CERTIFICATE OF COMPLETION

(Dr. T. R. Rathe)

ACKNOWLEDGEMENT

First I would like to thank to our teacher Department of Economics, of **Guru Ghasidas University**, Bilaspur Chhattisgarh for Giving me the opportunity to do an internship within the organization. I am extremely great full to my department staff members and friends who helped Me in successful completion of this internship.

I am incredibly grateful to my internship supervisor, Saurabh Mukherjee, for their invaluable guidance and support throughout my internship. From the moment I started, Saurabh Mukherjee Sir took the time to get to know me and understand my goals for the internship. They provided me with clear direction and expectations, and were always available to answer my questions and provide valuable feedback.

ABSTRACT

In Graphics Design main focus or objective of this internship was to Learn Graphics Design and Implement in Company or Organization. Some of the important design in graphics design, such as: Working with Images, Clipping path, Image masking, Hair masking /Layer Masking, Drop Shadow, Natural Shadow etc. There are lots of works in graphics design using different tools and different situations or as per client requirements. Now a day, there are lots of graphics designer working in motion image, motion videos etc. In our daily life we see everywhere graphics works. It is very helpful for company and institutes. That is why I choose the subject of my report is "Graphics Design". Working in Great learning (online platform) added huge experiences in my future or upcoming careers. Working with real life problems of client, was another key point to gain experiences. This report takes us through all the details of Graphics Design knowledge and experience gathered during this internship 30 days period.
