

Workshop Report On: "Personality Development"

Organized by: Placement Cell, Computer Science & Engineering Department, Guru Ghasidas Vishwavidyalaya, Bilaspur

Introduction:

The Placement Cell of the Computer Science & Engineering Department at Guru Ghasidas Vishwavidyalaya Bilaspur organized a virtual workshop titled "Personality Development." The event took place on 25th September 2024 and aimed to help students enhance their communication, behavioral skills, and develop a job-ready personality.

Event Details:

Title: Workshop on Personality Development

Date: 25th September 2024

Time: 2:00 PM to 3:00 PM

Venue: CSE Department

Speaker: Dr. Prasenjit Panda (Assistant Professor in English, Department of English)

coordinators: Prof. Alok Kumar Singh Kushwaha (School of Engineering & Technology), Mr. Manjit Jaiswal (Department of Computer Science & Engineering), Dr. Devendra Kumar Singh (Faculty Coordinator)

Objectives of the Workshop:

- To help students improve their communication skills.
- To enhance students' behavioral skills for better workplace interactions.
- To assist students in developing a job-ready personality for successful placements.

Summary of the Workshop:

The workshop was led by Dr. Prasenjit Panda, who shared valuable insights into personality development, focusing on communication, behavioral skills, and preparing for job interviews. The session covered essential aspects of how to present oneself effectively, maintain confidence, and foster positive interactions in a professional environment.

Key Insights:

- **Communication Skills:** Tips and techniques to communicate effectively in professional settings.
- **Behavioral Skills:** Understanding the importance of positive behavior in the workplace and how to develop it.
- **Job-Ready Personality:** How to build confidence, dress appropriately, and present oneself in interviews and professional settings.

Conclusion:

The "Personality Development" workshop was successful in providing students with the necessary skills to enhance their overall personality. Dr. Prasenjit Panda's insights helped the participants understand how to improve their communication and behavioral skills to be job-ready. The workshop concluded with an interactive Q&A session, where students received personalized advice.

For further queries or assistance, students were encouraged to contact the coordinators: Ajay Sharma (8677949742) or Aditya Chauhan (7871147725).
