A Brief Abstract of the Event (Maximum 500 Words):

Skill development programme on “Snake Rescue and awareness” was jointly organized by Department of Zoology and Skill Development Cell, GGV in collaboration with Snake Rescue Society (Team), Bilaspur for all the departments of School of Life Sciences, GGV on 02nd February 2023 between 2-5 pm at Auditorium of Department of Zoology.

The program was started by Prof. LVKS Bhaskar with brief introduction about functioning of Skill Development Cell, GGV for the betterment of students. Prof. Seema Rai, Dean, School of Life Sciences welcomes the Chief Guest, Prof. Nilambari Dabe, Honorable Vice Chancellor, Saurashtra University, Rajkot. Prof Bhaskar welcomes Mr. Chaudhary and his team and participants.

Mr. Chaudhary and his team provided valuable information through charts and oral presentations along with live specimen of snake brought them for demonstration and identification purpose only. Mr. Chaudhary provided information about type of venomous and non-venomous snakes, their habitat and identification features, occurrence, biting mechanism, types and composition of snake venom. He also discussed students about various myths present in our society about snake and snake bite. He focused his talk on the identification of venomous snake on the basis of characters appear after biting and also demonstrated that what to do and what do not after snake biting to save the life of victim.

Total 120 students participated from first semester of B. Sc. and M. Sc.

At the end, certificate of appreciation was handed over to Mr. Kamla Chaudhary, President of the Society by Prof. Monika Bhadauria, Coordinator of the program. Program ended at about 5:30 pm with vote of thanks to HVC, GGV for providing generous consent for organizing such useful activity in the campus and all hands that provide strength and support directly and indirectly for proper running of program.
