11. CONFIDENTIALITY AND INTELLECTUAL PROPERTY RIGHTS

11.1 You agree that the terms and conditions applying to your employment are strictly confidential. Any disclosure of these terms and conditions to third parties (including other employees of the Company or any other associate or affiliate of the Company) constitutes a breach of your employment.

11.2 You acknowledge that as a result of employment with the Company, you will be in possession of proprietary and confidential information and trade secrets relating to the business practices of the Company and affiliated companies, if any. You agree that you will not, at any time during or after the employment period, directly or indirectly, use or disclose to any person, firm, corporation or other entity, use to the detriment of the Company or the Company's employees or misuse in any way any proprietary or confidential information acquired by you during your employment by Employer regarding the clients, customers, vendors, business partners or business practices of Employer or affiliated companies, without the prior written consent of the Company. For purposes of this Agreement, Confidential Information includes, but is not limited to, trade secrets; lists of past or present clients, customers or consultants; product or service development plans; marketing plans; pricing policies; business acquisition plans or targets; any portion or phase of any technical information, technique, method, process, procedure, technology or know-how (whether or not in written or tangible form) used by the Company or any portion or phase of any technical information, ideas, discoveries, designs, computer programs, processes, procedures, formulae or improvements of the Company that is valuable (whether or not in written or tangible form or whether or not downloaded into a computer or on computer discs) to the Company. All such information, in whatever form, including all memoranda, notes, plans, reports, records, documents and other evidence thereof and any other information of whatever nature which gives the Employer an opportunity to obtain an advantage over its competitors shall be considered a "trade secret" for the purposes of this Agreement.

11.3 For purposes of this Agreement, "Intellectual Property" means any patents, rights to inventions, discovery, process, product, or device, conceived, discovered, improved or made by you during the term of employment, either solely or jointly with others, whether patentable, trademarkable, copyrightable, and/or subject to protection as a trade secret or otherwise, which is related to the actual or planned business or activities of the Company or related to its actual research, design, development or suggested by or resulting from any tasks assigned to you for or on behalf of the Company, or with the use of the Company's facilities, materials or personnel, rights in goodwill, rights to sue for

passing off, rights in designs, rights in computer software (source or object code), database rights, rights in confidential information (including know-how and trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and including all applications (or rights to apply) for, and renewals or extensions of, such rights and all similar or equivalent rights or forms of protection which may now or in the future subsist in any part of the world;

"Inventions" means any invention, idea, discovery, development, improvement, or innovation made, conceived and/or reduced to practice by you during the term of this Agreement, whether or not patentable or capable of registration, and whether or not recorded in any medium and which (a) relates to any group company's business or (b) is made, conceived, or reduced to practice using any group company's equipment, facilities, or on our time; and **"Works"** means all records, reports, documents, papers, drawings, designs, transparencies, photos, graphics, logos, typographical arrangements, software (source or object code), and all other materials in whatever form, including but not limited to hard copy and electronic form, created by you during the term of this Agreement and which (a) relate to our business or (b) created using our equipment, facilities, or on our time.

11.4 The following shall be the property of the Employer exclusively:

- (a) Any Intellectual Property conceived, discovered, or made by you; and
- (b) Any patent, copyright, trademark, application, or record relating to any Intellectual Property.

11.5 As far as the Company is not already by law the owner of the Intellectual Property Rights arising in respect of any and all Works created, you hereby assign to the Company and/or its affiliates all existing and future Intellectual Property Rights arising in respect of any and all Works and Inventions created, compiled and/or devised by you in the course and scope of your employment with the company pursuant to this Agreement. By virtue of this Agreement, any Intellectual Property Rights and Works which come into existence in the future in respect of any such work created, compiled and/or devised by you in the course and scope of your contract with the Company, shall vest in the company and/or its affiliates upon their coming into existence. To the extent any Intellectual Property Right is not assignable you grant to us an exclusive, irrevocable, transferable, sub-licensable and, unlimited as to time, territory, and content, right of use and exploitation right in and to any Inventions and Works for all known and unknown types of use.

11.6 You undertake and represent to the Company that to the best of your knowledge, you are the sole beneficial owner of the entire right, title and interest in and to such Intellectual Property Right, arising in respect of your work created, compiled and/or devised by yourself in the course and scope of your employment with the Company, that you are free to assign such rights to the Company free of any third party claims, liens, charges or encumbrances of any kind, and that you are free of any duties and/or obligations to third parties which may conflict with the terms of this Agreement.
