ABOUT THE UNIVERSITY

Guru Ghasidas Vishwavidyalaya is a Central University of India, located in Bilaspur C.G. State, established under Central Universities Act 2009, No. 25 of 2009. Formerly called Guru Ghasidas University (GGU), established by an Act of the State Legislative Assembly, was formally inaugurated on June 16, 1983.

GGV is an active member of the Association of Indian Universities and Association of Commonwealth Universities. Situated in a socially and economically challenged area, the university is appropriately named to honour the great Satnami Saint Guru Ghasidas (born in the 17th century), who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society. The University is a residential cum affiliating institution, having its jurisdiction spread over Bilaspur Revenue Division of the state of Chhattisgarh

ABOUT THE DEPARTMENT

Department of Industrial & production Engineering was established in the year 1997. Department has well qualified faculty & trained staff. Department has well equipped laboratories for students. The industry training for the students of final year & third year students are arranged to impart practical exposure in the organization like SECL, BHEL, BALCO,

JINDAL, CSEB power plants and in other public and private company.

Department is also engaged in organizing other activities like seminars, guest lectures, aptitude test, quiz to provide and develop inter personal skills

Every year approximately ten students qualify the national level GATE exam. The passed-out students are working in company like RELIANCE ENERGY LTD., BALCO, JINDAL, CSEB, DRDO, ISRO, HAL, and Indian Railways.

ABOUT THE PROGRAM

FDP is designed to provide knowledge on research Funding Opportunities and proposal preparations for Academicians for a rapid dissemination and experience to engineers and scientists working in the research and development. The workshop will also have insight on promoting excellence in research by understanding how to get bodies like DST, CSIR, DRDO, and MHRD etc.... and to create awareness for writing good Research proposals.
