About the University

Guru Ghasidas Vishwavidyalaya, a Central University of India, located in Bilaspur, Chhattisgarh State, established under Central Universities Act 2009, No. 25 of 2009. Formerly called Guru Ghasidas University (GGU) established by an Act of the M.P. State Legislative Assembly on June 16, 1983. GGU is an active member of the Association of Indian Universities and Association of Commonwealth Universities. The National Assessment & Accreditation Council (NAAC) has accredited the University as B+. Situated in a socially and economically challenged area, the University is appropriately named to honor the great Satnami Saint Guru Ghasidas (born in 17th century), who championed the cause of down trodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society. The lush green sprawling campus of the university spread over an area of 875 acres is located 5 K.M. away from the main Bilaspur town, the city of Bilasa. The river Arpa, the lifeline of Bilaspur runs parallel to the university campus.

The city is well connected with all parts of country by road, rail and by Air. Being a railway Zone, Bilaspur facilitates travel by train to and from any part of country.

The University is a residential cum affiliating institution. The University covers almost the total spectrum of higher education, University Teaching Department offering various courses in area of Arts, Commerce, Education, Engineering and Technology, Law, Humanities, Life Sciences, Management, Pharmacy, Physical Sciences and Social Sciences.

Department Profile

The Department of Pure and Applied Mathematics, one of the premier Departments of University, started functioning in the year 1989 and is gradually emerging as an excellence centre for research and teaching, where the students are attracted from different parts of the country.

The Department initially started with Ph.D. and M.Phil. in Mathematics and post graduate courses were introduced in the academic session 1995-96. After upgradation of this university into Central University in 2009, Integrated UG/PG programme in Mathematics was introduced.

The image of any teaching institute is framed through the quality of its faculty, the Department is proud to have highly qualified and acclaimed faculty members. The Department is having thirteen teaching faculty, including two professors. The diversity of the research areas of our faculty makes this Department unique in itself. The Department offers teaching and research programs in the areas of Algebra, Analysis, Differential Geometry, Fuzzy logic, Approximation theory and Fixed point theory under the active guidance of dedicated faculty members.

The Department was selected by International Centre for Theoretical Physics (ICTP), Italy for implementing the federation scheme.

Department is striving very hard to improve the quality of education to stand as one of the leading education centres in the country. Students from the department are encouraged to appear in national level examinations like, NET, GATE and JAM etc. We express our deep desire to work with the new students to make their lives brighter.

WE WELCOME YOU TO OUR DEPARTMENT

Facilities on the campus

Hostel: Hostel facility for boys and girls are available in the campus.

Computer Center: The University has a sophisticated computer center equipped with latest versions of hardware and software. The center has appropriate statistical, scientific and simulation packages to cater to the educational needs. The Center has installed one BSNL based leased line with 64 Kbps capacity. Students of the Department are eligible to avail the centralized computer facility. The Department has fully air-conditioned computer lab with Wi-Fi facilities well connected with LAN networking and necessary software for management students.

Library: The University has a well stocked up-to-date library containing about 86,000 books, 1650 back volumes of journals and five thousand projects / Ph.D. theses. Presently, it subscribes about 150 Indian and foreign journals in various disciplines. The reprographic facility on subsidized rate is provided to the users along with other library services. The library has internet facility and library automation with INFLIBNET link. Besides the central library, students can also use the departmental library.

National Service Scheme: The University has a unit of National Service Scheme (NSS) having a total strength of 100 students from the University Teaching Departments. The aim of NSS is to provide an opportunity and working experience for social services. The students participate in various activities like plantation, blood donation, seminar, essay writing, quiz, debate etc.

Post Office and Bank: The residents and students on the campus are provided with Banking & Communication facilities. Punjab National Bank and Post Office are rendering their services in the campus. ATM facility by Punjab National Bank is available in the campus. A new electronic telephone exchange is also established in the campus.

Health Center: Health care and ambulance facilities to the students and residents are available in the Health Center located near the University Computer Centre.

SC/ST Cell: University has a separate SC/ST cell. The cell processes and provides assistance to the SC/ST students to get scholarships as per the Government rules and deals with all the problems of the SC/ST students.

 - ◆ Any other disciplinary action deemed appropriate by the university authorities.
-
-

Ragging

It is observed that perverse form of ragging is prevalent in institutions of higher learning. The Government and the apex courts of the country have taken very serious view to combat the menace of ragging in universities and other educational institutions. Ragging has been recognized as the "Cognizable offence" and is punishable under law. The following could be the possible punishments for those who are found guilty of participation in or abetment of ragging. The quantum of punishment shall, naturally depend upon the nature and gravity of the offence as established by disciplinary committee or the court of law.

Punishments:

- ◆ Cancellation of admission;
- ◆ Suspension from attending the classes;
- ◆ Withholding/withdrawing scholarships/fellowships & other benefits;
- ◆ Debarring from appearing in any tests / examination or other evaluation process; withholding results;
- ◆ Debarring from representing the institution in any national meet, tournament youth festival, etc.;
- ◆ Suspension / Expulsion from the hostel;
- ◆ Rustication from the institution for period varying from 1 to 4 semesters;
- ◆ Expulsion from the institution & consequent debarring from admission to any other institution;
- ◆ Fine up to Rs. 25000/- and
- ◆ Rigorous imprisonment up to three years.

While the first ten types of punishment can be awarded by the appropriate authority of the institution itself, the last punishment can be awarded by a court of law.
