For successfully completing a free online course
UI/UX

Provided by
Great Learning Academy
(On September 2022)

# Introduction:

*User Interface (UI) and User Experience (UX) Design play key roles in the experience users have when interacting with digital products and applications. In this course, we'll cover the theory and methodologies behind UI and UX design. You'll also design your own wireframes and interactive prototypes. Learning UI and UX basics can help you collaborate better on team projects and create new career opportunities.*
