## WHAT IS BANK ?

- A bank is a financial institution that accepts deposits from the public and creates a demand deposit while simultaneously making loans. Lending activities can be directly performed by the bank or indirectly through capital markets

### • BANKING

**Banking is directly or indirectly connected with the trade of a country and the life of each individual. It is an industry that manages credit, cash, and other financial transactions. In banking, the commercial bank is the most influential institution for any country's economy or for providing any credit to its customers.**
