ABSTRACT

Summer training offered by Jaipur Metro Rail Corporation Limited (JMRC), Jaipur was fortune opportunity for me during my third year of under graduation. It helped me to apply my theoretical knowledge gained during the university academic programme into real world Railway based execution. It helped me to enhance my skill and to enrich my railway knowledge by keeping me update with the latest technology and this opportunity is extremely helped me to expose into an environment where I could think as a civil engineer.

I had my training experience from 15th May 2024 to 30th June 2024. This report document contains the knowledge and experience I have gained through my industrial training at JMRC, Jaipur (Rajasthan).
