copper sulfide nano particles and their application for fluorescence detection Sandhya Yadav 16th Chhattisgarh young scientist congress, 27-28 Feb 2018 Durg University (C.G.)
- Ms. Sandhya Yadav has attended Effect of processing parameters on the size, morphology and properties of copper sulfide nanostructures, Sandhya Yadav and P. K. Bajpai 20th International Conference of International academy of physical sciences on recent advances in physical sciences and future challenges Faculty of Sciences, Osmania University, Hyderabad, July 14-16, 2017 (Oral presentation) and Young Scientist award given by International academy of physical sciences Allahabad held at Osmania University (Telangana).
- Ms. Ratnamala Ganjir a Ph.D. student has attended Five days International Conference

on Advance Material Development and Performance, Savitri bai phule university, Pune, India (11th -15th July, 2017).(Presented Paper Effect of Co doping on Structural, Dielectric and Raman properties of $\text{Ba}_{0.75}\text{Sr}_{0.25}\text{Ti}_{1-x}\text{Co}_x\text{O}_3$)

- Ms. Preeti Tamrakar, a Ph.D. student has attended one day National Conference on BHILAI INSTITUTE OF TECHNOLOGY, DURG BITCON 2018 held on date 15th February 201 (Frontiers in Science, Technology & Management for National Development) Oral Paper Presentation Paper Title Effect of Au^{5+} ion implantation on the structural and phonon properties of ferroelectric $\text{Bi}_{0.5}\text{Na}_{0.5}\text{TiO}_3$.
- Ms. Sharmila Bajpai, a Ph.D. has attended 20th International Conference of International Academy of Physical Sciences (CONIAPS-XX) Recent Advances in Physical Sciences and Future Challenges; 14-16 July, 2017 (Paper presented- Phonons behavior in charged compensated Lanthanum doped BaSnO_3 Local distortion vs. defect induced Phonon modes.)
- Mr. Vineet Kumar Mannaday, a Ph.D. student has attended a SERB School on Observational Astronomy, held at Tezpur University, Assam, India from October 25 to September 14, 2017 and presented his research work there.
- Mr. Swadesh Chand, a Ph.D. student has attended a workshop on “Chandra/CIAO workshop 2017” held from 23 to 27 October 2017, at the National Centre for Radio Astrophysics, Tata Institute of Fundamental Research (NCRA-TIFR), Pune.
- Mr. Swadesh Chand, a Ph.D. student has attended a workshop on “Workshop on ASTROSAT Data Analysis” held from 13 to 26 November 2017, held at Inter University Centre for Astronomy and Astrophysics (IUCAA), Pune.
- Mr. Swadesh Chand, a Ph.D student visited the Inter University Centre for Astronomy and Astrophysics (IUCAA), an autonomous institute of University Grant Commission (UGC) to promote astronomy and astrophysics in the university sector, from October 13, 2017 to December 8, 2017, to work with Prof. Gulab Chand Dewangan under the IUCAA Associateship awarded to Dr. Parijat Thakur by IUCAA.
- Bivash, a Ph.D. scholar has attended 32nd National Symposium on Plasma Science & Technology (PLASMA-2017) by the Plasma Science Society of India (PSSI) at Institute of Plasma Research, Gandhinagar, Gujarat from 7-10 November, 2017. He presented a oral talk in BUTI young scientist award competetion.
- Mr. Ganesh Bera and Ms. Aradhya Mishra, research students with Dr. Goverdhan Reddy Turpu attended a UGC – NRC Workshop on Functional Magnetic Materials at University of Hyderabad, India during 26 February to 03 March, 2018.
- Mr. Ganesh Bera, Ph.D. student awarded with best paper presentation at UGC DAE CSR, Indore Anuual Day Celebrations during December, 2017.
- Ms. Rashmi Tiwari, a Ph.D. student has attended Four days International Conference on Advanced Materials Development & Performance, Savitribai Phule Pune University, 11 - 15 July, 2017. (Presented Paper Structural characterization and Improvement in magnetic property of A-site substituted NiFe_2O_4 Synthized by Combustion Technique)

- Ms. Rashmi Tiwari, a Ph.D. student has attended Three days International Conference on Nanotechnologies, ideas, innovation and initiatives- 2017, IIT Roorkee (Presented Paper Structural Characterization in Cd modified Ni-Zn Ferrites)
- Ms. Rashmi Tiwari, a Ph.D. student has attended Workshop on “FUNCTIONAL MAGNETIC MATERIALS”, UGC Networking Resource Centre School of Physics, University of Hyderabad, Hyderabad – 500046, during 26th February – 3rd March 2018.
- Mr. Manojit De, a Ph.D. student has attended 20th International Conference of International Academy of Physical Sciences (CONIAPS-XX) Recent Advances in Physical Sciences and Future Challenges; 14-16 July, 2017 (Presented Paper Synthesis and Strain induce structural characterization of NaNbO₃ modified BiFeO₃ multiferroics)
- Mr. Manojit De, a Ph.D. student has attended 20th International conference on Nano-technology Ideas, Innovations and Initiatives-2017 (ICN3I-2017); 06-08 December, 2017, Indian Institute of Technology Roorkee, Uttarakhand, India (Presented Paper Synthesis and structural characterization of A-site Ba-doped BiFeO₃)
- Mr. Manojit De a Ph.D. student has attended 20th 3rd International Conference on Recent Advancements in Chemical, Environmental & Energy Engineering; 15-16 February, 2018, SSN College of Engineering, Chennai, Tamilnadu, India (Presented Paper Nano-structured spinel ferrites Synthesis and Characterization (Received Best Paper Award).
- Mr. Manojit De, a Ph.D. student, has attended 23rd International Conference on Recent Advancements in Chemical, Environmental & Energy Engineering; 15-16 February, 2018, SSN College of Engineering, Chennai, Tamilnadu, India (Presented Paper Eco-friendly biocatalyst immobilized onto activated carbon obtained from agricultural waste)
- Mr. Manojit De, a Ph.D. student has attended 20th 16th Chhattisgarh Young Scientist Congress-2018. Organized by Chhattisgarh Council of Science and Technology and Durg University on 27-28th February, 2018 (Presented Paper Studies on Structural, Vibrational and Dielectric characterization of NaNbO₃ modified BiFeO₃).
- Mr. Manojit De, a Ph.D. student has selected as a participant for “DST Nano-mission School on Nano-science and Nano-technology- Physical Science Emerging Materials and Methods in Nano-science & Nano-technology” at Centre for Nano and Soft Matter Sciences, Jalahalli, Bangalore-560013, Oct 23- Nov 3, 2017.

Mr. Santosh Singh, a Ph.D. student has attended Three days International Conference and presented a poster on on Necessity and some basic properties of transport conductors in ICBR-2017 held at Guru Ghasidas Vishwavidyalaya, (a Central University), Bilaspur, (C.G.).

2.1.9 SOCIAL SCIENCES

The School of Social Science has five departments under it Economics, Education, History, Political Science and Social Work. The school offers Integrated UG/PG courses and Ph.D. programs.

DEPARTMENT OF ECONOMICS

In the era of globalization, economics has emerged as the most significant and relevant field of study. Accordingly, the Department of Economics was established in 1989 with the vision to produce the best economist and financial analyst for the academic and corporate world. In this endeavour, quality teaching is the most important objective of the department. The department is actively engaged in research development and consultation activities. Being a Research Centre it also provides policy inputs to the private as well as public sectors. Apart from Central Library, the department has its own enriched departmental library which is easily accessible to students. The department has been contributing significantly in entrepreneurship development. It has excellent placement record, in public & private sectors. The department has young & highly motivated faculty members from reputed institutes in India. The department is proud of its collective enthusiasm which is continuously generating a good number of bright students.

Activities of the Department

- Group discussions, Seminars were conducted throughout the session to provide students a platform to exchange and collate their ideas.
- The Department was also busy with the preparation of 7-Year Plan for the department of Economics.
- The staff members were involved in the preparation of the Convocation Day (15th October 2017) and also took part in the International Seminar on India Rejuvenation from 15th October to 17th October, 2017.
- The Students' Union Election was held in the University on 16th and 17th February, 2018. All the staff members were involved in this programme to make it a success. Dr. Namita Sharma was one of the Election Officers from the Department.
- The staff members of Economics gave their contribution in celebrating the Establishment Day of the University on 15th January. Dr. Namita Sharma was Incharge of the Blood Donation Camp.

Achievements of the Faculty members

- Dr. Manisha dubey was appointed as the Administrative Warden of the Girls' Hostel in GGV along with her academic responsibilities.
- Dr. Namita Sharma has been assigned to look after the Girls' Hostel as Warden, and as an in-charge of the NSS Unit, GGV organized many Camps round the year.
- Dr. Namita Sharma was engaged with the NSS camps in the adopted village, Tendubhatha. She has been giving her contribution through and as members of various committees.
- Dr. Manisha Dubey had been invited to deliver lecture to the NSS students in the camp.
- Dr. S. Kispotta conducted the Scholarship verification programme for the SC, ST and OBC students, belonging to Chhattisgarh, who were eligible and had applied for the same in the session 2017-18 on 5th, 6th and 7th February.

- Dr. R. Sharma led the Cricket team of the School of Social Sciences during GGV Sports Session 2017-18.

DEPARTMENT OF EDUCATION

Since its inception in 2007, the Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers striving to promote among the prospective teachers and the teacher educators – a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.

Release of souvenir of ICSSR sponsored National seminar on Pedagogical and Assessment Issues in Teacher Education

It offers state-of-art curricula incorporating the modern thoughts in the field of teacher education. It also provides sensitization regarding the need, value and place of teaching professionals through ample practical experiences. All the educational experiences are designed to develop competence to face the placement market and to get through competitive examinations. A fine number of our students have got through the CTET, NET and SLET in the foregone sessions.

The Department is known for its discipline and student-friendly environment providing excellent technological facilities, quality knowledge resources (a rich library, internet facilities as well as regular seminars, workshops, community programmes and other co-curricular experiences) and potent research experiences.

At present, the Department offers B.Ed., M.Ed., B.Ed. Special Education (L.D.), B.Ed. Special Education (H.I.) and Ph.D. programmes. Demonstration lessons, practice teaching and internship programmes are regular features of the curricula of the courses being offered. Extension activities such as community enrichment programmes have been organized to develop awareness about health and education amongst rural people. Cultural activities, games and sports are organized by the students to identify and nurture the talents in the concerned fields. The departmental library is having a good number of text and reference books.

The department received a fund of Rs 1.79 crores for organizing various academic activities for each year for the period of three years and Rs 5.39 crores under non-recurring head under the PMMMNMTT scheme in January, 2018.

Basic Objectives

Guru Ghasidas University has taken a bold step for establishing a 3.0 MV Pelletron based Accelerator machine in the Department of Pure & Applied Physics as an Accelerator based Interdisciplinary Research Centre on the initiative of the then Vice-chancellor. The basic objective of the Centre has been to boost the Research & Development in various areas of Science & Technology using energetic ion beams as a tool and to bring the ion beam technology on the university campus so as to provide internationally competitive environment for research in the niche areas of science. This has been conceptualized and initiated as a flagship program of the university.

An Establishment of 3.0 MV Pelletron accelerator facility has been initiated in March 2010 and in 2014 the facility was commissioned as National Centre for Accelerator based Research in the Department of Pure & Applied Physics. In 2012, University Grants Commission (UGC) approved the establishment of this centre and in 2014 sanctioned the technical positions for its operation. All radiation safety requirement as per the guidelines of Atomic Energy Regulatory Board (AERB), statutory body constituted by the parliament of India have been followed and due permissions for various stages has been obtained. In June 2013, Department of Atomic Energy (DAE) Government of India under Board of Research in Nuclear Science (BRNS)

financially supported the program in phased manner and provided 4.5 crores for the first phase. The DAE-BRNS project (first phase) was extended March 2017. However, the visit of the DAE-BRNS project Monitoring Committee was due in March 2018. This has been postponed to 14 May 2018 for the extension of the program. UGC has also sanctioned one post of Professor for the centre and through MoU with Inter University Accelerator centre technical support and exchange of researchers was ensured.

The beam tests were started on November 6, 2014. FIRST BEAM was obtained on November 12, 2014 and performance test acceptance was conducted successfully and the test report was accepted on 23.11.2014. Atomic Energy Regulatory Board (AERB) team completed radiation safety inspection December, 2014 and the recommendations of the AERB committee have been received in February, 2015. We have carried out beam trial experiments in 2015 which was extended up to final operation permission being granted. Our final safety analysis report was discussed and approved by AERB. Our institute and RSO has been registered in eLORA; an e-governance portal of AERB. Currently, the machine operation final permission is awaited for compliance of calibration of radiation monitors and procurement of portable neutron monitor.

Scope of inter disciplinary research at NCAR

Energetic ions ranging from few keV to MeV have played significant role in various areas of Science & Technology. Probing ion-solid interaction using energetic ions from low energy accelerators have recently emerged as an important area of research in various fields of Science & Technology. The accelerator based interdisciplinary research centre provides state of the art research facilities through ion beam irradiation, ion implantation and ion beam analysis techniques for pursuing frontline researches in the areas of material science, nanotechnology, environment sciences, polymer chemistry, archaeology, material chemistry, conservation of bio-diversity, life sciences, biotechnology, pharmaceuticals, molecular biology, etc. The details of ion beams available, ion beam analysis techniques, current for various ions (positive and negative) as well as parameters for ion implantation are available on NCAR webpage (<http://ggvncar.co.in/about.html>).

Notable achievements during the period (April 2017-March 2018) are as given below :

- The National User Committee has been approved by the University for allotting the beam time for the users.
- Department of Atomic Energy has constituted Project Monitoring Committee (PMC) and its visit for reviewing the progress has been fixed.
- Request for appointments of technical staff sanctioned for the centre from UGC has been submitted to the University and the process is underway.
- The proposal for providing final permission to run the proton and high energy ion beams was discussed in the AERB meeting held in November after the approval of Final Safety Analysis Report by AERB. We are asked to present the status before the committee in its next meeting probably in May 2018.

Maintenance & Repairing Works

The following works have been taken up during the period in-house and the facility is kept working with minimum down time.

Date 13.04.2017

Problem Identified	High energy Column current is zero and low energy column current is less than actual value.	Problem Identification Date	13/04/17
Fault Detection	2 nos. spark protection strips got damaged	Corrective Action	Replaced by new one.
Remarks	Maintenance done from 13/04/17 to 16/04/17		
People Involved	Prof. P.K. Bajpai, Centre in-charge, Er. Jaidev Dewangan, Dr. T. Trivedi, Dr. S.P. Patel, Dr. M. P. Sharma Shri Gopal Yadav, Gas Mechanic Shri Ram Jiyavan, Shri Ram Gopal Sao, MTS Research Scholar Ranajit Dey, Manojit Dey, Surjit Bhakta		

Experiments conducted during the period (external users)

No experiment has been conducted after July 2017 as per the direction of AERB to remove the non-compliance and obtain final permission. However, the accelerator is being operational in conditioning mode and beam testing before the accelerator is performed repeatedly.

The following steps have been taken to remove the non-compliance :

- Proposal for calibration of radiation monitors has been submitted and is under process.
- Proposal for procurement of Neutron monitor is also submitted.

- Proposal for the appointment of machine operators and other technical posts as sanctioned by the UGC is also submitted.
- However, the experiments done before July, 2017 have resulted into important publications as given below.

**During the period of report, the following publications were contributed

- Dr. Asha Rao , Professor, Ramaiah University of Applied Sciences, Bangalore , Title of Project - Not specified
- Internal User Experiments on priority basis will be carried out accordingly.

Other Activities

National Centre for Accelerator Based Research has been covered in the IAEA book entitled “Accelerator facilities in India”

Vishwakarma Pooja was celebrated in the centre with enthusiasm in which faculty members, staff and scholars of the department participated.

Around fifty students from Lakshmichand College of Technology visited the centre and a session of question answer was organized to respond the queries raised by them.

M. Sc students of D.P. Vipra College have visited the centre along with their HoD, Dr.Ambalkar and had a live interaction session with faculty.

Participants of Refresher program/ orientation program organized by HRDC centre visited the centre.

2.5 CENTRE FOR ENDANGERED LANGUAGES (CEL)

As per the University Grant Commission, New Delhi, (vide F NO-15-6/2012 (CU) dt.03 April 2014), Guru Ghasidas Viswavidyalaya (A Central University), along with the Central University of Jharkhand, Ranchi and Indira Gandhi National Tribal University, Amarkantak, Madhya Pradesh have established Centres for Endangered Languages. All these three universities will work as a consortium for the development of endangered Tribal languages/dialects through research and documentation.

Guru Ghasidas Viswavidyalay, Chhattisgarh, has been sanctioned with Rs.3.60 crores against which UGC has released Rs. 1.80 crores as Grant-in-aid during the year 2017-18 to establish the Centre for Endangered Language.

A Committee of three members Dr. Nilakantha Panigrahi, Associate Professor, Department of Anthropology and Tribal Development, GGV, as the Co-ordinator and Dr. Amitesh Jha, Asst Prof, Dept of CSIT as Member and Dr. Asutosh Singh, Asst Prof. Dept. of English and Foreign Languages as Member have been appointed to coordinate and establish the Centre for Endangered Languages in GGV.

The Centre for Endangered Languages in GGV will carry out field survey of endangered languages/dialects in the State of Chhattisgarh, will set up courses on Computational Linguistics, and Developing digital language related data base. To undertake these assignments GGV will provide all logistic supports in the form of building space/ services of Teachers/ Faculties to carry out various activities of the Centre. The Centre will also recruit two faculties of different positions, Research Associates Documentation Officer and administrative staff. The Centre will establish Archive Laboratory and Phonetic Laboratory to process the endangered languages/dialects as a part of the preservation and teaching to the students. GGV will prepare dictionary on the endangered languages for their preservation.

Preparatory activities are carried out by the committee and the university to frame the syllabus, constitute the Board of Studies, recruit the centre specific temporary positions and preparation of logistic to establish the Centre.

5.3 FACILITIES FOR THE STUDENTS

5.3.1 Student Welfare

Student Welfare Section of Guru Ghasidas Vishwavidyalaya, provides the required information to students and parents throughout the year through telephone and helpline portals. The primary concern of the Student Welfare section has been to give information of every literary and cultural activity to students, to ensure their active participation in these activities, to take quick action regarding the solution of student related problems and to have a cooperative attitude towards them.

5.3.7 UDAAN–The Official Student Magazine

Udaan, the official magazine of Guru Ghasidas University, is breaking new boundaries every season. With each season the magazine is improving its content and expanding its outreach. More and more people are getting to know about it and appreciating it.

The main objective of the magazine is to showcase the artistic side of each person. It has always strived to bring out the artist in everyone. Main theme of UDAAN Season-7 is 'People are Artists'. This volume is rich in its content and included many new features like interviews with eminent artists and professionals who are one of the best in their trade. It's through their words of wisdom that Udaan is reaching more audience and creating a bigger impact. There is also an attempt to bring out the art from people who think that they're not meant to be any kind of artist.

This year, the magazine was launched in the august presence of Shri Deepanshu Kabra, IG, Bilaspur as the Chief Guest & Prof. Anjila Gupta, the Vice-Chancellor, the inspiration behind this, as the Chairperson of the ceremony. Earlier, in the morning, Prof. Anjila Gupta inaugurated the Art Exhibition arranged by the team Udaan which is first of its kind in the history of GGV.

7.7 GENDER CHAMPIONS

Introduction

Gender socialization of both boys and girls begins early and it is important to initiate change processes at a young age, to shape attitudes and transform behaviours. Schools and colleges play a major role in this regard, because students spend large amount of time engaged with peers in such settings. Creating positive social norms in educational institutions that value girls and their rights is important, to improve the well-being of girls and achieve long-term and sustainable social change. To increase the outreach for creating an environment that fosters equal treatment, Government of India envisages engagement of Gender Champions in all schools and colleges across the country. Gender Champions can be both, boys and girls above 16 years of age, enrolled in educational institutions. It is a joint initiative of the Ministry of women and Child Development and Ministry of Human Resource Development.

Vision

Gender Champions are envisaged as responsible leaders who will facilitate in enabling environment within their schools/colleges/academic institutions where girls are treated with

dignity and respect. They will strengthen the potential of young girls and boys to advocate for gender equality and monitor progress towards gender justice.

Objective

The broad mandate of a Gender Champion is to provide an integrated and interdisciplinary approach for understanding the social and cultural constructions of gender, that shape the experiences of women and men in the society. The aim is to make the young boys and girls, gender sensitive and create positive social norms that value the girls and their rights.

So the UGC has issued guidelines to promote the gender equality among girls and boys in the institution and outside the academic institution. The university administration has shown a keen interest and took a bold step to conduct an interview and select the following candidates [(Girls)-09+ (Boys)-09] as Gender Champions for academic session 2017-18.

Since adoption of GPs, the UBA team visits every Friday to these GPs, interacts with villagers and discusses their problems. At the same time UBA team meets with authorities for the implementation of different schemes in our adopted GPs and solutions of village problems. Thus UBA team has played a role in establishing linkages between villages and District Authority.

The following activities were taken during 2017-18 under Unnat Bharat Abhiyan program-

- A two days training on “Organic Farming” was organized on 7th and 8th June at Gram Panchayat Rigwar. Total 45 farmers from all adopted gram panchayats participated and benefitted. The application of Trichoderma and Pseudomonas biopesticides were demonstrated in rice crop.
- Student of B.Sc. Rural Technology visited Ringwar Piparpara village for the study the of rural livelihood and problem identification of the UBA adopted villages.
- UBA team motivated people regularly for construction and use of toilets under Pradhan Mantri Swachha Bharat Mission. Two gram panchayats Rigwar and Tendubhatha has been declared ODF while 90% works in other villages has been completed.
- One day training on Sanitary Education organized for girl students on 15/09/2017 at government high school Pudu and Umaria-dadar, in which 132 girl participants interacted with the expert on sanitary tips during monthly cycle.
- Ten days training on “Computer Education” was organized during 20th Sept to 6/10/2017 at high school Pudu and Umaria-dadar to educate rural students for use and applications of computer.
- UBA bulletin published depicting UBA activities undertaken by GGV since adoption of villages, which has been sent to MHRD, UGC, IIT Delhi and to other officials of district authorities. The bulletin is also uploaded in UBA website by IIT Delhi so that other participating institute may also see out activities conducted under UBA.
- One day camp of NSS was organized on 11 November, 2017 in which 50 student volunteers visited Umaria-dadar village under UBA and encouraged villagers on health, hygiene etc.
- UBA team attended two day's workshop on community curriculum development and signed MoU between GGV and NCRI, Hyderabad.
- UjjwalaYojna has been promoted in these villages, has resulted in more than 410 families getting LPG gas free of cost.
- MoU between UBA IIT Delhi, National Co-ordinator, Unnat Bharat Abhiyan Program MHRD, GOI and GGV has been done. IIT, Delhi has released Rs. 1.75 lakh under UBA for house hold and village survey and for preparation of village development plan.
- Four camps of NSS of one week duration have been organized during the year comprising 264 students involving various departments of the University in UBA adopted villages. First camp organized during 23 Feb – 01 March for 75 students of Institute of Technology and UTD at Tendubhatha village, second and third NSS camp

during 10 – 16 March, 2018 at Pachra and Umaria-dadar villages respectively for students of School of Natural resource, School of Physical Sciences, School of Engineering and technology and School of Management and Commerce, (65 students), and School of Life sciences and School of Art and women unit of UTD (72 students). Last camp of this series organized on 22 – 28 March, 2018 at Pudu village for 52 students of department of law and department of Pharmacy. 7.17 YOUTH PARLIAMENT COMPETITION (14th)

India is world's largest democracy and the country with most number of youths in the world therefore to enhance and encourage the participation of youth in democratic and parliamentary procedure and to improve the quality of their leadership, every year the Ministry of Parliamentary Affairs, Government of India organises National youth Parliament competition. This was the 14th edition of inter-universities National Youth Parliament Competition which

was conducted in Auditorium of Guru Ghasidas Vishwavidyalaya on 6th of September 2017. In this competition the students selected from various departments and school of studies in university joined together to present a glimpse of parliamentary procedure and mechanism. The script for the competition was prepared by the students under the support and guidance of teacher coordinator Dr. Rajendra Mehta under the overall supervision of patron Professor Anjila Gupta, Vice Chancellor.

In the competition the students demonstrated oath taking, obituary reference, Question hour, Calling attention motion, papers to be laid, bill for consideration and No Confidence motion. The key issues raised by the youth parliamentarians were deeply concerned with education, defense, human development, corruption, unemployment, women and child welfare, Tourism Development, Internal security both the government and opposition side involved themselves in strong debate. Later on a Revolutionary change in Law of Sedition was proposed by the Government which was introduced by the minister of law and Justice and was duly passed to make a better law on serious offence of sedition. Lastly opposition brought the no confidence motion in which opposition put allegations on the government which were strongly defended by the government and therefore the Prime Minister was attacked by the issues like agricultural

policy, inflation, internal security and weak governmental policies but a dominant answer of prime minister lead to dropping of this no confidence motion in the house

All the participants with continuous practice and efforts of more than 3 months gave their remarkable performance and also conducted time to time cleanliness drive and plantation programs in University Campus to promote cleanliness among people.

This youth parliament competition was organized under the patronship of Prof. Anjila Gupta, the Vice-Chancellor Guru Ghasidas Vishwavidhyalaya, Bilaspur and the judges for the competition were Prof. Prahlad Mane, Group Coordinator, Dr. Bansilal Mehto, Honorable Member of Parliament, Academician Prof. Bharat Bhasker, Director IIM Raipur. They addressed the students with motivational words and at last the Registrar delivered vote of thanks.

The name of winner students of group Level Competition was announced by group coordinator in which students- Mugdha Dubey, acting as speaker of youth parliament along with Prime Minister Shailesh Kumar Pandey, minister of law and Justice, Pranjal Singh Member of Parliament Pranay Gautam secured positions in group level competition of University. In this competition Guru Ghasidas Vishwavidhyalaya selected for national level competition, which is going to be held in April, 2018.

7.18 CENTRAL UNIVERSITY (CU) INTEGRATED PORTAL

Mr. H.N. Choubey, Joint Registrar, is appointed as the Nodal Officer on 14 August, 2017 of Guru Ghasidas Vishwavidyalaya for the Integrated Portal for focussed Planning, Financing & Coordinated development of Central Universities developed by the UGC with an aim of ultimately moving towards paperless transactions between CUs, UGC and MHRD. 19	Dr. Sushil Kumar Shahi	Botany	Associate Professor	
20	Dr. Sudheer Kumar Pandey	Botany	Assistant Professor	Environmental Chemistry and Pollution Ecology
21	Dr. Santosh Kumar Prajapati	Botany	Assistant Professor	Air Pollution and Stress Ecology
22	Dr. Vibhaynath Tripathi	Botany	Assistant Professor	Host Pathogen Interaction
23	Dr. D. Pandey	Botany	Assistant Professor (Adhoc)	
24	Shri Roshan Kumar	Botany	Assistant Professor (Adhoc)	
25	Dr. Jyoti Pandey	Botany	Assistant Professor (Adhoc)	
26	Mr. Amar Abhishek	Botany	Assistant Professor (Adhoc)	
27	Prof. Samrendra Nath Saha	Chemical Engineering	Professor and Head	Fluidization Engg.
28	Mr. Neeraj Chandrakar	Chemical Engineering	Assistant Professor	Chemical Process Design
29	Mr. Amit Jain	Chemical Engineering	Assistant Professor	Thermal
30	Dr. Anil Chandrakar	Chemical Engineering	Assistant professor	Catalysis
31	Mrs. Anuradha Nenewar Joshi	Chemical Engineering	Assistant Professor	Environmental Management
32	Mr. Saurabh Meshram	Chemical Engineering	Assistant Professor	Chemical Process Design
33	Dr. Raghwendra Singh Thakuar	Chemical Engineering	Assistant Professor	Adsorption

34	Mr. Gautam Prasad Dewangan	Chemical Engineering	Assistant Professor	Computer Added Process & Equipment Design
35	Mr. Vishnu Prasad Yadav	Chemical Engineering	Assistant Professor	Catalysis
36	Ms Satrupa Sahu	Chemical Engineering	Assistant Professor (Ad-hoc)	
37	Dr. Ghanshyam Barman	Chemical Engineering	Assistant Professor (Ad-hoc)	
38	Dr. Sunita Kumari	Chemical Engineering	Assistant Professor (Ad-hoc)	
39	Prof. Gautam Kumar Patra	Chemistry	Professor	Inorganic Chemistry Metal Organic, Framework, Crystal Engineering, Electrochemistry
40	Dr. Sunil Kumar Singh	Chemistry	Associate Professor	
41	Dr. Charu Arora	Chemistry	Associate Professor & Head	Physical Chemistry Kinetic, Thermal Technique Synergism, Natural Product
42	Dr. Bhaskar Sharma	Chemistry	Assistant Professor	
43	Dr. Santosh Singh Thakur	Chemistry	Assistant Professor	Inorganic Chemistry, Catalysis, Chiral Chemistry and Hydrolysis
44	Dr. Arti Srivastva	Chemistry	Assistant Professor	Physical Chemistry and Polymer Chemistry
45	Dr. Subhash Banerjee	Chemistry	Assistant Professor	Organic Chemistry, Nano- Catalysis and Green Synthesis
46	Dr. Vijay Kumar Rai	Chemistry	Assistant Professor	
47	Ms. Manorama	Chemistry	Assistant Professor	
48	Dr. Sudipta Mohapatra	Chemistry	Assistant Professor (Ad-hoc)	
49	Dr. Arvind Kumar Sahu	Chemistry	Assistant Professor (Ad-hoc)

80	Choudhary Sanket Kumar	Commerce	Assistant Professor (Ad-hoc)	
81	Shri Pradeep Ram	Commerce	Assistant Professor (Ad-hoc)	
82	Dr. Manish Shrivastava	Computer Science & Engineering	Assistant Professor	Network Security
83	Mr. Devendra Kumar Singh	Computer Science & Engineering	Assistant Professor	Computer Security
84	Mr. Nishant Behar	Computer Science & Engineering	Assistant Professor	Digital Evidence, Network Security
85	Mr. Vaibhav Kant Singh	Computer Science & Engineering	Assistant Professor	Data Mining
86	Mrs. Nishi Yadav	Computer Science & Engineering	Assistant Professor	Mobile Network
87	Mrs. Raksha Sharma	Computer Science & Engineering	Assistant Professor	Grid Computing
88	Mr. Amit Baghel	Computer Science & Engineering	Assistant Professor	Mobile Network
89	Mr. Satish Kumar Negi	Computer Science & Engineering	Assistant Professor	Vehicular Network
90	Mr. Pushpendra Kumar Chandra	Computer Science & Engineering	Assistant Professor	Optical Network
91	Mr. Manjit Jaiswal	Computer Science & Engineering	Assistant Professor	Parallel Computing
92	Dr. Amit Kumar Saxena	Computer Science and Information Technology	Professor	Data Mining, Soft Computing
93	Mrs. Pushplata Pujari	Computer Science and Information Technology	Assistant Professor & Head	Soft Computing, Classification
94	Dr. Rajwant Singh Rao	Computer Science and Information Technology	Assistant Professor	TOC, Artificial Intelligence
95	Mr. Amitesh Kumar Jha	Computer Science and Information Technology	Assistant Professor	Data Mining, Programming Languages
96	Dr. Babita Majhi	Computer Science and Information Technology	Assistant Professor	Data Mining, Signal Processing
97	Dr. Sushma Jaiswal	Computer Science and Information Technology	Assistant Professor	Digital Image Processing
98	Ms Shrishti Mathur	Computer Science and Information Technology	Assistant Professor (Ad-hoc)	
99	Shri Praveen Singh Yadav	Computer Science and Information Technology	Assistant Professor (Ad-hoc)	

100	Ms. Kiran Sahu	Computer Science and Information Technology	Assistant Professor (Ad-hoc)	
101	Mr. Suman Laha	Computer Science and Information Technology	Assistant Professor (Ad-hoc)	
102	Prof. Manisha Dubey	Economics	Professor & Head	Research Methodology, Public Finance, Gandhian Economics, Issues in Indian Economy
103	Dr. Namita Sharma	Economics	Assistant Professor	Macro-Economics, Indian Economy, Money & Banking
104	Dr. Seraphinus Kispotta	Economics	Assistant Professor	Micro-Economics, Statistics, Demography, Industrial Economics.
105	Mr. Dilip Jha	Economics	Assistant Professor	Banking, Econometrics, Mathematical Economics
106	Mr. Thakur Ram Ratre	Economics	Assistant Professor	Macro Economics, Public Finance, Economic Development and Planning
107	Dr. Ravindra Kumar Sharma	Economics	Assistant Professor	Quantitative Economics, Industrial Economics, and International Economics
108	Dr. Raj Bhanu Patel	Economics	Assistant Professor	
109	Dr. C. S. Vazalwar	Education	Associate Professor & Head	Administration Supervision & Management , Educational Psychology , English Methodology
110	Dr. Sujeet Kumar	Education	Associate Professor	Research Methodology, Learner and Learning Process, Educational Guidance & Counseling, Educational Assessment & Evaluation, Teaching of History
111	Dr. Sambit Kumar Padhi	Education	Assistant Professor	Educational Measurement & Evaluation , Research Methodology & Statistics
112	Dr. Sunil Kumar Sain	Education	Assistant Professor	Educational Technology, Educational Sociology, Measurement & Evaluation, Teaching of Maths and Civics
113	Dr. Vindeshwari Pawar	Education	Assistant Professor	Guidance and Counseling, Educational Technology, Teaching of Social Science
114	Dr. Sonia Sthapak	Education	Assistant Professor	Elementary Teacher Education, Educational Psychology, Early Childhood Care & Education, Method of Teaching Science
115	Dr. Sudhir Sudam Kaware	Education	Assistant Professor	Educational Technology, Educational Sociology, Teaching of English and Civics
116	Dr. Payel Banerjee	Education	Assistant Professor	Educational Technology, Measurement & Evaluation in Education, Science Education, Curriculum Studies, School Administration

117	Dr. Mukesh Kumar Chandrakar	Education	Assistant Professor	Computer Education
118	Mr. Ajay Sameer Kujur	Education	Assistant Professor	Sociology of Education & Education Administration
119	Mrs. Shraddha Singh	Education	Assistant Professor (Adhoc)

294	M.Z. Khan	Pure and Applied Physics	Assistant Professor (Ad-hoc)	
295	Mr. Dinesh Uthara	Pure and Applied Physics	Assistant Professor (Ad-hoc)	
296	Dr. Rajendra Metha	Rural Technology and Social Development	Associate Professor	Microbial Biotechnology and Medicinal Plant
297	Dr. Puspraj Singh	Rural Technology and Social Development	Associate Professor & Head	Agriculture Extension
298	Dr. Satyendra Kumar Nirala	Rural Technology and Social Development	Assistant Professor	Applied Toxicology and Pharmacology
299	Dr. Devendra Kumar Patel	Rural Technology and Social Development	Assistant Professor	Plant Ecology
300	Dr. Bhaskar Chaurasia	Rural Technology and Social Development	Assistant Professor	Plant Pathology, Mycorrhizal Biotechnology, Plant Microbe Interaction

301	Dr. Alka Mishra	Rural Technology and Social Development	Assistant Professor	Agro Forestry
302	Mr. Dilip Kumar	Rural Technology and Social Development	Assistant Professor	Agriculture Extension
303	Mr Sanjeev Kumar Bhagat	Rural Technology and Social Development	Assistant Professor (Ad-hoc)	
304	Mr. Komal Singh Suman	Rural Technology and Social Development	Assistant Professor (Ad-hoc)	
305	Shri Prasoon Soni	Rural Technology and Social Development	Assistant Professor (Ad-hoc)	
306	Prof. Vinod. D. Rangari	SLT Institute of Pharmaceutical Sciences	Professor & Head	Pharmacognosy
307	Dr. Alpana Ram	SLT Institute of Pharmaceutical Sciences	Associate Professor	Pharmaceutics
308	Dr. Sanmati Kumar Jain	SLT Institute of Pharmaceutical Sciences	Associate Professor	Pharmaceutics
309	Dr. Bharti Ahirwar	SLT Institute of Pharmaceutical Sciences	Associate Professor	Pharmacognosy
310	Dr. Kamta. Prasad Namdeo	SLT Institute of Pharmaceutical Sciences	Associate Professor	Pharmaceutical Chemistry
311	Dr. Suresh Haribhau Bodakhe	SLT Institute of Pharmaceutical Sciences	Associate Professor	Pharmacology
312	Dr. Dilip Pal	SLT Institute of Pharmaceutical Sciences	Associate Professor	Pharmaceutical Chemistry
313	Dr. Neeli Rose Beck	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmacognosy
314	Dr. Sanjay Kumar Lanjhiyana	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics
315	Dr. Pradeep Samal	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmacology
316	Dr. Kedar Prasad Meena	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics
317	Dr. Manoj Kumar	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics
318	Dr. Harish Rajak	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutical Chemistry
319	Dr. Ravishankar Pandey	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Biotechnology
320	Ms. Meenakshi Jaiswal	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutical Chemistry
321	Dr. Sunil Jain	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics
322	Dr. Jagdish Singh	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutical Chemistry
323	Dr. Shiwani Rai Paliwal	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics
324	Dr. Arjun Patra	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmacognosy
325	Dr. Vivekanand Mandal	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmacognosy
326	Dr. Parth Pratim Roy	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutical Chemistry
327	Dr. K. Kesavan	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics
328	Dr. Sanjay Bharti	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutical Chemistry
329	Dr. Suresh Thareja	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutical Chemistry
330	Dr. Nishant Sudhir Jain	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmacology
331	Dr. Akhlesh Jain	SLT Institute of Pharmaceutical Sciences	Assistant Professor	Pharmaceutics

C. Research Projects

(i) Ongoing Research Projects

S. No.	Title of Project	Principal Investigator	Sponsored / Consultancy	Funding Agency	Type of Project	Worth in Lakhs	Sanction Letter No. with date	Duration of the project	Grant Received (In Lakh)
1.	Sustainable and cost effective housing using recycled aggregate based Concrete	Dr. Shailendra Kumar (Co-PI), sanctioned at Dept of Civil Engg., IIT Kharagpur.		MHRD (Department of Higher Education)		50.12	IIT/SRIC/CE/AHU /2013-14/253 (REVISED), Dated:28-04-2014	4 years	
2.	Foliar transform of airborne toxic-- management	Dr. SK Pandey		UGC	MRP	14.70	FNo. 43-311/2014 (SR)	03	Nil
3.	Neurobiology of obesity regulation and therapeutic interventions	Dr. Rohit Seth		SERB	Major	70	File No.EMR/2017/003885 dated 10.01.2018	3 years	Nil
4.	Molecular evaluation of glutamate-NO-cGMP cascades modulate by NMDA and AMPA receptors in brain of rats with acute liver failure	Dr. Santosh Singh		SERB	Start-up	25.20	FILE NO. YSS/2014/000073 dated 21.12.2015	3 years	Nil
5.	Application of RS & GIS for Integrated management of Hasdeo River watershed (A tributary of Mahanadi River) in Chhattisgarh.	Prof. S.S. Singh		MOEFC, New Delhi		50.03		3 years + 1 year extension	20 lakh
6.	Study of Structure and Function	Dr. K K		CCOST,		4.90	F.20-	3 year	

	Of Different Agroforestry Practices Existing in Chhattisgarh Plain Zone	Chandra		Raipur, CG			25(3)/2012BSR date 30 March 2013		
7.	Unexplored medicinal plants for cataract	Dr. S.H. Bodakhe	Sponsored	Ayush	Major	27	Z.28015/107	03 years	17 lakhs
8.	Herbal anti-cataract drugs	Dr. S.H. Bodakhe	Sponsored	CGCOST	Major	1.5	1093/MRP	03 years	1.5 lakhs
9.	Synthesis of anti-hypertensive drugs	Dr. K.P. Namdeo	Sponsored	UGC	Major	13	PHAR-10573	03 years	10.5 lakhs
10.	Herbal hepatoprotective drugs	Dr. Bharti Ahirwar	Sponsored	SERB	Major	05	SB/EMEQ-515/2014, 21.3.16	01 year	05 lakhs
11.	Environmentally induced Oxidative stress in plants	Dr. V. Mandal	Sponsored	SERB	Major	40	EEQ/2016/6777	03 years	24.5 lakhs
12.	Curbing pest menace in paddy	Dr. V. Mandal	Sponsored	NRDMS	Major	9.85	NRDMS/SC/ST/16/016	03 years	6.5 lakhs
13.	Development of targeted nanovector system(s) for intracellular delivery of Cytotoxic agents	Dr. Shivani Rai Paliwal	SERB	DST	Start Up Research Grant (Young Scientists)	28	SB/YS/LS-333/2013, dated 05 Aug 2014	3 years	2.0 lakh
14.	Design and synthesis of novel histone deacetylase inhibitors for their potential antineoplastic activities	Dr. Harish Rajak	Sponsored	SERB	Major	25.53	SERB/LS385/20/13 dated 20th September 2013	03.5 years	1 lakhs
15.	Understanding The Role of Hippocampal Histaminergic Transmission In Ethanol Withdrawal Induced Behavioral Depression Associated with Alcoholism	Dr. Nishant S. Jain	Sponsored	SERB-EMR	Major research project EMR	40,10,135.00	EMR/2016/005051; Dated-28.07.2017	3 y	26,14,000.00
16.	Evaluation of Ethnomedicinal Plants of Chhattisgarh against Breast Cancer	Dr. Bharti Ahirwar	Sponsored	CCOST	Research	2.00	Endt. No. 1098/CCOST/MRP/2015, 4/09/2015	2years	01
17.	Isolation of secondary metabolites and evaluation of antisteroidogenic activities of some potential Indian Medicinal plants obtained locally from Chhattisgarh state	Dr. Dilipkumar Pal/ Prof V D Rangari	Sponsored	UGC		13.24 lakhs	F No: 42-694/2013 (SR) dt 27/05/2016	04 years	
18.	"To study the impact of MGNREGA on livelihood security and arrest distress migration in drought affected districts of Chhattisgarh state"	Dr. P.R. Singh and Dr. Dilip Kumar		MGNREGA State cell		Rs. 3.71	80/651/V-7/ MGNREGA/Tech. /2017, Raipur Dated 9/01/2017	Nine Month and Submitted on 03/11/2017	Rs. 3.00 Lakh
19.	"Technical Quality and the Economic Assessment of dug well & farm pond under MGNREGA and their impact on improving the income status of the beneficiaries household in C. C. state."	Dr. P. R. Singh and Dr. Dilip Kumar		MGNREGA State cell		Rs. 3.76	80/651/V-7/ MGNREGA/Tech. /2017, Raipur Dated 9/01/2017	Nine Month and Submitted on 03/11/2017	Rs. 3.00 Lakh
20.	Development of Rice-husk Feedstock Supported Nanomaterials for the Synthesis of Privileged Medicinal Scaffolds	Dr. Subhash Banerjee	Sponsored	CCOST/ Raipur	Major	4.85 lacs	ENDT.2096/CCOST/MRP/2017	2 years	2.85 lacs
21.	Nanostructured Organo-Functionalized Mesoporous Silica Materials: Syntheses and Catalytic Applications	Dr. Santosh Singh Thakur	Sponsored	CCOST/ Raipur	Major	5.0 Lacs	No.2235 /CCOST/MRP/ dated 23-12-2015	2 Years	2.40
22.	Investigating Close-in Extra-solar Planets through Photometric Follow-up of their Transits F. No. - 43-521/2014 (SR)	Dr. Parijat Thakur	UGC	UGC	Major Research Project	10.02	Sanction letter (FD Diary No. 5814 Dated 17.10.2017) dated 28, Oct 2017	2015-2018	1.8
23.	Hydromagnetic Instabilities in Strongly Coupled Complex Plasmas" F.No.-43-514/2014(SR)	Dr. R. P. Prajapati	UGC	UGC	Major Research Project	15.00	Sanction letter (FD Diary No.5822 Dated 20.10.2017) dated 28, Oct 2017	2015-2018	2.4
24.	Systematic Investigations of	Dr.	IUAC	IUAC,	Project	5.79		2014-	1.21

	Octupole Correlations in 151-154Eu N=87-90 Nuclei"	Tarkeshwar Trivedi		New Delhi	No. UFR-55313			19	
25.	Metal Induced Crystallization of Amorphous Semiconductors under Swift Heavy Ion Irradiation.	Dr. Shiv Poojan Patel	Sponsored	IUAC, New Delhi	Major Research Project	6.03	IUAC/XIII.7/UFR-58308	2017-18	1.85038
26.	"Fabrication and Characterization of Reduced Graphene Oxide Field Effect Transistors (RGO-FET) for sensor applications"	Dr.T.G. Reddy	Sponsored	UGC, New Delhi	Major	10.20	43-407/2014 (SR)_	3 years	Nil
27.	"Study of Lattice Dynamics in Fe doped VO ₂ through Mossbauer Spectroscopy"	Dr.T.G. Reddy	Sponsored	UGC DAE CSR, Indore	Major	6.35	CSR-IC/CRS-87/2014-15/594	4 Years	2.1969
28.	"Neutron Diffraction studies into structural changes and magnetic interactions in Fe _{1-x} MxVO ₄ (M = Cr, In and Al) solid solutions"	Dr. T.G.Reddy	Sponsored	UGC DAE CSR, Mumbai	Major	-	UDCSR/MUM/CD/CRS-M-263/2017/551	3 Years	1.69740
29.	Teaching Learning in Indian Higher Education	C.S. Vazalwar	NUEPA Delhi	NUEPA Delhi	minor	4,42,200/-	No. F. NUEPA (CPRHE)26 teach-LearnHE/2015 October 16,2015	02 yrs	NIL
30.	Boost Interdisciplinary education & research in School of Life Sciences	Prof. B.N. Tiwary	Sponsored	DBT	Research	369	BT/PR7020 /INF/22/172/2012	05 years	81.00
31.	UGC Special Assistance Program	Prof. B.N. Tiwary	Sponsored	UGC	Research	87.50	SAP DRS -I (F.3-14/2016/DRS-I (SAP-II))	05 years	--
32.	Phytochemical investigation of MoringaOlifera plant and its protective role in Cisplatin induced nephrotoxicity	Dr.Renu Bhatt	Sponsored	CCOST	Research	4.6	1110/CCOST/MRP/2015	02 Years	1.90
33.	Lignocellulosic-poly (lactic acid) based composites for multifaceted applications (PI)	Dr HaritJha	Sponsored	CCOST	Research	5.00	2142/CCOST/MRP/2015	02 years	---
34.	Unexplored medicinal plants for cataract	Dr. S.H. Bodakhe	Sponsored	Ayush	Major	27	Z.28015/107	03 years	17 lakhs
35.	Herbal anti-cataract drugs	Dr. S.H. Bodakhe	Sponsored	CGCOST	Major	1.5	1093/MRP	03 years	1.5 lakhs
