**A Brief Abstract of the Event (Maximum 500 Words):**

*Guru Ghasidas University is one of the leading Universities in the central region and the first University in the country to implement National Education Policy 2020. The University successfully integrates skill and learning in its culture, thus providing a holistic environment to its students to become self-reliant. University under the able leadership of its dynamic Vice-Chancellor, Prof Alok Kumar Chakrawal has successfully launched one of its major flagship programme known as "Swavalambi (self-reliant) Chhattisgarh" a drastic step towards making Chhattisgarh self-reliant. Dr. Dilip Kumar, assistant professor of rural technology & social development is also playing valuable role in this through their skill training. The University is at the doorstep of evolving as one of the major breeders of young entrepreneurs to cater to the entrepreneurial needs of Chhattisgarh and Nation as well. University has rightly understood that skill development of the new generation is the call of the Nation and shall serve as the foundation of 'Atmnirbhar Bharat'. Providing skilled manpower to the world is one of the core strategies behind skilling modern day youth.*

*Landscaping and gardening is a art and techniques that make a beautiful environment in surrounding and attraction is asset of landscaping and gardening; a training program was organized to teach students how to make beautiful landscape and garden by practically and demonstration by Dr. Dilip kumar.*

**\*\*Aim: \*\***

*The primary objective of this training program was to impart knowledge and skills to participants on making beautiful landscape and garden, thereby promoting role and beautification by gardening in the own place. Additionally, the program aimed to empower individuals with income-generating skills.*
