CERTIFICATE OF APPROVAL

This is to certify that the project entitled "**Theoretical Study Of Removal Of Heavy Metals From Waste Water: A review report**" submitted by **Nishukant**(Roll No. : 22021130), **Sakshi Priya** (Roll No.: 22021150), **Macha Swathi** (Roll No. : 21021127), **Madasu Naga** (Roll No. : 21021122), **Abhishek Kumar**(Roll No. : 22021103), **Adarsh Kumar** (Roll No. : 22021105) in fulfilment of the requirements for the degree of **Bachelor of Technology in Chemical Engineering** is a record of bonafide and original research work carried out by them under our guidance and this project does not include any work which has previously been submitted for the award of other degree, diploma, associate-ship, fellowship, or other similar titles to them. We, further certify that the work reported in this project was carried out independently by the candidate.

Approved by

Dr. Raghwendra Singh Thakur

Head

Department of Chemical Engineering

School of studies of Engineering and Technology

Guru Ghasidas Vishwavidyalaya

Bilaspur, Chhattisgarh
