

## **Report of Induction Program**

The Induction program for newly admitted B.Sc. students, was held in the Department on 25 November 2022. The purpose of the Induction program is to make the newly joined students feel comfortable and adjust to the customs and practices of the college. The Head of the Department, Dr. J.P. Jaiswal, welcomed students to the Department and shared with the students the achievement of the department. He also told students to connect with each other and with teachers so that they can share any difficulty they might be facing and seek help. Chief Proctor Prof. V.S. Rathore made the students aware of the protocols to be followed on campus, and discussed stress management techniques and disposal of bad habits. Assistant DSW, Dr. M.K. Gupta explained to the students about various schemes going on for the welfare of the students. He also elaborates on the examination process, CGPA, grading system, and evaluation schemes. Training and Placement Officer Shri Premnath Kamlesh told the students about future opportunities. NSS Coordinator Dr. Dileep Jha has shared various NSS activities including blood donation camps, plantation drives, and creating an awareness among people to be human towards our fellow citizens and environment etc. Prof. A.S. Ranadive, Dean of the School of Studies of Mathematical and Computational Science told the students to explore their academic interests and activities, reducing competition, making them work for excellence, promoting bonding within them, building relations between teachers and students, giving a broader view of life and building of character. He also discussed National Education Policy (NEP-2020).

The program was anchored by Academic Coordinator Dr. B.B. Chaturvedi. The faculty members and research scholars of the department were also present in the program.
