Dear Prof. B.K. Pandey.

Paper ID : GAE31626XC

Title : Laboratory study of the effect of reinforced granular blanket and single stone column on the behaviour of sandy soil in a unit cell

Thank you very much for your prompt review of the above paper.

I would appreciate your efforts and time spent to review the paper. Regarding your opinion on the paper, we will request the author(s) to revise his paper in accordance with your comments.

We are looking forward to your enjoyable association with the "Geomechanics and Engineering, *An International Journal*" in the future.

Sincerely yours,

Prof. Chang-Koon Choi, Ph.D  
Editor-in-Chief  
Geomechanics and Engineering, *An International Journal*
