INTERNSHIP OFFER LETTER

Dear ROHIT KUMAR
Ref. : CTI/A1/C39600

Congratulations! We are pleased to inform you that you have been selected for the position of **Web Development Intern** at Cognifyz Technologies. We were impressed by your qualifications, skills, and enthusiasm for web development, and we are excited to have you join our team.
As an intern, you will have the opportunity to work on various projects and tasks, As a Developer at our organization, your expertise in developing and integrating technologies will help us build scalable solutions that meet customer needs. Your proficiency in front-end and back-end development is crucial for creating seamless user experiences and ensuring stability. We believe that you will bring valuable insights and perspectives to our team, and we look forward to seeing you thrive and develop your skills during your internship.

We would like to take this opportunity to congratulate you once again and welcome you to Cognifyz Technologies. We look forward to working with you!

Best Regards,

Cognifyz Technologies

1. ABOUT THE COMPANY

Cognifyz Technologies are IT services and IT consultancy that specializes in creating innovative solutions for businesses. We are passionate about technology and believe in the power of software to transform the world. Our internship program is just one of the ways in which we are investing in the future of the industry.

At **Cognifyz Technologies**, they believe practical knowledge is the key to success in the tech industry. Their aim is to help students lacking basic skills by offering hands-on learning through live projects and real-world examples. Their team consists of industry experts who are dedicated to equipping interns with the knowledge and skills needed to succeed in their careers. They foster an inclusive and supportive environment that encourages learning, growth, and creativity.
