Academic Year: 2022_23		
S.No.	Programme Code	Name of the Programme
01	2022 337	M.Pharm (Pharmacognosy)

Following students have carried out their Project work/ Internship/ Field Project/Industrial Training for the academic session 2022-23

S.No.	Name of Students	Page No.
1	SONALI BHUJABAL	1-5
2	RISHIKA GUPTA	6-13
3	SOURABH GOSH	14-21
4	SWETA BARNWAL	22-29
5	ADITI SONI	30-39
6	ANJLI SINHA	40-53
7	PANKAJ KUMAR SAHU	54-63

**A
Dissertation
On**

**Molecular docking and phytochemical study of bioactive
compound found in *Mollugo cerviana*: an insight evaluation for
the possible bioactive lead for inhibiting ovarian cancer
activity**

**SUBMITTED FOR
Partial fulfilment of the requirement for the award of degree
of
Master of Pharmacy**

**SUBMITTED TO
Guru Ghasidas Vishwavidalaya, Bilaspur, (C.G)**

SESSION 2022-23

**SUBMITTED BY
SONALI BHUJABAL
M.Pharm IV semester (PHARMACOGNOSY)**

**Under the Supervision of
Dr. BHARTI AHIRWAR
Head of Department**

**DEPARTMENT OF PHARMACY
GURU GHASIDAS VISHWAVIDALAYA (A CENTRAL UNIVERSITY)**

**(A Central University established by the Central Universities Act 2009
No. 25 of 2009) Bilaspur, Koni (C.G) 495009**

**A

FORWARDING CERTIFICATE

This is to certify that **Sonali Bhujabal** is a student of M. Pharm IV semester student of Department of Pharmacy, Guru Ghasidas Vishwavidalaya, and Bilaspur has submitted her dissertation entitled "**Molecular docking and phytochemical study of bioactive compound found in *Mollugo cerviana*: an insight evaluation for the possible bioactive lead for inhibiting ovarian cancer activity**" for the partial fulfilment of the requirement for the **Master of Pharmacy**. She has submitted her synopsis under the supervision of **Dr. Bharti Ahirwar** (Head of the Department, Department of Pharmacy, Guru Ghasidas Vishwavidalaya, Bilaspur). Her work is original satisfactory and is not submitted anywhere else for the award of any degree.

I here recommended forwarding her dissertation for the award of degree of **M.Pharm (Pharmacognosy)** during the academic session 2022-23.

FORWARDING CERTIFICATE

This is to certify that Aditi Soni is a student of M. Pharm IV semester student of Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, and Bilaspur has submitted her dissertation entitled "Development & Characterization of Herbal Nano Formulation of *Mollugo cerviana* (L.) Ser. for an Effective Treatment of Uveitis" for the partial fulfilment of the requirement for the Master of Pharmacy. She has submitted her synopsis under the supervision of Dr. Bharti Ahirwar (Head of the Department, Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur). Her work is original satisfactory and is not submitted anywhere else for the award of any degree.

I here recommended forwarding her project report for the award of degree of M.Pharm (Pharmacognosy) during the academic session 2022-23.

DECLARATION

I hereby declare that the dissertation entitled "Development & Characterization of Herbal Nano Formulation of *Mollugo cerviana* (L.) Ser. for an Effective Treatment of Uveitis" was done by me. The entire work was done with the guidance and suggestion received from my supervisor Dr. Bharti Ahirwar (Professor) at Department of Pharmacy, GGV, Bilaspur (C.G). The same is submitted to Guru Ghasidas Vishwavidyalaya Bilaspur for the partial fulfilment of the requirement for the degree of Master of Pharmacy (Pharmacognosy).

Acknowledgement

I humbly and whole heartedly bow my head before Lord Almighty for blessing me all his grace to successfully complete my studies and research endeavor at Guru Ghasidas University.

It is a great pleasure to acknowledge my deepest thanks and gratitude to everyone who supported me throughout the course of thesis work. I wish to extend my sincere and heartfelt obligation to work all the personages who have helped me in this endeavour. Without their active guidance, help, cooperation and encouragement, I would not have made any progress in my project.

By the grace of Almighty, I take this opportunity to express my deep sense of gratitude to my supervisor Dr. Bharti Ahirwar, Head of Department, Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G) for providing me excellent guidance, motivation, encouragement and care throughout my research work. I am highly thankful to him for critical inputs, thought provoking suggestions during the progress of the work and writing of dissertation.

I am also thankful to my Dr. Bharti Ahirwar, Head of Department of Pharmacy Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G) for providing me the required facilities and also their timely words of advice, despite of their busy schedule.

I extend my heartfelt gratitude to my co-supervisor Dr. Karthikeyan Kesavan, Assistant Professor, Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) for his invaluable guidance, support, and expertise throughout the completion of this dissertation. His profound insights, encouragement, and unwavering dedication significantly contributed to the successful completion of this work. I am truly grateful for his mentorship and assistance, which have been instrumental in shaping this dissertation.

I am grateful to Dr. Vivekananda Mandal, Dr. Arjun Patra, Dr. Vinod D. Rangari, and Dr. Neeli Rose Beck for their continuous support during my project and post-graduation. Their guidance and expertise were invaluable to my success.

I record my special thanks to Nirupama Rani Dewangan, Varsha Yadav, Kavi Bhushan Singh Chouhan, Souvik Mukherjee, Kshetrapal Patel, Rashmi Khunte, Ekta Shirbhate and Ankit Tiwari, fellow Research Scholars, for their timely assistance and unwavering moral support throughout my research work.

My special thanks to all my dear friends Kashinath Mahato, Janita Sahu, Ayushi Sharma, Ashwani Patel, Sonali Bhujabal, Girendra Yadav, Virendra Sahu, Rishika Gupta, Sweta Barnwal, Sourabh Ghosh, Pankaj Sahu, and Anjali Sinha for their timely help and moral support during my research work.

Now, Last but not the least; I feel immense pleasure to express my deep sense of gratitude and indebtedness to my family Mr. R. K Soni and Mrs. Savita Soni for their keen interest, constructive criticism, valuable guidance, persistent promptness and constant encouragement throughout the period of my study. I am very happy to express my special appreciation and thanks to my sister Miss. Apurva Soni for their limitless love, affection and support.

I am also thankful to those who are directly or indirectly involved to help me during my research work.

ACKNOWLEDGEMENT

I humbly and whole heartedly bow my head before Lord Almighty for blessing me all his grace to successfully complete my studies and research endeavor at **Guru Ghasidas Vishwavidyalaya**.

It is a great pleasure to acknowledge my deepest thanks and gratitude to everyone who supported me throughout the course of thesis work. I wish to extend my sincere and heartfelt obligation to work all the personages who have helped me in this Endeavour. Without their active guidance, help, cooperation and encouragement, I would not have made any progress in my project.

By the grace of Almighty, I take this opportunity to express my deep sense of gratitude to my supervisor **Dr. Vivekananda Mandal**, Assistant Professor, Department of Pharmacognosy, Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.), for giving me the opportunity to do research and providing invaluable guidance throughout this research.

His dynamism, vision, sincerity and motivation have deeply inspired me. He has taught me the methodology to carry out the research and to present the research works as clearly as possible. It was a great privilege and honor to work and study under his guidance. I am extremely grateful for what he has offered me. I would also like to thank him for his friendship, empathy, and great sense of humor. I am extending my heartfelt thanks to his wife, family for their acceptance and patience during the discussion I had with him on research work and thesis preparation.

I am profoundly thankful to my parents, **Mr. Chhagan Sinha** and **Mrs. Chandrakala Sinha**, along with my family members, for their unwavering love, prayers, care, and

sacrifices in educating and preparing me for my future. I also extend my sincere gratitude to my brother, **Mr. Amit Sinha**, for his love, understanding, prayer, and continuous support throughout the completion of this research work.

I am also thankful to **Prof. Bharti Ahirwar**, Head of Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) for providing me the required facilities and also their timely words of advice, despite of their busy schedule.

I am thankful to, **Prof. Vinod D. Rangari**, **Dr. Arjun Patra**, and **Dr. Neeli Rose Beck** for their constant efforts and support throughout my project work and post-graduation as well.

I would like to thanks all the non-teaching staff of the department for their contribution and assistance.

I extend my deepest gratitude to my seniors researcher, **Mr. Kavi Bhushan Chouhan**, **Mr. Souvik Mukherjee** and **Mr. Altamash Khan**, whose unwavering support and expertise have been invaluable throughout the course of my research. Collectively, they played pivotal roles in shaping the direction and quality of this work. Their combined guidance on experimental design and data analysis was instrumental in achieving meaningful results. I am particularly thankful for their willingness to share their knowledge and provide detailed feedback, which significantly enhanced the rigor of my research.

I would like to extend my heartfelt thanks to my research partner, **Mr. Kashinath Mahato**, for their unwavering dedication and collaborative spirit throughout the research process.

I wanted to take a moment to express my heartfelt gratitude to Supportive Team, **Rishika Gupta**, **Saurabh Ghosh**, **Yogendra Chandra**, and **Pankaj Sahu**, **Prashant choubey**, **Divya Jaiswal** each one of you for your individual and collective roles in helping to ease research and promote a more positive and collaborative atmosphere within our research team.

I would like to express my heartfelt gratitude to all my classmates, **Ashwani Kumar, Aditi Soni, Grendra Yadav, Janita Sahu, Sweta Barnwal, Sonali Bhujbal** and my seniors **Pragya Gupta, Shilchan Das, Nirupama Rani, Varsha Yadav** for your incredible support and collaboration during our time in this course. Your dedication, creativity, and willingness to go the extra mile have truly made a difference.

I acknowledge the resources, libraries, and academic environment provided by **Guru Ghasidas Vishwavidyalaya**. These have been indispensable in the pursuit of knowledge and the completion of this thesis.

I would like to acknowledge the analytical services provided by **University of Calcutta (W.B)** and **ICAR-IIHR, Hesaraghatta Lake Post, Bengaluru**.

In my pursuit of this academic achievement, I'm deeply grateful to **Mr. Juned Malek, Geetanjali Thakur, and Damini Sahu**. Your unwavering support, encouragement, and belief in my potential never wavered, even in the face of countless challenges.

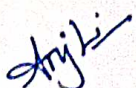

To all those whose names may not be listed but who have contributed in various ways, whether through technical support, discussions, or encouragement, your role has not gone unnoticed.

This thesis is a collective effort, a product of the support, encouragement, and expertise generously shared by these exceptional individuals and institutions and I am sincerely thankful to all for your role in my academic growth.

Thank you for being a part of this significant chapter in my life.

FORWARDING CERTIFICATE

This is to certify that **Mr. Pankaj Kumar Sahu S/o Mr. Pramod Kumar Sahu** is a student of M. Pharm., IV semester in Department of Pharmacy, G.G.V. has submitted his project report entitled **"Phytochemical Evaluation and Wound Healing Activity Study of Fenugreek Seeds Aqueous Extract for Treatment of Hemorrhoids"** for the partial fulfillment of the requirement for the Degree of Master of Pharmacy (Pharmacognosy) at Department of Pharmacy, G.G.V. Bilaspur (C.G.). He has completed his project work under the supervision of **Dr. Vinod D. Rangari.**

I hereby forward his project report in M. Pharm (Pharmacognosy) during the academic session 2021-23.

DECLARATION

I hereby declare that the project report entitled **“Phytochemical Evaluation and Wound Healing Activity Study of Fenugreek Seeds Aqueous Extract for Treatment of Hemorrhoids”** was done by me. The entire work was done with the guidance and suggestion received from my supervisor **Dr. Vinod D. Rangari** at Department of Pharmacy, G.G.V., Bilaspur (C.G.). The same is submitted to Guru Ghasidas Vishwavidyalaya, Bilaspur for the partial fulfillment of the requirement for the degree of **Master of Pharmacy (Pharmacognosy)**.

ACKNOWLEDGEMENT

I humbly and whole heartedly bow my head before Lord Almighty Shree Krishana for blessing me all his grace to successfully complete my studies and research endeavour at Guru Ghasidas University.

It is a great pleasure to acknowledge my deepest thanks and gratitude to everyone who supported me throughout the course of thesis work. I wish to extend my sincere and heartfelt obligation to work all the personages who have helped me in this endeavour. Without their active guidance, help, cooperation and encouragement, I would not have made any progress in my project.

By the grace of Almighty, I take this opportunity to express my deep sense of gratitude to my supervisor **Dr. Vinod D. Rangari**, Professor, Department of Pharmacognosy, Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) for providing me excellent guidance, motivation, encouragement and care throughout my research work. I am highly thankful to him for critical inputs, thought provoking suggestions during the progress of the work and writing of dissertation.

I am also thankful to **Dr. Bharti Ahirwar** Head of Department of Pharmacy Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) for providing me the required facilities and also their timely words of advice, despite of their busy schedule.

I am thankful to, our respected teachers **Dr. Bharti Ahirwar, Dr. Vivekananda Mandal, Dr. Arjun Patra and Dr. Neeli Rose Beck** for their constant efforts and support throughout my project work and post-graduation as well.

I would like to thanks and express my gratitude to our respected teachers in our department **Dr. Surendra H. Bodkhe, Dr. Harish Rajak, Dr. Nishant Jain, Dr. Meenakshi Jaisawal, Dr. Pradeep Kumar Samal** for their general guidance and support during in my research study.

I would like to thank **Dr. Roshan Borkar** Department of Pharmaceutical Analysis National institute of Pharmaceutical Education & Research, Guwahati, Assam India for the estimation of LC-MS studies of plant extract.

I would like to extend my heartfelt gratitude to **Dr. Ruthvika Charegaonkar** Anchrom Enterprises Pvt. Ltd. Mumbai India for fingerprint study of samples by HPTLC method

I want to express my sincere appreciation to **Dr. Sanjay Dhandharia, M.B.B.S., (M.S.)** at Shri Sai Krupa Hospital, Bilaspur, (C.G.), for the helping of investigating, patients of hemorrhoids and piles to treat them with our liquid and suppository formulations.

I would like to thanks all the non-teaching staff of the department for their contribution and assistance.

I would like to thanks and express my gratitude to Ph.D. scholars and my seniors **Mr. Kavi Bhushan Chouhan, Mrs. Richa Patel, Mr. Chhatrapal Patel, Mr. Vaibhav Matukar, Miss. Nirupma Rani Dewangani, Mr. Altamash Khan, Mrs. Ayushi Pathak, Mr. Nirदेश Singh, Miss. Varsha Yadav, Mr. Souvik Mukhrjee, Miss. Ashmita Das, and Miss. Nidhi kumari Baghel** who contributed in some or other way for the success of this research work.

I also would like to thankful to my batchmates **Janita Sahu, Sweta Barnwal, Rishika Gupta, Yogendra Chandra, Sourabh Gosh, Divya Jaiswal, Anjali Sinha, Ashwani Patel, Girendra Yadav, Kashinath Mahto, Aditi Soni, Hemlata sahu, Arvind Jaisawal, Durlav Choudhari, Vaibhav Singh Thakur, Pameshwar Sahu, Dipendra Nirmalkar, Reshmi Yadav, Geetanjali Darsena,**

Now, Last but not the least; my unbound gratitude and affection drive to my beloved parents **Mr. Pramod Kumar Sahu, and Mrs. Ramkumari Sahu** for bringing me up in the best of ways, for rendering me the best of education, for nurturing in me the best of ideals. I am very happy to express my special appreciation and thanks to my brothers **Mr. Dheeraj Sahu, Neeraj Sahu,** my sisters **Mrs. Sanjana Sahu, Mrs. Rakhi Sahu, and Miss Karuna Sahu** for their limitless love, affection and support.

Sincerely thanks to all.
