

Dr. K.N. Singh is presently Professor of Physics in department Pure & Applied Physics, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh. He is involved in various administrative and non-administrative responsibilities as Ministry Department Organization (MDO) Administrator, Nodal Officer. He obtained Ph. D in Material Science from GGV Bilaspur (C.G.). He has published more than 39 research papers, 6 patent, and written 5 books with national and international reputed publishers. His important area of research is perovskite based dielectric and ferroelectric materials, multiferroic materials and Sodium ion batteries.

Dr. H.S. Tewari is presently Professor of Physics in department Pure & Applied Physics and Dean, School of Physical Sciences, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh. He did M. Sc. (Physics) from DDU Gorakhpur University, M. Tech & Ph. D. in Materials Science from Indian Institute of Technology - BHU, Varanasi. After serving as research associate in UGC project he joined Guru Ghasidas Vishwavidyalaya in Sept. 1996 as a lecturer. He also completed teaching assignment in Addis Ababa University, Ethiopia as expatriate faculty member for two years (2006 – 2008). His important area of research is perovskite based dielectric and ferroelectric materials, magnetic ferrites, multiferroic materials and super-capacitors. Dr. Tewari has published good number of research papers in international and national journals.

Dr. P.K. Bajpai, presently Vice-chancellor Jai Prakash University Chhapra Bihar. He earned Doctorate from Physics department, North-Eastern Hill University in 1988. He worked for North Eastern Hill University 1988-1996 and Guru Ghasidas University, 1996-till date. Since 1996, he became the Head of Pure & Applied Physics, Guru Ghasidas Vishwavidyalaya, Bilaspur, India and served as Dean Sciences and physical Sciences. Now he has published more than 217 papers and edited five books and received more than 10 awards for his contributions to the Science. He is a Fellow of International Academy of Physical Sciences; Full Member of American Nano Society and executive editor of Chhattisgarh j. Science & Technology. Prof. Bajpai has developed a 3 MV particle Accelerator based Interdisciplinary Research Centre with the financial support from DAE and UGC (approx. 40 crores).
