## ACKNOWLEDGEMENT

First and foremost, I offer my sincerest gratitude to my supervisor, Dr. Sasmita Patel, who has supported me throughout my project with her patience and knowledge while allowing me the room to work in my way. I attribute the level of my Master's degree to her encouragement and effort and without her this work, could not have been completed or written. One simply could not wish for a better or friendlier supervisor. I am taking this opportunity to place on record my grateful thanks to her.

I would like to express my thanks to my parents who inspired me to put in my best efforts for the research report. I would also like to thank all my friends for their motivation and support helped me to develop this project report.
