

National Mathematics Day-2023 Celebration

Department of Mathematics,

Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.)

The Department of Mathematics celebrated National Mathematics Day on 22nd December, 2023. It is known that the birthday of the great Indian mathematician Srinivasa Ramanujan was announced to be celebrated as National Mathematics Day by the Government of India in 2012.

On 21st December, the department organized Poster presentation, PPT presentation and Rangoli competition for the students, in which they showed lots of enthusiasm and student talent emerged. Nikita and the group won the first prize in the PPT presentation in which they presented their views about Ramanujan's work. Even in rangoli students have displayed Mathematical ideas like magical square, Hardy's number etc. The winner of this competition is Khusboo and the group. In the Poster competition, our students flaunt the art of mathematics and exhibit their talent.

On 22nd December, the function was presided over by Prof A. K. Saxena, I/C Vice-Chancellor. The Convenor & Head of the Department, Dr. J. P. Jaiswal welcomed dignitaries, faculty members and students. In the inaugural session of the program, the coordinator Prof. A. K. Thakur, gave information about the outline of the program and the speaker. The Dean of Mathematical and Computer Science, Prof. A. S Ranadive shared many interesting things on the importance of mathematics in life. Prof. Manish Shrivastava, Registrar has told the use of mathematics in real life. Prof A. K. Saxena interacted with the students and told his experience with learning Mathematics. Vote of thanks is proposed by Dr. D. Gopal.

After the inaugural session, the speaker in the technical session was Prof. (Retd.) B. K. Sharma, Pt. Ravishankar Shukla University, Raipur. He encouraged students to study mathematics by describing the autobiographies of famous mathematicians.
