

National Science Day

Theme for NDS- 2025

Empowering Indian Youth for global leadership in Science and Innovation for Viksit Bharat

Guru Ghasidas Vishwavidyalaya, Bilaspur, CG

28th February

National Science Day

Theme for NSD-2025

Empowering Indian Youth for global Leadership in
Science & Innovation for Viksit Bharat

Speech Competition

Topic - "Scientific Ideas for Sustainable Future"
(सतत भविष्य के लिए वैज्ञानिक नवाचार)

Date and Time - 27/02/2025 (02:30PM)

Venue - Hall No. 1, Rajat Jayanti Sabhagar, GGV

- Time limit for extempore competition is 5 min.
- Only two participants will be allowed from each school of GGV
- For Participation, contact Cultural Coordinator of the School

Quiz Competition

Topic - "Related to the theme of NSD- 2025"

Date and Time - 27/02/2025 (11:00AM)

Venue - Smart Classroom, Biotech Building, GGV

- Preliminary Round will be organized on 26th Feb in Online mode.
- 5 Teams of two participants will be formed randomly from the top 10 participants of preliminary round for final competition.

Popular Science Poster Competition

Topic - "Related to the theme of NSD- 2025"

Date and Time - 28/02/2025 (10:00 AM)

Venue - Rajat Jayanti Sabhagar, GGV

Waste to Wealth Competition

Topic - "Related to the theme of NSD- 2025"

Date and Time - 28/02/2025 (10:00 AM)

Venue - Rajat Jayanti Sabhagar, GGV

Science with Fun Competition

Topic - "Related to the theme of NSD- 2025"

Date and Time - 28/02/2025 (10:00 AM)

Venue - Rajat Jayanti Sabhagar, GGV

- Participants of Popular Science Poster, Waste to Wealth, Science with Fun Competitions, need to present their ideas before a Screening Committee and only those ideas selected by committee will be allowed to present on Science day.
- Date, Time and Venue for screening: 25/02/2025 (11:00 AM) in Biotech Building

✓ Last date for registration is 24th Feb, 2025

Celebrating the Spirit of Scientific Innovation

National Science Day is celebrated every year on 28th February to commemorate the discovery of the '**Raman Effect**' made by the eminent physicist Sir C.V. Raman while working in the laboratory of the Indian Association for the Cultivation of Science, Kolkata. For this discovery, he was awarded the Nobel Prize in 1930. On National Science Day, theme-based science communication activities are carried out all over the country. The first celebration took place on February 28, 1987, marking the beginning of a tradition that continues to inspire generations. The theme for this year is "*Empowering Indian Youth for Global Leadership in Science & Innovation for VIKSIT BHARAT.*" It emphasizes the role of young minds in driving India's scientific and technological progress, aligning with the vision of Viksit Bharat 2047, which aims for a developed and self-reliant India.

Anjali Singh BTech 1st year (ECE) was the winner of Speech competition from School of Engineering and Technology
